PRELIMINARY SUBJECT TO COMPLETION, DATED NOVEMBER 23, 2015

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

Dear F.N.B. Corporation Shareholders and Metro Bancorp, Inc. Shareholders:

On August 4, 2015, F.N.B. Corporation, or F.N.B., and Metro Bancorp, Inc., or Metro, entered into an Agreement and Plan of Merger that provides for the combination of the two companies. This combination will take place by merging Metro with and into F.N.B., with F.N.B. being the surviving corporation. We refer to this combination as the merger, and the Agreement and Plan of Merger as the merger agreement.

If the merger is completed, all shares of Metro common stock owned by a Metro shareholder (except for certain shares held by Metro itself, F.N.B. and their respective subsidiaries, if applicable) will be converted into the right to receive shares of F.N.B. common stock. The amount of F.N.B. common stock a Metro shareholder will be entitled to receive is based on a fixed exchange ratio of 2.373 shares of F.N.B. common stock per single share of Metro common stock; and cash will be paid in lieu of any fractional shares of F.N.B. common stock. Based on the number of shares of Metro common stock outstanding and reserved for issuance under its various equity plans as of November 20, 2015, and the fixed exchange ratio of 2.373, F.N.B. estimates that it will need to issue, or reserve for issuance, approximately 36,000,000 shares of its common stock in the aggregate to pay this merger consideration. After completion of the merger, based on the number of outstanding shares of F.N.B. common stock and Metro common stock on November 20, 2015, and the fixed exchange ratio of 2.373, it is expected that F.N.B. shareholders will, as a group, own approximately 83.8% of the outstanding shares of the surviving corporation and Metro shareholders will, as a group, own approximately 16.2% of the outstanding shares of the surviving corporation, without giving effect to any shares of F.N.B. common stock held by Metro shareholders prior to the merger.

Each of the boards of directors of F.N.B. and Metro has approved the merger and the merger agreement. However, F.N.B. and Metro cannot complete the merger, and the merger consideration cannot be paid by F.N.B., unless (1) F.N.B. shareholders approve the issuance of F.N.B. common stock in the merger and (2) Metro shareholders approve the adoption of the merger agreement and the merger.

In furtherance of the merger, F.N.B. shareholders are cordially invited to attend a special meeting of the shareholders of F.N.B. to be held on January 14, 2016 at the SpringHill Suites Pittsburgh North Shore, Allegheny Room, 223 Federal Street, Pittsburgh, Pennsylvania 15212, at 10:00 a.m. Eastern Time; and Metro shareholders are cordially invited to attend a special meeting of the shareholders of Metro to be held on January 14, 2016 at the Best Western Premier Central Hotel & Conference Center, 800 East Park Drive, Harrisburg, Pennsylvania 17111, at 10:00 a.m. Eastern Time. Please take the time to cast your vote at your special meeting, whether by proxy or in person. Every

shareholder's vote is important, regardless of the number of shares you own.

At the F.N.B. special meeting, F.N.B. shareholders will be asked to vote on (1) a proposal to approve the issuance of F.N.B. common stock pursuant to the merger agreement, and (2) a proposal to approve one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the F.N.B. stock issuance proposal. **F.N.B.'s board of directors unanimously determined, at a meeting attended by twelve of the fifteen directors of F.N.B., that the merger agreement and the transactions described in the merger agreement, including the merger and the issuance of shares of F.N.B. common stock in the merger, are fair to and in the best interests of F.N.B. shareholders and recommends that F.N.B. shareholders vote FOR approval of the issuance of F.N.B. common stock pursuant to the merger agreement and FOR approval of one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the F.N.B. stock issuance proposal.**

At the Metro special meeting, Metro shareholders will be asked to vote on (1) a proposal to approve the adoption of the merger agreement and the merger, (2) a proposal to approve, on an advisory (non-binding) basis, the compensation that will or may be paid to Metro's named executive officers that is based on or otherwise relates to the merger, and (3) a proposal to approve one or more adjournments of the Metro special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of adoption of the merger agreement and the merger. **Metro's board of directors unanimously determined, at a meeting attended by eleven of the twelve directors of Metro, that the merger agreement and the transactions described in the merger**

Table of Contents

agreement, including the merger, are advisable and in the best interests of Metro and its Metro shareholders, and Metro's entire board of directors unanimously recommends that Metro shareholders vote **FOR** approval of the adoption of the merger agreement and the merger, **FOR** the approval, on an advisory (non-binding) basis, of the compensation that will or may be paid to Metro's named executive officers that is based on or otherwise relates to the merger, and **FOR** approval of one or more adjournments of the Metro special meeting, if necessary or appropriate, to solicit additional proxies in favor of adoption of the merger agreement and the merger.

The joint proxy statement/prospectus which accompanies this letter contains important information about the special meeting of Metro shareholders, the special meeting of F.N.B. shareholders, the merger, the documents related to the merger and other related matters. Please carefully read this entire joint proxy statement/prospectus, including *Risk Factors*, beginning on page 19, for a discussion of the risks relating to the proposed merger. You also can obtain information about F.N.B. and Metro from the documents that each has filed with the Securities and Exchange Commission.

Please be aware that, although the number of shares of F.N.B. common stock that Metro shareholders will receive is fixed, the market value of the merger consideration will fluctuate with the market price of F.N.B. common stock and will not be known at the time of the Metro and F.N.B. special meetings. Based on the closing price of F.N.B. common stock on the New York Stock Exchange, or NYSE, on August 3, 2015, the last trading day before public announcement of the merger, the 2.373 exchange ratio represented approximately \$32.72 in value for each share of Metro common stock. Based on F.N.B.'s closing price on November 20, 2015, of \$14.37, the 2.373 exchange ratio represented approximately \$34.10 in value for each share of Metro common stock. **We urge you to obtain current market quotations for F.N.B. common stock (trading symbol FNB) and Metro common stock (trading symbol METR).**

Again, we encourage every F.N.B. shareholder and every Metro shareholder to vote. Whether or not you plan to attend your special meeting, please take the time to vote your shares in accordance with the instructions contained in this joint proxy statement/prospectus.

We look forward to seeing you at your special meeting and to the future, successful combination of our respective banking institutions.

Sincerely,

Vincent J. Delie, Jr.

QUESTIONS AND ANSWERS

The following are some questions that you may have about the merger and the F.N.B. special meeting or the Metro special meeting, and brief answers to those questions. We urge you to read carefully the remainder of this joint proxy statement/prospectus because the information in this section does not provide all of the information that might be important to you. Additional important information about F.N.B., Metro and the proposed merger is also contained in the documents incorporated by reference in this joint proxy statement/prospectus. See *Where You Can Find More Information*.

Q. What is the merger?

A. F.N.B. and Metro have entered into an agreement that provides for the merger of Metro and F.N.B. The purpose of the merger will be to combine the businesses and operations of Metro with those of F.N.B. In the merger, Metro will be merged with and into F.N.B., the separate corporate existence of Metro will cease, and F.N.B. will be the surviving corporation. The merger agreement described in this joint proxy statement/prospectus contains the conditions which must be satisfied to complete the merger. A copy of the merger agreement is attached to this joint proxy statement/prospectus as Appendix A.

In addition, in order to complete the combination of their businesses, F.N.B. and Metro agreed that their principal operating subsidiaries should merge with each other. Once the merger between F.N.B. and Metro is completed, Metro Bank, the bank subsidiary of Metro, will merge with and into First National Bank of Pennsylvania, the bank subsidiary of F.N.B. As a result of this bank merger, the separate corporate existence of Metro Bank will cease, and First National Bank of Pennsylvania will continue as the surviving bank.

The merger between F.N.B. and Metro cannot be completed unless, among other things, Metro shareholders approve the adoption of the merger agreement and the merger and F.N.B. shareholders approve the issuance of F.N.B. common stock pursuant to the merger agreement.

Q. Why am I receiving this document?

A. This document is being delivered to you because the Metro board of directors and the F.N.B. board of directors are jointly using this document as a proxy statement to solicit the proxies of the shareholders of Metro and F.N.B., respectively, for use at the special meetings to be held by Metro and F.N.B. The Metro board of directors has called a special meeting of Metro shareholders in order to obtain their approval of the adoption of the merger agreement and the merger and related matters. Similarly, the F.N.B. board of directors has called a special meeting of F.N.B. shareholders to obtain their approval of the issuance of F.N.B. common stock pursuant to the merger agreement.

This document also is a prospectus of F.N.B. pursuant to which F.N.B. is offering shares of its common stock to Metro shareholders in connection with the merger.

This joint proxy statement/prospectus contains important information about the merger, the merger agreement, the special meetings and other related matters. You should read this joint proxy statement/prospectus carefully. The enclosed materials allow you to have your shares voted by proxy without attending the special meeting. Your vote is

important, and we encourage you to submit your proxy as soon as possible.

Q. What will Metro shareholders receive in the merger?

A. Metro shareholders will receive merger consideration consisting of shares of F.N.B. common stock. Upon completion of the merger of Metro with and into F.N.B., each share of Metro common stock issued and outstanding immediately prior to that time (except for shares held in treasury by Metro and certain shares held by F.N.B. or subsidiaries of Metro or F.N.B.), will be converted into the right to receive 2.373 shares of F.N.B. common stock. F.N.B. will pay cash in lieu of issuing fractional shares of F.N.B. common stock.

Q. What will F.N.B. shareholders receive in the merger?

A. Upon completion of the merger of Metro with and into F.N.B., F.N.B. shareholders will not receive any merger consideration and will continue to hold the shares of F.N.B. common stock that they currently hold.

Table of Contents

Q. What is the value of the per share merger consideration that Metro shareholder will receive?

A. Although the number of shares of F.N.B. common stock the Metro shareholders will receive is fixed, the value of the merger consideration will fluctuate between the date of this joint proxy statement/prospectus and the date on which the merger is completed, based upon the market value of a share of F.N.B. common stock. Any fluctuation in the market price of F.N.B. common stock after the date of this joint proxy statement/prospectus will change the value of the shares of F.N.B. common stock that Metro shareholders will receive. Based on the closing stock price of F.N.B. common stock on the New York Stock Exchange, or the NYSE, on August 3, 2015, the last trading day before public announcement of the merger, of \$13.79, and the applicable exchange ratio of 2.373, the value of the per share merger consideration would be \$32.72 for each share of Metro common stock. Based on the closing stock price of F.N.B. common stock on the NYSE on November 20, 2015, the latest practicable date before the mailing of this joint proxy statement/prospectus, of \$14.37, and the exchange ratio of 2.373, the value of the per share merger consideration would be \$34.10 for each share of Metro common stock. Additionally, after taking into account F.N.B.'s estimate that, based on the number of shares of Metro common stock outstanding and reserved for issuance under its various equity plans, the maximum number of shares of F.N.B. common stock issuable in the merger is 36,000,000 shares, the total aggregate consideration would have a value of approximately \$517 million. We urge you to obtain current market quotations for shares of F.N.B. common stock and Metro common stock.

Q. What happens if a Metro shareholder is eligible to receive a fraction of a share of F.N.B. common stock as part of the per share merger consideration?

A. If the aggregate number of shares of F.N.B. common stock that a Metro shareholder is entitled to receive as part of the per share merger consideration includes a fraction of a share of F.N.B. common stock, the shareholder will receive cash in lieu of that fractional share. See the section entitled *The Merger Agreement Treatment of Metro Common Stock* beginning on page 105 of this joint proxy statement/prospectus.

Q. What will holders of Metro stock options receive in the merger?

A. Upon completion of the merger, each outstanding option to purchase shares of Metro common stock pursuant to Metro's equity-based compensation plans will be converted automatically into an option to purchase shares of F.N.B. common stock on the same terms and conditions as were applicable prior to the merger, subject to adjustment of the exercise price and the number of shares of F.N.B. common stock issuable upon exercise of that option to reflect the exchange ratio of 2.373 shares of F.N.B. common stock for one share of Metro common stock. As of the date of this joint proxy statement/prospectus, all outstanding options to purchase shares of Metro common stock held by Metro's employees have vested and become exercisable independent of and without regard to the merger.

Q. What will happen to Metro as a result of the merger?

A.

If the merger is completed, Metro will be merged with and into F.N.B., with F.N.B. surviving the merger as the surviving corporation. Following the merger, Metro will cease to exist by operation of law and will no longer be a publicly held company. Following the merger, Metro common stock will be delisted from The NASDAQ Global Select, or NASDAQ, and deregistered under the Securities Exchange Act of 1934.

Q. What equity stake will Metro shareholders hold in F.N.B. immediately following the merger?

- A. Based on the number of issued and outstanding shares of F.N.B. common stock and Metro common stock as of November 20, 2015, and based on the exchange ratio of 2.373, without giving effect to any shares of F.N.B. common stock held by Metro shareholders prior to the merger, holders of shares of Metro common stock as of immediately prior to the completion of the merger will hold, in the aggregate, approximately 16.2% of the shares of F.N.B. common stock that are issued and outstanding immediately following the completion of the merger.

Table of Contents

Q. When will the merger be completed?

- A. If Metro shareholders approve adoption of the merger agreement and the merger and F.N.B. shareholders approve the issuance of F.N.B. common stock pursuant to the merger agreement, the parties currently expect the merger will be completed during the first quarter of 2016. Neither Metro nor F.N.B. can predict, however, the actual date on which the merger will be completed because it is subject to factors beyond each company's control, including whether or when the required regulatory approvals will be received. See *The Merger Regulatory Approvals Required for the Merger and the Bank Merger* beginning on page 100.

Q. What am I being asked to vote on?

- A. Metro shareholders are being asked to vote on the following proposals:

- (1) To approve the adoption of the merger agreement, a copy of which is attached as Appendix A to this document, and the merger (we refer to this proposal as the Metro merger proposal);
- (2) To approve, by an advisory (non-binding) vote, certain compensation arrangements in connection with the proposed merger for Metro's named executive officers, as discussed under the section titled *The Merger Interests of Metro's Directors and Executive Officers in the Merger* beginning on page 95 (we refer to this proposal as the Metro compensation proposal); and
- (3) To approve one or more adjournments of the Metro special meeting, if necessary or appropriate, to solicit additional proxies in the event that there are not sufficient votes at the time of the Metro special meeting to approve the Metro merger proposal (we refer to this proposal as the Metro adjournment proposal).

Metro will transact no other business at the Metro special meeting, except for business properly brought before the Metro special meeting or any adjournment or postponement thereof.

- F.N.B. shareholders are being asked to vote on the following proposals:

- (1) To approve the issuance of F.N.B. common stock, par value \$0.01 per share, pursuant to the merger agreement (we refer to this proposal as the F.N.B. stock issuance proposal); and
- (2) To approve one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies in favor of the F.N.B. stock issuance proposal (we sometimes refer to this proposal as the F.N.B. adjournment proposal).

F.N.B. will transact no other business at the F.N.B. special meeting, except for business properly brought before the F.N.B. special meeting or any adjournment or postponement thereof.

The merger cannot be completed unless both the Metro merger proposal and the F.N.B. stock issuance proposal are approved by the Metro shareholders and the F.N.B. shareholders, respectively.

Q. How does the Metro board of directors recommend that Metro shareholders vote at their special meeting?

A. The Metro board of directors unanimously recommends that you vote **FOR** the Metro merger proposal, **FOR** the Metro compensation proposal, and **FOR** the Metro adjournment proposal.

Q. How does the F.N.B. board of directors recommend that F.N.B. shareholders vote at their special meeting?

A. The F.N.B. board of directors recommends that you vote **FOR** the F.N.B. stock issuance proposal and **FOR** the F.N.B. adjournment proposal.

Q. When and where will the special meetings be held?

A. The Metro special meeting will be held at the Best Western Premier Central Hotel & Conference Center, 800 East Park Drive, Harrisburg, Pennsylvania 17111, on January 14, 2016, at 10:00 a.m. Eastern Time.

The F.N.B. special meeting will be held at the SpringHill Suites Pittsburgh North Shore, Allegheny Room, 223 Federal Street, Pittsburgh, Pennsylvania 15212, on January 14, 2016, at 10:00 a.m. Eastern Time.

Q. What do I need to do now?

- A. You should first carefully read this joint proxy statement/prospectus, including the appendices and the documents that F.N.B. and Metro incorporate by reference in this joint proxy statement/prospectus. See *Where You Can Find More Information* on page 137 of this joint proxy statement/prospectus for information about documents incorporated by reference. After you have decided how you wish to vote your shares, please vote your shares promptly so that your shares are represented and voted at your special meeting. Deadlines for voting through the Internet or by telephone and other information about voting may be found in the enclosed proxy card instructions.

Q. How do I vote?

- A. If you are a shareholder of record of F.N.B. as of November 20, 2015, which is referred to as the F.N.B. record date, or a shareholder of record of Metro as of November 20, 2015, which is referred to as the Metro record date, you may vote your shares of common stock on the matters presented at your special meeting by any of the following methods:

via the Internet visit the website shown on your proxy card to vote via the Internet;

by telephone call the toll-free number shown on your proxy card to vote by telephone;

by mail sign, date and return the enclosed proxy card in the accompanying prepaid reply envelope to vote by mail; or

in person attend the special meeting and cast your vote there.

If you hold your shares in *street name* through a bank or broker, please refer to the instructions provided by your bank or broker regarding how to vote your shares. Please note that if your shares are held in *street name* and you wish to vote in person at the special meeting, you must obtain a legal proxy from your bank or broker.

Q. If my shares of Metro or F.N.B. common stock are held in *street name* by my bank or broker, will my bank or broker vote my shares of common stock for me?

- A. No. If your shares are held in an account at a broker, bank or other nominee holder of record (*i.e.*, in *street name*), you must instruct the broker, bank or other nominee holder of record on how to vote your shares. Your broker, bank or other nominee holder of record will vote your shares only if you provide instructions on how to vote by filling out the voting instruction form sent to you by your broker, bank or other nominee holder of record with this joint proxy statement/prospectus. Brokers, banks and other nominee holders of record who hold shares of common stock in *street name* typically have the authority to vote in their discretion on routine proposals when they have not received instructions on how to vote from the beneficial owner. However, brokers, banks and other

nominee holders of record typically are not allowed to exercise their voting discretion on matters that are non-routine without specific instructions on how to vote from the beneficial owner. Under the current rules of NASDAQ and the NYSE, each of the proposals to be considered at the Metro special meeting and the F.N.B. special meeting as described in this joint proxy statement/prospectus is considered non-routine. Therefore brokers, banks and other nominee holders of record do not have discretionary authority to vote on any of the proposals that Metro and F.N.B. shareholders are being asked to consider.

Broker non-votes are shares held by a broker, bank or other nominee holder of record that are present in person or represented by proxy at the special meeting, but with respect to which the broker, bank or other nominee holder of record is not instructed by the beneficial owner of such shares on how to vote on a particular proposal and the broker does not have discretionary voting power on such proposal. Because brokers, banks and other nominee holders of record do not have discretionary voting authority with respect to any of the proposals to be considered at the Metro special meeting or the F.N.B. special meeting as described in this joint proxy statement/prospectus, if a beneficial owner of shares of Metro or F.N.B.

Table of Contents

common stock held in street name does not give voting instructions to the broker, bank or other nominee holder of record, then those shares will be considered present for purposes of constituting a quorum and for the Metro compensation proposal and the Metro adjournment proposal, will have the same effect as a vote AGAINST the proposal.

Q. What is the quorum requirement for the Metro special meeting?

A. The presence, in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the Metro special meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum for all matters voted on at the Metro special meeting.

Q. What is the quorum requirement for the F.N.B. special meeting?

A. The presence, in person or by proxy of a majority of the outstanding shares of common stock entitled to vote is necessary to constitute a quorum at the F.N.B. special meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence of a quorum for all matters voted on at the F.N.B. special meeting.

Q. What vote is required to approve each proposal at the Metro special meeting?

A. In order to be approved, the Metro merger proposal must receive an affirmative vote by a majority of the votes cast at a meeting. Under Metro's articles of incorporation, this vote is sufficient to approve the merger because more than sixty-six and two-thirds of Metro's board of directors has recommended that the shareholders approve the merger. If you mark ABSTAIN on your proxy card, fail to submit a proxy card, fail to vote in person at the Metro special meeting or fail to instruct your bank or broker how to vote with respect to the Metro merger proposal, your shares will not be included in the determining the total number of votes cast on the proposal and will have no effect on the proposal.

In order to be approved, the Metro compensation proposal and the Metro adjournment proposal each must receive the affirmative vote of a majority of the shares present and entitled to vote at the special meeting. Therefore, if you mark ABSTAIN on your proxy card or fail to instruct your bank or broker how to vote with respect to the proposal, it will have the same effect as a vote AGAINST the proposal. By contrast, if you fail to submit a proxy card or fail to attend the special meeting to vote in person at the Metro special meeting, your shares will not be included in the determining the total number of shares present and entitled to vote at the special meeting and will have no effect on the proposal. However, the vote on the compensation proposal is only advisory and will not be binding on Metro or the combined company that results from the merger.

Q. What vote is required to approve each proposal at the F.N.B. special meeting?

A.

In order to be approved, the F.N.B. stock issuance proposal must receive an affirmative vote by a majority of the votes cast by the shareholders entitled to vote on that matter, with abstentions being included in determining the total number of votes cast on the proposal. Therefore, if you mark **ABSTAIN** on your proxy card, it will have the same effect as a vote **AGAINST** the proposal. By contrast, if you fail to submit a proxy card or vote in person at the F.N.B. special meeting or fail to instruct your bank or broker how to vote with respect to the F.N.B. stock issuance proposal, your shares will not be included in the determining the total number of votes cast on the proposal and will have no effect on the proposal.

The F.N.B. adjournment proposal also requires approval by a majority of the votes cast by the shareholders entitled to vote on that matter, but abstentions will be excluded in determining the number of votes cast. Therefore, if you mark **ABSTAIN** on your proxy card, fail to submit a proxy card or vote in person at the F.N.B. special meeting or fail to instruct your bank or broker how to vote with respect to the F.N.B. adjournment proposal, your shares will not be included in the determining the total number of votes cast on the proposal and will have no effect on the proposal.

Q. What if my shares of F.N.B. common stock are held through a plan (i.e., the F.N.B. Corporation Progress Savings 401(k) Plan or the Baltimore County Savings Bank Employee Savings Plan)?

A. If you participate in an employee stock ownership plan or 401(k) plan sponsored by F.N.B., you will receive a voting instruction card for each plan that reflects all shares you may vote under the plan. If you hold shares of F.N.B. common stock through the F.N.B. Corporation Progress Savings 401(k) Plan or the Baltimore County Savings Bank Employee Savings Plan, you may vote by instructing the trustee of the plan pursuant to the voting instruction card that has been mailed with this joint proxy statement/prospectus to plan participants. The trustee will vote your shares in accordance with your completed and signed voting instruction card, provided that the trustee receives it by 3:00 a.m., Eastern Time, on Monday, January 11, 2016. If you do not return your voting instruction card before that time, the shares credited to your plan account will be voted by the trustee in the same proportion that it votes the shares for which it timely received voting instruction cards.

Q. What if my shares of Metro common stock are held through the Metro Dividend Reinvestment and Stock Purchase Plan or the SmartBuy Stock Purchase Program?

A. If your shares of Metro common stock are held through the Metro Dividend Reinvestment and Stock Purchase Plan or the SmartBuy Stock Purchase Program, your name and share holdings will be included on the participant list that Metro will send to its transfer agent. The transfer agent will mail the joint proxy statement/prospectus and proxy card directly to you and ask that you return the proxy card so your shares can be voted. Your shares will not be voted if you do not return the proxy card.

Q. What does it mean if I get more than one set of voting materials?

A. It means you have multiple accounts at the transfer agent and/or with brokers. Please sign and return all proxy cards to ensure that all of your shares are voted.

Q. What if I do not specify how I want to vote my shares on my proxy card?

A. If you sign and return your proxy or voting instruction card without indicating how to vote on any particular proposal, the common stock represented by your proxy will be voted as recommended by the F.N.B. board of directors or the Metro board of directors with respect to that proposal, as applicable.

Q. May I change my vote after I have voted?

A. Yes. You may revoke your proxy at any time before it is voted at the F.N.B. or Metro special meeting. Proxies may be revoked by sending written notice of revocation to the corporate secretary of F.N.B. or Metro, as applicable; or by returning a new signed and completed proxy card bearing a later date by mail, or by voting on a

later date by Internet or telephone, according to the instructions on your proxy card. The presence at the special meeting of any shareholder who previously gave a proxy will not revoke that proxy unless the shareholder delivers his or her ballot in person at the special meeting or delivers a written revocation to the corporate secretary before the proxy is voted at the meeting. If you hold your shares in street name, you should follow the instructions of your bank or broker regarding the revocation of proxies.

Q. If I am a Metro shareholder, should I send in my Metro stock certificates now?

- A. No. Please do not send in your Metro stock certificates with your proxy. After the merger is completed, an exchange agent will send you instructions for exchanging your Metro stock certificates for the merger consideration. See *The Merger Agreement Exchange and Payment Procedures* beginning on page 106.

Q. What should Metro shareholders do if they hold their shares of Metro common stock in book-entry form?

- A. You are not required to take any special additional actions if your shares of Metro common stock are held in book-entry form. After the completion of the merger, shares of Metro common stock held in book-entry

Table of Contents

form automatically will be exchanged for the merger consideration, including shares of F.N.B. common stock in book-entry form and any cash to be paid in exchange for fractional shares in the merger.

Q. Whom should I contact if I cannot locate my Metro stock certificates?

- A. If you are unable to locate your original Metro stock certificate(s), you should contact Computershare, Metro's transfer agent, at 480 Washington Blvd., 29th Floor, Jersey City, NJ 07310, Attention: Constance Adams, Telephone: (201) 680-5258.

Q. What are the material U.S. federal income tax consequences of the merger to Metro shareholders?

- A. The merger is intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, and holders of Metro common stock are not expected to recognize any gain or loss for U.S. federal income tax purposes on the exchange of shares of Metro common stock for shares of F.N.B. common stock in the merger, except with respect to any cash received instead of fractional shares of F.N.B. common stock. For further information, see *Material U.S. Federal Income Tax Consequences of the Merger* beginning on page 121.

The U.S. federal income tax consequences described above may not apply to all holders of Metro common stock. Your tax consequences will depend on your individual situation. Accordingly, we strongly urge you to consult your own tax advisor for a full understanding of the particular tax consequences of the merger to you.

Q. Why are Metro shareholders being asked to cast an advisory (non-binding) vote to approve the compensation payable to certain Metro officers in connection with the merger?

- A. Under SEC rules, Metro is required to seek an advisory (non-binding) vote with respect to compensation that will or may be paid to Metro's named executive officers in connection with the merger.

Q. What will happen if Metro shareholders do not approve the Metro compensation proposal at the special meeting?

- A. Approval of the compensation that will or may be paid to the named executive officers of Metro in connection with the merger is not a prerequisite to completion of the merger. The vote with respect to the compensation that will or may be paid to named executive officers in the merger is an advisory vote and will not be binding on Metro (or the combined company that results from the merger) regardless of whether the merger is approved. Since the compensation that will or may be paid or become payable to Metro's named executive officers in connection with the merger is contractual, the compensation will or may be paid if the merger is completed regardless of the outcome of the advisory vote.

Q. What interests do Metro s directors and executive officers have in the merger?

A. Metro s directors and executive officers have interests in the merger that are different from, or in addition to, those of Metro shareholders generally. The members of Metro s board of directors were aware of and considered these interests, among other matters, in evaluating the merger agreement and the merger, and in recommending that Metro shareholders approve the merger agreement. For a description of these interests, refer to the section entitled *The Merger Interests of Metro s Directors and Executive Officers in the Merger* beginning on page 95.

Q. Do F.N.B. s directors and executive officers have any interests in the merger?

A. No. F.N.B. s directors and executive officers do not have any interests in the merger that are different from, or in addition to, those of F.N.B. shareholders generally, except that Stephen Gurgovits, Chairman of the board of directors of F.N.B., owns approximately 882 shares of Metro common stock. Assuming he continues to own those shares at the time the merger is completed, he will be entitled to receive the same merger consideration as other Metro shareholders upon completion of the merger.

Table of Contents

Q. What happens if the merger is not completed?

- A. If the merger is not completed, holders of Metro common stock will not receive any shares of F.N.B. common stock, cash or any other consideration in exchange for their shares. Metro will remain an independent public company and its common stock will continue to be listed and traded on NASDAQ.

Q. Are Metro shareholders entitled to dissenters rights?

- A. No. Metro shareholders are not entitled to dissenters rights under Pennsylvania law. For further information, see *The Merger No Dissenters Rights*.

Q. Who can answer my questions about the merger and the special meeting?

- A. If you have additional questions about the merger or the special meeting, need assistance with submitting your proxy or would like to request additional copies of this document or the enclosed proxy card, you should contact the proxy solicitor for the company in which you hold shares.

If you are a F.N.B. shareholder, please call Regan & Associates, Inc., the proxy solicitor retained by F.N.B., at (800) 737-3426. If you are a Metro shareholder, you should contact Innisfree M&A Incorporated, the proxy solicitor retained by Metro, at (888) 750-5834.

The Merger

The Merger and the Merger Agreement (Pages 104-120 and Appendix A)

The merger agreement, which governs the merger of Metro with and into F.N.B., is attached to this document as Appendix A. We encourage you to read the merger agreement carefully and in its entirety. All descriptions in this summary and elsewhere in this document of the terms and conditions of the merger are qualified by reference to the merger agreement.

Under the terms of the merger agreement, Metro will merge with and into F.N.B., and F.N.B. will be the surviving entity. As a result of the merger,

Metro's businesses will be combined with F.N.B.'s, and Metro will cease to exist as a separate legal entity.

The articles of incorporation and bylaws of F.N.B. will be the articles of incorporation and bylaws of the surviving entity.

The board of directors of F.N.B. shall be the board of directors of the surviving entity. At the time the merger is completed, the board of directors of F.N.B. will be enlarged by one seat, and one Metro director, as mutually agreed by F.N.B. and Metro, will be appointed to the vacant seat.

The executive officers of F.N.B. shall be the executive officers of the surviving entity.

As soon as practicable after the merger between F.N.B. and Metro is completed, Metro Bank will merge with and into First National Bank of Pennsylvania, and First National Bank of Pennsylvania will continue as the surviving bank. Metro Bank and First National Bank of Pennsylvania have entered into an agreement of merger setting forth their agreement to merge and the terms and conditions of their merger. The form of the agreement of merger between the banks is attached as Exhibit A to the merger agreement between F.N.B. and Metro.

Merger Consideration (Page 105)

The merger consideration to Metro shareholders will be shares of F.N.B. common stock, which will be paid at a fixed exchange ratio of 2.373 shares of F.N.B. common stock for each share of Metro common stock that is outstanding immediately before the merger occurs. Cash will be paid in lieu of any fractional shares of F.N.B. common stock

which a Metro shareholder would otherwise be entitled to receive.

Based on the 2.373 exchange ratio and the number of shares of Metro common stock outstanding and reserved for issuance under its various equity plans as of November 20, 2015, the maximum number of shares of F.N.B. common stock estimated to be issuable in the merger is 36,000,000, representing total aggregate consideration of approximately \$517 million in value, based on the closing price of F.N.B. s common stock on November 20, 2015 of \$14.37. After completion of the merger, without giving effect to any shares of F.N.B. common stock held by Metro shareholders prior to the merger, we expect that F.N.B. shareholders will, as a group, own approximately 83.8% of the surviving corporation and Metro shareholders will, as a group, own approximately 16.2% of the surviving corporation.

Table of Contents**Comparative Market Prices and Dividends (Page 38)**

F.N.B. common stock is listed on the NYSE under the symbol FNB. Prices for Metro common stock are quoted on NASDAQ under the symbol METR. The table on page 38 of this joint proxy statement/prospectus lists the quarterly price range of F.N.B. common stock and Metro common stock from the quarter ended March 31, 2013 through November 20, 2015 as well as the quarterly cash dividends F.N.B. and Metro have paid during the same time period.

The following table shows the closing prices of F.N.B. common stock and Metro common stock as reported on August 3, 2015, the last trading day before F.N.B. and Metro announced they had entered into the merger agreement, and on November 20, 2015, the last practicable trading day before the date we printed and mailed this joint proxy statement/prospectus. This table also presents the pro forma equivalent per share value of a share of Metro common stock on those dates. We calculated the pro forma equivalent per share value by multiplying the closing price of F.N.B. common stock on those dates by 2.373, the exchange ratio in the merger.

	F.N.B. Common Stock	Metro Common Stock	Pro Forma Equivalent Value of One Share of Metro Common Stock
August 3, 2015	\$ 13.79	\$ 24.78	\$ 32.72
November 20, 2015	14.37	33.18	34.10

The market price of F.N.B. common stock may change at any time. Consequently, the total dollar value of the F.N.B. common stock that you will receive upon completion of the merger may be significantly higher or lower than its value as of the date of this joint proxy statement/prospectus. We urge you to obtain current market quotations for F.N.B. common stock and Metro common stock. We can provide no assurance as to future prices of F.N.B. common stock or Metro common stock.

Recommendation of the Metro Board of Directors (Page 39)

The Metro board of directors determined that the merger agreement and the transactions described in the merger agreement, including the merger, are advisable and in the best interests of Metro and its shareholders and recommends that Metro shareholders vote FOR approval of the adoption of the merger agreement and the merger, FOR the approval, by an advisory (non-binding) vote, of certain compensation arrangements in connection with the proposed merger for Metro's named executive officers, and FOR approval of one or more adjournments of the Metro special meeting, if necessary or appropriate, to solicit additional proxies in favor of adoption of the merger agreement and the merger.

Each of the directors of Metro has entered into a voting agreement with F.N.B., solely in his or her capacity as a shareholder of Metro, in which they have agreed to vote in favor of the proposal to approve adoption of the merger agreement and the merger and the proposal to approve one or more adjournments of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of adoption of the merger agreement and the merger. The form of voting agreement is included as Appendix B to this joint proxy statement/prospectus.

Recommendation of the F.N.B. Board of Directors (Page 44)

The F.N.B. board of directors determined that the merger agreement and the transactions described in the merger agreement, including the merger and the issuance of shares of F.N.B. common stock in the merger, are advisable and in the best interests of F.N.B. shareholders and recommends that F.N.B. shareholders vote FOR approval of the issuance of F.N.B. common stock pursuant to the merger agreement, and FOR approval of one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the issuance of F.N.B. common stock in the merger.

Table of Contents**Opinion of Sandler O'Neill & Partners, L.P. in Connection with the Merger (Pages 60-72 and Appendix C)**

In connection with the merger, Metro received the opinion of Sandler O'Neill & Partners, L.P. (whom we refer to as Sandler O'Neill) regarding the fairness, from a financial point of view and as of the date of such opinion, to the holders of Metro common stock of the merger consideration. Metro retained Sandler O'Neill to act as its financial advisor in connection with the proposed transaction based on its qualifications, expertise and familiarity with Metro and its business, as Sandler O'Neill has provided investment banking services to Metro in the past. Sandler O'Neill has delivered a written opinion to the Metro board of directors to the effect that, as of August 2, 2015 and based upon and subject to the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Sandler O'Neill in rendering its opinion, the merger consideration was fair to the holders of Metro common stock from a financial point of view. Sandler O'Neill's opinion was provided to the Metro board of directors in connection with the Metro board of directors' evaluation of the fairness of the merger consideration to the holders of Metro common stock from a financial point of view, and did not address any other aspect of the merger or constitute a recommendation to any holder of Metro common stock as to how such holder of Metro common stock should vote or act with respect to any matters relating to the merger.

The full text of Sandler O'Neill's written opinion, dated August 2, 2015, is attached to this joint proxy statement/prospectus as Appendix C, and constitutes part of this joint proxy statement/prospectus. The opinion sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations and qualifications of the review undertaken by Sandler O'Neill in rendering its opinion. You should carefully read the opinion in its entirety. For a further discussion of Sandler O'Neill's opinion, Metro's prior relationship with Sandler O'Neill and the terms of Sandler O'Neill's engagement, see *The Merger Opinion of Sandler O'Neill & Partners, L.P. in Connection with the Merger* beginning on page 60 of this joint proxy statement/prospectus.

Opinions Obtained by F.N.B. in Connection with the Merger (Pages 76-94 and Appendices D and E)

In connection with the merger, F.N.B. received the opinion of each of RBC Capital Markets, LLC (whom we refer to as RBC), its financial advisor, and Griffin Financial Group LLC (whom we refer to as Griffin), each of whom was engaged by F.N.B. to provide a fairness opinion with respect to the merger, as to the fairness, from a financial point of view, of the exchange ratio to F.N.B. In light of the size of the proposed transaction with Metro, which necessitated obtaining F.N.B. shareholder approval in connection with the merger, the F.N.B. board of directors believed that obtaining a financial analysis and opinion from a second investment banking firm would be prudent and provide additional useful information for the board of directors' deliberations.

Opinion of RBC Capital Markets, LLC

F.N.B. retained RBC to provide an opinion as to the fairness, from a financial point of view, of the consideration to be paid by F.N.B. in connection with the merger. F.N.B. selected RBC to act as its financial advisor based on its qualifications, expertise, reputation and knowledge of F.N.B.'s business and affairs and its experience with bank holding companies and the industry in which F.N.B. operates. RBC has delivered a written opinion to the F.N.B. board of directors to the effect that, as of August 3, 2015 and based upon and subject to the assumptions, limitations, qualifications and other matters set forth therein, the exchange ratio pursuant to the merger agreement was fair, from a financial point of view, to F.N.B. RBC's opinion was provided to the F.N.B. board of directors in connection with the F.N.B. board of directors' evaluation of the exchange ratio, and did not address any other aspect of the merger or constitute a recommendation to any holder of F.N.B. common stock as to how such holder of F.N.B. common stock should vote or act with respect to any matters relating to the merger.

The full text of RBC's written opinion, dated August 3, 2015, is attached to this joint proxy statement/prospectus as Appendix D, and constitutes part of this joint proxy statement/prospectus. The opinion sets forth,

among other things, the assumptions made, procedures followed, matters considered and limitations and qualifications of the review undertaken by RBC in rendering its opinion. You should carefully read the opinion in its entirety. For a further discussion of RBC's opinion, F.N.B.'s prior relationship with RBC and the terms of RBC's engagement, see *The Merger Opinion of RBC Capital Markets, LLC in Connection with the Merger*, beginning on page 76 of this joint proxy statement/prospectus.

Opinion of Griffin Financial Group, LLC

F.N.B. retained Griffin to provide its opinion as to the fairness, from a financial point of view, of the merger consideration (as defined in the merger agreement) to be paid by F.N.B. in the proposed merger of Metro with F.N.B. Griffin is a nationally recognized, Financial Industry Regulatory Authority-licensed investment banking firm which is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. F.N.B. hired Griffin on the basis of Griffin's qualifications, experience in transactions similar to the merger and its reputation in the investment community. At a meeting of the F.N.B. board of directors held on August 3, 2015, to evaluate the proposed merger with Metro, Griffin reviewed the financial aspects of the proposed merger and provided its opinion to F.N.B.'s board that, as of such date, and subject to factors, qualifications, limitations and assumptions set forth in the opinion, the merger consideration to be paid by F.N.B. in connection with the proposed merger was fair, from a financial point of view, to the shareholders of F.N.B. The opinion did not address any other aspect of the merger or constitute a recommendation to any holder of F.N.B. common stock as to how such holder of F.N.B. common stock should vote or act with respect to any matters relating to the merger.

The full text of Griffin's written opinion, dated August 3, 2015, is attached to this joint proxy statement/prospectus as Appendix E and constitutes part of this joint proxy statement/prospectus. F.N.B.'s shareholders are urged to read the opinion in its entirety for a description of the assumptions made, matters considered, procedures followed and qualifications and limitations on the review undertaken by Griffin. Griffin's opinion is subject to the assumptions and conditions contained in its opinion and is necessarily based on economic, market and other conditions as in effect on, and the information made available to Griffin as of, the date of its opinion. For a further discussion of Griffin's opinion, F.N.B.'s prior relationship with Griffin and the terms of Griffin's engagement, see *The Merger Opinion of Griffin Financial Group, LLC in Connection with the Merger* beginning on page 86 of this joint proxy statement/prospectus.

Exchange and Payment Procedures (Pages 106-107)

Upon, or as soon as practicable after, completing the merger, F.N.B. will deposit with the exchange agent, Computershare, book entry shares representing the aggregate number of shares of F.N.B. common stock issuable under the merger agreement in exchange for the Metro common stock. F.N.B. will also deposit a cash amount equal to any dividends or distributions that may be payable to Metro shareholders under the merger agreement, and any cash that may be payable in lieu of the fractional shares of F.N.B. common stock which the Metro shareholders otherwise would be entitled to receive in the merger.

As soon as practicable after completing the merger, but in any event, no later than ten business days after the merger is completed, the exchange agent will mail each holder of record of Metro common stock a letter of transmittal with instructions for surrendering their shares of Metro common stock in exchange for the merger consideration consisting of 2.373 shares of F.N.B. common stock for each share of Metro common stock owned by the holder and cash in lieu of any fractional shares of F.N.B. common stock that otherwise would be issuable to the holder. To receive the merger consideration, a shareholder must surrender his or her Metro stock certificates to the exchange agent, together with properly completed and signed transmittal materials. F.N.B. has no obligation to pay the merger consideration to any

Metro shareholder until the shareholder has properly surrendered the stock certificates representing his or her shares of Metro common stock.

Table of Contents

Treatment of Metro Stock Options (Page 105)

Upon completion of the merger, each outstanding option to purchase shares of Metro common stock pursuant to Metro's equity-based compensation plans will be converted automatically into an option to purchase shares of F.N.B. common stock on the same terms and conditions as were applicable prior to the merger, subject to adjustment of the exercise price and the number of shares of F.N.B. common stock issuable upon exercise of that option to reflect the exchange ratio of 2.373 shares of F.N.B. common stock for each share of Metro common stock. As of the date of this joint proxy statement/prospectus, all outstanding options to purchase shares of Metro common stock held by Metro's employees have vested and become exercisable independent of and without regard to the merger.

Conditions to Completion of the Merger (Pages 116-117)

Currently, we expect to complete the merger during the first quarter of 2016. However, we cannot assure you that the merger will be completed in that timeframe, or at all. As more fully described elsewhere in this joint proxy statement/prospectus and in the merger agreement, the completion of the merger depends on the satisfaction of a number of conditions or, where legally permissible, the waiver of those conditions. These conditions include, among others:

Metro shareholder approval of the merger agreement and the merger;

F.N.B. shareholder approval of the issuance of F.N.B. common stock in the merger;

the receipt and effectiveness of all regulatory approvals that are needed to complete the merger, including approval by the Federal Reserve Board of the merger between F.N.B. and Metro (or the waiver of this approval requirement by the Federal Reserve Board);

NYSE approval of the listing on the NYSE of the shares of F.N.B. common stock to be issued in the merger to Metro shareholders as merger consideration;

the effectiveness of the registration statement of which this joint proxy statement/prospectus forms a part;

the absence of any law, statute or regulation, or any judgment, decree, injunction or other order of any court or other governmental entity that would prevent, prohibit or make illegal completion of the merger;

Metro taking certain actions that will result in the redemption of all outstanding shares of Metro's Series A Non-Cumulative Preferred Stock;

the receipt at closing of legal opinions from F.N.B.'s and Metro's respective legal counsel that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code;

the accuracy of the parties' representations and warranties in the merger agreement as of the closing date, subject to applicable materiality qualifiers; and

the prior performance of the parties, in all material respects, of their respective obligations under the merger agreement.

On October 6, 2015, F.N.B. filed an application with the Office of the Comptroller of the Currency for approval of the bank merger, which was approved by the Office of the Comptroller of the Currency on November 19, 2015. On November 6, 2015, F.N.B. submitted to the Federal Reserve Board a request for an exemption from the prior approval requirement that applies to the merger between F.N.B. and Metro; on November 13, 2015, the Federal Reserve Board granted the requested exemption. On October 23, 2015, Metro redeemed all outstanding shares of the Series A Non-Cumulative Preferred Stock. However, neither Metro nor F.N.B. can be certain when, or if, Metro and F.N.B. will satisfy or waive all of the conditions to the merger, or that Metro and F.N.B. will complete the merger.

Table of Contents

Termination of the Merger Agreement (Pages 117-118)

Either party, acting alone, may elect to terminate the merger agreement if any of the following occurs:

the approval of a governmental entity, which is required for completion of the merger, is denied by final and non-appealable action;

the merger is not completed by 5:00 p.m. Eastern Time on June 30, 2016;

the other party commits a breach of the merger agreement which would cause the failure of the closing conditions described above to be satisfied, and the breach cannot be cured or has not been cured within the timeframes given in the merger agreement; or

the vote by Metro shareholders that is needed to approve the merger is not obtained at the Metro special meeting or any adjournment or postponement of the Metro special meeting.

Metro has a separate right to terminate the merger agreement if any of the following occurs:

the Metro board of directors has determined an unsolicited, alternative acquisition proposal from a third party is a superior proposal, as defined in the merger agreement, and has authorized Metro to pursue the superior proposal;

the vote by F.N.B. shareholders that is needed to approve the issuance of F.N.B. common stock in the merger is not obtained at the F.N.B. special meeting or any adjournment or postponement of the F.N.B. special meeting;

the average closing price of F.N.B. common stock during a specified period before the completion of the merger is less than \$11.20 and F.N.B. common stock underperforms an index of financial institutions, set forth in the merger agreement, by more than 20%.

The parties can also mutually agree to terminate the merger agreement at any time prior to completion of the merger.

Termination Fee (Page 119)

If the merger agreement is terminated under certain circumstances, which generally relate to Metro's pursuit of an alternative acquisition proposal from a third party or a change in the Metro board of directors' recommendation of the merger that is adverse to F.N.B., Metro will be required to pay a termination fee of \$17.5 million to F.N.B.

Expenses (Pages 119-120)

F.N.B. and Metro will each bear its own costs and expenses with respect to the merger, except that the costs and expenses associated with filing and printing this joint proxy statement/prospectus will be shared equally between them. However, if the merger agreement is terminated by one of them due to a breach by the other party of its representations and warranties or performance obligations under the merger agreement, the breaching party must reimburse the other party up to \$500,000 of its out-of-pocket expenses actually incurred in connection with the merger.

Interests of Metro's Directors and Executive Officers in the Merger (Pages 95-99)

Metro shareholders should be aware that some of Metro's executive officers and directors may have interests in the merger that are different from, or in addition to, those of Metro shareholders generally. Metro's board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger and the merger agreement, and in recommending that Metro shareholders vote

Table of Contents

in favor of approval of adopting the merger agreement and the merger. The material interests considered by Metro's board of directors include payments and other benefits in connection with the merger, either by reason of the merger, or, in certain cases, which are triggered upon a qualifying termination of employment by Metro without cause or by the executive officer voluntarily terminating employment, either for good reason or within a certain window period under executives' employment agreements. These interests also include F.N.B.'s agreement that following the completion of the merger, one director of Metro, as mutually agreed by F.N.B. and Metro, will serve as a paid member of the boards of directors of F.N.B. and First National Bank of Pennsylvania. F.N.B. currently pays its non-employee directors an annual retainer fee of \$50,000 (excluding annual fees paid for service on a committee of the board of directors, which are \$3,500 for the Nominating & Governance Committee and \$7,500 for each of the Executive, Audit, Compensation and Risk Committees) and a stock award valued at approximately \$40,000. In addition, two directors of Metro, as mutually agreed by F.N.B. and Metro, will serve as paid members of a Harrisburg Community Advisory Board to be established by F.N.B. following the completion of the merger. During their first full year of service on the advisory board, the Metro directors will receive the same level of compensation that they currently receive for their service on the Metro board of directors. Information regarding the compensation paid to Metro's directors may be found in the definitive proxy statement for Metro's 2015 annual meeting of shareholders, which was filed with the SEC on May 22, 2015. See *Where You Can Find More Information* on page 137 of this joint proxy statement/prospectus. As of the date of this joint proxy statement/prospectus, the Metro directors who will be appointed to the F.N.B. and First National Bank of Pennsylvania boards of directors and the Harrisburg Community Advisory Board have not been determined. The merger agreement also provides for continuing indemnification for directors and executive officers of Metro following the merger and the continuation of directors' and officers' insurance for these individuals for six years after the merger.

Regulatory Approvals Required for the Merger and the Bank Merger (Pages 100-102)

Completion of the merger between F.N.B. and Metro and the bank merger are subject to various regulatory approvals. The merger of Metro with and into F.N.B. is subject to the prior approval of the Federal Reserve Board (or through delegated authority to the Federal Reserve Bank of Cleveland), unless the Federal Reserve Board waives this requirement pursuant to Regulation Y under the BHC Act, as well as prior approval of the Pennsylvania Department of Banking and Securities. In accordance with Regulation Y, F.N.B. submitted its request for an exemption from the prior approval requirement of Section 3 of the BHC Act from the Federal Reserve Board on November 6, 2015. On November 13, 2015, the Federal Reserve Board granted the requested exemption. The merger between Metro's and F.N.B.'s respective bank subsidiaries, Metro Bank and First National Bank of Pennsylvania, is subject to the prior approval of the primary regulator of First National Bank of Pennsylvania, the Office of the Comptroller of the Currency. On October 6, 2015, First National Bank of Pennsylvania submitted an application to the Office of the Comptroller of the Currency pursuant to the Bank Merger Act for prior approval for Metro Bank to merge with and into First National Bank of Pennsylvania, and on November 19, 2015, the Office of the Comptroller of the Currency approved the merger application. Also, the United States Department of Justice has authority to comment on the mergers during the regulatory approval process of federal banking agencies and will have at least 30 days, which may be reduced to 15 days following the approvals by the Federal Reserve Board and the Office of the Comptroller of the Currency, to challenge such approvals on antitrust grounds.

No Dissenters or Appraisal Rights (Page 103)

Holders of Metro common stock will not be entitled to dissenters' or appraisal rights in the merger. Under Pennsylvania law, dissenters' or appraisal rights are generally not available if the shares of a corporation are listed on a national securities exchange, such as NASDAQ, or if the corporation's shares are held beneficially or of record by more than 2,000 persons at the record date fixed to determine the shareholders entitled to notice of the meeting of shareholders and to vote upon the matter. Because Metro common stock was listed on NASDAQ and was held

beneficially or of record by more than 2,000 persons on the record date, dissenters or appraisal

Table of Contents

rights will not be available. If they had been available, dissenters or appraisal rights would have enabled a shareholder who opposes the merger to obtain an appraisal of the fair cash value of his or her shares and require Metro to purchase those shares at the price established by the appraisal.

Material U.S. Federal Income Tax Consequences of the Merger (Pages 121-123)

F.N.B. and Metro intend that the merger will qualify for United States federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. If the merger qualifies as a reorganization, then, in general, for United States federal income tax purposes, (A) no gain or loss will be recognized by F.N.B. or Metro as a result of the merger, and (B) each Metro shareholder who receives F.N.B. common stock in the merger generally will not recognize gain or loss except to the extent of any cash received in lieu of fractional shares. It is a condition to the completion of the merger that F.N.B. and Metro receive written opinions from their respective legal counsel to the effect that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. In connection with F.N.B.'s filing of the registration statement that contains this joint proxy statement/prospectus with the SEC, F.N.B. and Metro each received from their legal counsel an opinion to the effect that the merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code, and the discussion under the caption, *Material U.S. Federal Income Tax Consequences of the Merger*, constitutes their opinion as to the material U.S. federal income tax consequences of the merger to holders of Metro common stock. Copies of their opinions also have been filed with the registration statement as exhibits.

Tax matters are very complicated and the tax consequences of the merger to each Metro shareholder may depend on such shareholder's particular facts and circumstances. Metro shareholders are urged to consult their tax advisors to understand fully the tax consequences to them of the merger. See *Material U.S. Federal Income Tax Consequences of the Merger* beginning on page 121 of this joint proxy statement/prospectus.

Risk Factors (Pages 19-25)

You should carefully consider the information in this joint proxy statement/prospectus under the caption, *Risk Factors*, in deciding how to vote for the proposals presented in this joint proxy statement/prospectus. In this section, we describe a number of risks associated with the merger and the issuance of F.N.B. common stock in the merger which could affect F.N.B. or Metro or the F.N.B. common stock that is being offered to Metro shareholders by F.N.B. through this joint proxy statement/prospectus. The risks described in this section are the risks that F.N.B. and Metro considered to be most significant, but F.N.B. and Metro also encourage you to read and consider the risks that each company has described in the *Risk Factors* section of its Annual Report on Form 10-K for the year ended December 31, 2014 and that Metro has described in its Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2015, each of which is on file with the SEC and all of which are incorporated by reference into this joint proxy statement/prospectus. See *Where You Can Find Additional Information* beginning on page 137 of this joint proxy statement/prospectus. The risk factors in those reports were identified by each company as being significant to its own businesses and also could affect the operations and financial results of the combined company.

The Special Meetings

Metro Special Meeting of Shareholders (Pages 39-42)

The Metro special meeting will be held at 10:00 a.m., Eastern Time, on January 14, 2016, at the Best Western Premier Central Hotel & Conference Center, 800 East Park Drive, Harrisburg, Pennsylvania 17111. At the Metro special meeting, Metro shareholders will be asked to consider and vote on the following matters:

- (1) a proposal to approve adoption of the merger agreement and the merger;
- (2) a proposal to approve, by an advisory (non-binding) vote, certain compensation arrangements in connection with the proposed merger for Metro's named executive officers; and

Table of Contents

- (3) a proposal to approve one or more adjournments of the Metro special meeting, if necessary or appropriate, to solicit additional proxies in the event that there are not sufficient votes at the time of the special meeting to approve adoption of the merger agreement and the merger.

Only holders of record of Metro common stock at the close of business on November 20, 2015 will be entitled to vote at the special meeting. Each share of Metro common stock is entitled to one vote on each proposal to be considered at the Metro special meeting. As of the record date, there were 14,284,937 shares of Metro common stock entitled to vote at the special meeting. As of the record date, the directors and executive officers of Metro beneficially owned and were entitled to vote approximately 2,322,407 shares of Metro common stock, allowing them to exercise approximately 16.3% of the voting power of Metro common stock outstanding as of the record date. On August 4, 2015, each of the persons then serving as a director of Metro entered into a voting agreement with F.N.B., solely in his or her capacity as a shareholder of Metro, in which each such person agreed to vote in favor of the proposal to approve adoption of the merger agreement and the merger and the proposal to approve one or more adjournments of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of adoption of the merger agreement and the merger.

Approval of the merger agreement requires the affirmative vote of a majority of the votes cast at a meeting of shareholders. The proposals to approve certain compensation arrangements in connection with the merger for Metro's named executive officers and to approve adjournment of the special meeting if necessary to solicit additional proxies requires the affirmative vote of a majority of the shares present and entitled to vote at the special meeting. However, the vote on the compensation proposal is only advisory and will not be binding on Metro or the combined company that results from the merger.

F.N.B. Special Meeting of Shareholders (Pages 44-48)

The F.N.B. special meeting will be held at 10:00 a.m., Eastern Time, on January 14, 2016, at the SpringHill Suites Pittsburgh North Shore, Allegheny Room, 223 Federal Street, Pittsburgh, Pennsylvania 15212. At the F.N.B. special meeting, F.N.B. shareholders will be asked to consider and vote on the following matters:

- (1) a proposal to approve the issuance of F.N.B. common stock pursuant to the merger agreement; and
- (2) a proposal to approve one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the issuance of F.N.B. common stock pursuant to the merger agreement.

Only holders of record of F.N.B. common stock at the close of business on November 20, 2015 will be entitled to vote at the special meeting. Each share of F.N.B. common stock is entitled to one vote on each proposal to be considered at the F.N.B. special meeting. As of the record date, there were 175,051,705 shares of F.N.B. common stock entitled to vote at the special meeting. As of the record date, the directors and executive officers of F.N.B. beneficially owned and were entitled to vote approximately 1,970,919 shares of F.N.B. common stock, allowing them to exercise approximately 1.13% of the voting power of F.N.B. common stock outstanding as of the record date. F.N.B. currently expects that F.N.B.'s directors and executive officers will vote their shares in favor of the proposal to approve the issuance of F.N.B. common stock pursuant to the merger agreement and the proposal to approve one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the issuance of F.N.B. common stock pursuant to the merger agreement, although none of the directors and executive officers of F.N.B. has entered into any agreements obligating them to do so.

Approval of the issuance of F.N.B. common stock pursuant to the merger agreement requires the affirmative vote of a majority of the votes cast at the special meeting, with abstentions being counted to determine the total number of votes cast, as is required by NYSE rules. The proposal to approve one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of the issuance of F.N.B. common stock pursuant to the merger agreement, requires the affirmative vote of a majority of the votes cast at the special meeting, with abstentions not included in determining the total number of votes cast.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this joint proxy statement/prospectus, including the matters addressed under Cautionary Statement Regarding Forward-Looking Statements, beginning on page 26 of this joint proxy statement/prospectus, you should carefully consider the following risk factors in determining whether to vote FOR approval of the adoption of the merger agreement and the merger or approval of the F.N.B. stock issuance. You should also read and consider the risk factors associated with each of the businesses of F.N.B. and Metro because those risk factors may affect the operations and financial results of the combined company. Those risk factors may be found under Part I, Item 1A, Risk Factors, in each company's Annual Report on Form 10-K for the year ended December 31, 2014, and under Part II, Item 1A, Risk Factors, in Metro's Quarterly Reports on Form 10-Q for the quarterly periods ended June 30, 2015 and September 30, 2015, each of which is on file with the SEC and all of which are incorporated by reference into this joint proxy statement/prospectus.

Because the market price of F.N.B. common stock will fluctuate, Metro shareholders cannot be certain of the market value of the F.N.B. common stock that they will receive upon completion of the merger.

Upon completion of the merger, each share of Metro common stock (other than certain shares held by F.N.B., its subsidiaries or Metro's subsidiaries, or any shares held by Metro as treasury shares) will become the right to receive 2.373 shares of F.N.B. common stock. Any change in the price of F.N.B. common stock prior to the merger will affect the market value of the F.N.B. common stock that Metro shareholders will receive upon completion of the merger. Stock price changes may result from a variety of factors, including general market and economic conditions, changes in F.N.B.'s businesses, operations and prospects and regulatory considerations.

The prices of F.N.B. common stock and Metro common stock at the closing of the merger may vary from their respective prices on the date the merger agreement was executed, on the date of this joint proxy statement/prospectus and on the date of the Metro special meeting. As a result, the market value of the F.N.B. shares represented by the exchange ratio may fluctuate during these periods as a result of a variety of factors, including general market and economic conditions, changes in F.N.B.'s business, operations and prospects and regulatory considerations. Many of these factors are outside of the control of Metro and F.N.B. For example, based on the range of closing prices of F.N.B. common stock during the period from August 3, 2015, the last full trading day before public announcement of the merger, through November 20, 2015, the last practicable full trading day prior to the date we printed and mailed this joint proxy statement/prospectus, the exchange ratio represented a value ranging from a high of \$34.57 on November 9 and November 11, 2015 to a low of \$28.48 on August 25, 2015 for each share of Metro common stock. Because the date on which we expect to complete the merger will be later than the date of the Metro special meeting, at the time of the Metro special meeting Metro shareholders will not know what the market value of F.N.B.'s common stock will be upon completion of the merger.

The combined company that results from the merger will have incurred significant transaction- and merger-related costs in connection with the merger.

F.N.B. and Metro each have incurred and expect to continue to incur substantial costs in connection with the negotiation and completion of the merger and combining the businesses and operations of the two companies, and additional unanticipated transaction- and merger-related costs may be incurred prior to or following the consummation of the merger. Whether or not the merger is consummated, F.N.B. and Metro expect to continue to incur substantial expenses associated with planning for and completing the merger and combining the operations of the two companies, including such non-recurring expenses as legal, accounting and financial advisory fees, printing fees, data processing and other fees related to formulating integration and conversion plans. Although F.N.B. and Metro expect that the

elimination of duplicative costs, as well as the realization of other efficiencies related to the integration of the businesses, may offset incremental transaction- and merger-related costs over time, this net benefit may not be achieved in the near term, or at all.

These costs described above, as well as other unanticipated costs and expenses, could have a material adverse effect on the financial condition and operating results of F.N.B. following completion of the merger.

Table of Contents

The combined company that results from the merger may encounter integration difficulties that may prevent it from realizing the anticipated benefits of the merger.

F.N.B. and Metro have operated and, until the completion of the merger, will continue to operate, independently from each other as separate and competing businesses. The success of the merger will depend on, among other things, F.N.B.'s ability to combine the businesses of First National Bank of Pennsylvania and Metro Bank within F.N.B.'s projected timeframe in a manner that results in various benefits, including, among other things, enhanced revenues and revenue synergies, an expanded market reach and improved operating efficiencies, without materially disrupting the existing customer relationships or loss of those customers. If F.N.B. is not able to successfully achieve these objectives, the anticipated benefits of the merger may not be realized fully, or at all, or may take longer to realize than expected.

A number of factors could affect the integration process. Key employees of Metro may elect to terminate their employment as a result of, or in anticipation of, the merger. It will be critically important for F.N.B. to attract and retain talented employees to complete the integration process. It is possible that the integration process could result in the disruption of F.N.B.'s or Metro's ongoing businesses or loss of momentum in one or more of F.N.B.'s businesses or cause inconsistencies or changes in standards, practices, business models, controls, procedures and policies that adversely affect the ability of F.N.B. or Metro to maintain relationships with customers and employees or to achieve the anticipated benefits of the merger.

F.N.B. believes the combined company will achieve enhanced earnings due to, among other things, reduction of duplicate costs, improved efficiency and cross-marketing opportunities. If completion of the merger is delayed or F.N.B. experiences integration difficulties, including those discussed in the paragraphs above, F.N.B. may not realize the anticipated benefits of the merger at all, or the benefits of the merger may take longer to realize than anticipated. Failure to achieve the anticipated benefits of the merger in the timeframes projected by F.N.B. could result in increased costs and decreased revenues. This could have a dilutive effect on the combined company's earnings per share.

Among the factors considered by the boards of directors of F.N.B. and Metro in connection with their respective approvals of the merger agreement were the benefits that could result from the merger. We cannot give any assurance that these benefits will be realized within the time periods contemplated or at all.

The unaudited pro forma condensed combined financial statements included in this document are preliminary and the actual financial condition and results of operations after the merger may differ significantly.

The unaudited pro forma condensed combined financial statements in this document are presented for illustrative purposes only and are not necessarily indicative of what F.N.B.'s actual financial condition or results of operations would have been had the merger been completed on the dates indicated. The unaudited pro forma condensed combined financial statements reflect adjustments to illustrate the effect of the merger had it been completed on the dates indicated, which are based upon preliminary estimates, to record the Metro identifiable assets acquired and liabilities assumed at fair value and the resulting goodwill recognized. The purchase price allocation for the merger reflected in this document is preliminary, and final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets and liabilities of Metro as of the date of the completion of the merger. Accordingly, the final acquisition accounting adjustments may differ materially from the pro forma adjustments reflected in this document. For more information, see *Unaudited Pro Forma Condensed Combined Financial Information* beginning on page 32.

The merger may not be accretive, and may be dilutive, to F.N.B. s earnings per share, which may negatively affect the market price of F.N.B. common stock.

Because shares of F.N.B. common stock will be issued in the merger, it is possible that, although F.N.B. currently expects the merger to be accretive to earnings per share in the first full year excluding one-time

Table of Contents

charges, the merger may be dilutive to F.N.B. earnings per share, which could negatively affect the market price of shares of F.N.B. common stock.

At the time the merger is completed, based on the number of issued and outstanding shares of Metro common stock as of November 20, 2015, F.N.B. would need to issue approximately 33,900,000 shares of F.N.B. common stock. Based on the number of shares of Metro common stock reserved for issuance under Metro's various equity plans as of November 20, 2015, following the merger, F.N.B. would also need to reserve approximately 2,100,000 additional shares of its common stock for issuance pursuant to options awarded under those plans. The issuance of these new shares of F.N.B. common stock could have the effect of depressing the market price of shares of F.N.B. common stock, through dilution of earnings per share or otherwise.

In addition, future events and conditions could increase the dilution that is currently projected, including adverse changes in market conditions, additional transaction and integration related costs and other factors such as the failure to realize some or all of the benefits anticipated in the merger. Any dilution of, or delay of any accretion to, F.N.B. earnings per share could cause the price of shares of F.N.B. common stock to decline or grow at a reduced rate.

F.N.B.'s decisions regarding the credit risk associated with Metro Bank's loan portfolio could be incorrect and its credit mark may be inadequate, which may adversely affect the financial condition and results of operations of the combined company after the closing of the merger.

Before signing the merger agreement, F.N.B. conducted extensive due diligence on a significant portion of the Metro Bank loan portfolio. However, F.N.B.'s review did not encompass each and every loan in the Metro Bank loan portfolio. In accordance with customary industry practices, F.N.B. evaluated the Metro Bank loan portfolio based on various factors including, among other things, historical loss experience, economic risks associated with each loan category, volume and types of loans, trends in classification, volume and trends in delinquencies and nonaccruals, and general economic conditions, both local and national. In this process, F.N.B.'s management made various assumptions and judgments about the collectability of the loan portfolio, including the creditworthiness and financial condition of the borrowers, the value of the real estate, other assets serving as collateral for the repayment of the loans, the existence of any guarantees and indemnifications and the economic environment in which the borrowers operate. In addition, the effects of probable decreases in expected principal cash flows on the Metro Bank loans were considered as part of F.N.B.'s evaluation. If F.N.B.'s assumptions and judgments turn out to be incorrect, including as a result of the fact that its due diligence review did not cover each individual loan, F.N.B.'s estimated credit mark against the Metro Bank loan portfolio in total may be insufficient to cover actual loan losses after the merger is completed, and adjustments may be necessary to allow for different economic conditions or adverse developments in the Metro Bank loan portfolio. Additionally, deterioration in economic conditions affecting borrowers, new information regarding existing loans, identification of additional problem loans and other factors, both within and outside F.N.B.'s or Metro's control, may require an increase in the provision for loan losses. Material additions to the credit mark and/or allowance for loan losses would materially decrease F.N.B.'s net income and would result in extra regulatory scrutiny and possibly supervisory action.

If the merger is not completed, F.N.B. and Metro will have incurred substantial expenses without realizing the expected benefits of the merger.

F.N.B. and Metro have already incurred, and will continue to incur, substantial expenses in connection with the transactions described in this joint proxy statement/prospectus, which are charged to earnings as incurred. If the merger is not completed, these expenses will still be charged to earnings even though F.N.B. and Metro would not have realized the expected benefits of the merger. There can be no assurance that the merger will be completed.

The merger cannot be completed unless a number of conditions in the merger agreement are satisfied, and the merger agreement may be terminated in accordance with its terms.

The merger agreement contains a number of conditions that must be fulfilled in order to complete the merger. Those conditions include: approval of adoption of the merger agreement and the merger by Metro

Table of Contents

shareholders, approval of the issuance of F.N.B. common stock by F.N.B. shareholders, receipt of all required regulatory approvals, absence of any law, statute or regulation, or any order, injunction or other legal restraint or prohibition preventing the completion of the merger, effectiveness of the registration statement of which this joint proxy statement/prospectus is a part, the accuracy of the representations and warranties of both parties (subject to applicable materiality qualifiers), the performance, in all material respects by both parties of their respective covenants and agreements, certain actions with respect to the redemption by Metro of all the outstanding shares of its Series A Non-Cumulative Preferred Stock, and the receipt by both parties of legal opinions from their respective tax counsels. See *The Merger Agreement Conditions to Completion of the Merger* beginning on page 116 for a more complete discussion of the conditions to the completion of the merger. There can be no assurance that the conditions to the completion of the merger will be fulfilled or that the merger will be completed.

In addition, if the merger is not completed by 5:00 p.m. Eastern Time on June 30, 2016, either Metro or F.N.B. may choose not to proceed with the merger, and the parties can mutually decide to terminate the merger agreement at any time, before or after shareholder approval. In addition, Metro or F.N.B. may elect to terminate the merger agreement in certain other circumstances. If the merger agreement is terminated under certain circumstances, Metro may be required to pay F.N.B. a termination fee of \$17.5 million. See *The Merger Agreement Termination of the Merger Agreement* and *The Merger Agreement Termination Fee* beginning on pages 117 and 119, respectively, for a more complete discussion of the circumstances under which the merger agreement could be terminated.

Termination of the merger agreement could negatively impact Metro or F.N.B.

If the merger agreement is terminated, there may be various adverse consequences to Metro and F.N.B. For example, Metro's or F.N.B.'s businesses may have been adversely affected by the failure to pursue other beneficial opportunities due to the focus of management on the merger, without realizing any of the anticipated benefits of completing the merger. Additionally, if the merger agreement is terminated, the market price of Metro's or F.N.B.'s common stock could decline to the extent that the current market prices reflect a market assumption that the merger will be completed. If the merger agreement is terminated and Metro seeks another merger or business combination, it is not certain that Metro would be able to find a party willing to offer equivalent or more attractive consideration than the consideration F.N.B. has agreed to pay in the merger. Similarly, F.N.B. may not be successful in competing with other financial institutions for other potential acquisition candidates. In addition, if the merger agreement is terminated under certain circumstances, Metro may be required to pay F.N.B. a termination fee of \$17.5 million.

Regulatory approvals may not be received, may take longer than expected or may impose conditions that are not presently anticipated or cannot be met.

Before the merger between F.N.B. and Metro and the merger between their bank subsidiaries may be completed, various approvals must be obtained from bank regulatory agencies and other governmental authorities. These governmental entities may not grant approval of either the merger or the bank merger, may engage in an extended regulatory review process, or may impose conditions on the granting of their approvals. The regulatory delays, conditions or changes they impose, as well as the process of obtaining regulatory approvals, could have the effect of delaying completion of the merger or of imposing additional costs or limitations on F.N.B. following the merger. F.N.B. may elect not to consummate the merger if, in connection with any regulatory approval required to consummate the merger, any governmental or regulatory entity imposes a restriction, requirement or condition on F.N.B. that, individually or in the aggregate, would be reasonably likely to have a material and adverse effect on F.N.B. and its subsidiaries, taken as a whole, after giving effect to the merger. As a result, there can be no assurance that the desired regulatory approvals for the merger will be obtained or that the merger will be completed.

Table of Contents**The merger agreement limits Metro's ability to pursue alternatives to the merger with F.N.B.**

The merger agreement contains provisions that may discourage a third party from submitting an acquisition proposal to Metro that might result in greater value to Metro's shareholders than the merger with F.N.B., or may result in a potential acquirer proposing to pay a lower per share price to acquire Metro than it might otherwise have proposed to pay. These provisions include a general prohibition on Metro from soliciting or, subject to certain exceptions relating to the exercise of fiduciary duties by Metro's board of directors, entering into discussions or agreements with third parties regarding transactions to acquire Metro. Metro also has an unqualified obligation to submit the Metro merger proposal to its shareholders, even if Metro receives an alternative acquisition proposal that the Metro board of directors believes is superior to the merger. In addition, Metro could be obligated to pay F.N.B. a termination fee of \$17.5 million if either F.N.B. or Metro terminates the merger agreement under specified circumstances, including those relating to acquisition proposals for competing transactions. See *The Merger Agreement Termination Fee* on page 119.

Metro and F.N.B. will be subject to business uncertainties and contractual restrictions while the merger is pending.

Uncertainties about the effect of the merger on employees and customers may have an adverse effect on Metro or F.N.B. These uncertainties may impair F.N.B.'s or Metro's ability to attract, retain and motivate key personnel until the merger is completed, and could cause customers and others that deal with F.N.B. or Metro to consider changing existing business relationships with F.N.B. or Metro. Retention of certain employees may be challenging during the pendency of the merger, as certain employees may experience uncertainty about their future roles. If key employees depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with the business, Metro's business or F.N.B.'s business could be negatively impacted. In addition, the merger agreement restricts Metro from taking specified actions relative to its business without the prior consent of F.N.B. (such consent not to be unreasonably withheld). These restrictions may prevent Metro from pursuing attractive business opportunities that may arise prior to the completion of the merger. See *The Merger Agreement Conduct of Business While the Merger is Pending* beginning on page 109 for a summary of the restrictions applicable to Metro.

Some of Metro's directors and executive officers have interests in the merger that may differ from the interests of Metro shareholders including, if the merger is completed, the receipt of financial and other benefits.

Metro's shareholders should be aware that some of Metro's directors and executive officers may have interests in the merger that are different from, or in addition to, those of Metro shareholders generally. Metro's board of directors was aware of these interests and considered these interests, among other matters, when making its decision to approve the merger agreement and the merger, and in recommending that Metro shareholders vote in favor of adoption of the merger agreement. For example, employment agreements with each Metro executive officer provide for payments and other benefits either by reason of the merger or, in certain cases, which are triggered upon a qualifying termination of employment by Metro without cause or by the executive officer voluntarily for good reason or within a certain window period. In addition, at the time the merger is completed, one director of Metro, as mutually agreed by F.N.B. and Metro, will join the boards of directors of F.N.B. and First National Bank of Pennsylvania and will be entitled to receive compensation consistent with the compensation paid to non-employee directors of F.N.B., which currently consists of an annual retainer fee of \$50,000 (excluding annual fees paid for service on a committee of the board of directors, which currently are \$3,500 for the Nominating & Governance Committee and \$7,500 for each other committee) and a stock award valued at \$40,000. F.N.B. agreed that this director will be nominated for re-election at the annual meeting of F.N.B. shareholders immediately following the completion of the merger and that proxies for his or her re-election will be solicited in the same manner as for all other F.N.B. directors who are nominees at that annual meeting. F.N.B. also agreed to create a Harrisburg Community Advisory Board to advise F.N.B. on its

operations in the area served by Metro's offices. Two directors of Metro, as mutually agreed by F.N.B. and Metro, will be

Table of Contents

invited to join the advisory board. During their first full year of service on the advisory board, the Metro directors will receive the same level of compensation that they currently receive for their service on the Metro board of directors. Information regarding the compensation paid to Metro's directors may be found in the definitive proxy statement for Metro's 2015 annual meeting of shareholders, which was filed with the SEC on May 22, 2015. See *Where You Can Find More Information* beginning on page 137 of this joint proxy statement/prospectus. The merger agreement also provides for the continued indemnification of current and former directors and executive officers of Metro following the merger and for the continuation of directors' and officers' insurance for these individuals for six years after the merger. See *The Merger Interests of Metro's Directors and Executive Officers in the Merger* beginning on page 95.

The market price for F.N.B. common stock may be affected by factors different from those that historically have affected Metro common stock.

Upon completion of the merger, holders of Metro common stock will become holders of F.N.B. common stock. F.N.B.'s businesses differ from those of Metro, and accordingly, the results of operations of F.N.B. will be affected by some factors that are different from those currently affecting the results of operations of Metro. For a discussion of the businesses of F.N.B. and Metro and some of the important factors to consider in connection with those businesses, see the documents incorporated by reference in this joint proxy statement/prospectus and referred to under *Where You Can Find More Information* beginning on page 137.

Holders of F.N.B. and Metro common stock, respectively, will have a reduced ownership and voting interest in the combined company after the merger and may exercise less influence over the combined company's management.

Holders of Metro and F.N.B. common stock currently have the right to vote in the election of the board of directors and on other matters affecting Metro and F.N.B., respectively. Upon the completion of the merger, each Metro shareholder who receives shares of F.N.B. common stock will become a shareholder of F.N.B. with a percentage ownership of F.N.B. that is significantly smaller than the shareholder's percentage ownership of Metro. As a result, Metro shareholders may have less influence on the management and policies of F.N.B. than they now have on the management and policies of Metro, and current F.N.B. shareholders may also have less influence than they now have on the management and policies of F.N.B. After completion of the merger, without giving effect to any shares of F.N.B. common stock held by Metro shareholders prior to the merger, we expect that F.N.B. shareholders will, as a group, own approximately 83.8% of F.N.B. and Metro shareholders will, as a group, own approximately 16.2% of F.N.B.

The shares of F.N.B. common stock to be received by Metro shareholders as a result of the merger will have different rights from the shares of Metro common stock they currently hold.

Upon completion of the merger, Metro shareholders will become F.N.B. shareholders and their rights as shareholders will be governed by the Florida Business Corporation Act and F.N.B.'s articles of incorporation and bylaws. The rights associated with Metro common stock are different from the rights associated with F.N.B. common stock. Please see *Comparison of Shareholders' Rights* beginning on page 126 for a discussion of the different rights associated with F.N.B. common stock.

Metro shareholders do not have dissenters' or appraisal rights in the merger.

Dissenters' or appraisal rights are statutory rights that, if applicable under law, enable shareholders to dissent from an extraordinary transaction, such as a merger, and to demand that the corporation pay the fair value for their shares as

determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in that extraordinary transaction. Under Pennsylvania law, a shareholder may not dissent from a merger as to shares that are listed on a national securities exchange or that are held beneficially or of record by more than 2,000 persons at the record date fixed to determine the shareholders entitled to receive notice of the

Table of Contents

meeting of shareholders and to vote upon the merger. Because Metro common stock is listed on NASDAQ, a national securities exchange, was so listed on the record date, was held beneficially or of record by more than 2,000 persons on the record date and no other provisions of the Pennsylvania Business Corporation Law that would permit dissenters rights otherwise apply, holders of Metro common stock will not be entitled to dissenters or appraisal rights in the merger with respect to their shares of Metro common stock.

The fairness opinions obtained by Metro and F.N.B., respectively, will not reflect any changes in circumstances between the date of signing of the merger agreement and the date of completion of the merger.

Sandler O Neill, Metro's financial advisor in connection with the proposed merger, delivered to the Metro board of directors its opinion, dated August 2, 2015, regarding the fairness, from a financial point of view and as of the date of such opinion, to the holders of Metro common stock of the merger consideration. Each of RBC and Griffin similarly delivered to the board of directors of F.N.B. their respective opinions, each dated August 3, 2015, regarding the fairness, from a financial point of view to F.N.B. (and for Griffin, to the shareholders of F.N.B.), and as of the date of such opinions, of the 2.373 exchange ratio to be paid by F.N.B. in connection with the merger. Each opinion speaks only as of the date of the opinion. Because F.N.B. and Metro do not anticipate asking Sandler O Neill, RBC or Griffin to update their respective opinions, such opinions will not address the fairness of the merger consideration from a financial point of view at the time the merger is completed. Any changes in the operations and prospects of Metro or F.N.B., general market and economic conditions or other factors (including factors outside of the control of Metro and F.N.B.) on which the opinions were based could significantly alter the value of Metro or the prices of the shares of F.N.B. common stock or Metro common stock by the time the merger is completed.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

F.N.B. and Metro have included in this joint proxy statement/prospectus certain statements that may constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. You can generally identify forward-looking statements by the use of forward-looking terminology such as anticipate, believe, continue, can, could, estimate, expect, explore, forecast, guidance, intend, likely, may, might, outlook, plan, potential, predict, probable, project, or will, or other similar terminology. These forward-looking statements are only predictions and involve known and unknown risks and uncertainties, many of which are beyond F.N.B.'s and Metro's control. Statements in this joint proxy statement/prospectus that are forward-looking include F.N.B.'s and Metro's projections as to the anticipated benefits of the merger, the impact of the merger on F.N.B.'s and Metro's businesses, F.N.B.'s estimated credit mark against Metro's loan portfolio, the impact of the merger on F.N.B.'s earnings per share, revenues and cash flows, the synergies from the merger and the date the merger will be completed, the number of shares of F.N.B. common stock to be issued pursuant to the merger, F.N.B.'s and Metro's merger-related transaction costs and the estimates and assumptions underlying the unaudited pro forma condensed combined financial information contained in this joint proxy statement/prospectus, and are based on F.N.B.'s and, as applicable, Metro's management's estimates, assumptions and projections.

The following factors, among others, could cause actual future results and other future events to differ materially from those currently estimated by F.N.B.'s and, as applicable, Metro's management, including but not limited to:

F.N.B. may not successfully integrate its business with Metro's, or the integration and data conversion may be more difficult, time-consuming or costly than F.N.B. currently anticipates;

the combined company that results from the merger may not realize the revenue synergies anticipated to result from the integration of F.N.B.'s and Metro's businesses;

the introduction, withdrawal, success and timing of business initiatives, practices and strategies by F.N.B.;

the effectiveness of capital management strategies and activities;

competitive conditions in Metro's banking markets;

changes in interest rates and capital markets;

revenues may be lower than expected following the merger;

the transition of Metro customers to the F.N.B. business model and banking practices may result in disruption of customer relationships and potential loss of customers;

deposit attrition, inflation, customer disintermediation, operating costs, loss of customers and business disruption, including, without limitation, any difficulties in maintaining relationships with employees, customers and/or suppliers, may be greater than anticipated following the merger;

there may be higher than expected increases in F.N.B. s or Metro s loan losses or in the level of non-performing loans or changes in asset quality or credit risk;

there may be higher than expected charges incurred by F.N.B. in connection with marking Metro s assets to fair value;

there may be other than temporary impairments or declines in value in F.N.B. s or Metro s investment portfolios;

F.N.B. and Metro may not obtain the regulatory approvals for the merger on acceptable terms, on the anticipated schedule or at all;

Table of Contents

F.N.B. or Metro may not obtain the requisite vote of its shareholders which is needed to approve the F.N.B. common stock issuance or the approval of the adoption of the merger agreement and the merger, respectively;

competitive pressure among financial services companies is intense and may further intensify;

changes in general, national or regional economic conditions may adversely affect the businesses in which F.N.B. and Metro engage;

changes in the interest rate environment may reduce net interest margins and impact funding sources;

changes in market interest rates and prices may adversely impact the value of financial products and assets;

changes in accounting policies or accounting standards;

legislation or changes in the regulatory environment (including the implementation of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and related regulations) may adversely affect the businesses in which F.N.B. and Metro engage and result in increased compliance costs and/or require F.N.B. and Metro to change their business models;

liabilities arising out of any litigation that may be threatened or filed in connection with the merger, including costs, expenses, settlements and judgments, may adversely affect F.N.B., Metro and their respective businesses; and

material adverse changes in F.N.B.'s or Metro's operations or earnings.

Consequently, all forward-looking statements made by F.N.B. or Metro contained or incorporated by reference in this joint proxy statement/prospectus are qualified by factors, risks and uncertainties, including, but not limited to, those set forth under the caption titled *Risk Factors* beginning on page 19 of this joint proxy statement/prospectus and those set forth under the caption *Cautionary Statement Regarding Forward-Looking Statements* and *Risk Factors* in F.N.B.'s and Metro's annual and quarterly reports and other filings with the SEC are incorporated by reference into this joint proxy statement/prospectus. See the section titled *Where You Can Find More Information* beginning on page 137 of this joint proxy statement/prospectus.

You should not place undue reliance on forward-looking statements. No assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur, or if any of them do occur, what impact they will have on the results of operations or financial condition of F.N.B. or Metro. Actual results may differ materially from those discussed in this joint proxy statement/prospectus. All forward-looking statements speak only as of the date of this joint proxy statement/prospectus. - (J) Adjustment to eliminate Metro's historical shareholders' equity, which reflects the issuance of F.N.B. common stock and includes the conversion of Metro's stock options into F.N.B. stock options. The value of the F.N.B. common stock to be issued is based on the stock price as of September 30, 2015. The actual value for this adjustment is subject to fluctuation, based on the stock price at the time of the acquisition.
- (K) Adjustment to reflect the redemption of Metro's preferred stock.
- (L) Adjustment to record the income tax impact of the pro forma adjustments using F.N.B.'s statutory tax rate of 35%.

Table of Contents**COMPARATIVE PER SHARE DATA**

The following table sets forth certain historical, pro forma and pro forma-equivalent per share financial information for F.N.B. common stock and Metro common stock. The pro forma and pro forma-equivalent per share information give effect to the merger of Metro with and into F.N.B. as if the merger had been effective on the dates presented, in the case of the book value data, and as if the merger had become effective on January 1, 2014, in the case of the net income and dividends declared data. The unaudited pro forma data in the table assume that the merger is accounted for using the acquisition method of accounting and represent a current estimate based on available information of the combined company's results of operations. The pro forma financial adjustments record the assets and liabilities of Metro at their estimated fair values and are subject to adjustment as additional information becomes available and as additional analyses are performed. The information in the following table is based on, and should be read together with F.N.B.'s and Metro's historical financial statements and notes thereto incorporated by reference in this joint proxy statement/prospectus. See *Where You Can Find More Information* beginning on page 137.

This information is presented for illustrative purposes only. You should not rely on the pro forma combined or pro forma equivalent amounts as they are not necessarily indicative of the operating results or financial position that would have occurred if the merger had been completed as of the dates indicated, nor are they necessarily indicative of the future operating results or financial position of the combined company that will result from the merger. The pro forma information, although helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the benefits of expected cost savings, opportunities to earn additional revenue, the impact of restructuring and merger-related costs, or other factors that may result as a consequence of the merger and, accordingly, does not attempt to predict or suggest future results.

METRO SPECIAL MEETING OF SHAREHOLDERS

The board of directors of Metro is soliciting proxies of shareholders for use at the special meeting of shareholders. Metro will pay the costs of soliciting proxies and, upon request, will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in forwarding proxy materials to beneficial owners of Metro stock. In addition to sending these materials to Metro shareholders, some of Metro's directors, officers or employees may contact shareholders, without additional compensation, by telephone, by mail or in person for the purpose of soliciting proxies or votes.

Metro has engaged Innisfree M&A Incorporated to act as its proxy solicitor and to assist in the solicitation of proxies for the special meeting. Metro has agreed to pay Innisfree M&A Incorporated approximately \$15,000, plus reasonable out-of-pocket expenses for such services and also will indemnify the solicitor against certain claims, costs, damages, liabilities, judgments and expenses. Additionally, directors, officers and employees of Metro may solicit proxies personally or by telephone, facsimile or email. None of these persons will receive additional or special compensation for soliciting proxies.

Metro is mailing this document and accompanying form of proxy to its shareholders on or about [].

Date, Time and Place of the Special Meeting

The special meeting of shareholders of Metro will be held at 10:00 a.m. Eastern Time, on January 14, 2016, at the Best Western Premier Central Hotel & Conference Center, 800 East Park Drive, Harrisburg, Pennsylvania 17111.

Purpose of the Special Meeting

At the special meeting, shareholders of Metro will be asked to consider and vote upon:

A proposal to approve the adoption of the merger agreement and approve the merger of Metro with and into F.N.B.;

A proposal to approve, by an advisory (non-binding) vote, certain merger-related compensation for Metro's named executive officers; and

A proposal to approve one or more adjournments of the special meeting, if necessary or appropriate, to solicit additional proxies in the event that there are not sufficient votes at the time of the special meeting to approve and adopt the agreement and plan of merger.

Recommendation of the Metro Board of Directors

The board of directors of Metro has unanimously approved, at a meeting attended by eleven of the twelve directors of Metro, the merger agreement and merger of Metro into F.N.B. and unanimously recommends that shareholders vote **FOR** approval of adoption of the merger agreement and approve the merger, **FOR** the proposal to approve the merger-related compensation that will or may be paid to Metro's named executive officers, and **FOR** the proposal to approve adjournment of the special meeting if there are insufficient votes at the time of the special meeting to approve the merger agreement and the merger.

Record Date and Quorum

All holders of Metro common stock at the close of business on the record date, November 20, 2015, including registered shareholders and shareholders who hold their shares through banks, brokers, or other nominees, have a right and are invited to attend the Metro special meeting. On the record date, there were 14,284,937 shares of Metro common stock outstanding and entitled to vote held by approximately 2,500 holders of record. Metro shareholders are entitled to cast one vote for each share of common stock they own. The number of shares that may be voted by each shareholder is shown on the proxy card mailed to the shareholder.

Table of Contents

As of the record date, directors and executive officers of Metro and their affiliates owned and were entitled to vote 2,322,407 shares of Metro common stock representing approximately 16.3% of the shares of Metro common stock outstanding on that date.

On August 4, 2015, each of the persons then serving as a director of Metro entered into a voting agreement with F.N.B., solely in his or her capacity as a shareholder of Metro, in which each such person agreed to vote in favor of the proposal to approve adoption of the merger agreement and the merger and the proposal to approve one or more adjournments of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of approval of adoption of the merger agreement and the merger. As of the record date, there were 2,164,992 shares of Metro common stock subject to the voting agreements (excluding options), which represented approximately 15.2% of the outstanding shares of Metro common stock as of that date. The form of voting agreement is included as Appendix B to this joint proxy statement/prospectus.

In order to hold the Metro special meeting, a quorum representing holders of a majority of the outstanding shares of Metro common stock, must be present in person or represented by proxy. For purposes of establishing a quorum, in addition to counting those shares that have been voted by proxy, Metro will count as present at the meeting:

Shares that are present in person but not voting;

Shares for which Metro has received proxies, but for which holders have abstained from voting; and

Shares represented by proxies returned by a bank, broker or other nominee holding the shares in nominee or street name but for which the bank, broker or other nominee is not entitled to vote the shares because the beneficial owner of the shares has not provided voting instructions.

Beneficial Owners of Metro Common Stock

If you hold your Metro shares in an account at a bank or brokerage firm, you are the beneficial owner of such shares and Metro cannot mail proxy materials directly to you. Instead, your bank or brokerage firm will forward the proxy materials to you and tell you how to provide voting instructions for your Metro shares. Your bank or brokerage firm will vote your shares according to your instructions.

It is very important that you provide your bank or brokerage firm with voting instructions. Banks and brokerage firms cannot vote on the proposals that will be considered at the special meeting without voting instructions from the beneficial owner of the stock.

Vote Required to Approve Each Matter

Metro Merger Proposal. Metro's articles of incorporation provide that a corporate action, such as the proposed merger with F.N.B., requires the approval of a majority of the votes cast at a meeting of shareholders if at least sixty-six and two-thirds percent (66 2/3%) of Metro's board of directors recommends the shareholders approve the corporate action. More than sixty-six and two-thirds percent of Metro's board of directors has approved the merger agreement and the merger and recommends that shareholders approve and adopt the merger agreement and approve the merger. Thus, the proposal to approve the agreement and plan of merger and the merger of Metro with and into F.N.B. will be approved if a majority of the votes cast at the special meeting are in favor of the proposal.

Metro Compensation and Adjournment Proposals. Pursuant to the bylaws of Metro, each of the proposals (1) to approve, on an advisory (non-binding) basis, certain compensation arrangements in connection with the merger for Metro's named executive officers and (2) to adjourn the special meeting if necessary or appropriate to solicit additional proxies will be approved if a majority of the shares present and having voting power at the special meeting vote in favor of these proposals.

Table of Contents

Voting by Proxy

Please follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the special meeting. Also, please sign and date the proxy card and mail it back to the transfer agent in the enclosed prepaid envelope. The proxy holders named on the proxy card will vote your shares as you instruct. Please do not send in your stock certificates with the proxy card. If the merger is approved, you will receive instructions on how to exchange your Metro stock certificates for F.N.B. stock certificates.

You may also vote using the Internet or the toll-free telephone number as provided on the enclosed proxy card. Telephone and Internet votes must be cast prior to 11:59 p.m., January 13, 2016.

Revoking Proxy or Changing Vote After Returning Proxy Card or Voting by Telephone or Internet

At any time before the vote at the meeting on a proposal, Metro shareholders can revoke their proxy or change their vote either by:

Giving Metro's Corporate Secretary a written notice of the desire to revoke the proxy and receive another proxy card. Metro's mailing address is P.O. Box 4999, Harrisburg, PA 17111;

Signing, dating and returning to Metro a new proxy card; or

Voting again by telephone or Internet.

Metro will honor the proxy card or the telephone or Internet vote with the latest date. If your shares are held by a bank or broker and you wish to change the voting instructions that you have provided, you should contact your bank or broker as soon as possible and state that you wish to change your voting instructions.

Treatment of Abstentions and Broker Non-Votes

Under Pennsylvania law, an abstention is not a vote. If you return your proxy card or attend the meeting and abstain from voting, your abstention will not count as a vote cast for that particular matter. Under Metro's bylaws, abstentions and broker non-votes will be counted as shares present at the special meeting for purposes of determining whether there is a quorum, but will not be counted or voted in favor of any of the proposals that will be considered at the Metro special meeting. The applicable stock exchange of which most brokers are members does not permit a broker to vote on any of the proposals being presented at the special meeting if the broker has not been provided with voting instructions by the beneficial owner of the shares. Consequently, if you hold shares with a broker, and you fail to provide your broker with voting instructions, he or she will not be permitted to vote your shares on any of the proposals being considered at the special meeting. When a broker returns a proxy and will thus, be present at the meeting, but is not permitted to vote a client's shares, such omitted votes are referred to as broker non-votes.

The merger agreement and merger will be approved by the shareholders of Metro if a majority of the votes cast at the special meeting are in favor of the proposal. Because abstentions and broker non-votes are not counted as votes, they will have no effect on this proposal. Each of the proposal to approve by an advisory (non-binding) vote the executive compensation arrangements and the proposal to adjourn the meeting if necessary to solicit additional proxies will be approved if a majority of the shares present and having voting power at the special meeting vote FOR these proposals.

Consequently, abstentions and broker non-votes will have the effect of votes AGAINST these proposals.

What Happens if You Sign and Return the Proxy Card But Do Not Specify a Vote

If you sign and return the proxy card but do not vote on a proposal, the proxy holders will vote for you on that proposal. Unless you instruct otherwise, the proxy holders will vote (1) FOR the proposal to approve the merger agreement and merger of Metro with and into F.N.B; (2) FOR the proposal to approve by an advisory (non-binding) vote, certain compensation arrangements in connection with the merger for Metro's named

Table of Contents

executive officers; and (3) FOR the proposal to approve one or more adjournments of the special meeting if necessary or appropriate to solicit additional proxies because there are insufficient votes at the time of the special meeting to approve adoption of the merger agreement and merger. If other matters are properly brought before the shareholders at the Metro special meeting, the proxy holders will exercise their judgment and vote as they determine is in the best interests of Metro and Metro shareholders.

How Votes are Counted

Metro's judges of election will count all votes which are cast in person or by proxy at the special meeting. Voting is an important right of shareholders. Your vote at the special meeting is very important to us. If you abstain or otherwise fail to cast a vote on any matter at the Metro special meeting, the abstention or failure will not be a vote and will not be counted. Your broker or nominee may not exercise discretion and vote shares held of record on your behalf when you have not provided voting instructions.

What Happens if Other Matters Come Up at the Special Meeting

The matters described in this proxy statement are the only matters we know which will be voted on at the special meeting. If you return your proxy card or vote by telephone or over the Internet and other matters are properly presented at the Metro special meeting, the proxy holders named on the enclosed proxy card will exercise their judgment to vote your Metro shares in a manner that they deem to be in the best interests of Metro and its shareholders.

Requirements for Admittance to Metro's Special Meeting

If you plan to attend the Metro special meeting in person and are a registered shareholder, you will need to present an acceptable form of identification and the admission ticket that was included in your packet of materials in order to be admitted to the meeting. If you hold your shares through a bank, broker, or other nominee, you will need to bring proof of ownership, such as a recent brokerage account statement or a letter from your bank or broker confirming your ownership of Metro shares as of the record date in order to be admitted to the special meeting. Failure to bring such documents may delay your entry into or prevent you from being admitted to the special meeting.

Delivery of Joint Proxy Statement/Prospectus to Shareholders Sharing Same Address

Metro will mail only one copy of the joint proxy statement/prospectus to multiple shareholders sharing the same address. Upon receipt of a written or oral request directed to the address or telephone below, Metro will promptly deliver a separate copy of the joint proxy statement/prospectus to a security holder at a shared address to which a single copy was mailed. Such requests should be directed to: Computershare, Metro's transfer agent, at 480 Washington Blvd., 29th Floor, Jersey City, NJ 07310, Attention: Constance Adams, Telephone: (201) 680-5258.

METRO PROPOSALS

Proposal No. 1 Metro Merger Proposal

At the Metro special meeting of shareholders, Metro shareholders will consider and vote on a proposal to approve the adoption of the merger agreement and the merger of Metro with and into F.N.B. After an extensive review of strategic alternatives and the potential risks, rewards and uncertainties associated with those alternatives, the Metro board of directors, with the assistance of Metro's executive management and financial and legal advisors, determined that the merger would be the best alternative and in the best interests of Metro's shareholders and other stakeholders. The board of directors considered numerous factors in reaching its decision. Details about the merger, including Metro's reasons for the merger, the effect of approval and adoption of the merger agreement and the timing of effectiveness of the merger, are discussed below in the section entitled *The Merger* beginning on page 50 of this document.

Approval of adoption of the merger agreement and the merger requires the presence of a quorum and the affirmative vote of a majority of the shares voting in person or by proxy at the special meeting.

The Metro board of directors unanimously recommends that Metro shareholders vote FOR approval of adoption of the merger agreement and the merger.

Proposal No. 2 Metro Compensation Proposal

Pursuant to Rule 14a-21(c) of the Exchange Act and as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which we refer to as the Dodd-Frank Act, Metro is providing its shareholders with a separate advisory (non-binding) vote to approve the merger-related compensation for its named executive officers as described in *The Merger Merger-Related Compensation for Metro's Named Executive Officers*.

Shareholders are being asked to approve the following resolution on an advisory (non-binding) basis:

RESOLVED, that the compensation that may be paid or become payable to Metro's named executive officers in connection with the merger, and the agreement or understandings pursuant to which such compensation may be paid or become payable, in each case as disclosed pursuant to Item 402(t) of Regulation S-K in *The Merger Merger-Related Compensation for Metro's Named Executive Officers*, is hereby APPROVED.

The vote is advisory in nature and, therefore, is not binding on Metro or on F.N.B. or the boards of directors or the compensation committees of Metro or F.N.B., regardless of whether the merger proposal is approved.

Approval of this advisory (non-binding) proposal is not a condition to completion of the merger. The vote is an advisory vote and will not be binding on Metro or the surviving corporation in the merger. If the merger is completed, the merger-related compensation that will or may be paid to Metro's named executive officers to the extent payable in accordance with the terms of their compensation agreements and arrangements and the outcome of this advisory (non-binding) vote will not affect Metro's or F.N.B.'s obligations to make these payments even if Metro shareholders do not approve, by advisory (non-binding) vote, this proposal.

The vote on the merger-related named executive officer compensation is separate from the vote to approve the merger agreement. You may vote AGAINST the merger-related named executive officer compensation and FOR approval and adoption of the merger agreement and vice versa. You also may abstain from this proposal and vote on the merger agreement proposal and vice versa.

The Metro board of directors unanimously recommends that you vote FOR the approval, in an advisory (non-binding) vote, of the merger-related named executive officer compensation proposal.

Table of Contents

Proposal No. 3 Metro Adjournment Proposal

In the event there are insufficient votes at the time of the special meeting to approve adoption of the merger agreement and the merger, Metro will ask its shareholders to vote upon a proposal to adjourn or postpone the special meeting for the purpose of, among others, allowing additional time for the solicitation of additional votes to approve adoption of the merger agreement and the merger. Pursuant to Metro's bylaws, shareholders are permitted to vote on a proposal to adjourn a meeting even if the meeting cannot be organized because of the lack of a quorum.

Approval of adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of the holders of a majority of shares of Metro common stock present in person or represented by proxy and entitled to vote.

The Metro board of directors unanimously recommends that you vote FOR adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies to approve adoption of the merger agreement and the merger.

All shares of F.N.B. common stock present in person or represented by proxy, including abstentions and broker non-votes, will be treated as present for purposes of determining the presence or absence of a quorum for all matters voted on at the F.N.B. special meeting.

As of the record date, directors and executive officers of F.N.B. and their affiliates owned and were entitled to vote 2,010,375 shares of F.N.B. common stock, representing approximately 1.15% of the shares of F.N.B. common stock outstanding on that date. F.N.B. currently expects that F.N.B.'s directors and executive officers will vote their shares in favor of the F.N.B. stock issuance proposal and the F.N.B. adjournment proposal, although none of them has entered into any agreement obligating them to do so.

Vote Required; Treatment of Abstentions and Failure to Vote

F.N.B. Stock Issuance Proposal. This proposal must be approved by a majority of the votes cast by the holders of the shares entitled to vote on such proposal. In accordance with NYSE rules, abstentions will be included for purposes of determining the total number of votes cast on the proposal. Accordingly, if you mark **ABSTAIN** on your proxy card, it will have the same effect as a vote **AGAINST** the proposal. If you fail to submit a proxy card or vote in person at the F.N.B. special meeting or fail to instruct your bank or broker how to vote with respect to this proposal, your shares will not be included in the determining the total number of votes cast on the proposal and will have no effect on the proposal.

F.N.B. Adjournment Proposal. This proposal must be approved by a majority of the votes cast by the holders of the shares entitled to vote on such proposal. Abstentions will not be included for purposes of determining the total number of votes cast. If you mark **ABSTAIN** on your proxy card, fail to submit a proxy card or vote in person at the F.N.B. special meeting or fail to instruct your bank or broker how to vote with respect to this proposal, your shares will not be included in the determining the total number of votes cast on the proposal and will have no effect on the proposal.

Voting on Proxies

Instead of voting in person at the F.N.B. special meeting, you may vote by proxy. Your proxy authorizes the persons named on the enclosed proxy card to vote your shares at the F.N.B. special meeting (and any adjournment or postponement of the meeting) as you have specified on the proxy card. To ensure you are represented at the special meeting, F.N.B. recommends that you vote by proxy even if you plan to attend the special meeting. **Your vote is important.**

If you hold shares of F.N.B. common stock in your name as a shareholder of record, to vote by proxy, you, as an F.N.B. shareholder, may use any of the following methods:

On the Internet: Visit the website on your proxy card. Proxies submitted via the Internet must be received by 1:00 a.m. Eastern Time, on January 14, 2016, in order to be counted in the vote.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

By telephone: Call the toll-free number on your proxy card. Proxies submitted by telephone must be received by 1:00 a.m., Eastern Time, on January 14, 2016, in order to be counted in the vote.

By mail: Complete, sign and date the proxy card and mail it to us in the enclosed envelope. No postage is required if mailed in the United States.

Voting through the Internet, by telephone or by mail will not prevent you from voting your shares personally at the meeting, since you may revoke your proxy at any time before it is voted at the special meeting.

Table of Contents

Voting instructions are included on your proxy card. If you properly complete and timely submit your proxy, your shares will be voted as you have directed. You may vote FOR, AGAINST or ABSTAIN with respect to each of the proposals. If you are the record holder of your shares of F.N.B. common stock and submit your properly executed proxy without specifying a voting instruction, your shares of F.N.B. common stock will be voted as recommended by the F.N.B. board of directors.

If you hold your shares of F.N.B. common stock in street name through a broker, bank, or other nominee, you should check the voting form used by that firm to determine whether you may vote by telephone or on the Internet. If you return an incomplete instruction card to your broker, bank or other nominee, the record holder of your shares will not vote your shares with respect to any matter.

If any matters not described in this document are properly presented at the special meeting, the persons named on the proxy card will use their own best judgment to determine how to vote your shares. No matters other than those described in this joint proxy statement/prospectus are anticipated to be presented for action at the F.N.B. special meeting or any adjournment or postponement of the special meeting.

Shares Held in Street Name

If you hold your shares of F.N.B. common stock in street name through a bank, broker or other nominee, you must provide the record holder of your shares (*i.e.*, your bank, broker or other nominee) with instructions on how to vote your shares. Please follow the voting instructions provided by your bank or broker. You may not vote shares held in street name by returning a proxy card directly to F.N.B. or by voting in person at the F.N.B. special meeting unless you obtain a legal proxy from your bank or broker. Furthermore, under stock exchange rules, a bank or broker who holds shares of F.N.B. common stock on behalf of a customer is not permitted to vote its customer's shares or give a proxy to vote those shares as to either of the proposals that will be presented at the special meeting of F.N.B. shareholders, unless the bank or broker receives specific instructions from its customer. Banks and brokers only have discretionary voting power on matters that are considered routine under stock exchange rules. Neither of the proposals for the F.N.B. special meeting is considered a routine matter. Consequently, your shares will not be voted on either proposal at the special meeting unless you instruct your bank or broker how to vote.

Revoking Your Proxy or Changing Your Vote

If you hold shares of F.N.B. common stock in your name as a shareholder of record, you may revoke your proxy at any time before it is voted by (1) signing and returning a proxy card with a later date, (2) voting by telephone or the Internet at a later time, (3) delivering a written revocation letter to F.N.B.'s corporate secretary, or (4) attending the F.N.B. special meeting in person, notifying the F.N.B. corporate secretary of revocation of your proxy, and voting by ballot at the F.N.B. special meeting. Attendance at the special meeting will not, in and of itself, constitute a revocation of a proxy. All written notices of revocation and other communications with respect to the revocation of proxies should be addressed to:

F.N.B. Corporation

Corporate Secretary

One North Shore Center

12 Federal Street

Pittsburgh, PA 15212

If your shares of F.N.B. common stock are held in street name through a bank or broker, you should follow the instructions of your bank or broker regarding the revocation of proxies.

The trustee will vote your shares in accordance with the instructions on your properly completed and signed voting instruction card, so long as the your voting instruction card is received by 3:00 a.m., Eastern Time, on Monday, January 11, 2016. If you do not timely return your voting instruction card, the shares credited to your plan account will be voted by the trustee in the same proportion that it votes the shares for which it timely received voting instruction cards.

You may also revoke a previously given voting instruction card until 3:00 a.m., Eastern Time, on January 11, 2016, by filing with the trustee either a written notice of revocation or a properly completed and signed voting instruction card.

To be admitted to the F.N.B. special meeting, you must be a shareholder of record on the record date or, if you hold your shares of F.N.B. common stock in street name through a bank or broker, you must bring evidence of ownership of your shares of F.N.B. common stock as of the record date, such as a brokerage statement. In addition, you will need to present government-issued photo identification (such as a driver's license or passport). If you are representing an entity that is a shareholder, you must also present documentation showing your authority to attend and act on behalf of the entity (such as a power of attorney, written proxy to vote or letter of authorization on the entity's letterhead). We reserve the right to limit the number of representatives of any entity who may be admitted to the special meeting. No cameras, recording equipment, large bags or packages will be permitted in the special meeting. The use of cell phones, smart phones, tablets and other personal communication devices during the special meeting is also prohibited.

Voting in Person

If you hold shares of F.N.B. common stock in your name as a shareholder of record and wish to vote in person, you will be given a ballot at the meeting. If your shares are held in street name through a bank or broker and you wish to vote at the F.N.B. special meeting, you must bring obtain a proxy executed in your favor from the bank or broker in order to vote your shares in person at the F.N.B. special meeting. Whether or not you plan to attend the F.N.B. special meeting, F.N.B. requests that you complete, sign, date and return the enclosed proxy card as soon as possible in the enclosed postage-paid envelope, or submit a proxy through the Internet or by telephone as described on the enclosed proxy card. This will not prevent you from voting in person at the F.N.B. special meeting but will assure that your vote is counted if you are unable to attend.

Solicitation of Proxies

F.N.B. and Metro will share equally the cost of printing this joint proxy statement/prospectus and the filing fees paid to the SEC. F.N.B. will bear all costs of soliciting proxies for the F.N.B. special meeting. F.N.B. has retained Regan & Associates, Inc. to assist in obtaining proxies by mail, facsimile or email from registered holders, broker firms, bank nominees and other institutions for the F.N.B. special meeting. The estimated cost of such service is \$36,000, including out-of-pocket expenses. Additionally, directors, officers and employees of F.N.B. may solicit proxies

personally or by telephone, facsimile or email. None of these persons will receive additional or special compensation for soliciting proxies. F.N.B. will, upon request, reimburse brokers, banks and other nominees for their reasonable costs associated with sending proxy materials to their customers who are beneficial owners and obtaining their voting instructions.

Delivery of Proxy Materials to Shareholders Sharing an Address

As permitted by the Securities Exchange Act of 1934, only one copy of this joint proxy statement/prospectus is being delivered to multiple shareholders of F.N.B. sharing an address unless F.N.B. has previously received contrary instructions from one or more such shareholders. F.N.B. PROPOSALS

Proposal No. 1 F.N.B. Stock Issuance Proposal

It is a condition to the completion of the merger that F.N.B. issue shares of F.N.B. common stock pursuant to the merger agreement. The merger agreement provides that all shares of Metro common stock will no longer be outstanding upon completion of the merger, and each share of Metro common stock will be converted into the right to receive 2.373 shares of F.N.B. common stock.

F.N.B. is asking its shareholders to approve the issuance of F.N.B. common stock to the Metro shareholders pursuant to the merger agreement. The merger cannot be completed in accordance with the merger agreement without the issuance of F.N.B. common stock to Metro shareholders in the amount contemplated by the merger agreement; and such issuance of F.N.B. common stock cannot be completed without the approval of the shareholders of F.N.B. because, under NYSE rules, F.N.B. may not issue a number of shares of common stock which equals or exceeds 20 percent of the number of shares that is outstanding before the issuance without first obtaining shareholder approval.

The F.N.B. board of directors recommends that F.N.B. shareholders vote FOR the F.N.B. stock issuance proposal.

Proposal No. 2 F.N.B. Adjournment Proposal

The F.N.B. special meeting may be adjourned to another time or place, if necessary or appropriate, to permit, among other things, further solicitation of proxies if necessary to obtain additional votes in favor of the F.N.B. stock issuance proposal.

If, at the F.N.B. special meeting, the number of shares of F.N.B. common stock present or represented and voting in favor of the F.N.B. stock issuance proposal is insufficient to approve such proposal, F.N.B. intends to move to adjourn the F.N.B. special meeting in order to solicit additional proxies for the approval of the F.N.B. stock issuance proposal. In that event, F.N.B. will ask its shareholders to vote upon the F.N.B. adjournment proposal, but not the F.N.B. stock issuance proposal. In accordance with the F.N.B. bylaws, a vote to approve the proposal to adjourn the F.N.B. special

meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the F.N.B. special meeting to approve the F.N.B. stock issuance proposal may be taken in the absence of a quorum.

Table of Contents

In this proposal, F.N.B. is asking its shareholders to authorize the holder of any proxy solicited by the F.N.B. board of directors on a discretionary basis to vote in favor of adjourning the F.N.B. special meeting to another time and place for the purpose of soliciting additional proxies, including the solicitation of proxies from F.N.B. shareholders who have previously voted.

The F.N.B. board of directors recommends that F.N.B. shareholders vote FOR the F.N.B. adjournment proposal.

THE MERGER

This joint proxy statement/prospectus is being provided to holders of shares of Metro common stock in connection with the solicitation of proxies by the board of directors of Metro to be voted at the Metro special meeting and at any adjournments or postponements of the Metro special meeting. At the Metro special meeting, Metro will ask its shareholders to vote on (1) a proposal to approve the adoption the merger agreement and the merger, (2) a proposal to approve, on an advisory (non-binding) basis, the compensation that will or may be paid to Metro's named executive officers that is based on or otherwise relates to the merger, and (3) a proposal to approve one or more adjournments of the Metro special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies in favor of the proposal to adopt the merger agreement.

This joint proxy statement prospectus is also being provided to holders of shares of F.N.B. common stock in connection with the solicitation of proxies by the board of directors of F.N.B. to be voted at the F.N.B. special meeting and at any adjournments or postponements of the F.N.B. special meeting. At the F.N.B. special meeting, F.N.B. will ask its shareholders to vote on (1) a proposal to approve the issuance of F.N.B. common stock pursuant to the merger agreement, and (2) a proposal to approve one or more adjournments of the F.N.B. special meeting, if necessary or appropriate, including adjournments to permit further solicitation of proxies in favor of the proposal to approve the issuance of F.N.B. common stock pursuant to the merger agreement.

Overview of the Merger

F.N.B.'s and Metro's boards of directors have each approved the merger and the merger agreement. The merger agreement provides for Metro to merge with and into F.N.B. after certain closing conditions have been satisfied. If Metro shareholders approve adoption of the merger agreement and the merger and F.N.B. shareholders approve the issuance of F.N.B. common stock pursuant to the merger agreement, F.N.B. and Metro currently expect the merger will be completed during the first quarter of 2016. As a result of the merger, Metro's separate corporate existence will cease and F.N.B. will be the surviving corporation. F.N.B.'s articles of incorporation and bylaws and the provisions of the Florida Business Corporation Act will govern the surviving corporation. The persons serving as the directors and officers of F.N.B. immediately before the merger also will be the directors and officers of the surviving corporation. However, at the time the merger is completed, the boards of directors of F.N.B. and First National Bank of Pennsylvania will be enlarged by one seat, and one current member of the board of directors of Metro, as mutually agreed by F.N.B. and Metro, will be appointed to the vacant seat. The appointed Metro director will be nominated for

re-election at the first annual meeting of F.N.B. shareholders that is held after the merger is completed. As of the date of this joint proxy statement/prospectus, F.N.B. and Metro have not selected the director who will be appointed to the boards of directors of F.N.B. and First National Bank of Pennsylvania. For information about the identities, backgrounds,

compensation and certain other matters relating to F.N.B.'s directors and executive officers, please refer to F.N.B.'s proxy statement for its 2015 annual meeting of shareholders, which is incorporated by reference herein. For information about Metro's directors, please refer to Metro's proxy statement for its 2015 annual meeting of shareholders, which is also incorporated by reference herein. See *Where You Can Find More Information* on page 137. The parties intend for the merger to be treated as a reorganization under Section 368(a) of the Internal Revenue Code. See *Material U.S. Federal Income Tax Consequences of the Merger* on page 121 for additional information.

Immediately after the merger of Metro into F.N.B. is completed, F.N.B.'s and Metro's main operating subsidiaries, First National Bank of Pennsylvania, a national banking association, and Metro Bank, a Pennsylvania banking institution, will merge, with First National Bank of Pennsylvania being the surviving entity. Metro Bank and First National Bank of Pennsylvania have entered into a merger agreement setting forth their agreement to merge and the terms and conditions of the merger. The form of the bank merger agreement is attached as Exhibit A to the merger agreement between F.N.B. and Metro.

All outstanding shares of Metro common stock will be cancelled as a result of the merger of Metro with and into F.N.B. As merger consideration in exchange for the cancelled shares, F.N.B. will issue shares of its common stock to all persons who were Metro common shareholders immediately before the merger occurred (excluding certain shares held by F.N.B., Metro and their subsidiaries, if any of them hold shares of Metro common stock). The number of shares of F.N.B. common stock each shareholder is entitled to receive will be calculated based on a fixed exchange ratio of 2.373 shares of F.N.B. common stock for each share of Metro common stock owned. No fractional shares of F.N.B. common stock will be issued in the merger. Instead, Metro shareholders will be entitled to receive cash in lieu of any fractional shares of F.N.B. common stock they would otherwise be entitled to receive. Based on the fixed exchange ratio of 2.373 and the number of shares of Metro common stock outstanding and reserved for issuance under its various equity plans as of November 20, 2015, F.N.B. estimates that it will need to issue, or reserve for issuance, approximately 36,000,000 shares of its common stock in the aggregate to pay this merger consideration.

F.N.B. and Metro can provide no assurance that the value of the 2.373 shares of F.N.B. common stock at the time the merger is completed will be substantially equivalent to the value of 2.373 shares of F.N.B. common stock at the time their shareholders, respectively, vote to approve the merger. Because the market value of F.N.B. common stock fluctuates, the value of the 2.373 shares of F.N.B. common stock that Metro shareholders will receive as merger consideration will fluctuate correspondingly.

Upon completion of the merger, all shares of F.N.B. capital stock issued and outstanding as of the completion of the merger will remain outstanding and will be unaffected by the merger. F.N.B. common stock will continue to trade on the NYSE under the symbol FNB following the merger. Based on information as of the record date, immediately after the merger is completed, without giving effect to any shares of F.N.B. common stock held by Metro shareholders prior to the merger, holders of F.N.B. common stock will own approximately 83.8% of all outstanding shares of F.N.B. common stock, and holders of Metro common stock will own approximately 16.2% of all outstanding shares of F.N.B. common stock.

Background of the Merger

As part of Metro's and F.N.B.'s ongoing consideration and evaluation of their respective long-term prospects and strategies, Metro's and F.N.B.'s boards of directors and executive management have regularly reviewed and assessed their respective business strategies and objectives, including strategic opportunities and challenges, and have considered various strategic options potentially available to each company, all with the goals of increasing profitability and enhancing long-term value for their respective shareholders, as well as maximizing benefits to their

respective employees, depositors and customers and the communities that they serve. These strategic discussions have focused on, among other things, the business and regulatory environment facing financial institutions generally (including the pressures Metro, F.N.B. and other banks of similar sizes

Table of Contents

have been facing since the financial crisis), and Metro and F.N.B., in particular (including the challenges to, and potential opportunities for, Metro's and F.N.B.'s respective strategic plans presented by the current and anticipated business and regulatory environment), as well as market and other conditions in the financial services industry. Metro's and F.N.B.'s boards of directors and executive management have considered both internal growth strategies and strategic business combinations as means of achieving economies of scale and Metro's board of directors has also considered unsolicited inquiries from third parties regarding potential strategic business combinations. In certain cases, each of Metro and F.N.B. has conducted strategic reviews with the assistance of its financial and legal advisors.

On October 14, 2014, Metro announced a series of initiatives that its board of directors approved to increase shareholder returns and improve profitability by reducing costs. In developing these initiatives, Metro's board of directors carefully considered the views of Metro's shareholders (including, among others, the views publicly expressed by certain of its shareholders that Metro should seek to be acquired by a larger institution) and conducted a strategic evaluation with the assistance of Metro's financial advisor, Sandler O'Neill & Partners, L.P., and its legal advisors, Mette Evans & Woodside P.C. and Sullivan & Cromwell LLP. Metro's board of directors concluded at the time that the continued execution of the strategic plan that Metro had in place, including the newly announced initiatives, was in the best interests of Metro and would drive long-term value for all of Metro's stakeholders.

On April 24, 2015, Metro's board of directors held a special meeting and reviewed management's identification of additional potential opportunities to improve performance and potential challenges to Metro's existing strategic plan. Metro's board of directors also discussed the challenges that activist shareholders have posed to Metro in particular and other regional banks of similar size more generally, as well as the inclusion of a nominee of a shareholder, which had previously advocated for Metro to seek to be acquired by a larger institution, on Metro's slate of director nominees at its 2015 annual meeting, subject to execution of an agreement with that shareholder. In connection with its review of Metro's existing strategic plan, the board of directors also considered whether a strategic business combination would merit further evaluation as a strategic option available to Metro. Representatives of Sandler O'Neill were invited to this meeting, along with representatives of Mette Evans & Woodside, and, at the request of Metro's board of directors, representatives of Sandler O'Neill reviewed the pricing metrics of recently announced transactions involving other banking institutions in the Mid-Atlantic region and nationally and also reviewed a broad list of potential acquirers in the Mid-Atlantic region, including F.N.B. and other banking institutions that Sandler O'Neill expected would have an interest in a transaction focused on the markets serviced by Metro and whose financial resources would allow them to acquire Metro. Representatives of Sandler O'Neill also discussed with Metro's board of directors the implications of this data for a business combination transaction involving Metro and noted that from this broad list of financial institutions, a reasonably large subset of them could be receptive to considering a strategic business combination with Metro. Metro's directors and representatives of Sandler O'Neill also discussed the value to Metro's shareholders of a potential strategic business combination as compared to Metro's ability to grow its balance sheet, drive earnings growth and improve its valuation and share price through independent operations in the next several years in light of market and economic conditions. Representatives of Sandler O'Neill suggested that six to ten potential acquirers from the broad list discussed with the Metro board of directors should be considered if Metro's board of directors decided to proceed with the process. Sandler O'Neill's suggestion to limit the process to six to ten potential acquirers reflected a number of considerations, including, among others, permitting a manageable due diligence process and mitigating the risk that Metro's having commenced a process for its potential sale would be leaked or otherwise become widely known. Following this discussion, Metro's board of directors authorized representatives of Sandler O'Neill to gauge the interest of eight financial institutions from the broad list, including F.N.B., in acquiring Metro but emphasized that it would only consider an acquisition proposal if it included financial terms that would provide Metro's shareholders with a significant premium over Metro's stock price. The list of potential acquirers to contact was developed by Sandler O'Neill, reflected suggestions from Metro's board of directors and included financial institutions, such as F.N.B., that had previously made unsolicited inquiries regarding a potential strategic business combination with Metro. In 2013, during a brief conversation between Gary L. Nalbandian, the

Table of Contents

Chairman, President and Chief Executive Officer of Metro, and Vincent J. Delie, Jr., the President and Chief Executive Officer of F.N.B., Mr. Delie had suggested F.N.B. might be interested if Metro should ever pursue a sale of the company. In determining to select Sandler O'Neill as its financial advisor, Metro's board of directors considered Sandler O'Neill's reputation as a nationally recognized investment banking firm whose principal business specialty is financial institutions, its experience in the valuation of financial institutions and their securities in connection with mergers and acquisitions, Sandler O'Neill's prior performance in providing investment banking services to Metro and Sandler O'Neill's familiarity with Metro and its business.

On April 29, 2015, at the direction of Metro's board of directors, Mr. Nalbandian instructed representatives of Sandler O'Neill to contact the eight potential acquirers on the list developed by Sandler O'Neill, in consultation with Metro's board of directors, to determine the feasibility of initiating a process for the sale of Metro. Between May 1 and May 4, 2015, representatives of Sandler O'Neill contacted these financial institutions to determine whether they would be interested in participating in such a process. In these contacts, representatives of Sandler O'Neill asked potential acquirers whether they would be interested in acquiring a Pennsylvania bank that was a client of Sandler O'Neill and was exploring a sale, among its other strategic options. Vincent J. Delie, Jr., the President and Chief Executive Officer of F.N.B., was among those contacted by representatives of Sandler O'Neill.

On May 11, 2015, Metro's board of directors held a special meeting to review the results of Sandler O'Neill's preliminary contacts with the eight financial institutions, including F.N.B., on the list developed by representatives of Sandler O'Neill in consultation with Metro's board of directors. Representatives from Sandler O'Neill and Mette Evans & Woodside, Metro's legal advisor, were also in attendance. In connection with their review, Metro's board of directors received and considered a presentation from Sandler O'Neill that included an updated overview of the process proposed to be undertaken, a timetable for soliciting indications of interest from potential acquirers and an updated overview of the current merger and acquisition environment for regional banks, both nationwide and in the Mid-Atlantic region. Representatives of Sandler O'Neill also reported that, based on their preliminary communications, there appeared to be reasonable to strong interest from six of the eight institutions contacted in participating in the sale process described by representatives of Sandler O'Neill in its earlier contacts with them. In addition, Sandler O'Neill's presentation included an updated overview of the financial performance and financial condition of the six financial institutions considered by representatives of Sandler O'Neill as likely to be interested in acquiring Metro, based on Sandler O'Neill's earlier communications with the initial group of eight financial institutions between May 1 and May 4. At this meeting, Metro's board of directors did not determine to take any further action regarding a possible sale.

On May 28, 2015, Metro's board of directors held a special meeting to discuss a number of items, including changes to certain service provider relationships, succession planning, management's financial forecast and Wall Street analyst estimates and the expansion of the board in connection with Metro's 2015 annual meeting. Members of Metro's management and representatives from Sandler O'Neill and Metro's legal advisors, Mette Evans & Woodside and Sullivan & Cromwell, were also in attendance. During the meeting, Metro's board also discussed whether to pursue a possible sale of Metro and, if so, the next steps regarding a potential process for the sale. With the advice and input of members of Metro's management and representatives of Sandler O'Neill, Mette Evans & Woodside and Sullivan & Cromwell, and after discussion and consideration, Metro's board of directors determined to authorize representatives of Sandler O'Neill to enter into confidentiality and non-disclosure agreements with the six financial institutions that had previously indicated an interest in participating in the sale process Sandler O'Neill had discussed with those financial institutions, with the intent of obtaining preliminary, non-binding indications of interest from them for the sale of Metro.

On May 29, 2015, Mr. Delie visited Sandler O'Neill's offices for an informal meeting at which Mr. Delie and representatives of Sandler O'Neill discussed general business conditions affecting the banking industry. During the

meeting, one of the representatives of Sandler O'Neill who was advising Metro on a potential sale process approached Mr. Delie and informed him that Metro was the Pennsylvania bank client that had been mentioned to Mr. Delie earlier that month and that Metro had decided to proceed with a sale process. This

representative of Sandler O'Neill asked Mr. Delie if F.N.B. would be interested in participating in such a process, and Mr. Delie responded affirmatively, that F.N.B. would be interested in participating in the sale process.

Over the next few weeks, representatives of Sandler O'Neill again contacted the six financial institutions seen as likely to be interested in acquiring Metro, including F.N.B. As part of Sandler O'Neill's contacts with these financial institutions, representatives of Sandler O'Neill emphasized that potential acquisition proposals would need to include financial terms that provided Metro's shareholders with a significant premium over Metro's stock price. Sandler O'Neill, as authorized representative and on behalf of Metro, entered into confidentiality and non-disclosure agreements with these six financial institutions. Following the execution of their confidentiality and non-disclosure agreements, representatives of these six financial institutions were granted access to a virtual data room containing limited non-public information regarding Metro in order to facilitate these institutions' preparation of their preliminary, non-binding indications of interest. Representatives of Sandler O'Neill requested that these financial institutions provide their preliminary, non-binding indications of interest by June 22, 2015, setting forth the financial and other material terms of a strategic business combination involving Metro. On June 22, 2015, F.N.B. submitted its preliminary, non-binding indication of interest and another of the financial institutions that had entered into confidentiality and non-disclosure agreements (Bank A) requested an extension of the bid deadline in order to continue preparing its preliminary indication of interest. The remaining four financial institutions that had entered into confidentiality and non-disclosure agreements with respect to a potential transaction with Metro declined to submit indications of interest.

On June 24, 2015, Metro's board of directors held a special meeting to discuss the status of the sale process at the time. Members of Metro's management and representatives from Sandler O'Neill, Mette Evans & Woodside and Sullivan & Cromwell were also in attendance. Representatives of Mette Evans & Woodside and Sullivan & Cromwell discussed with the Metro board of directors the legal framework for the Metro directors' consideration of a potential business combination transaction. Representatives of Sandler O'Neill reported that on June 22, 2015, F.N.B. had submitted a preliminary, non-binding indication of interest to acquire Metro in an all-stock merger transaction. Representatives of Sandler O'Neill described F.N.B.'s preliminary, non-binding indication of interest, which stated, based on information that had been made available, and subject to various conditions, that F.N.B. was prepared to offer Metro's shareholders a purchase price within the range of \$35.00 to \$38.00 per share, representing an exchange ratio of 2.470x to 2.682x per share of Metro common stock and a premium of at least 33% over the \$26.26 closing price of Metro's common stock on June 19, 2015, the last trading day prior to the date of F.N.B.'s indication of interest. F.N.B.'s preliminary, non-binding indication of interest also stated that F.N.B. intended to honor all executive severance agreements, individual change of control agreements and retention agreements and that F.N.B. planned to create a Harrisburg Community Advisory Board to assist in identifying and engaging with customers, civic leaders and nonprofit organizations throughout the Harrisburg region. In the preliminary, non-binding indication of interest, F.N.B. did not offer to include a Metro director on the F.N.B. board of directors upon completion of the merger. Representatives of Sandler O'Neill also discussed Bank A's request for an extension of time and reported that the remaining four financial institutions that had entered into confidentiality and non-disclosure agreements with Metro had decided not to submit an indication of interest due to the fact that they either would not be able to meet the valuation expectations of Metro's board of directors, or that they did not think they would be able to match the financial and other material terms that they expected would be proposed by the other institutions that they believed would be interested in acquiring Metro. Metro's board of directors discussed F.N.B.'s proposal, the fact that it offered a significant premium over Metro's stock price, the possibility that the purchase price offered by F.N.B. could ultimately be lower in its final bid, Metro's strategic alternatives, and various considerations relating to a potential business combination transaction. At the conclusion of this meeting, Metro's board of directors authorized Metro's management and representatives of Sandler O'Neill to commence a more extensive due diligence process with F.N.B. and to request that F.N.B. submit its final bid within 30 days. Metro's board of directors also authorized an extension of the bid deadline for Bank A.

Late in the week of June 29, 2015, Bank A informed representatives of Sandler O'Neill that it had decided not to submit an indication of interest due to other strategic considerations it was evaluating.

Over the course of the next few weeks, F.N.B. conducted its due diligence investigation of Metro. Discussions between F.N.B., Metro and their respective advisors continued, and the parties conducted negotiations of the terms of the potential merger, including the amount of consideration and the treatment of, and compensation and benefits to, officers and employees of Metro, among other matters. Additionally, Metro and F.N.B. discussed post-closing governance matters, including advisory roles for Metro directors selected by mutual agreement of Metro and F.N.B., specifically, the appointment of one current Metro director to the F.N.B. board of directors upon completion of the merger, and the advisory board described in F.N.B.'s preliminary, non-binding indication of interest. From July 7 through July 10, 2015, representatives from F.N.B. and its financial advisors met with representatives from Metro and Sandler O'Neill at an off-site location in Harrisburg, Pennsylvania for due diligence sessions.

On July 20, 2015, a representative of Sandler O'Neill sent F.N.B.'s financial advisor final bid instructions, requesting that F.N.B. provide its final bid by July 22, 2015. On July 22, 2015, F.N.B. requested and was granted an extension for its final bid until July 23, 2015.

On July 23, 2015, F.N.B. submitted its final bid to acquire Metro in an all-stock merger transaction with consideration based on a fixed exchange ratio of 2.373 shares of F.N.B. common stock for each share of Metro common stock. F.N.B.'s proposed exchange ratio represented a purchase price of \$34.50 per share of Metro common stock based on F.N.B.'s closing stock price on July 22, 2015, the last trading day prior to the date of the final bid. F.N.B. management explained that the lower exchange ratio and implied value per share of Metro common stock expressed in F.N.B.'s final bid had resulted from the recent due diligence sessions. Specifically, F.N.B. had increased its estimate of one-time expense charges associated with the transaction significantly, by approximately 24%, from the initial estimate that had been used for F.N.B.'s preliminary, non-binding indication of interest, and had increased the estimated credit mark used for F.N.B.'s preliminary, non-binding indication of interest from 3.0% to approximately 4.9%. F.N.B.'s proposal also indicated, among other things, that F.N.B. would like to discuss continuing roles for a majority of Metro's employees after completion of the merger; that F.N.B. would agree to appoint one member of Metro's current board of directors to its board; and that after the closing of the merger F.N.B. would form the Harrisburg Community Advisory Board described in its preliminary, non-binding indication of interest and would invite two of Metro's directors to join the advisory board. F.N.B. included a draft merger agreement with its revised indication of interest, which contained terms that were consistent with the merger agreements F.N.B. had recently used for its prior acquisitions.

On July 24, 2015, Metro's board of directors held a special meeting to review and consider the revised indication of interest from F.N.B. Members of Metro's management and representatives from Sandler O'Neill, Mette Evans & Woodside and Sullivan & Cromwell were also in attendance. Representatives of Sandler O'Neill discussed with Metro's board of directors various financial aspects of the proposed merger. Following discussions of the terms of F.N.B.'s proposal, Metro's board of directors determined that continuing to pursue a transaction with F.N.B. would be in the best interests of Metro, its shareholders and other stakeholders, authorized management to continue reverse due diligence on F.N.B. and authorized Metro's management and representatives from Sandler O'Neill, Mette Evans & Woodside and Sullivan & Cromwell to negotiate a definitive merger agreement with F.N.B. and its financial and legal advisors.

During the week of July 27, 2015, Metro and F.N.B. and their respective financial and legal advisors engaged in negotiations of the terms of the merger agreement and Metro and F.N.B. concluded their respective due diligence investigations. These due diligence investigations included reverse due diligence sessions that were held on July 28, 2015, at F.N.B.'s corporate headquarters in Pittsburgh, Pennsylvania, during which representatives from each of Metro, Sandler O'Neill, RBC and Mette, Evans & Woodside met with representatives from F.N.B.

Edgar Filing: FNB CORP/FL/ - Form S-4/A

On the morning of July 31, 2015, Metro's board of directors held a special meeting to further review and consider the proposed merger with F.N.B. All members of Metro's board of directors were in attendance. Members of Metro's management and representatives from Sandler O'Neill, Mette Evans & Woodside and

Sullivan & Cromwell were also in attendance. At the meeting, Metro's chief executive officer updated Metro's board of directors on the status of the proposed merger and reviewed the strategic rationale and the anticipated benefits of the proposed merger, as described in *Recommendation of the Metro Board of Directors and Reasons for the Merger* beginning on page 57, and certain other of Metro's executive officers summarized the results of the reverse due diligence conducted on F.N.B. Representatives of Mette Evans & Woodside and Sullivan & Cromwell updated Metro's board of directors on the negotiations with F.N.B. regarding the merger agreement, including Metro's request to include downward price protection in the transaction, which would allow Metro to terminate the merger agreement without payment of any termination fee if, immediately prior to the closing of the merger, the value of F.N.B. common stock declined significantly and the magnitude of the decline were greater than the decline in value being experienced by an index of banking institutions, and further discussed the legal framework for the Metro directors consideration of the merger with F.N.B. Representatives of Sandler O'Neill reviewed the financial aspects of the proposed merger and rendered an oral opinion (which was subsequently confirmed in writing) to the Metro board of directors to the effect that, as of that date and subject to the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by Sandler O'Neill as set forth in such written opinion, the merger consideration in the proposed merger was fair, from a financial point of view, to the holders of Metro common stock. See *Opinion of Sandler O'Neill & Partners, L.P. in Connection with the Merger*, beginning on page 60, for more information. On July 30, 2015, the last trading date prior to the meeting, based on F.N.B.'s and Metro's closing prices on that day, the value of the proposed merger consideration was approximately \$32.75 per share. The value of the proposed merger consideration represented a premium of 35% over the closing price of Metro common stock of \$24.27 on that date, which was greater than the low end of the premium range set forth in F.N.B.'s preliminary, non-binding indication of interest.

Following these discussions, the Metro board of directors unanimously authorized and directed Metro's management and its advisors to proceed to finalize the merger agreement and scheduled an additional meeting for August 2, 2015 to further discuss and consider the potential merger with F.N.B.

On July 31, 2015, the F.N.B. board of directors held a special meeting to review and consider the proposed merger and merger agreement with Metro. All but one member of F.N.B.'s board of directors attended the meeting. Members of F.N.B.'s senior management and representatives of RBC, F.N.B.'s financial advisor, also were in attendance. At the meeting, the F.N.B. board of directors considered the structure and terms of the proposed merger; the amount of shares of F.N.B. common stock that would be required to be issued in the merger; Metro's attractive branch network which aligns with F.N.B.'s branch footprint in the central Pennsylvania area; and other related matters, including those described in *Recommendation of the F.N.B. Board of Directors and Reasons for the Merger*. Representatives of RBC reviewed the financial aspects of the proposed merger and RBC rendered an oral opinion to the F.N.B. board of directors to the effect that the exchange ratio in the proposed merger was fair, from a financial point of view, to F.N.B. The F.N.B. board of directors engaged in discussion with representatives of RBC regarding RBC's oral fairness opinion and made inquiries of representatives of RBC regarding various aspects of RBC's analysis and oral opinion.

Between July 31, 2015 and August 2, 2015, Metro and F.N.B. and representatives from their respective legal and financial advisors continued to engage in negotiations of the terms of the merger agreement.

On the afternoon of August 2, 2015, Metro's board of directors met to further review and consider the proposed merger and merger agreement. One member of Metro's board of directors was unable to attend. Members of Metro's management and representatives from Sandler O'Neill, Mette Evans & Woodside and Sullivan & Cromwell were also in attendance. At the meeting, Metro's management and representatives of Mette Evans & Woodside and Sullivan & Cromwell updated the Metro board of directors on the status of the negotiation of the definitive merger agreement. Representatives from Sandler O'Neill reviewed the financial aspects of the proposed merger, which were consistent with the terms reviewed and approved by the board of directors on July 31, 2015. Following these discussions, and

review and discussion among Metro s directors, including consideration of the factors described under
Recommendation of the Metro Board of Directors and

Table of Contents

Reasons for the Merger, beginning on page 57, and consideration of the above-referenced presentations, the Metro board of directors determined that the merger, the merger agreement and the other transactions contemplated by the proposed merger agreement, to be fair to and in the best interests of Metro, and approved and adopted the proposed merger agreement and the transactions contemplated by it. The Metro board of directors then directed Metro's management, with the assistance of Metro's financial and legal advisors, to finalize and execute a definitive merger agreement on the terms reviewed at the board meeting. The Metro board of directors also directed that the merger agreement be submitted to Metro shareholders for approval, and recommended that shareholders approve and adopt the merger agreement.

Between August 2, 2015 and August 4, 2015, Metro and F.N.B. and representatives from their respective legal and financial advisors finalized the merger agreement and related exhibits and schedules.

On the afternoon of August 3, 2015, F.N.B.'s board of directors held a special meeting to obtain an update on and further review and consider the proposed merger and merger agreement with Metro. Three members of F.N.B.'s board of directors were unable to attend. Members of F.N.B.'s senior management and representatives from each of RBC and Griffin were also in attendance. Griffin had been engaged by F.N.B. on August 2, 2015 to render a fairness opinion with respect to the exchange ratio in the proposed merger, on the condition that Griffin had the capacity to render such an opinion within such a short time frame. In light of the size of the proposed transaction with Metro, which necessitated obtaining F.N.B. shareholder approval in connection with the merger, the F.N.B. board of directors believed that obtaining a financial analysis and fairness opinion from a second investment banking firm would be prudent and provide additional useful information for the board of directors' deliberations. At the meeting, F.N.B.'s management provided an update regarding the negotiation of the definitive merger agreement with Metro. The F.N.B. board of directors then asked RBC to confirm there were no material changes to the oral fairness opinion that RBC had delivered to the F.N.B. board of directors on July 31, 2015. Representatives of RBC confirmed that, as of August 3, 2015, there were no material changes to that oral opinion and reviewed RBC's fairness opinion presentation materials with the board of directors. RBC subsequently delivered to the F.N.B. board of directors its written opinion dated August 3, 2015, to the effect that, as of that date and subject to the assumptions, qualifications and limitations and other matters set forth in its opinion, the exchange ratio in the proposed merger was fair, from a financial point of view, to F.N.B. Following RBC's presentation, Griffin rendered an oral opinion to the F.N.B. board of directors, which was subsequently confirmed by delivery of a written opinion dated August 3, 2015, to the effect that, as of that date and subject to the assumptions, qualifications and limitations described to the board of directors, the merger consideration proposed to be paid in the merger was fair, from a financial point of view, to the shareholders of F.N.B. The F.N.B. board of directors questioned Griffin regarding various aspects of its fairness opinion and the market in which Metro operates, and F.N.B.'s directors discussed among themselves the Griffin fairness opinion and other related matters, including those described in *Recommendation of the F.N.B. Board of Directors and Reasons for the Merger*. Following their discussion, the F.N.B. board of directors determined the terms of the proposed merger to be fair to, and in the best interest of F.N.B. and its shareholders, and approved the merger and the merger agreement, including the issuance of F.N.B. common stock pursuant to the merger agreement. The F.N.B. board of directors also authorized a special meeting of F.N.B. shareholders to vote upon the stock issuance and recommended that the F.N.B. shareholders vote in favor of the stock issuance.

Metro and F.N.B. executed the merger agreement and announced the transaction in a joint press release late in the morning on August 4, 2015.

Recommendation of the Metro Board of Directors and Reasons for the Merger

Prior to reaching its decision to adopt and approve the merger agreement, the merger and the other transactions contemplated by the merger agreement, and to recommend that its shareholders approve the merger agreement, the

Metro board of directors considered whether to remain independent, pursue a business combination transaction in which Metro would be acquired or pursue other strategic opportunities. With the assistance of Metro's executive management and financial and legal advisors, Metro's board of directors

Table of Contents

undertook an extensive review of strategic alternatives and the potential risks, rewards and uncertainties associated with those alternatives. In determining that the merger would be the best alternative and in the best interests of Metro's shareholders and other stakeholders, Metro's board of directors considered a number of factors, including the following material factors:

the fact that the process undertaken by Metro, with the assistance of its financial and legal advisors, with respect to a potential sale was comprehensive, thorough and intended to maximize value for Metro's shareholders;

the fact that the implied dollar value of the merger consideration as of July 30, 2015 of about \$32.75 for each share of Metro common stock represented a premium of approximately 34.9% over the closing price of the Metro common stock on July 30, 2015;

the fact that the implied dollar value of the merger consideration as of July 30, 2015 reflected a ratio of price to last twelve month earnings per share of 22.7x and was 173% of each of Metro's book value per share and tangible book value per share as of June 30, 2015;

the greater liquidity of F.N.B. common stock, in terms of average daily trading volume, and the increased level of future cash dividends anticipated to be received by Metro shareholders (which, at the proposed exchange ratio, would equal \$1.14 annually per Metro common share, versus the rate of \$0.28 annually per Metro common share in place as of August 2, 2015);

the fact that F.N.B. expected earnings share accretion in the first full year (*i.e.*, 2017) of 4% on a GAAP basis and 6% on a cash basis following completion of the merger, and the increased level of earnings per share, on a pro forma basis, for Metro shareholders following completion of the merger;

the fact that F.N.B. expected tangible book value per share to be diluted by approximately 3% upon completion of the merger;

the historical performance of F.N.B. common stock;

the written opinion of Sandler O'Neill, Metro's financial advisor, dated August 2, 2015, delivered to the Metro board of directors as to the fairness, from a financial point of view and as of the date of the opinion, to the holders of shares of Metro common stock of the merger consideration in the proposed merger, as more fully described below under *Opinion of Sandler O'Neill & Partners, L.P. in Connection with the Merger* ;

F.N.B.'s past record of integrating acquisitions and of realizing projected financial goals and benefits of acquisitions;

the potential risks associated with successfully integrating Metro's business, operations and workforce with those of F.N.B., including the costs and risks of successfully integrating the companies;

Metro's prospects as an independent institution, including the decision of the Metro board of directors to commence searching for a successor CEO and other considerations relating to management succession planning, the likely effects from combining with a larger financial institution on Metro's shareholders and other stakeholders, and the views publicly expressed by certain of Metro's shareholders, including challenges to Metro's strategic plan and advocacy for the sale of Metro;

the complementary nature of the capital and balance sheet structures, business strategies, customers, cultures and geographic markets of the two companies, which, along with F.N.B.'s acquisition experience, management of Metro believed should provide the opportunity to mitigate integration risks and increase potential returns, including, in particular, that the geographic scope of the two companies contains relatively little overlap, enabling F.N.B. and Metro both to expand their businesses and for Metro to preserve retail jobs;

its understanding of the current and prospective environment in which Metro and F.N.B. operate and expect to operate, including national and local economic conditions, the interest rate environment, the

Table of Contents

competitive and regulatory environments for financial institutions generally, and the likely effect of these factors on Metro both with and without the merger;

the management, financial and employee resources required to continue to pursue Metro's strategic plan, and the risks and challenges inherent in a successful execution of the strategic plan;

the publicly expressed views of several large shareholders in favor of Metro's seeking a merger transaction;

the factors motivating Metro to commence a process, with the assistance of its advisors, to identify and seek acquisition proposals from potential acquirers, and the results of that process, in each case as more fully described above under *Background of the Merger* ;

the fact that 100% of the merger consideration would be in stock and the fixed exchange ratio, which would allow Metro shareholders to participate in the future performance of the combined company through their ownership of F.N.B. common stock;

the expected tax treatment of the merger as a reorganization for United States federal income tax purposes;

the terms of the merger agreement, including, among others, the belief of the Metro board of directors that the termination fee would not be likely to significantly deter another party from making a superior acquisition proposal, Metro's ability to consider unsolicited offers from third parties in the circumstances described in the next bullet point, the ability of the Metro board of directors to change its recommendation to Metro shareholder regarding the merger in certain circumstances, and the ability of Metro to terminate the merger agreement in certain circumstances;

the fact that the merger agreement provides that Metro may take certain actions in response to an unsolicited bona fide acquisition proposal under specific circumstances, including the determination by Metro's board of directors (in accordance with the merger agreement and after consultation with Metro's outside legal counsel and, with respect to financial matters, its financial advisors) that the failure to take such actions would result in a violation of its fiduciary duties under applicable law;

F.N.B.'s commitment in the merger agreement to appoint one current Metro director to the F.N.B. board of directors upon completion of the merger and to include that director on F.N.B.'s slate of directors at its annual meeting following completion of the merger;

F.N.B.'s commitment in the merger agreement to create a Harrisburg Community Advisory Board to advise F.N.B. on its operations in the area served by Metro and to generate additional business contacts for F.N.B. in that area;

its review and discussions with Metro's CEO, other members of executive management and legal and other advisors concerning the due diligence examination of F.N.B.;

the regulatory and other approvals required in connection with the merger, consideration of the relevant factors assessed by the regulators for the approvals and the parties' evaluations of those factors, F.N.B.'s record of obtaining prior regulatory approvals and an evaluation of the risks that such approvals would not be received in a reasonably timely manner and without the imposition of unacceptable conditions;

the risk that the merger may not be consummated or that the closing may be unduly delayed, including as a result of factors outside either Metro's or F.N.B.'s control; and

the potential risk of diverting management attention and resources from the operation of Metro's and F.N.B.'s business and towards the completion of the merger and the integration of the two companies.

The foregoing discussion of the information and factors considered by the Metro board of directors is not intended to be exhaustive, but includes the material factors considered by the Metro board of directors. In reaching its decision to approve the merger agreement, the merger and the other transactions contemplated by the

Table of Contents

merger agreement, the Metro board of directors did not quantify or assign any relative weights to the factors considered, including discussions with, and questioning of, Metro's executive management and Metro's financial and legal advisors, and individual directors may have given different weights to different factors. The Metro board of directors considered all these factors as a whole, and overall considered the factors to be favorable to, and to support, its determination.

The foregoing discussion of the information and factors considered by the Metro board of directors is forward-looking in nature. This information should be read in light of the factors described under the section entitled *Cautionary Statement Regarding Forward-Looking Statements* beginning on page 26 of this joint proxy statement/prospectus.

For the reasons set forth above, Metro's board of directors has approved and adopted the merger agreement, has determined that the merger agreement and the transactions contemplated thereby, including the merger and merger consideration, are in the best interests of Metro, and recommends that Metro shareholders vote FOR the proposal to approve the merger agreement.

Opinion of Sandler O'Neill & Partners, L.P. in Connection with the Merger

By letter dated June 25, 2015, Metro retained Sandler O'Neill, to act as financial advisor to Metro's board of directors in connection with Metro's consideration of a possible business combination involving Metro and a second party. Sandler O'Neill is a nationally recognized investment banking firm whose principal business specialty is financial institutions. In the ordinary course of its investment banking business, Sandler O'Neill is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. Metro's board of directors also considered the fact that Sandler O'Neill is familiar with Metro and its business as Sandler O'Neill has provided investment banking services to Metro in the past.

Sandler O'Neill acted as financial advisor in connection with the proposed transaction and participated in certain of the negotiations leading to the execution of the merger agreement. At the July 31, 2015 meeting at which Metro's board of directors considered and discussed the terms of the merger agreement and the merger, Sandler O'Neill delivered to Metro's board of directors its oral opinion, which was subsequently confirmed in writing on August 2, 2015, that, as of such date, the merger consideration was fair to the holders of Metro common stock from a financial point of view. **The full text of Sandler O'Neill's opinion is attached as Appendix C to this joint proxy statement/prospectus. The opinion outlines the procedures followed, assumptions made, matters considered and qualifications and limitations on the review undertaken by Sandler O'Neill in rendering its opinion. The description of the opinion set forth below is qualified in its entirety by reference to the full text of the opinion. Holders of Metro's common stock are urged to read the entire opinion carefully in connection with their consideration of the proposed merger.**

Sandler O'Neill's opinion speaks only as of the date of the opinion and was necessarily based on financial, economic, regulatory, market and other conditions as they existed on, and the information made available to Sandler O'Neill as of, that date. Events occurring or information available after that date could materially affect its opinion. Sandler O'Neill has not undertaken to update, revise, reaffirm or withdraw its opinion or otherwise comment upon events occurring after the date of its opinion. The opinion was directed to Metro's board of directors and is directed only to the fairness of the merger consideration to the holders of Metro common stock from a financial point of view. It does not address the underlying business decision of Metro to engage in the merger or any other aspect of the merger and is not a recommendation to any holder of Metro's common stock as to how such shareholder should vote at the special meeting with respect to the merger or any other matter. Sandler O'Neill did not express any opinion as to the fairness of the amount or nature of the compensation to be received in the merger by Metro's officers, directors or employees, or class of such persons,

relative to the per share consideration to be received by Metro s shareholders.

In performing its review, Sandler O'Neill relied upon the accuracy and completeness of all of the financial and other information that was available to it from public sources, that was provided to it by Metro and F.N.B., or that was otherwise reviewed by it, and Sandler O'Neill assumed such accuracy and completeness for purposes of rendering its opinion. Sandler O'Neill did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Metro or F.N.B., or any of their respective subsidiaries. Sandler O'Neill did not make an independent evaluation of the adequacy of the allowance for loan losses of Metro, F.N.B. or the combined entity after the merger and did not review any individual credit files relating to Metro or F.N.B. Sandler O'Neill assumed, with Metro's consent, that the respective allowances for loan losses for both Metro and F.N.B. were adequate to cover such losses and would be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used publicly available mean and median analyst earnings per share estimates for Metro and F.N.B. In addition, Sandler O'Neill used certain internal financial projections for Metro, as discussed with the senior management of Metro, as well as certain financial projections for F.N.B.

Table of Contents

which were developed by Sandler O'Neill based upon publicly available analyst earnings per share estimates for F.N.B., F.N.B.'s historical financial performance and certain strategic growth targets as discussed with the senior management of F.N.B. Sandler O'Neill also received and used in its analyses certain projections of transaction costs, purchase accounting adjustments and expected cost savings and other synergies which were prepared by and/or reviewed with the senior managements of Metro and F.N.B. With respect to these projections, estimates and judgments, the respective management of Metro and F.N.B. confirmed to Sandler O'Neill that those projections, estimates and judgments reflected the best currently available projections, estimates and judgments of the managements of Metro and F.N.B., respectively, and Sandler O'Neill assumed that such projections and estimates would be achieved. Sandler O'Neill expressed no opinion as to such projections, estimates or judgments or the assumptions on which they were based. Sandler O'Neill assumed that there had been no material change in the respective assets, financial condition, results of operations, business or prospects of Metro or F.N.B. since the date of the most recent financial data made available to Sandler O'Neill. Sandler O'Neill also assumed in all respects material to its analysis that Metro and F.N.B. would remain as going concerns for all periods relevant to its analyses. Finally, Sandler O'Neill expressed no opinion as to any of the legal, accounting and tax matters relating to the merger or any other transactions contemplated in connection therewith.

Sandler O'Neill also assumed, with Metro's consent, that (i) each of the parties to the merger agreement would comply in all material respects with all material terms of the merger agreement and all related agreements, that all of the representations and warranties contained in the merger agreement were true and correct in all material respects, that each of the parties to the merger agreement would perform in all material respects all of the covenants required to be performed by such party under the merger agreement and that the conditions precedent in the merger agreement were not waived, (ii) in the course of obtaining the necessary regulatory or third party approvals, consents and releases with respect to the merger, no delay, limitation, restriction or condition would be imposed that would have an adverse effect on Metro, F.N.B. or the merger, and (iii) the merger and any related transactions would be consummated in accordance with the terms of the merger agreement without any waiver, modification or amendment of any material term, condition or agreement thereof and in compliance with all applicable laws and other requirements.

Sandler O'Neill's analyses were necessarily based on financial, economic, regulatory, market and other conditions as in effect on, and the information made available to Sandler O'Neill as of the date of its opinion. Events occurring after that date could materially affect Sandler O'Neill's views and Sandler O'Neill did not undertake to update, revise, reaffirm or withdraw its opinion or otherwise comment upon events occurring after the date thereof. Sandler O'Neill's opinion was approved by its fairness opinion committee.

In rendering its opinion, Sandler O'Neill performed a variety of financial analyses. The summary below is not a complete description of the analyses underlying Sandler O'Neill's opinion or the presentation made by Sandler O'Neill to Metro's board of directors, but is a summary of all material analyses performed and presented by Sandler O'Neill. The summary includes information presented in tabular format. **In order to fully understand the financial analyses, these tables must be read together with the accompanying text. The tables alone do not constitute a complete description of the financial analyses.** The preparation of a fairness opinion is a complex process involving subjective judgments as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. The process, therefore, is not necessarily susceptible to a partial analysis or summary description. Sandler O'Neill believes that its analyses must be considered as a whole and that selecting portions of the factors and analyses to be considered without considering all factors and analyses, or attempting to ascribe relative weights to some or all such factors and analyses, could create an incomplete view of the evaluation process underlying its opinion. Also, no company included in Sandler O'Neill's comparative analyses described below is identical to Metro or F.N.B. and no transaction is identical to the merger. Accordingly, an analysis of comparable companies or transactions involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other factors that could affect the public trading values or merger transaction

values, as the case may be, of Metro and F.N.B. and the companies to which they are being compared. In arriving at its opinion, Sandler O'Neill did not attribute any particular weight to any analysis or factor that it considered. Rather, Sandler O'Neill made qualitative judgments as to the significance and relevance of each analysis and factor. Sandler

Table of Contents

O'Neill did not form an opinion as to whether any individual analysis or factor (positive or negative) considered in isolation supported or failed to support its opinion; rather, Sandler O'Neill made its determination as to the fairness of the merger consideration on the basis of its experience and professional judgment after considering the results of all its analyses taken as a whole.

In performing its analyses, Sandler O'Neill also made numerous assumptions with respect to industry performance, business and economic conditions and various other matters, many of which cannot be predicted and are beyond the control of Metro, F.N.B. and Sandler O'Neill. The analyses performed by Sandler O'Neill are not necessarily indicative of actual values or future results, both of which may be significantly more or less favorable than suggested by such analyses. Sandler O'Neill prepared its analyses solely for purposes of rendering its opinion and provided such analyses to Metro's board of directors at its July 31, 2015, meeting. Estimates on the values of companies do not purport to be appraisals or necessarily reflect the prices at which companies or their securities may actually be sold. Such estimates are inherently subject to uncertainty and actual values may be materially different. Accordingly, Sandler O'Neill's analyses do not necessarily reflect the value of Metro's common stock or the prices at which Metro's common stock or F.N.B.'s common stock may be sold at any time. The analyses of Sandler O'Neill and its opinion were among a number of factors taken into consideration by Metro's board of directors in making its determination to approve the merger agreement and the analyses described below should not be viewed as determinative of the decision of Metro's board of directors or management with respect to the fairness of the merger. See *Recommendation of the Metro Board of Directors and Reasons for the Merger* for additional information on the factors Metro's board of directors considered in reaching its decision to approve the merger agreement.

Summary of Proposed Merger Consideration and Implied Transaction Metrics. Sandler O'Neill reviewed the financial terms of the proposed transaction. As described in the merger agreement, each share of Metro common stock issued and outstanding immediately prior to the Effective Time will be converted into the right to receive 2.373 shares of F.N.B. common stock. Using F.N.B.'s July 30, 2015 closing stock price of \$13.80, and based upon 14,014,550 shares of Metro common stock outstanding and options to purchase 1,130,670 shares of Metro common stock outstanding with a weighted average exercise price of \$19.51 per share, Sandler O'Neill calculated a transaction price per share of \$32.75 and aggregate implied transaction value of approximately \$475.4 million. Based upon financial information for Metro as or for the twelve months ended June 30, 2015, Sandler O'Neill calculated the following implied transaction metrics:

Sandler O'Neill reviewed the following multiples: transaction price to last-twelve-months earnings per share, transaction price to estimated earnings per share, transaction price to tangible book value per share, tangible book premium to core deposits, and 1-day market premium. Sandler O'Neill compared the indicated transaction multiples for the merger to the median multiples of the comparable transaction group.

	Metro / F.N.B.	Median Regional Transactions
Transaction price/LTM earnings per share	22.7x	19.2x
Transaction price/2015 estimated earnings per share ¹ :	19.0x	17.4x
Transaction price/Tangible book value per share:	173%	175%
Core deposit premium ² :	9.5%	9.6%
1-Day market premium:	34.9%	30.9%

- 1) Based on median analyst earnings per share estimates as reported by FactSet.
- 2) Tangible book premium to core deposits calculated as (deal value - tangible equity) / (core deposits); core deposits defined as deposits, less time deposit accounts with balances over \$100,000, foreign deposits and unclassified deposits.

Net Present Value Analyses. Sandler O'Neill performed an analysis that estimated the net present value per share of Metro common stock assuming Metro performed in accordance with internal earnings projections for the years ending December 31, 2015 through December 31, 2018, as discussed with the senior management of Metro.

To approximate the terminal value of a share of Metro common stock at December 31, 2018, Sandler O'Neill applied price to 2018 earnings multiples ranging from 11.0x to 19.0x and multiples of December 31, 2018 tangible book value ranging from 100% to 200%. The terminal values were then discounted to present values using different discount rates ranging from 10.0% to 15.0% chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of Metro's common stock. Using a 20-year normalized treasury yield of 4.00%, an equity risk premium of 5.00% and a size premium of 3.87%, Sandler O'Neill calculated a 12.87% discount rate for Metro. As illustrated in the following tables, the analysis indicates an imputed range of values per share of Metro common stock of \$17.63 to \$34.50 when applying multiples of earnings and \$16.45 to \$36.96 when applying multiples of tangible book value.

Sandler O Neill also considered and discussed with the Metro board of directors how this analysis would be affected by changes in the underlying assumptions, including variations with respect to net income. To illustrate this impact, Sandler O Neill performed a similar analysis assuming Metro's net income varied from 25% above projections to 25% below projections. This analysis resulted in the following range of per share values for Metro common stock, applying the price to 2018 earnings multiples range of 11.0x to 19.0x referred to above and a discount rate of 12.87%.

Sandler O Neill also performed an analysis that estimated the net present value per share of F.N.B. common stock assuming that F.N.B. performed in accordance with publicly available median analyst earnings per share estimates for F.N.B. the years ending December 31, 2015 and December 31, 2016, and an annual earnings growth rate of 10% for the years ending December 31, 2017 and December 31, 2018, developed by Sandler O Neill and calculated based upon publicly available analyst earnings per share estimates for F.N.B., F.N.B.'s historical financial performance and certain strategic growth targets as discussed with the senior management of F.N.B. as long-term growth rates were not publicly available.

To approximate the terminal value of F.N.B. common stock at December 31, 2018, Sandler O Neill applied price to 2018 earnings multiples ranging from 12.0x to 20.0x and multiples of December 31, 2018 tangible book value ranging from 150% to 250%. The terminal values were then discounted to present values using different discount rates ranging from 8.0% to 12.0% chosen to reflect different assumptions regarding required rates of return of holders or prospective buyers of F.N.B.'s common stock. Using a 20-year normalized treasury yield of 4.00%, an equity risk premium of 5.00% and a two-year beta of F.N.B.'s common stock of 1.02x, Sandler O Neill calculated a 9.08% discount rate for F.N.B. As illustrated in the following tables, the analysis indicates an imputed range of values per share of F.N.B. common stock of \$11.19 to \$19.89 when applying earnings multiples and \$9.83 to \$17.30 when applying multiples of tangible book value.

In connection with its analyses, Sandler O Neill considered and discussed with the Metro board of directors how the present value analyses would be affected by changes in the underlying assumptions. Sandler O Neill noted that the net present value analysis is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, and the results thereof are not necessarily indicative of actual values or future results.

Pro Forma Merger Analysis. Sandler O Neill analyzed certain potential pro forma effects of the merger, based on the following assumptions: (i) the merger closes in the first calendar quarter of 2016; (ii) 100% of the outstanding Metro common stock are converted into F.N.B.'s common stock at the fixed exchange ratio of 2.373x; (iii) all outstanding Metro options are rolled into F.N.B. options; (iv) \$1.0 million of Metro preferred stock is redeemed at closing; and (v) F.N.B.'s closing stock price of \$13.80 on July 30, 2015. Sandler O Neill also incorporated the following assumptions, as provided by F.N.B.'s senior management: (a) estimated earnings per share projections for F.N.B., based on analyst consensus estimates and as discussed with the senior management of F.N.B.; (b) estimated earnings per share projections for Metro, based on Metro senior management's guidance as adjusted to eliminate assumed share

repurchases after June 30, 2015; (c) purchase accounting adjustments of a credit mark on loans equal to \$101.7 million (4.7% of gross loans), an interest rate mark on loans of positive \$7.1 million, a mark on held-to-maturity securities of negative \$9.4 million and an interest rate mark on time deposits of positive \$2.4 million; (d) Metro's estimated provision expense adjusted to be 1.5% of new loan growth; (e) cost savings equal to 40% of Metro's projected non-interest expense, of which 75% would be realized in the first year; (f) a 2.0% core deposit premium on Metro's non-time deposits of \$2.14 billion; (g) pre-tax one-time transaction costs and expenses of approximately \$44.4 million; (h) an annual pre-tax

Table of Contents

cost attributable to the Durbin amendment of \$7.4 million (45% of interchange fee income); (i) a \$300 million loan roll-off immediately following closing of the merger at a pre-tax yield of 4.5%; and (j) a pre-tax opportunity cost of cash of 1.5%. The analysis indicated that the merger would be 0.5% accretive to F.N.B.'s earnings per share in 2016 (excluding transaction expenses in 2016) and approximately 2.5% dilutive to tangible book value per share at close.

In connection with this analysis, Sandler O'Neill considered and discussed with the Metro board of directors how the analysis would be affected by changes in the underlying assumptions, including the impact of final purchase accounting adjustments determined at the closing of the transaction, and noted that the actual results achieved by the combined company may vary from projected results and the variations may be material.

Sandler O'Neill's Relationship. Sandler O'Neill acted as the financial advisor to Metro's board of directors in connection with the merger and received a fee associated with the delivery of its fairness opinion from Metro in the amount of \$500,000, which amount shall be credited towards an additional fee of 1.1% of the aggregate transaction value that it will be entitled to receive if the merger is consummated. Metro has also agreed to reimburse Sandler O'Neill for its reasonable out-of-pocket expenses incurred in connection with its engagement, including the reasonable fees and disbursements of its legal counsel; provided, however, that such counsel expenses shall not be reimbursable in excess of \$25,000 without Metro's prior reasonable consent. Metro has also agreed to indemnify Sandler O'Neill and its affiliates and their respective partners, directors, officers, employees and agents against certain expenses and liabilities, including liabilities under applicable federal or state law.

In the past, Sandler O'Neill has provided certain other investment banking services for Metro and has received compensation for such services, most recently in connection with Metro's common stock repurchase program which commenced in December 2014. In the last two years, Sandler O'Neill received total aggregate compensation for investment banking services of \$90,000 from Metro. In addition, as Sandler O'Neill previously advised the Metro board of directors, Sandler O'Neill has in the past provided certain investment banking services to F.N.B. and has received compensation for such services and may provide, and receive compensation for, such services in the future. In the last two years, Sandler O'Neill provided investment banking services to F.N.B. in connection with F.N.B.'s subordinated debt offering in October 2015, F.N.B.'s follow-on offering of common stock in November 2013, as well as F.N.B.'s preferred stock offering in November 2013, for which Sandler O'Neill received approximately \$985,000 in underwriting discounts and commissions. In addition, in the ordinary course of Sandler O'Neill's business as a broker-dealer, Sandler O'Neill may also purchase securities from and sell securities to Metro and F.N.B. and their affiliates. Sandler O'Neill may also actively trade the securities of Metro and F.N.B. for its own account and for the accounts of Sandler O'Neill's customers and, accordingly, may at any time hold a long or short position in such securities.

Certain Metro Prospective Financial Information Provided to the Financial Advisors

Metro does not as a matter of course make public projections as to future performance, revenues, earnings or other financial results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, Metro is including in this joint proxy statement/prospectus certain unaudited prospective financial information that was provided to Sandler O'Neill in its capacity as Metro's financial advisor and to F.N.B. in connection with its evaluation of the merger. The inclusion of this information should not be regarded as an indication that any of Metro, F.N.B., Sandler O'Neill, their respective representatives or any other recipient of this information considered, or now considers, it to be material information, necessarily predictive of actual future results, or that it should be construed as financial guidance, and it should not be relied on as such.

Metro's management approved Sandler O'Neill's use of the following unaudited prospective financial information in connection with its analysis of the fairness, from a financial point of view, of the merger consideration to Metro's

shareholders. This information was prepared solely for internal use and is subjective in many respects. While presented with numeric specificity, the unaudited prospective financial information reflects numerous estimates and assumptions made with respect to business, economic, market, competition, regulatory

and financial conditions and matters specific to Metro's business, all of which are difficult to predict and many of which are beyond Metro's control. The unaudited prospective financial information reflects both assumptions as to certain business decisions that are subject to change and, in many respects, subjective judgment, and thus is susceptible to multiple interpretations and periodic revisions based on actual experience and business developments. Metro can give no assurance that the unaudited prospective financial information and the underlying estimates and assumptions will be realized. In addition, since the unaudited prospective financial information covers multiple years, such information by its nature becomes less predictive with each successive year. Actual results may differ materially from those set forth below, and important factors that may affect actual results and cause the unaudited prospective financial information to be inaccurate include, but are not limited to, risks and uncertainties relating to Metro's business, industry performance, general business and economic conditions, customer requirements, competition and adverse changes in applicable laws, regulations or rules. For other factors that could cause actual results to differ, please see the sections entitled *Risk Factors* and *Cautionary Statement Regarding Forward-Looking Statements* in this joint proxy statement/prospectus and in Metro's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, as amended, and the other reports filed by Metro with the SEC.

The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information. Neither Metro's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability. The independent registered public accountant reports included in this joint proxy statement/prospectus relate to Metro's historical financial information. They do not extend to the unaudited prospective financial information and should not be read to do so.

Furthermore, the unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared. Metro can give no assurance that, had the unaudited prospective financial information been prepared either as of the date of the merger agreement or as of the date of this joint proxy statement/prospectus, similar estimates and assumptions would be used. Metro does not intend to, and disclaims any obligation to, make publicly available any update or other revision to the unaudited prospective financial information to reflect circumstances existing since their preparation or to reflect the occurrence of unanticipated events, even in the event that any or all of the underlying assumptions are shown to be in error, or to reflect changes in general economic or industry conditions. The unaudited prospective financial information does not take into account the possible financial and other effects on Metro of the merger and does not attempt to predict or suggest future results of the combined company. The unaudited prospective financial information does not give effect to the merger, including the impact of negotiating or executing the merger agreement, the expenses that may be incurred in connection with consummating the merger, the potential synergies that may be achieved by the combined company as a result of the merger, the effect on Metro of any business or strategic decision or action that has been or will be taken as a result of the merger agreement having been executed, or the effect of any business or strategic decisions or actions which would likely have been taken if the merger agreement had not been executed, but which were instead altered, accelerated, postponed or not taken in anticipation of the merger. Further, the unaudited prospective financial information does not take into account the effect on Metro of any possible failure of the merger to occur. None of Metro, F.N.B., Sandler O'Neill or their respective affiliates, officers, directors, advisors or other representatives has made, makes or is authorized in the future to make any representation to any shareholder of Metro or other person regarding Metro's ultimate performance compared to the information contained in the unaudited prospective financial information or that the forecasted results will be achieved. The summary of the unaudited prospective financial information included below is not being included to influence your decision whether to vote in favor of the merger proposal or any other proposal to be considered at Metro's special meeting, but is being provided solely because it was

made available to Metro's financial advisor in connection with the merger and to F.N.B. in connection with F.N.B.'s due diligence of Metro.

In light of the foregoing, and considering that Metro's special meeting will be held several months after the unaudited prospective financial information was prepared, as well as the uncertainties inherent in any forecasted information, Metro shareholders are cautioned not to place unwarranted reliance on such information, and Metro urges all Metro shareholders to review Metro's most recent SEC filings for a description of Metro's reported financial results. The following table presents Metro's unaudited prospective financial information for the years ending December 31, 2015 through 2018 as provided to Sandler O'Neill and F.N.B. and as discussed by Metro with each such party and, in the case of Sandler O'Neill, used in connection with its fairness opinion delivered to the Metro board of directors. The projected data points included net income, earnings per share, dividends per share and tangible book value per share. The earnings per share information consists of Institutional Broker's Estimate System, or IBES, median consensus estimates for fiscal years 2015 and 2016 and management approved extrapolation for fiscal years 2017 and 2018 based on an assumed growth rate.

Recommendation of the F.N.B. Board of Directors and Reasons for the Merger

At a special meeting held on August 3, 2015, the F.N.B. board of directors determined that the merger and the merger agreement are in the best interests of F.N.B. and its shareholders. The F.N.B. board of directors approved the merger and the merger agreement and recommends that F.N.B. shareholders vote FOR approval of the issuance of F.N.B. common stock pursuant to the merger agreement and FOR the F.N.B. adjournment proposal.

In reaching its decision to approve the merger and the merger agreement, and recommend that the F.N.B. shareholders approve the issuance of F.N.B. common stock pursuant to the merger agreement, the F.N.B. board of directors consulted with F.N.B. management, as well as its financial and legal advisors, and considered a number of factors, including the following material factors:

each of F.N.B.'s, Metro's and the combined entity's business, operations, financial condition, asset quality, earnings and prospects. In reviewing these factors, the F.N.B. board of directors considered its view that Metro's business and operations complement those of F.N.B. and that the merger would result in a combined company with a diversified revenue stream, a well-balanced loan portfolio and an attractive funding base;

the fact that the core deposits made up the vast majority of Metro's deposit mix;

the potential of creating a contiguous Mid-Atlantic banking franchise with additional scale and access to a broader base of middle market and small business prospects;

Metro's familiarity with the Central Pennsylvania markets;

its understanding of the current and prospective environment in which F.N.B. and Metro operate, including national and local economic conditions, the competitive environment for financial institutions generally, and the likely effect of these factors on F.N.B. both with and without the proposed transaction;

management's expectation regarding cost synergies, earnings accretion, tangible book value dilution and internal rate of return;

Table of Contents

its review and discussions with F.N.B.'s management concerning the due diligence examination of Metro;

sensitivity of the proposed transaction's economic returns to a variety of factors, including changes to the amount of cost synergies, Metro pro forma earnings, Metro rates of growth, and estimated mark-to-market of the associated loan portfolio;

the market for alternative merger or acquisition transactions in the banking industry and the likelihood and timing of other material strategic transactions;

the complementary nature of the cultures and product mix of the two companies, including the fact that each company utilizes the same service provider for its data processing platform, which F.N.B. management believes should facilitate integration and implementation of the transaction;

potential increased income opportunity derived from the ability to market a number of products and services to Metro customers that are not presently offered by Metro;

management's expectation that F.N.B. will retain its strong capital position upon completion of the transaction;

the respective written opinions of RBC, F.N.B.'s financial advisor in the merger, and Griffin, each dated as of August 3, 2015, delivered to the F.N.B. board of directors to the effect that, as of that date, and subject to and based on the various assumptions, considerations, qualifications and limitations set forth in the opinions, the exchange ratio pursuant to the merger agreement was fair, from a financial point of view, to F.N.B. (in the case of the RBC fairness opinion) and to shareholders of F.N.B. (in the case of the Griffin fairness opinion);

the financial analyses and presentations provided by RBC and Griffin, respectively, to the F.N.B. board of directors, including each firm's presentation of the analyses underlying their respective fairness opinions, described in the subsections of this joint proxy statement/prospectus under the subheadings entitled *Opinion of RBC Capital Markets, LLC in Connection with the Merger* beginning on page 76 and *Opinion of Griffin Financial Group, LLC in Connection with the Merger* beginning on page 86;

the financial and other terms of the merger agreement, including the fixed exchange ratio, tax treatment and mutual deal protection and termination fee provisions, on which it received advice from its outside financial and legal advisors;

the potential risks associated with, and management's recent experience in, achieving anticipated cost synergies and savings, transitioning Metro's business model, in which extended business hours are offered at branch locations, to the F.N.B. business model, in which customary business hours are observed at branch

locations, and successfully integrating Metro's business, data systems, operations and workforce with those of F.N.B.;

the nature and amount of payments to be received by Metro's management in connection with the merger and the merger-related costs and restructuring charges that will be incurred in connection with the merger;

the potential risk of diverting management attention and resources from the operation of F.N.B.'s business and towards the completion of the merger; and

the regulatory and other approvals required in connection with the merger and the expectation that such regulatory approvals will be received in a timely manner and without the imposition of unacceptable conditions.

F.N.B.'s board of directors also considered the fact that the merger will result in a combined entity with assets of approximately \$19.6 billion (excluding the assets to be acquired by F.N.B. pursuant to its agreement to acquire certain retail branches located in Western Pennsylvania from Fifth Third Bancorp, which was announced in September 2015 and is expected to be completed during the first half of 2016).

Table of Contents

The foregoing discussion of the factors considered by F.N.B.'s board of directors in evaluating the merger agreement is not intended to be exhaustive, but, rather, includes all material factors that they considered. In reaching their decision to approve the merger agreement and the merger, the F.N.B. board of directors did not quantify or assign relative weights to the factors considered, and individual directors may have given different weights to different factors. The F.N.B. board of directors considered all of the above factors as a whole, and on an overall basis considered them to be favorable to, and support, its determination with respect to the merger and the merger agreement.

Opinion of RBC Capital Markets, LLC in Connection with the Merger

On August 3, 2015, RBC rendered its written opinion to the F.N.B. board of directors that, as of that date and subject to the assumptions, qualifications, limitations and other matters set forth therein, the exchange ratio was fair, from a financial point of view, to F.N.B. The full text of RBC's written opinion dated August 3, 2015 is attached to this joint proxy statement/prospectus as Appendix D and constitutes part of this joint proxy statement/prospectus. RBC's opinion was approved by RBC's Fairness Opinion Committee. **This summary of RBC's opinion is qualified in its entirety by reference to the full text of the opinion. F.N.B. urges holders of F.N.B. common stock to read RBC's opinion carefully in its entirety for a description of the assumptions made, procedures followed, matters considered and limitations and qualifications of the review undertaken by RBC.**

RBC's opinion was provided for the information and assistance of the F.N.B. board of directors in connection with its consideration of the merger. RBC's opinion did not address the merits of F.N.B.'s underlying decision to engage in the merger or the relative merits of the merger compared to any alternative business strategy or transaction in which F.N.B. might engage. RBC's opinion and the analyses performed by RBC in connection with its opinion, as reviewed by the F.N.B. board of directors, were only two of many factors taken into consideration by the F.N.B. board of directors in connection with its evaluation of the merger. **RBC's opinion does not constitute a recommendation to any holder of F.N.B. common stock as to how such holder should vote with respect to the merger or any other proposal to be voted upon by them in connection with the merger.**

RBC's opinion addressed solely the fairness of the exchange ratio, from a financial point of view, to F.N.B., and did not in any way address other terms or arrangements of the merger or the merger agreement, including, without limitation, the financial or other terms of any other agreement contemplated by, or entered into in connection with, the merger agreement. Further, in rendering its opinion, RBC expressed no opinion about the fairness of the amount or nature of the compensation (if any) to any of F.N.B.'s officers, directors or employees, or class of such persons, relative to the compensation to be paid to stockholders of Metro.

In rendering its opinion, RBC assumed and relied upon the accuracy and completeness of all the information that was publicly available to RBC and all of the financial, legal, tax, operating and other information provided to or discussed with RBC by F.N.B. or Metro (including, without limitation, the financial statements and related notes thereto of each of F.N.B. and Metro, respectively), and RBC did not assume responsibility for independently verifying, and did not independently verify, such information. RBC assumed that all Forecasts (as defined below) provided to RBC by F.N.B. or Metro, as the case may be (including Forecasts provided to RBC by F.N.B. with respect to certain cost and revenue synergies expected to be realized from the merger), were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the future financial performance of F.N.B. or Metro (as the case may be), respectively, as standalone entities (or, in the case of the projected synergies, of F.N.B., as a combined company). RBC expressed no opinion as to those Forecasts or the assumptions upon which they were based.

In rendering its opinion, RBC did not assume any responsibility to perform, and did not perform, an independent evaluation or appraisal of any of the assets or liabilities of F.N.B. or Metro, and RBC was not furnished with any such valuations or appraisals. RBC did not assume any obligation to conduct, and did not

conduct, any physical inspection of the property or facilities of F.N.B. or Metro. RBC did not investigate, and made no assumption regarding, any litigation or other claims affecting F.N.B. or Metro.

RBC assumed, in all respects material to its analysis that all conditions to the consummation of the merger will be satisfied without waiver thereof. RBC further assumed that the executed version of the merger agreement would not differ, in any respect material to its opinion, from the draft merger agreement that it received.

RBC's opinion speaks only as of the date thereof, was based on the conditions as they existed and information which RBC was supplied as of the date thereof, and is without regard to any market, economic, financial, legal, or other circumstances or event of any kind or nature which may exist or occur after such date. RBC did not undertake to reaffirm or revise its opinion or otherwise comment upon events occurring after the date thereof and does not have an obligation to update, revise or reaffirm its opinion. RBC did not express any opinion as to the prices at which F.N.B. common stock or Metro common stock have traded or would trade following the announcement of the merger or the prices at which F.N.B. common stock will trade following the consummation of the merger.

For the purposes of rendering its opinion, RBC undertook such review and inquiries as it deemed necessary or appropriate under the circumstances, including the following:

reviewed the financial terms of a near final draft merger agreement;

reviewed and analyzed certain publicly available financial and other data with respect to F.N.B. and Metro and certain other relevant historical operating data relating to F.N.B. and Metro made available to RBC from published sources and from the internal records of F.N.B. and Metro, respectively;

reviewed financial projections and forecasts of F.N.B. (which, in the case of F.N.B. as a standalone entity, were based on consensus Wall Street analyst estimates) and the combined post-merger company prepared by management of F.N.B., and financial projections and forecasts of Metro, prepared by management of F.N.B. (collectively, Forecasts);

conducted discussions with members of the senior managements of F.N.B. and Metro with respect to the business prospects and financial outlook of F.N.B. and Metro as standalone entities as well as the potential synergies from the merger;

reviewed Wall Street research estimates regarding the potential future performance of F.N.B. and Metro as standalone entities;

reviewed the reported prices and trading activity for F.N.B. common stock and Metro common stock; and

performed other studies and analyses as RBC deemed appropriate.

Set forth below is a summary of the material financial analyses performed by RBC in connection with the rendering of its opinion, as delivered to the board of directors of F.N.B. in connection with its meeting on August 3, 2015. The order of analyses described does not represent relative importance or weight given to those analyses by RBC. Some of the summaries of the financial analyses include information presented in tabular format. To fully understand the summary of the analyses used by RBC, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the analysis.

For purposes of its analyses, RBC reviewed a number of financial and operating metrics, including:

Tangible Book Value, which means a company's total book value less the value of any intangible assets, including goodwill (TBV); and

Core Deposit Premium, which means the quotient of (i) the equity value of a company less TBV and (ii) aggregate core deposits, expressed as a percentage (CDP).

Unless the context indicates otherwise, the analyses performed below were calculated using (i) the closing price of F.N.B. common stock and Metro common stock and the closing prices of the selected bank holding companies as of July 31, 2015, (ii) historical financial and operating data for F.N.B., Metro and the selected companies based on publicly available information for each company as of July 31, 2015, and (iii) transaction values and CDPs for the target companies derived from the selected transactions analysis described below, calculated as of the announcement date of the relevant transaction based on the estimated purchase prices announced on such date for the selected transactions. Accordingly, this information may not reflect current or future market conditions. The calculations of TBV and CDP were as of June 30, 2015. Estimates of earnings for F.N.B. and Metro were based on estimates provided by management of F.N.B., and estimates of earnings for the selected companies were based on consensus Wall Street analyst estimates available as of July 31, 2015. For the purposes of certain analyses described below, the term implied per share consideration refers to the implied per share value of the merger consideration of \$32.72 based on the exchange ratio of 2.373 shares of F.N.B. common stock per share of Metro common stock and the closing price of F.N.B. common stock as of July 31, 2015 of \$13.79.

Discounted Cash Flow Analysis. RBC performed discounted cash flow analyses of Metro by calculating the estimated net present value of the after-tax free cash flows of Metro available for dividends through 2021, based on the Forecasts. RBC performed such discounted cash flow analyses both on a standalone basis (the Metro Standalone DCF) and including the value of the synergies and the impact of acquisition adjustments, projected to result from the merger as provided by management of F.N.B. (the Metro Cost Savings DCF). Both of the Metro DCFs assumed a ratio of target tangible common equity to tangible assets of 8.0%, a pre-tax opportunity cost of cash of 2.19% growing to 2.31% in 2018 and flat thereafter, and a 35% tax rate. The Metro Cost Savings DCF assumed cost savings equal to 40% of Metro s non-interest expense, 75% of which was projected to be phased in during 2016, and 100% of which was projected to be achieved during 2017 and thereafter.

RBC performed each of the Metro Standalone DCF and the Metro Cost Savings DCF analyses using discount rates ranging from 11.5% to 13.5%, based on an estimated cost of equity using RBC’s professional judgment in light of recent volatility in equity markets, after taking into consideration the capital asset pricing model (CAPM), and a terminal value at the end of the forecast period, using terminal multiples ranging from 11.0x to 16.5x estimated 2021 earnings. The terminal multiples were selected based on a review of the multiples of NTM earnings for the selected public companies referred to above. The Metro Standalone DCF and the Metro Cost Savings DCF indicated the following implied per share common equity reference ranges, as compared to the implied per share consideration:

The preparation of a fairness opinion is a complex process that involves the application of subjective business judgment in determining the most appropriate and relevant methods of financial analysis and the

Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques. The overall conclusions of RBC were based on all the analyses and factors presented herein taken as a whole and also on application of RBC's own experience and judgment. Such conclusions may involve significant elements of subjective judgment and qualitative analysis. RBC therefore believes that its analyses must be considered as a whole and that selecting portions of the analyses and of the factors considered, without considering all factors and analyses, could create an incomplete or misleading view of the processes underlying its opinion.

F.N.B. selected RBC to render to the F.N.B. board of directors its opinion based on its qualifications, expertise, reputation and knowledge of F.N.B.'s business and affairs and its experience with bank holding companies and the industry in which F.N.B. operates. RBC has advised on numerous acquisitions of bank holding companies. RBC is an internationally recognized investment banking firm and is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, corporate restructurings, underwritings, secondary distributions of listed and unlisted securities, private placements, and valuations for corporate and other purposes. In the ordinary course of business, RBC may act as a market maker and broker in the publicly traded securities of F.N.B. and/or Metro and receive customary compensation, and may also actively trade securities of F.N.B. and/or Metro for its own account and the accounts of its customers, and, accordingly, RBC and its affiliates, may hold a long or short position in such securities. RBC has provided investment banking and financial advisory services to F.N.B. in the past, including, in the past two years, having acted or acting as (i) financial advisor in connection with its acquisition of (a) BCSB Bancorp, Inc. completed in February 2014, (b) OBA Financial Services, Inc. completed in September 2014 and (c) certain branches of Bank of America Corp. announced in May 2015, (d) certain branches of Fifth Third Bancorp announced in September 2015; and (ii) joint bookrunning manager for its offerings of F.N.B. common stock and F.N.B. preferred stock completed in November 2013 and its offering of F.N.B. subordinated notes completed in October 2015. During such two year period RBC received aggregate fees of \$3.75 million in connection with providing investment banking and financial advisory services to F.N.B. In light of RBC's prior services to F.N.B. and its financial advisory role for F.N.B. in connection with the merger, RBC anticipates that it may be selected by F.N.B. to provide investment banking and financial advisory and/or financing services that may be required by F.N.B. in the future, regardless of whether the merger is successfully completed. In addition, RBC and its affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Metro and/or certain of its affiliated companies and have received and in the future may receive compensation for these services, including, currently providing Metro with outstanding letters of credit. In the past two years, RBC has received from Metro aggregate fees of approximately \$119,000 for such services.

Under its engagement agreement with F.N.B., RBC became entitled to a fee of \$250,000 upon delivery of its written opinion (the "Opinion Fee"), whether or not the opinion is accepted and whether or not the merger is consummated. In addition, for RBC's services as financial advisor to F.N.B. in connection with the merger, if the merger is successfully completed RBC will receive an additional \$3,000,000, against which the Opinion Fee will be credited. Also, at the closing of the merger, RBC may, at F.N.B.'s discretion, receive an additional fee of up to \$400,000. In addition, if, in connection with the merger not being completed, F.N.B. receives a termination fee, RBC will be entitled to twenty percent of such fee in cash, when it is received by F.N.B. In addition, F.N.B. has agreed to indemnify RBC for certain liabilities that may arise out of RBC's engagement, including, without limitation, liabilities arising under the federal securities laws, and to reimburse certain out-of-pocket expenses incurred by RBC in performing its services. The terms of RBC's engagement letter were negotiated at arm's-length between F.N.B. and RBC, and the F.N.B. board of directors was aware of this fee arrangement at the time it reviewed and approved the merger agreement.

Opinion of Griffin Financial Group, LLC in Connection with the Merger

Pursuant to an engagement letter dated August 2, 2015, F.N.B. engaged Griffin to provide its board of directors with an additional fairness opinion in connection with its proposed acquisition of Metro. Griffin is a nationally recognized, Financial Industry Regulatory Authority-licensed investment banking firm which is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. F.N.B. hired Griffin on the basis of Griffin's qualifications, experience in transactions similar to the merger and its reputation in the investment community. Pursuant to this engagement, the board of directors of F.N.B. requested Griffin to provide its opinion as to the fairness, from a financial point of view, of the merger consideration (as defined in the merger agreement) to be paid by F.N.B. in the proposed merger of Metro with F.N.B.

At a meeting of the F.N.B. board of directors held on August 3, 2015, to evaluate the proposed merger with Metro, Griffin reviewed the financial aspects of the proposed merger and provided its opinion to F.N.B.'s board that, as of such date, and subject to factors, qualifications, limitations and assumptions set forth in the opinion, the merger consideration to be paid by F.N.B. in connection with the proposed merger was fair, from a financial point of view, to the shareholders of F.N.B.

The full text of Griffin's written opinion is attached as Appendix E to this joint proxy statement/prospectus and is incorporated herein by reference. F.N.B.'s shareholders are urged to read the opinion in its entirety for a description of the assumptions made, matters considered, procedures followed and qualifications and limitations on the review undertaken by Griffin. Griffin's opinion is subject to the assumptions and conditions contained in its opinion and is necessarily based on economic, market and other conditions as in effect on, and the information made available to Griffin as of, the date of its opinion. The description of the opinion set forth herein is qualified in its entirety by reference to the full text of such opinion.

Griffin's opinion speaks only as of the date of the opinion. The opinion is addressed to the F.N.B. board of directors and is limited to the fairness, from a financial point of view, of the merger consideration to be paid by F.N.B. in the merger to the shareholders of F.N.B. Griffin does not express an opinion as to the underlying decision by F.N.B. to engage in the merger or the relative merits of the merger compared to other strategic alternatives which may be available to F.N.B.

In providing its opinion, Griffin, among other things:

Griffin's opinion has been approved by its fairness opinion committee in conformity with its policies and procedures established under the requirement of Rule 5150 of the Financial Industry Regulatory Authority. In conducting its review and providing its opinion, Griffin relied upon the accuracy and completeness of all of the financial and other information provided to, or discussed with, it or otherwise publicly available, including median publicly available analyst earnings estimates for the years ending December 31, 2015 and December 31, 2016 and a publicly available estimated long term growth rate for the years thereafter. Griffin did not independently verify the accuracy or completeness of any such information or assume any responsibility for such verification or accuracy. Griffin did not review individual loan files or deposit information of F.N.B. or Metro, nor did Griffin conduct or was Griffin provided with any valuation or appraisal of any assets, deposits or other liabilities of F.N.B. or Metro. Griffin is not an expert in the evaluation of loan and lease portfolios for purposes of assessing the adequacy of the allowance for losses with respect thereto, and accordingly, Griffin assumed that such allowances for losses are adequate. In relying on financial analyses provided to or discussed with Griffin by F.N.B. or made available by Metro or derived therefrom, Griffin assumed that such analyses have been reasonably prepared based on assumptions reflecting the best currently

available estimates and judgments by management. Griffin expresses no view as to the reasonableness of such analyses, forecasts, estimates, or the assumptions on which they were based. Griffin is not a legal, regulatory, or tax expert and has relied on the assessments made by advisors to F.N.B. with respect to such issues.

For purposes of providing its opinion, Griffin assumed that, in all respects material to its analysis:

the representations and warranties of each party in the merger agreement are true and correct in all respects material to Griffin's analysis;

the covenants and conditions precedent to closing the proposed merger contained in the draft agreement provided to Griffin, including approval by federal and state bank regulators, and by shareholders of both Metro and F.N.B., will be performed in all respects material to our analysis and in a manner which will not give Metro the ability to terminate the merger agreement or decline to close under the merger agreement;

Table of Contents

all material governmental, regulatory, shareholder and any other consents and approvals necessary for the completion of the merger will be obtained without any adverse effect to F.N.B. or Metro or to the contemplated benefits of the merger; and

the merger will be completed substantially in accordance with the terms set forth in the draft merger agreement provided to Griffin.

Griffin's opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to it, as of the date of its opinion. Subsequent developments may affect Griffin's opinion, and Griffin does not have any obligation to update, revise, confirm or reaffirm its opinion. Griffin's opinion is limited to the fairness, from a financial point of view, to the shareholders of F.N.B. with regards to the merger consideration to be paid by F.N.B. in the transaction as of the date of the opinion. Griffin expressed no opinion as to the fairness of the merger to creditors or other stakeholders of F.N.B. or as to the underlying decision by F.N.B. to engage in the merger or any other transaction, the relative merits of the merger compared to other transactions available to F.N.B., or the relative merits of the merger compared to other strategic alternatives that may be available to F.N.B. Furthermore, Griffin did not take into account, and expresses no opinion with respect to, the amount or nature of any bonuses and any other compensation or consideration to any officers, directors, or employees of F.N.B. or Metro paid or payable by reason or as a result of the merger.

The forecasts, projections and estimates of F.N.B. and Metro prepared and provided to Griffin by the management of F.N.B. or prepared and made available by the management of Metro, respectively, were not prepared with the expectation of public disclosure. All such information was based on numerous variables and assumptions that are inherently uncertain, including, without limitation, factors related to general economic and competitive conditions and that, accordingly, actual results could vary significantly from those set forth in such forecasts, projections and estimates. Griffin assumed, based on discussions with the management of F.N.B. and Metro, respectively, and at the direction of management of F.N.B. and with the consent of the F.N.B. board of directors, that all such forecasts, projections and estimates referred to above provided a reasonable basis upon which Griffin could form its opinion and Griffin expressed no view as to any such information or the assumptions or bases therefor. Griffin relied on all such information without independent verification or analysis and did not in any respect assume any responsibility or liability for the accuracy or completeness thereof.

The preparation of the fairness opinion is a comprehensive and complex analytical process, involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to partial analysis or summary description. In accordance with customary investment banking practice, Griffin employed generally accepted valuation methods in reaching its opinion. Estimates of the value of businesses or securities do not purport to be appraisals or to reflect the prices at which such businesses or securities might actually be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. The following is a summary of the material financial analyses undertaken by Griffin and presented by Griffin to the F.N.B. board of directors in connection with rendering Griffin's opinion. The following summary, however, does not purport to be a complete description of the financial analyses performed by Griffin or the presentation made by Griffin to the F.N.B. board of directors. In arriving at its opinion, Griffin did not attribute any particular weight to any analysis or factor that it considered, but rather made qualitative judgments as to the significance and relevance of each analysis and factor. The financial analyses summarized within include information presented in tabular format. Accordingly, Griffin believes that its analyses and the summary of its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on the information presented below in tabular format, without considering all analyses and factors or the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the process underlying its analyses and opinion. The tables

alone do not constitute a complete description of the financial analyses.

Pursuant to the merger agreement by and between F.N.B. and Metro, at the effective time of the merger, each issued and outstanding share of Metro's common stock, other than shares held in treasury or owned by F.N.B. and its affiliates, will be exchanged for the right to receive 2.373 shares of F.N.B.'s common stock, or the exchange ratio. Outstanding options to purchase shares of Metro's common stock will be converted into options to acquire an equivalent amount of shares of F.N.B.'s common stock at an exercise price equal to the exercise price with respect to such Metro options divided by the exchange ratio. The merger consideration is \$474 million in the aggregate and represents 172% of Metro's tangible common equity at June 30, 2015 and 22.7 times Metro's earnings for the twelve-month period ended June 30, 2015. No company used as a comparison in the above analysis is identical to Metro. In addition, Griffin presumed that the trading valuations for peers exclude any change in control premium. Accordingly, an analysis of these results is not purely mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and of the banking environment at the time of the opinion.

Selected Transactions Analysis

Griffin reviewed publicly available information as reported by SNL Financial related to acquisitions announced between January 1, 2013 and July 31, 2015 of (a) banks and bank holding companies with between \$750 million and \$20 billion in total assets, NPAs as a percentage of total assets less than 3.0%, and ROAA in excess of 0.50% and (b) nationwide for which the deal value was between \$250 million and \$700 million.

For each transaction referred to below, Griffin derived and compared, among other things, the following implied ratios:

1. Price per common share paid for the acquired company to last twelve months earnings per share of the acquired company based on the latest publicly available financial statements of the company available prior to the announcement of the acquisition;
2. Price per common share paid for the acquired company to tangible book value per share of the acquired company based on the latest publicly available financial statements of the company available prior to the announcement of the acquisition;
3. Tangible book value premium for the acquired company to deposits, less time deposit accounts with balances over \$100,000, foreign deposits and unclassified deposits of the acquired company (Core Deposits) based on the latest publicly available financial statements of the company available prior to the announcement of the acquisition; and
4. Price per common share paid for the acquired company for each selected transaction in which the acquired company was publicly traded as a premium to the closing price of the acquired company one day prior to the announcement of the acquisition (expressed as a percentage).

No company or transaction used as a comparison in the above analyses is identical to Metro, F.N.B. or the merger. Accordingly, an analysis of these results is not purely mathematical. Rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and of the banking environment at the time of the opinion.

Pro Forma Financial Impact Analysis.

Griffin performed a pro forma financial impact analysis that combined projected income statement and balance sheet information of F.N.B. and Metro. Griffin analyzed the estimated financial impact of the merger on certain projected financial results using closing balance sheet estimates as of March 31, 2016 for F.N.B. and Metro and financial forecasts and projections relating to the earnings of F.N.B., which were derived by Griffin from publicly available information, and Metro, which were derived by Griffin from projections prepared by F.N.B. management, and pro forma assumptions (including, without limitation, purchase accounting adjustments, cost savings and related expenses), which, in the case of F.N.B. were derived by Griffin from publicly available information and, in the case of Metro, were derived by Griffin from projections prepared by F.N.B. management. Griffin discussed with F.N.B. s management each of the foregoing and also discussed with Metro s management certain of the foregoing balance sheet estimates of Metro and certain financial forecasts and projections relating to Metro s earnings. This analysis indicated that the merger could be accretive to F.N.B. s 2017 estimated EPS and dilutive to F.N.B. s estimated tangible book value per share as of March 31, 2016. Furthermore, the analysis indicated that each of F.N.B. s tangible common

equity to tangible assets ratio, tangible common equity per share, leverage ratio, Tier 1 Common Equity Ratio, Tier 1 Risk-Based Capital Ratio, and Total Risk Based Capital Ratio as of March 31, 2016 could be lower. For all of the above analysis, the actual results achieved by F.N.B. following the merger may vary from the projected results, and the variations may be material.

Discounted Cash Flow Analysis

Griffin performed a discounted cash flow analysis to estimate a range of the present value of estimated free cash flows that Metro could generate on a stand-alone basis, assuming certain cost savings and one-time charge. In performing this analysis, Griffin utilized the following assumptions, among others:

earnings assumptions based on forward earnings estimates for Metro and discussions with F.N.B. and Metro's management, with subsequent earnings for Metro developed based upon historical trends and assumptions and inputs that Griffin considered reasonable;

a range of discount rates of 11% to 14% based on a normalized risk free interest rate as recommended by Duff & Phelps, the latest published Duff & Phelps U.S. Equity Risk Premium recommendation, a size premium, also published by Duff & Phelps, and a three-year beta as calculated by SNL Financial; and

a projected terminal values range of 11 to 15 times earnings based on the observable Mid-Atlantic companies identified by Griffin as part of its Selected Companies Analysis above who, at June 30, 2015, are comparable to Metro at the end of the terminal period, industry practice, and Griffin's professional judgment. These calculations resulted in a range of implied per share values of between \$37.04 to \$53.79 with cost-savings of \$37.7 million and a one-time pre-tax transaction charge of \$49.5 million estimated by F.N.B.'s management. The discounted cash flow present value analysis is a widely used valuation methodology that relies on numerous assumptions, including asset and earnings growth rates, terminal values and discount rates and is not necessarily indicative of the actual value or expected value of Metro.

The summary set forth above is not a complete description of the analyses and procedures performed by Griffin in the course of arriving at its opinion.

F.N.B. retained Griffin to provide its board of directors with an additional fairness opinion in connection with its proposed acquisition of Metro. As part of Griffin's investment banking business, Griffin is, from time to time, engaged in the valuation of bank and bank holding company securities in connection with mergers and acquisitions, public and private placement of listed and unlisted securities, rights offerings and other forms of valuations for various purposes. As specialists in the securities of banking companies, Griffin has experience in, and knowledge of, the valuation of banking enterprises. In the ordinary course of its business as a broker-dealer, Griffin may, from time to time, purchase securities from, and sell securities to, F.N.B. and Metro. As a market maker in securities, Griffin may from time to time have a long or short position in, and buy or sell, debt or equity securities of institutions like and possibly including F.N.B. and Metro for Griffin's own account and for the accounts of its customers. To the extent Griffin held any such positions, it was disclosed to F.N.B. and Metro.

Pursuant to Griffin's engagement letter, F.N.B. paid Griffin a fee of \$250,000 upon delivery of its fairness opinion to F.N.B.'s board of directors. In addition, during the previous two years, F.N.B. has paid Griffin fees totaling \$50,000 in connection with F.N.B.'s unsuccessful bid for another company in 2014.

F.N.B. has agreed to reimburse Griffin for reasonable out of pocket expenses incurred in connection with Griffin's engagement and to indemnify and hold harmless partners, officers, agents, employees and affiliates from and against all losses, claims, judgments, liabilities, costs, damages and expenses based upon or arising from Griffin's engagement.

Except as set forth above, during the two years preceding the date of its opinion to F.N.B., Griffin did not receive compensation for investment banking services from F.N.B.

Other than as disclosed above, there have been no material relationships between Griffin or its affiliates and representatives and (i) F.N.B. or its affiliates or (ii) Metro or its affiliates, during the past two years. Griffin may in the future provide investment banking and financial advisory services to F.N.B. or Metro and receive compensation for such services.

Table of Contents**Interests of Metro's Directors and Executive Officers in the Merger**

In considering the recommendation of the Metro board that you vote to approve the merger, you should be aware that Metro's directors and executive officers have interests in the merger that are different from, or in addition to, those of Metro's shareholders generally. The Metro board was aware of and considered those interests, among other matters, in reaching its decisions to (i) approve the merger and (ii) resolve to recommend the approval of the merger to Metro shareholders. See the section entitled *Background of the Merger* and the section entitled *Recommendation of the Metro Board of Directors and Reasons for the Merger* beginning on pages 51 and 57 of this joint proxy statement/prospectus, respectively. Metro's shareholders should take these interests into account in deciding whether to vote FOR the proposal to approve the merger. These interests are described in more detail below, and certain of them are quantified in the narrative below and, for the named executive officers, in the table included in the section entitled *Merger-Related Compensation for Metro's Named Executive Officers*, including the footnotes to the table.

In connection with the merger, as of the date of this joint proxy statement/prospectus, no executive officer of Metro has entered into an employment agreement or other agreement or commitment with F.N.B. or its affiliates with respect to continuing employment, and the consummation of the merger is not contingent upon entering into any such arrangement.

Treatment of Metro Equity Awards

Under the merger agreement and pursuant to the applicable Metro equity plan, each outstanding Metro stock option, whether vested or unvested, held by Metro's directors and executive officers as of the effective time will be converted into a stock option to purchase F.N.B. common stock on the same terms and conditions as were applicable to the Metro stock option prior to the merger, subject to adjustment of the exercise price and the number of shares of F.N.B. common stock issuable upon exercise of such stock option based on the exchange ratio of 2.373 shares of F.N.B. common stock for each share of Metro common stock. All stock options held by executive officers vested prior to and independent of the merger, and as of November 20, 2015, Metro's executive officers do not hold any unvested stock options. Upon termination of a director's service at or after the completion of the merger, which is assumed solely for this purpose to be November 20, 2015, each unvested stock option (as converted) held by a non-employee director will immediately vest pursuant to its terms. Based on the 87,850 unvested stock options held by Metro's ten non-employee directors as a group as of November 20, 2015, a weighted average exercise price of \$21.43 and a per share value of Metro stock of \$30.30 (calculated based on the average closing market price of Metro stock over the first five business days following the first public announcement of the merger), these unvested stock options are estimated to have an aggregate intrinsic value of \$1,032,238. John J. Cardello retired from the Metro board of directors on October 31, 2015 and the 12,400 unvested options that he held prior to retirement became vested upon his retirement pursuant to the terms of his options. Consequently, all of the Metro stock options held by Mr. Cardello were vested as of October 31, 2015. Upon completion of the merger, Mr. Cardello's options will be converted into options to purchase F.N.B. common stock on the same basis as described above.

Employment Agreements

Metro previously entered into employment agreements with each of Messrs. Nalbandian, Zody, Moser, Ridd and Metz and the two other executive officers who are not named executive officers Mr. Cribbs and Ms. Cintron. The employment agreements provide certain benefits in the event of a Change in Control or in the event of certain qualifying terminations, described below. The merger, when completed, will constitute a Change in Control. For an estimate of the amounts that would be payable to each of Metro's named executive officers pursuant to their employment agreements, see the section entitled *Merger-Related Compensation for Metro's Named Executive Officers* below. Amounts for executive officers who are not named executive officers are set forth in the narrative

below.

Table of Contents

Severance Payments, Change in Control Payments and Other Benefits. Under Mr. Nalbandian's employment agreement, Mr. Nalbandian will become entitled to the following termination payments and benefits upon an involuntary termination of employment by Metro without Cause or Mr. Nalbandian's resignation for Good Reason, without regard to whether employment termination is in connection with a Change in Control:

a lump sum cash payment equal to three times the sum of the highest base salary and cash bonus received by Mr. Nalbandian during the twenty-four months preceding termination;

immediate vesting of all unvested incentive compensation awards, including equity awards; and

continued disability and life insurance benefits for three years.

Receipt of these payments and benefits is conditioned upon Mr. Nalbandian executing a general release and non-disparagement agreement and complying with confidentiality and non-competition provisions as described in the section *Merger-Related Compensation for Metro's Named Executive Officers*. Mr. Nalbandian is also entitled to previously vested rights to continued medical insurance coverage for himself and his dependents for Mr. Nalbandian's life, and continued use of a company-owned automobile until the latest to occur of the end of the lease term on such automobile or the end of the term of his employment, in each case after any termination of employment without regard to the merger.

Under their employment agreements, each of Messrs. Zody and Moser will become entitled to a cash payment equal to two times the sum of (1) the executive's annual base salary plus (2) the cash bonuses paid to such executive during the twenty-four months preceding the Change in Control, payable in two equal installments on the first and second anniversaries of a Change in Control, unless they are terminated by Metro for Cause or resign voluntarily other than for Good Reason. In addition, each of Messrs. Zody and Moser will become entitled to one year's continuation of medical, disability, hospitalization and life insurance benefits upon an involuntary termination by Metro without Cause or the executive officer's resignation for Good Reason. Receipt of these payments and benefits is conditioned upon the executive officer complying with confidentiality, non-competition and customer and employee non-solicitation provisions as described in the section *Merger-Related Compensation for Metro's Named Executive Officers*.

Under their employment agreements, upon an involuntary termination by Metro without Cause or the executive officer's resignation for Good Reason or for any reason within sixty days following a Change in Control (including the merger) each of Messrs. Ridd and Metz will become entitled to a lump sum cash payment equal to two times the average base salary in effect during the twenty-four months preceding termination, or upon termination without Cause or for Good Reason for Mr. Metz, equal to his salary for the remainder of the term of his employment agreement. In addition, upon such employment terminations, Messrs. Ridd and Metz will also be entitled to one year's continuation of medical, disability, hospitalization and life insurance benefits. Receipt of these payments and benefits is conditioned upon the executive officer complying with confidentiality and non-competition provisions, and for Mr. Metz, a customer and employee non-solicitation provision, as described in the section *Merger-Related Compensation for Metro's Named Executive Officers*.

Under their employment agreements, each of Mr. Cribbs and Ms. Cintron will become entitled to the following termination payments and benefits upon an involuntary termination by Metro without Cause or the executive officer's resignation for Good Reason, or for Mr. Cribbs, resignation for any reason other than for Cause within sixty days

following a Change in Control, or for Ms. Cintron, resignation or termination by Metro for any reason within sixty days following a Change in Control:

for an involuntary termination by Metro without Cause or the executive officer's resignation for Good Reason, a lump sum cash payment equal to the base salary the executive would have been paid for the remainder of the term of the employment agreement; or

for resignation for any reason within sixty days following a Change in Control (and for Ms. Cintron, for termination by Metro other than for Cause during such time period as well), a lump sum cash payment equal to two times the average base salary in effect during the twenty-four months preceding

Table of Contents

termination, in the case of Mr. Cribbs, or two times the executive's annual base salary plus other compensation paid to executive during the twenty-four months preceding the termination, in the case of Ms. Cintron; and

continued medical, disability, hospitalization and life insurance benefits for one year.

Receipt of these payments and benefits is conditioned upon the executive officer complying with a perpetual confidentiality provision and a customer and employee non-solicitation provision that applies for a period of time after termination of employment. For Mr. Cribbs, the non-solicitation provision applies perpetually following any termination of employment, and his receipt of payments and benefits is also conditioned upon compliance with a non-competition covenant for six months following termination by Metro without Cause or resignation by Mr. Cribbs for Good Reason or for any reason within sixty days following a Change in Control, or for one year following any other voluntary termination of employment. For Ms. Cintron, the non-solicitation provision applies for one year following any termination of employment.

If the merger were completed on November 20, 2015 and the executive officer's employment terminated immediately thereafter, the estimated aggregate amount that would be payable to Metro's executive officers who are not named executive officers pursuant to their employment agreements is \$885,961 for the value of lump sum cash severance payments and \$30,528 for the aggregate value of one year's continuation of medical, disability, hospitalization and life insurance benefits.

For purposes of determining whether a qualifying termination has occurred for any of the executive officers (including the named executive officers), Cause generally means an indictment or conviction for, or plea of guilty or nolo contendere to, a felony, crime of falsehood or crime involving fraud, moral turpitude or dishonesty, or willful violation of the terms or provisions of the employment agreement.

In addition, Good Reason generally means (1) a material reduction in salary and fringe benefits; (2) a material change in the geographic location at which the executive must perform the services; (3) a material breach of the employment agreement by Metro or, following the completion of the merger, by F.N.B.; (4) a material reduction in the nature and scope of the executive officer's authority, responsibilities or duties; (5) a material inconsistency in duties and responsibilities resulting in a diminution of the executive officer's authority, duties or responsibilities; or (6) a reduction in the position or title resulting in a material reduction in the executive officer's authority, duties or responsibilities. However, the employment agreements for Messrs. Metz and Cribbs and Ms. Cintron do not include clauses (4), (5) and (6). Furthermore, in Mr. Nalbandian's employment agreement, Good Reason means (1) a material breach of the employment agreement by Metro, (2) the refusal by F.N.B. to assume Metro's duties and obligations under the employment agreement, or (3) the occurrence within three years following a Change in Control of (a) a material reduction in the nature and scope of his authority, (b) a material inconsistency in duties and responsibilities resulting in a diminution of his authority, duties or responsibilities, (c) a material reduction in his fringe benefits, (d) a reduction in position or title resulting in a diminution of his authority, duties or responsibilities, or (e) a relocation of Metro's principal executive offices to a location more than fifty miles from his principal residence.

Excise Tax. Mr. Nalbandian is entitled to receive an excise tax indemnity payment pursuant to his employment agreement if the amounts payable to him with respect to the merger exceed the threshold under the applicable excise tax rules under Sections 280G and 4999 of the Code. None of Metro's other executive officers is entitled to receive an excise tax indemnity payment under any plan or agreement with Metro. Each executive officer employment agreement, other than Mr. Nalbandian's employment agreement, provides that if amounts payable with respect to the merger would otherwise trigger an excise tax for that executive officer, then the executive officer's payments would be reduced to the highest amount that would not trigger the excise tax.

Future Compensation Actions

In addition to the payments and benefits above, under the terms of the merger agreement, Metro may take certain compensation actions prior to the completion of the merger that will affect Metro's directors and

Table of Contents

executive officers, although determinations related to such actions have not been made as of the date of this joint proxy statement/prospectus and the impact of such actions is not reflected in the amounts estimated above unless specifically disclosed. Among other actions, Metro may make 2016 annual long-term incentive grants to its employees, including executive officers, in accordance with past practice (provided that such awards will be payable in cash), take certain actions to reduce the amount of any excise tax payments under Sections 280G and 4999 of the Code, increase base salaries of its employees, including executive officers, in the ordinary course of business in connection with 2016 annual cycle adjustments and promotions and pay annual compensation to non-employee directors in the ordinary course of business.

Board of Directors of F.N.B. Following the Merger

Upon completion of the merger, one of Metro's directors, who will be mutually selected by F.N.B. and Metro, will join F.N.B.'s and First National Bank of Pennsylvania's boards of directors. The compensation paid to this director for his or her service on F.N.B.'s and First National Bank of Pennsylvania's boards of directors will be the same as the compensation paid to other members of F.N.B.'s and First National Bank of Pennsylvania's boards of directors. F.N.B. currently pays its non-employee directors an annual retainer fee of \$50,000 (excluding annual fees paid for service on a committee of the board of directors, which are \$3,500 for the Nominating & Governance Committee and \$7,500 for each of the Executive, Audit, Compensation and Risk Committees) and a stock award valued at approximately \$40,000. Directors of First National Bank of Pennsylvania do not receive a separate fee for their service. As of the date of this joint proxy statement/prospectus, F.N.B. and Metro have not selected the Metro director who will be appointed to the boards of directors of F.N.B. and First National Bank of Pennsylvania or the board committees, if any, on which the Metro director will serve.

Regional Advisory Board

Following the completion of the merger, F.N.B. will create a Harrisburg Community Advisory Board to assist F.N.B. in identifying and engaging with customers, civic leaders and nonprofit organizations throughout the Harrisburg region. Two of Metro's directors, who will be mutually selected by F.N.B. and Metro, will be invited to join the advisory board, and will serve for a minimum term of one year. During their first full year of service on the advisory board, the two Metro directors will receive the same level of compensation that they currently receive for their service on the Metro board of directors. Information regarding the compensation paid to Metro's directors may be found in the definitive proxy statement for Metro's 2015 annual meeting of shareholders, which was filed with the SEC on May 22, 2015. See *Where You Can Find More Information* on page 137 of this joint proxy statement/prospectus. As of the date of this joint proxy statement/prospectus, F.N.B. and Metro have not selected the Metro directors who will be invited to join the Harrisburg Community Advisory Board.

Indemnification and Insurance

F.N.B. and Metro have agreed in the merger agreement that, from and after the effective time of the merger, F.N.B. will indemnify and hold harmless, to the fullest extent provided under applicable law and the articles of incorporation and bylaws of Metro, each present and former director and officer of Metro or any of its subsidiaries and any individual who serves or served as a director, officer, employee, member, trustee, or fiduciary of another entity at the request of Metro or its subsidiaries, against any losses, claims, damages, liabilities, costs and expenses, judgments, fines and amounts paid in settlement in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal or administrative, pertaining or relating to the merger agreement or to such person's service with Metro as a director or officer or with another entity as a director, officer, employee, member, trustee or fiduciary at the request of Metro or its subsidiaries. F.N.B. has also agreed in the merger agreement that, for a period of six years after the effective time of the merger, it will cause the directors and officers of Metro to be covered by the directors' and

officers' insurance policy maintained by Metro or by a policy of at least the same coverage and containing terms no less advantageous to its beneficiaries than Metro's policy.

Table of Contents***Employee Matters***

Each person who is an employee of Metro or any of its subsidiaries as of the closing of the merger and who remains employed immediately following the closing of the merger will become an employee of F.N.B. and, as soon as administratively practicable, will be entitled to participate in each F.N.B. employee benefit plan of general applicability, such as group health, medical, dental, life and disability plans to the same extent as similarly situated employees of F.N.B. and its subsidiaries. F.N.B. will recognize the length of service credited to each Metro employee under the Metro employee benefit plans for purposes of determining eligibility to participate in, and vesting of benefits under, such F.N.B. employee benefit plans, unless recognition of the service credit would result in duplication of benefits.

Metro Bank 401(k) Plan

The Metro Bank Retirement Savings Plan will be terminated immediately before the merger is completed, and the accounts of all participants and beneficiaries will become fully vested on the date of termination. Employees of Metro who continue in employment with F.N.B. following the closing of the merger will be eligible to participate in the F.N.B. 401(k) plan as of the closing date.

Merger-Related Compensation for Metro's Named Executive Officers

This section sets forth the information required by Item 402(t) of Regulation S-K of the SEC rules regarding the compensation for each named executive officer of Metro that is based on or otherwise relates to the merger. This compensation is referred to as golden parachute compensation by the applicable SEC disclosure rules, as set forth in the table below. Additional information regarding these payments and benefits is also summarized in the section entitled *Interests of Metro's Directors and Executive Officers in the Merger* beginning on page 95.

Each named executive officer has previously entered into an employment agreement with Metro. These employment agreements provide for cash payments and health and welfare benefits in the event of a Change in Control or following a qualifying termination of employment, each as described in *Interests of Metro's Directors and Executive Officers in the Merger*. The merger constitutes a Change in Control for purposes of named executive officer employment agreements.

Receipt of payments and benefits under the employment agreements is conditioned upon the named executive officer complying with a perpetual confidentiality provision and a non-competition covenant that applies for a period of time after termination of employment. For Mr. Nalbandian, the non-competition covenant applies for eighteen months following any termination of employment, and his receipt of payments and benefits is conditioned upon him executing a general release and non-disparagement agreement. For the other named executive officers, the non-competition covenant applies for six months following termination of employment by the employer without Cause and resignation by the executive for Good Reason (and for Messrs. Metz and Ridd, for any reason within sixty days after a Change in Control), in each case as described in *Interests of Metro's Directors and Executive Officers in the Merger Employment Agreements*, and extends to one year for any other voluntary resignation. For Messrs. Ridd, Moser and Zody, receipt of payments and benefits is also conditioned upon compliance with a perpetual customer and employee non-solicitation provision.

Assuming that, solely for the purposes of estimating amounts under the sections entitled *Merger-Related Compensation for Metro's Named Executive Officers* and *Interests of Metro's Directors and Executive Officers in the Merger* in this joint proxy statement/prospectus, the merger was completed on, and the employment of each of the named executive officers was terminated immediately following, November 20, 2015, each named executive officer

would receive approximately the amounts set forth in the table below. The values reflected in the table below are estimates based on equity compensation awards held as of November 20, 2015, other assumptions described below that may or may not actually occur, and do not reflect certain compensation actions that may occur before completion of the merger. As a result, the actual amounts to be received by a named executive officer if the merger is completed may differ materially from the amounts reported below.

- (1) These amounts represent the aggregate value of cash payments payable upon a Change in Control or following a qualifying termination under each named executive officer's employment agreement as described in *Interests of Metro's Directors and Executive Officers in the Merger*. Payments under the employment agreements are double trigger for Messrs. Nalbandian, Ridd and Metz, except that Messrs. Ridd and Metz may resign for any reason within 60 days after a Change in Control, and single trigger for Messrs. Zody and Moser. Amounts in the table above do not reflect the value arising from certain compensation actions that may be taken between the date of this joint proxy statement/prospectus and the actual closing date of the merger, as described in further detail in *Interests of Metro's Directors and Executive Officers in the Merger Future Compensation Actions*.
- (2) For Mr. Nalbandian, these double trigger benefits represent the aggregate value of continued participation in disability and life insurance benefits for three years following a qualifying termination under his employment agreement. The amount does not include the value of continued medical insurance coverage for Mr. Nalbandian and his dependents for Mr. Nalbandian's life, which he is entitled to receive after any termination of employment without regard to the merger. For the other named executive officers, these double trigger benefits represent the aggregate value of continued participation in medical, disability and life insurance benefits for one year following a qualifying termination under each named executive officer's employment agreement.
- (3) Mr. Nalbandian is entitled under his employment agreement to a double trigger tax indemnification benefit in respect of Section 4999 of the Internal Revenue Code. Based on an expected reduction for the reasonable compensation value attributable to his non-compete covenant, as of the date of this joint proxy

statement/prospectus, no amount is estimated to be due to Mr. Nalbandian in respect of this benefit (although this is only an estimate and may differ from the actual amount that may ultimately become payable).

Regulatory Approvals Required for the Merger and the Bank Merger

Completion of the merger between F.N.B. and Metro and the merger between First National Bank of Pennsylvania and Metro Bank are each subject to several federal and state regulatory agency filings and approvals. The merger and the bank merger cannot be completed unless and until F.N.B. and Metro, on the one hand, and First National Bank of Pennsylvania and Metro Bank, on the other hand, have received all necessary prior approvals, waivers or exemptions from the applicable bank regulatory authorities and any applicable waiting periods have expired. See *The Merger Agreement Conditions to Completion of the Merger* and *The Merger Agreement Termination of the Merger Agreement*.

Table of Contents

Federal Reserve Board. F.N.B. is registered as a financial holding company and bank holding company under the Bank Holding Company Act of 1956, which we also refer to as the BHC Act. Metro is a registered bank holding company under the BHC Act. As a result, the merger of Metro with and into F.N.B. is subject to prior approval of the Federal Reserve Board under the BHC Act, unless an exemption from the prior approval requirement is available pursuant to Regulation Y under the BHC Act. F.N.B. submitted a request to the Federal Reserve Board on November 6, 2015 to seek such an exemption and received the requested exemption from the Federal Reserve Board on November 13, 2015. If F.N.B.'s exemption request had not been granted, F.N.B. would have needed to seek prior approval of the merger pursuant to the requirements of Section 3 of the BHC Act, and in accordance with those requirements, the Federal Reserve Board would decline to approve the merger if:

it would result in a monopoly;

it would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States; or

it could have the effect in any section of the United States of substantially lessening competition, tending to create a monopoly or resulting in a restraint of trade, unless the Federal Reserve Board finds that the anti-competitive effects of the transactions are clearly outweighed by the public interest and the probable effect of the merger in meeting the convenience and needs of the communities to be served.

In addition, in reviewing a merger under the applicable statutes, the Federal Reserve Board will consider a number of factors, including, but not limited to: the financial and managerial resources (including consideration of the competence, experience and integrity of the officers, directors and principal shareholders, as well as the pro forma capital ratios) of the companies and any subsidiary banks; the future prospects of the combined organization; the convenience and needs of the communities to be served; the records of the companies in combating money laundering; the capital adequacy of the combined company after completion of the merger; and the extent to which a proposed acquisition, merger or consolidation would result in greater or more concentrated risks to the stability of the United States banking or financial system. As part of, or in addition to, consideration of these factors, Metro and F.N.B. would anticipate that the Federal Reserve Board would consider the regulatory status of each company and their respective bank subsidiaries, current and projected economic conditions in the areas of the United States where Metro and F.N.B. operate, and the capital and safety soundness standards established by the Federal Deposit Insurance Corporation Improvement Act of 1991. Under the Community Reinvestment Act of 1977 (CRA), the Federal Reserve Board must take into account the record of performance of each of F.N.B. and Metro in meeting the credit needs of the entire community, including low- and moderate-income neighborhoods served by both companies and their respective bank subsidiaries. Both Metro and F.N.B. have a Satisfactory CRA rating with their regulators. In connection with its review, the Federal Reserve Board provides an opportunity for public comment on merger applications, and is authorized to hold a public meeting or other proceedings if it determines that would be appropriate.

Mergers approved by the Federal Reserve Board under Section 3 of the BHC Act, with certain exceptions, may not be consummated until 30 days after that approval. During that 30-day period, the United States Department of Justice may challenge the merger on antitrust grounds and/or seek divestiture of certain assets and liabilities. Subject to approval of the Federal Reserve Board and the United States Department of Justice, the waiting period may be reduced to no fewer than 15 days.

Office of the Comptroller of the Currency. The merger of Metro Bank with and into First National Bank of Pennsylvania is subject to the prior approval of the Office of the Comptroller of the Currency under the Bank Merger Act. First National Bank of Pennsylvania and Metro Bank filed their Bank Merger Act Application for approval of the bank merger with the Office of the Comptroller of the Currency on October 6, 2015 and received the requisite approval from the Office of the Comptroller of the Currency on November 19, 2015. In reviewing applications under the Bank Merger Act, the Office of the Comptroller of the Currency must consider, among other factors: the financial and managerial resources (including consideration of the competence, experience and

Table of Contents

integrity of the officers, directors and principal shareholders) and future prospects of the existing and proposed institutions; the convenience and needs of the communities to be served; safety and soundness considerations; the capital adequacy of the combined bank after the merger; and the effectiveness of both institutions in combating money laundering; and the extent to which the proposal would result in greater or more concentrated risks to the stability of the United States banking or financial system. In addition, the Office of the Comptroller of the Currency may not approve a merger:

that will result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any part of the United States;

if the effect of the merger in any section of the country may be substantially to lessen competition or tend to create a monopoly; or

if the merger would in any other manner be a restraint of trade unless the Office of the Comptroller of the Currency finds that the anticompetitive effects of the merger are clearly outweighed by the public interest and the probable effect of the merger in meeting the convenience and needs of the communities to be served.

Under the Community Reinvestment Act of 1977, or CRA, the Office of the Comptroller of the Currency must also take into account the records of performance of Metro Bank and First National Bank of Pennsylvania in meeting the credit needs of their respective markets, including low and moderate income neighborhoods served by each institution. As part of the merger review process, the Office of the Comptroller of the Currency may receive comments and protests from community groups and others. Metro Bank and First National Bank of Pennsylvania each received a Satisfactory rating in their most recent CRA evaluations.

The Office of the Comptroller of the Currency is also authorized to, but generally does not, hold a public hearing or meeting in connection with an application under the Bank Merger Act. A decision by the Office of the Comptroller of the Currency that such a hearing or meeting would be appropriate regarding any application could prolong the period during which the application is subject to review.

Mergers approved by the Office of the Comptroller of the Currency under the Bank Merger Act, with certain exceptions, may not be consummated until 30 days after the date of approval, during which time the U.S. Department of Justice may challenge the merger on antitrust grounds and may require the divestiture of certain assets and liabilities. With approval of the Office of the Comptroller of the Currency and the Department of Justice, that waiting period may be, and customarily is, reduced to no less than 15 days. There can be no assurance that the Department of Justice will not challenge the merger or, if such a challenge is made, that the result of that challenge will be favorable to F.N.B. and Metro.

Pennsylvania Department of Banking and Securities. The merger of Metro with and into F.N.B. is subject to the prior approval of the Pennsylvania Department of Banking and Securities under the Pennsylvania Banking Code of 1965. On October 8, 2015, F.N.B. submitted to the Pennsylvania Department of Banking and Securities a copy of the Bank Merger Act Application that was filed with the Office of the Comptroller of the Currency.

The approval of a merger application by a regulatory authority only means that the regulatory criteria for approval have been satisfied. The process of obtaining regulatory approval would not include a review of the adequacy of the merger consideration. Further, regulatory approvals (and exemptions from any regulatory approval requirement) do

not constitute an endorsement or recommendation of the merger.

Public Trading Markets

F.N.B. common stock is listed on the NYSE under the symbol FNB. Metro common stock is traded on NASDAQ under the symbol METR. Upon completion of the merger, Metro common stock will cease to be traded on NASDAQ, and F.N.B. as the surviving company in the merger will cause Metro's common stock to be deregistered under the Securities Exchange Act of 1934. F.N.B. will list the F.N.B. common stock issuable pursuant to the merger agreement on the NYSE upon receipt of NYSE approval and subject to official notice of issuance.

Table of Contents

As reported on the NYSE, the closing price per share of F.N.B. common stock on August 3, 2015 was \$13.79. As reported by NASDAQ, the closing price per share of Metro common stock on August 3, 2015 was \$24.78. Based on the F.N.B. closing price per share on the NYSE and the exchange ratio, the pro forma equivalent per share value of Metro common stock was \$32.72 on that date. On November 20, 2015, the last practicable day before we printed and mailed this joint proxy statement/prospectus, the closing price per share of F.N.B. common stock on the NYSE was \$14.37, resulting in a pro forma equivalent per share value of Metro common stock of \$34.10 as of that date. On November 20, 2015, the closing price per share of Metro common stock on NASDAQ was \$33.18.

Delisting and Deregistration of Metro Common Stock Following the Merger

If the merger is completed, Metro common stock will be delisted from NASDAQ and will be deregistered under the Securities Exchange Act of 1934.

No Dissenters' Rights

Dissenters' or appraisal rights are statutory rights that, if available under law, enable shareholders to dissent from an fundamental corporate change, such as a merger, and to demand that the corporation pay the fair value for their shares as determined by a court in a judicial proceeding instead of receiving the consideration offered to shareholders in connection with the fundamental corporate change. Dissenters' or appraisal rights are not available in all circumstances, and exceptions to these rights are provided under the Pennsylvania Business Corporation Law. Pennsylvania law generally does not make dissenters' or appraisal rights available if a corporation's shares are listed on a national securities exchange or held beneficially or of record by more than 2,000 persons at the record date fixed to determine the shareholders entitled to receive notice of the meeting of shareholders and to vote upon the agreement and plan of merger. Because Metro common stock is listed on NASDAQ, a national securities exchange, and was so listed on the record date, was held by more than 2,000 persons beneficially or of record on the record date, and no other provisions of the Pennsylvania Business Corporation Law that would permit dissenters' rights otherwise apply, holders of Metro common stock will not be entitled to dissenters' or appraisal rights in the merger with respect to their shares of Metro common stock.

Redemption of Metro Series A Non-Cumulative Preferred Stock

As a condition to F.N.B.'s obligation to proceed with completing the merger, Metro was required to give notice of redemption of its Series A Non-Cumulative Preferred Stock to the holders of such preferred stock and deposit funds for the aggregate redemption price with a paying agent before the closing of the merger. At September 30, 2015, Metro had 40,000 shares of its Series A preferred stock issued and outstanding, all of which shares were held by a single holder. Pursuant to notice given on September 22, 2015, Metro redeemed all outstanding shares of the Series A Non-Cumulative Preferred Stock on October 23, 2015. The redemption price of the Series A preferred stock was approximately \$1,000,000 plus dividends accrued for the third quarter of 2015 and the period from October 1-23, 2015.

THE MERGER AGREEMENT

The following section is a summary of the material provisions of the merger agreement. The following description of the merger agreement is subject to, and qualified in its entirety by reference to, the merger agreement, which we include as Appendix A to this joint proxy statement/prospectus and incorporate by reference in this joint proxy statement/prospectus. This summary may not contain all of the information about the merger agreement that may be important to you. We urge you to read the merger agreement carefully and in its entirety.

Explanatory Note Regarding the Merger Agreement

This summary and the copy of the merger agreement attached to this document as Appendix A are included solely to provide investors with information regarding the terms of the merger agreement. They are not intended to provide factual information about the parties or any of their respective subsidiaries or affiliates. The merger agreement contains representations and warranties by F.N.B. and Metro, which were made only for purposes of that agreement and as of specific dates. The representations, warranties and covenants in the merger agreement were made solely for the benefit of the parties to the merger agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the merger agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those generally applicable to investors. Investors are not third-party beneficiaries under the merger agreement, and in reviewing the representations, warranties and covenants contained in the merger agreement or any descriptions thereof in this summary, it is important to bear in mind that those representations, warranties and covenants, and any descriptions of those provisions, were not intended by the parties to the merger agreement to be characterizations of the actual state of facts or condition of F.N.B., Metro or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the merger agreement, and those subsequent developments may or may not be fully reflected in F.N.B.'s and Metro's public disclosures. For the foregoing reasons, the representations, warranties and covenants, and any descriptions of those provisions, should not be read alone. They should be read in conjunction with the other information contained in the reports, statements and filings that F.N.B. and Metro publicly file with the SEC. For more information regarding these documents, see the section entitled *Where You Can Find More Information* on page 137.

The Merger

The merger agreement provides for the merger of Metro with and into F.N.B. The parties will take the necessary steps to complete the merger once the conditions in the merger agreement are satisfied. Upon completion of the merger, F.N.B. will be the surviving corporation and will continue its corporate existence as a Florida corporation, and the separate corporate existence of Metro will cease.

The merger agreement provides that F.N.B. may at any time change the structure of the merger, unless the change would do any of the following:

alter or change the amount or kind of merger consideration to be provided to the Metro common shareholders,

adversely affect the U.S. federal income tax consequences to Metro common shareholders or to either party in the merger, or

be reasonably likely to materially impede or delay consummation of the merger.

The Bank Merger

As soon as practicable after the merger of Metro into F.N.B. is completed, Metro Bank will merge with and into First National Bank of Pennsylvania. First National Bank of Pennsylvania will be the surviving entity in the

Table of Contents

merger and continue its existence as a national bank, and Metro Bank's separate existence will cease. The form of the bank merger agreement is attached as Exhibit A to the merger agreement between F.N.B. and Metro.

Treatment of Metro Common Stock

At the time the merger is completed, each share of Metro common stock that was issued and outstanding immediately prior to the effective time of the merger will automatically be converted into the right to receive 2.373 shares of F.N.B. common stock, which we refer to as the exchange ratio. In other words, each Metro shareholder will have the right to receive 2.373 shares of F.N.B. common stock in exchange for each share of Metro common stock that he or she owns. Any shares of Metro common stock held by F.N.B., its subsidiaries or Metro's subsidiaries (other than shares held in a fiduciary capacity or as a result of debts previously contracted), and any shares of Metro common stock that Metro holds as treasury shares, will not be converted into shares of F.N.B. common stock and will be cancelled without receipt of any consideration.

If F.N.B. makes a change in its capitalization before the merger is completed, then F.N.B. will make proportionate adjustments to the exchange ratio to give Metro shareholders the same economic effect as contemplated by the merger agreement prior to such change. Examples of changes in the capitalization of F.N.B. that would trigger an adjustment are:

a stock dividend or distribution on F.N.B. common stock;

stock splits and reverse stock splits involving F.N.B. common stock; and

a distribution made on F.N.B. common stock or a security that is convertible into F.N.B. capital stock.

F.N.B. will not issue any fractional shares of F.N.B. common stock in the merger. For each fractional share that Metro shareholders would otherwise have the right to receive, F.N.B. will pay an amount in cash, without interest, rounded to the nearest cent, that will be calculated by multiplying (1) the fractional share issuable to that shareholder and (2) the average closing price of F.N.B. common stock for the 20 consecutive trading-day period ending on and including the fifth trading day prior to the effective date of the merger. Metro shareholders will not have the right to receive dividends or other rights with respect to those fractional shares.

Treatment of Metro Stock Options

Upon completion of the merger, each outstanding option to purchase shares of Metro common stock pursuant to Metro's equity-based compensation plans will be converted automatically into an option to purchase a number of shares of F.N.B. common stock equal to the number of shares Metro common stock underlying the stock option immediately prior to the merger multiplied by 2.373 (rounded down to the nearest whole share). A corresponding adjustment will be made to the exercise price of the stock option by dividing the exercise price as in effect immediately prior to the merger by 2.373 (rounded up to the nearest whole cent). The resulting stock option will otherwise have the same terms and conditions that were in effect immediately before completion of the merger. As of the date of this joint proxy statement/prospectus, all outstanding options to purchase shares of Metro common stock held by Metro's employees have vested and become exercisable independent of and without regard to the merger.

Effect of Merger on F.N.B. Stock

The merger will have no effect on F.N.B.'s capital stock. Each share of F.N.B. capital stock that was issued and outstanding immediately before the merger will remain issued and outstanding after the merger is completed.

Articles of Incorporation and Bylaws of the Surviving Corporation

The F.N.B. articles of incorporation and the F.N.B. bylaws as in effect immediately prior to the completion of the merger will be the articles of incorporation and the bylaws of the surviving corporation.

Table of Contents

Board of Directors and Executive Officers of the Surviving Corporation

At the time the merger is completed, F.N.B. will increase the size of its board of directors by one and appoint one current Metro director, who will be selected by mutual agreement of F.N.B. and Metro, to the F.N.B. board of directors. The board of directors of the surviving corporation will consist of the F.N.B. board of directors as increased to include the appointed Metro director. F.N.B. agreed to nominate the appointed Metro director for re-election at the first annual meeting of F.N.B. shareholders that occurs after completion of the merger, and to solicit proxies in his or her favor in the same manner in which F.N.B. solicits proxies for all of its other director nominees. Additionally, the agreement and plan of merger between First National Bank of Pennsylvania and Metro Bank provides that the same Metro director who is appointed to the F.N.B. board of directors will also join the board of directors of First National Bank of Pennsylvania at the time the bank merger becomes effective. The executive officers of F.N.B. will continue as the executive officers of the surviving corporation.

Closing and Effective Time of the Merger

The closing of the merger will take place at a time and on a date mutually selected by F.N.B. and Metro. In any case, the closing must take place within five business days after all of the closing conditions specified in the merger agreement have been satisfied or waived, other than those conditions which by their nature must be satisfied (or waived) at the closing. F.N.B. and Metro may extend the closing date by mutual agreement. The merger will become effective at the time specified by F.N.B. and Metro in the articles of merger they file with the Secretary of State of the State of Florida and the statement of merger they file with the Secretary of State of the Commonwealth of Pennsylvania.

Exchange and Payment Procedures

At or as promptly as practicable after the merger is completed, F.N.B. will deposit the merger consideration with its exchange agent, Computershare. Specifically, the deposit will consist of:

book entry shares representing the shares of F.N.B. common stock issuable in exchange for the shares of Metro common stock which will be cancelled in the merger;

cash in an amount equal to any dividends or distributions which are payable to Metro shareholders under the merger agreement; and

cash to be paid to Metro shareholders in lieu of fractional shares of F.N.B. common stock.

As soon as practicable after the merger is completed, but in no event later than ten business days after the merger is completed, the exchange agent will mail each holder of record of Metro common stock a letter of transmittal which will contain instructions for surrendering their stock certificates. Each holder of a Metro stock certificate, who surrenders his or her stock certificates to the exchange agent together with properly signed transmittal materials, will be entitled to receive, for each share of Metro common stock he or she holds:

2.373 shares of F.N.B. common stock in book entry form;

cash in lieu of any fractional shares of F.N.B. common stock to which the holder would otherwise be entitled; and

any cash dividends which are payable to former Metro shareholders according to the merger agreement. F.N.B. will have no obligation to make any payments in exchange for cancelled shares of Metro common stock until the former Metro shareholder has surrendered the stock certificates representing his or her shares of Metro common stock with properly signed transmittal materials to the exchange agent.

If a Metro stock certificate has been lost, stolen or destroyed, the exchange agent will issue the F.N.B. common stock payable under the merger agreement to the shareholder upon receipt of an affidavit by the shareholder regarding the loss of his or her stock certificate. F.N.B. or the exchange agent may require the

Table of Contents

shareholder to post a bond in a reasonable amount as indemnity against any claim that may be made against F.N.B. or the exchange agent with respect to the shareholder's lost, stolen or destroyed Metro stock certificate.

Former Metro shareholders may exchange their Metro stock certificates through the exchange agent for up to 12 months after the completion of the merger. At the end of that period, the exchange agent will return any remaining F.N.B. shares and cash to F.N.B., and former Metro shareholders who did not previously exchange their Metro stock certificates for the merger consideration must apply to F.N.B. for payment of the merger consideration. Neither Metro nor F.N.B. will be liable to any former holder of Metro common stock for any merger consideration that is paid to a public official pursuant to any applicable abandoned property, escheat or similar laws.

The exchange agent (or, 12 months after the completion of the merger, F.N.B.) is entitled to deduct and withhold from any cash amounts payable to any Metro common shareholder the amounts that the exchange agent or F.N.B. is required to deduct and withhold under the Internal Revenue Code or any state, local or foreign tax law or regulation. Any amounts that F.N.B. or the exchange agent withholds will be treated as having been paid to the Metro shareholder.

Once the merger is completed, no transfers on the stock transfer books of Metro will be permitted other than to settle transfers of shares of Metro common stock that occurred prior to the effective time of the merger.

Dividends and Distributions

Upon surrender of their Metro stock certificates to the exchange agent, former Metro shareholders will be paid, without interest:

any dividends or distributions that were declared by Metro on its common stock after August 3, 2015 with a record date prior to the date on which the merger was completed, and that remained unpaid at the time the merger was completed; and

any dividends or distributions that were declared on the F.N.B. common stock with a record date after the date on which the merger was completed, and that became payable before the date of surrender.

While the merger is pending, Metro may continue to pay quarterly dividends on its common stock at the rate of \$0.07 per share.

Representations and Warranties

The merger agreement contains generally reciprocal and customary representations and warranties of F.N.B. and Metro relating to F.N.B.'s and Metro's businesses. The representations and warranties of Metro and F.N.B. are subject, in some cases, to exceptions and qualifications contained in the merger agreement and the matters contained in the disclosure schedules that Metro and F.N.B. delivered to each other at the time they entered into the merger agreement. The representations and warranties in the merger agreement only remain in effect until the merger is completed.

The representations and warranties that each of Metro and F.N.B. made relate to, among other things, the following:

corporate matters, such as their respective organization, corporate power and authority, and subsidiaries;

their respective capital stock;

their respective corporate power and authority to enter into the merger agreement;

the fact that entering into the merger agreement and completing the merger will not cause a violation of their respective organizational documents or applicable laws, a breach of contract or acceleration of indebtedness;

Table of Contents

the governmental filings and consents, authorizations, approvals and exemptions that are required to be completed or obtained in order to enter into the merger agreement and complete the merger;

reports filed with bank regulatory authorities and other regulatory entities, and the absence of regulatory proceedings or investigations;

their respective filings with the SEC, the conformity of their respective financial statements with U.S. generally accepted accounting principles, and the maintenance of their respective and their respective subsidiaries' books and records in accordance with applicable legal and accounting requirements;

any investment bankers' fees which they are each required to pay in connection with the merger;

the general manner in which their respective businesses are conducted, and the absence of any material adverse effect (as defined below) affecting each party and their respective subsidiaries;

legal proceedings;

tax matters;

employee benefit plans;

compliance with applicable laws;

material contracts;

agreements with regulatory agencies;

undisclosed liabilities;

environmental liabilities;

the absence of any facts that would prevent the merger from being treated as a reorganization for tax purposes;

the loans, delinquent loans and nonperforming and classified loans and investments and other assets which are reflected on their respective books and records;

allowances for loan losses; and

fiduciary accounts.

Metro made additional representations and warranties regarding:

its employees;

real property it owns or leases;

the receipt of an opinion from its financial advisor;

the non-applicability of state anti-takeover laws;

its insurance coverages;

investment securities; and

intellectual property.

Certain representations and warranties of F.N.B. and Metro are qualified as to materiality or material adverse effect. A material adverse effect, when used in reference to F.N.B. or Metro, means any event, circumstance, development, change or effect that alone or in the aggregate with other events, circumstances, developments, changes or effects (1) is materially adverse to the business, results of operations or financial condition of that party and its subsidiaries taken as a whole, or (2) materially delays or impairs the ability of that party to complete the transactions contemplated by the merger agreement, including the merger, on a timely basis.

Table of Contents

In determining whether a material adverse effect has occurred with respect to the business, results of operations or financial condition of a party and its subsidiaries, the parties will disregard any effects resulting from:

changes, after the date of the merger agreement, in U.S. generally accepted accounting principles or regulatory accounting requirements applicable to banks or savings associations and their holding companies generally;

changes, after the date of the merger agreement, in laws, rules or regulations of general applicability, or their interpretation by courts or any governmental entity;

actions or omissions taken by either party at the request of, or with the prior written consent of, the other party or which are required under the merger agreement;

changes, events or developments, after the date of the merger agreement, in the national or world economy or financial or securities markets generally, changes, events or developments, after the date of the merger agreement, in general economic conditions, or other changes, events or developments, after the date of the merger agreement, that affect banks or savings associations or their holding companies generally, except to the extent such change has a materially disproportionate adverse effect on that party relative to other similarly situated participants in the same markets or industries;

the completion or public disclosure of the transactions contemplated by the merger agreement, including the merger, including the resignation of employees, or any impact on the business, customer relations, condition or results of operations of that party;

any outbreak or escalation of war or hostilities, any occurrence or threats of terrorist acts or any associated armed hostilities, and any national or international calamity, disaster or emergency;

any changes in interest rates or foreign currency rates;

any claim, suit, action, audit, arbitration, investigation, inquiry or other proceeding or order which challenges, seeks to prevent, enjoins, alters or delays, or seeks damages as a result of, or in relation to, the transactions contemplated by the merger agreement, including the merger;

any failure by a party to meet any published (whether by that party or a third party research analyst) or internally prepared estimates of revenues or earnings;

a decline in the price, or a change in the trading volume of, a party's common stock on NASDAQ or the NYSE, as applicable; and

any matter which a party already disclosed in reasonable detail in the disclosure schedules it delivered to the other party at the time they entered into the merger agreement or in its SEC filings, as long as the disclosed matter has not worsened in a materially adverse manner.

Conduct of Business While the Merger is Pending

F.N.B. and Metro agreed that none of the provisions in the merger agreement is intended to give either party the right to control or direct the operations of the other party, consistent with the terms of the merger agreement, whether directly or indirectly, before the merger is completed. Until the merger is completed, each party will exercise, consistent with the terms and conditions of the merger agreement, complete control and supervision over its own operations and those of its subsidiaries.

F.N.B. and Metro agreed to generally customary covenants that place restrictions on them and their respective subsidiaries until the merger is completed. For example, F.N.B. and Metro agreed to:

continue to conduct their businesses and that of their subsidiaries in the same manner in which it has ordinarily been conducted in the past;

use their reasonable best efforts to maintain and preserve intact their business organizations, employees and advantageous business relationships and retain the services of their key officers and other key employees;
and

refrain from taking any action that would reasonably be likely to prevent or materially impede or delay either party's ability to obtain the regulatory and other approvals needed to complete the merger, perform its covenants and agreements under the merger agreement, or otherwise complete the merger.

Metro also agreed to provide F.N.B. with regular updates and certain other information about its lending operations.

Metro further agreed that Metro and its subsidiaries would refrain from taking certain actions while the merger is pending, unless permitted by the merger agreement or F.N.B. has consented in advance (such consent not to be unreasonably withheld). For example, Metro and its subsidiaries will not:

declare, set aside or pay any dividends or make any other distributions on any shares of the capital stock of Metro, except for (1) regular quarterly cash dividends not in excess of \$0.07 per share, (2) dividends and distributions from a subsidiary of Metro to either Metro or a wholly-owned subsidiary of Metro, and (3) dividends on Metro's Series A Non-Cumulative Preferred Stock;

split, combine or reclassify any capital stock, or issue, or authorize the issuance of, any other securities in respect of, in lieu of, or in substitution for, shares of the capital stock of Metro, except upon exercise of outstanding stock options or pursuant to existing agreements or arrangements;

purchase, redeem or otherwise acquire any shares of capital stock or securities of Metro or any Metro subsidiaries, or any rights, warrants or options to acquire those securities (except to satisfy withholding tax obligations upon settlement of shares acquired under the SmartBuy Stock Purchase Plan, exercise of stock options, or redemption of Metro's Series A Non-Cumulative Preferred Stock);

grant any stock options, restricted stock awards or other equity or equity-based awards with respect to Metro common stock, except as required by an existing contract, plan or arrangement or policy;

grant any person or entity any right to acquire any shares of the capital stock of Metro or issue any additional shares of capital stock or any other securities, except for shares of its common stock which were purchased through the SmartBuy Stock Purchase Plan or exercise of stock options;

amend its articles of incorporation or bylaws;

acquire, or agree to acquire any business or entity or assets, except that Metro may continue to acquire assets in the ordinary course of its business if the acquisitions do not exceed \$100,000 in the aggregate, and Metro may acquire the assets listed in its capital budget previously disclosed to F.N.B.;

open, acquire, close or sell any bank branches;

sell, lease, license, mortgage, or otherwise encumber or dispose of or allow a lien to be placed on any of Metro's properties or assets, unless the transactions occur in the ordinary course of Metro's business and, other than with respect to transactions involving investment securities, do not exceed \$100,000 in the aggregate;

sell, transfer or dispose of its interest in certain loans having an original principal value above specified thresholds;

borrow money, issue debt securities or assume or guarantee the obligations of any person or entity (other than Metro's or its subsidiaries' obligations), except for certain types of transactions which are generally made in the ordinary course of business;

make any capital contributions to, or investments in entities other than Metro's own wholly-owned subsidiaries;

change in any material respect Metro's accounting methods, except to conform to changes in tax law, U.S. generally accepted accounting principles or regulatory accounting principles or as required by its independent auditors or regulatory agencies;

change in any material respect Metro's underwriting, operating, investment, risk management or other similar policies, procedures or practices, except as required by applicable law, regulatory policies, or regulatory agencies and governmental entities;

make, change or revoke any material tax election, file any material amended tax return, enter into any closing agreement with respect to a material amount of taxes, settle any material tax claim or surrender any right to a refund of a material amount of taxes;

terminate or waive any material provision of any material contract or obligation, or enter into or renew a material contract or obligation;

incur any capital expenditure in excess of \$100,000 individually or \$200,000 in the aggregate, in addition to any expenditure set forth in the capital budget previously disclosed to F.N.B.;

pay, discharge or settle any claim, action, litigation, arbitration, proceeding or investigation, unless it is consistent with past practice and in the ordinary course of business, and involves only money damages not in excess of \$50,000 individually or \$150,000 in the aggregate;

take any action or knowingly fail to take any action that could be reasonably expected to prevent the merger from qualifying as a reorganization for U.S. federal income tax purposes;

make certain loans which exceed specified dollar thresholds and have the characteristics described in the merger agreement, or which do not conform with Metro Bank's written lending policies, if Metro Bank received an objection from F.N.B. within three business days after the bank notified F.N.B. of the proposed loan;

originate, participate or purchase any new loan that is serviced by a third party or is outside of certain counties in Pennsylvania;

enter into, amend or renew any employment, consulting, severance or similar agreements or arrangements with any director, officer or employee of Metro or its subsidiaries, or grant any wage or salary increase or increase any employee benefit, including discretionary or matching contributions to any Metro deferred compensation plan, make any grants of awards to newly hired employees or accelerate the vesting of any unvested stock options or stock awards, except as required under the terms of any Metro benefit plan, except in a limited number of circumstances specified by the parties, such as the following:

Metro may give merit increases to employees who would normally be eligible for a merit increase during the period from August 4, 2015 through the closing date of the merger;

Metro may pay bonuses for 2015 performance in accordance with its short-term incentive plan;

Metro may establish a retention bonus pool for its employees; and

Metro may grant long-term cash incentive awards to its employees;

engage in any new loan transaction with any of Metro's officers or directors or any other related party;

purchase any equity securities or any debt securities, except that Metro may purchase debt securities with a quality rating of AAA by either Standard & Poor's Ratings Services or Moody's Investors Services and a duration not exceeding two years;

convert the data processing and related information and/or accounting systems of Metro and its subsidiaries;
or

agree to take, make any commitment to take or adopt any board of directors' resolutions in support of any of the prohibited actions listed in the merger agreement.

Table of Contents

F.N.B. also agreed that while the merger is pending, it will not take or permit its subsidiaries to take certain actions, unless permitted by the merger agreement or Metro has consented in advance. For example, F.N.B. and its subsidiaries will not:

amend or repeal its articles of incorporation or its bylaws, other than amendments that would not be adverse to Metro or its shareholders or impede F.N.B.'s ability to complete the merger;

take any action, or knowingly fail to take any action, that would be reasonably expected to prevent the merger from qualifying as a reorganization for U.S. federal income tax purposes;

make any material investment in another entity that would be reasonably expected to prevent or materially impede or delay the completion of the merger; or

agree to take, or make any commitment to take, or adopt any board of directors' resolutions in support of any of the prohibited actions listed in the merger agreement.

Regulatory Matters

F.N.B. agreed to prepare and file with the SEC, within 60 days after the date the parties entered into the merger agreement, a registration statement on Form S-4, of which this joint proxy statement/prospectus is a part. Metro is responsible for preparing and furnishing information about itself and its directors, officers and shareholders to F.N.B. to include in the registration statement, and for obtaining any needed opinions and consents from its financial advisor and independent auditor. F.N.B. and Metro will use their reasonable best efforts to have the registration statement declared effective under the Securities Act of 1933. F.N.B. and Metro agreed they will promptly mail the joint proxy statement/prospectus to their respective shareholders once the registration statement is declared effective.

F.N.B. and Metro agreed to cooperate with each other and use their reasonable best efforts to prepare and file all documentation, applications, notices, petitions and filings within 60 days after the date the parties entered into the merger agreement and to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties, regulatory agencies and governmental entities as may be necessary or advisable to complete the merger. F.N.B. and Metro will consult with each other to obtain all permits, consents, approvals and authorizations from third parties, regulatory agencies and governmental entities and will keep each other apprised as to the status of matters relating to the completion of the merger. However, neither F.N.B. nor Metro is obligated to take any action or accept any restriction as a condition to issuance of regulatory approval if the restriction would be reasonably likely to have a material adverse effect on F.N.B. or Metro (after giving effect to the merger). We refer to that type of action or restriction as a materially burdensome regulatory condition.

Access to Information

F.N.B. and Metro each agreed that upon reasonable notice and subject to applicable laws relating to the exchange of information, they will provide the other party (and its officers, employees, accountants, counsel and other representatives) reasonable access during normal business hours to all properties, books, contracts, records and personnel as may be reasonably requested. All information so provided will be kept confidential pursuant to pre-existing confidentiality agreements between F.N.B. and Metro.

Shareholder Approvals

Metro agreed to hold a meeting of its shareholders as soon as it is reasonably practicable for the purpose of obtaining the necessary Metro shareholder vote to approve the adoption of merger agreement and the merger. In addition, Metro's board of directors agreed (subject to exercise of its fiduciary duties if Metro receives a superior proposal, as discussed later in this summary) to recommend to the shareholders of Metro that they vote in favor of the merger and the merger agreement.

F.N.B. also agreed to hold a meeting of its shareholders as soon as it is reasonably practicable for the purpose of obtaining the necessary F.N.B. shareholder vote to approve the F.N.B. stock issuance in the merger.

Table of Contents

Listing on NYSE

F.N.B. is required to cause the shares of F.N.B. common stock that will be issued in the merger to be approved for listing on the NYSE, subject to official notice of issuance, prior to the completion of the merger.

Employee Benefit Plans

F.N.B. agreed it will take all reasonable action, as soon as administratively practicable after the merger is completed, so that each person who is an employee of Metro or any of its subsidiaries as of the closing of the merger and who remains employed immediately following the closing of the merger will be entitled to participate in each F.N.B. employee benefit plan of general applicability to the same extent as similarly situated employees of F.N.B. and its subsidiaries. F.N.B. will recognize the length of service credited to each Metro employee under the Metro employee benefit plans for purposes of determining eligibility to participate in, and vesting of benefits under, such F.N.B. employee benefit plans, unless recognition of the service credit would result in duplication of benefits.

F.N.B. will cause its medical, dental and health plans, to the extent reasonably practicable and available from its insurers, to:

waive any pre-existing condition limitation if those conditions otherwise would be covered under the applicable medical, health and dental plans of F.N.B.;

waive any waiting period limitation or evidence of insurability requirement if the employee already satisfied any similar limitation or requirement under the corresponding Metro plan; and

honor any deductibles, co-payments and out-of-pocket expenses incurred by the employees of Metro and their covered dependents prior to entering into the applicable F.N.B. benefit plan.

F.N.B. also will provide severance payments and benefits to Metro employees that are no less than the severance payments and benefits specified by Metro, or the severance payments and benefits available to similarly situated F.N.B. employees, whichever is more favorable.

Termination of Metro 401(k) Plan and Employee Stock Purchase Plan

Metro agreed to terminate the Metro Bank Retirement Savings Plan immediately before the merger is completed, with the accounts of all participants and beneficiaries to become fully vested on the date of termination. Participants who become employees of F.N.B. will be permitted to roll over their account balances and loans from the Metro Bank Retirement Savings Plan to the F.N.B. Corporation Progress Savings 401(k) Plan.

In addition, Metro agreed to terminate the SmartBuy Stock Purchase Plan ten business days in advance of the completion of the merger. Each plan participant's accumulated contributions will be applied to purchase Metro common stock at the time of termination. Upon completion of the merger, the shares of Metro common stock purchased with accumulated plan contributions will be converted into the right to receive the merger consideration.

Metro also agreed to freeze or terminate any of its other benefit plans as requested by F.N.B. in a timely manner.

Executive Compensation Programs

F.N.B. agreed to honor benefits awarded to, and employment contracts with, current and former Metro employees and current and former Metro directors, as applicable.

Table of Contents

Harrisburg Community Advisory Board

As soon as practicable after the merger is completed, F.N.B. will establish a Harrisburg Community Advisory Board to advise F.N.B. on its operations in the area served by Metro's offices and to generate additional business contacts in that area. Two current members of the Metro board of directors, who will be selected by mutual agreement of F.N.B. and Metro, will be invited to serve on the advisory board.

Redemption of Metro Series A Non-Cumulative Preferred Stock

Metro agreed that it will give, and it has given, notice of redemption to the holders of its Series A Non-Cumulative Preferred Stock and deposit funds for the redemption price with a paying agent prior to the closing of the merger.

Indemnification and Insurance

F.N.B. agreed it will indemnify each current and former director and officer of Metro and its subsidiaries, and each person who served at the request of Metro or its subsidiaries as a director, officer, employee, member, trustee or fiduciary of another entity after the completion of the merger. Specifically, if any claim, suit, proceeding or investigation is initiated or threatened against any of those persons because of his or her service to Metro, its subsidiaries or another entity at the request of Metro or its subsidiaries, or in relation to the merger agreement, F.N.B. will indemnify those persons to the fullest extent currently provided under applicable law and the articles of incorporation and bylaws of Metro. F.N.B. agreed it will honor this obligation, regardless of whether the claim, suit, proceeding or investigation is initiated before or after the completion of the merger.

F.N.B. also agreed to purchase and maintain directors' and officers' liability insurance and fiduciary liability insurance that covers the persons who are currently covered by Metro's directors' and officers' liability insurance and fiduciary liability insurance policies. The insurance coverage to be purchased by F.N.B. shall cover acts or omissions that may occur at or before the completion of the merger. F.N.B. is required to maintain this insurance coverage for six years following the completion of the merger. However, F.N.B. is not required to pay annual premiums in excess of 250% of the annual premium currently paid by Metro for that insurance. If F.N.B. is unable to maintain Metro's existing policies or obtain a substitute policy for that amount, F.N.B. will use its commercially reasonable best efforts to obtain the most advantageous coverage available for such amount.

Agreement Not to Solicit Other Offers

In connection with F.N.B.'s entry into the merger agreement, Metro agreed to certain restrictions that may discourage a third party from submitting an acquisition proposal to Metro that might result in greater value to Metro's shareholders than the merger with F.N.B., or may result in a potential acquirer proposing to pay a lower per share price to acquire Metro than it might otherwise have proposed to pay. Specifically, subject to the exceptions described below, Metro agreed:

that it will cease any discussions or negotiations regarding other acquisition proposals (as defined below);

that it will notify F.N.B. within 24 hours if it receives another acquisition proposal, and that it will provide F.N.B. with a description of the acquisition proposal and identify the third party who is making the proposal;
and

that it and its officers, directors, employees, agents and representatives will not, directly or indirectly:

initiate, solicit, encourage or facilitate an acquisition proposal;

enter into or participate in any discussions or negotiations with, or furnish any information to another party regarding an acquisition proposal; or

approve, recommend or enter into a letter of intent, agreement or other commitment with any party regarding an acquisition proposal.

Table of Contents

As used in the merger agreement, an acquisition proposal means any inquiry, proposal, offer, regulatory filing or other disclosure of an intention to:

directly or indirectly acquire a business that constitutes 20% or more of Metro's and its subsidiaries' total revenues, net income or net assets, taken as a whole;

directly or indirectly acquire Metro common stock as a result of which an acquirer who owned less than 20% of Metro's common stock increases its holdings to 20% or more of Metro's common stock;

conduct a tender offer or exchange offer that would result in any person beneficially owning 20% or more of any class of capital stock of Metro; or

conduct a merger, consolidation, business combination, recapitalization, liquidation or dissolution involving Metro, other than the proposed merger with F.N.B.

However, the merger agreement allows Metro to consider and participate in discussions and negotiations with respect to a bona fide acquisition proposal from another party if:

the Metro board of directors concludes in good faith, based on the information then available and after consultation with its outside legal counsel and, with respect to financial matters, its financial advisors, that failure to do so would result in a breach of its fiduciary duties under applicable law, and that the acquisition proposal is a superior proposal (as defined below);

at least 48 hours before providing any information to or entering into any discussions or negotiations with the party that made the superior proposal, Metro notifies F.N.B. in writing of the name of the party that made the superior proposal and the material terms and conditions of the superior proposal; and

Metro enters into a confidentiality agreement with the party that made the superior proposal before providing it with any information or data about Metro, and the confidentiality agreement contains confidentiality terms that are no less favorable to Metro than those contained in its confidentiality agreement with F.N.B.

Definition of Superior Proposal

Superior proposal means any bona fide, unsolicited written acquisition proposal made by a third party to acquire more than 50% of the outstanding Metro common stock or all or substantially all of Metro's consolidated assets for cash or a combination of cash and stock. In addition, to qualify as a superior proposal, the Metro board of directors must determine in good faith, based on the information then available after consultation with its financial advisors and outside counsel, taking into account, among other things, all legal, financial, regulatory and other aspects of the proposal and the party making the proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation, that:

the proposal contains terms that are more favorable to Metro than the terms of the proposed merger with F.N.B.;

the party making the proposal has financing that is fully committed or reasonably available to it, if financing is needed to complete the transaction; and

the transaction described by the proposal is reasonably capable of being completed.

Changes to the Metro Board of Directors Recommendation

In any case, the merger agreement allows the Metro board of directors to withdraw or qualify its recommendation of the merger in a manner adverse to F.N.B., or condition or refuse to recommend the merger with F.N.B., if it concludes in good faith, based on the information then available and after consultation with its

Table of Contents

outside legal counsel and, with respect to financial matters, its financial advisors, that failure to do so would result in a breach of the directors' fiduciary duties under applicable law.

Even if the Metro board of directors withdraws or qualifies its recommendation of the merger with F.N.B., Metro will be required to submit the merger agreement to a vote of its shareholders at a meeting called for that purpose. If this happens, Metro's board of directors may submit the merger agreement to Metro's shareholders without recommendation and communicate the reasons for its lack of recommendation. Until the merger agreement is terminated, the only acquisition proposal Metro may submit to its shareholders is the merger with F.N.B.

Conditions to Completion of the Merger

The merger agreement contains a number of closing conditions. Metro and F.N.B. are required to complete the merger only if those conditions are satisfied or, in the alternative (and if legally permissible), the requirement to satisfy the condition is waived by the other party.

The following closing conditions apply to both Metro and F.N.B. In other words, neither party will be required to complete the merger unless the conditions listed below are satisfied (or waived):

the Metro common shareholders have approved the merger and adoption of the merger agreement;

the F.N.B. shareholders have approved the issuance of shares of F.N.B. common stock in the merger;

the shares of F.N.B. common stock to be issued in the merger have been approved for listing on the NYSE;

all governmental approvals that the parties are required to obtain to complete the merger have been received (and, in addition, for F.N.B. to be required to complete the merger, none of the regulatory approvals will have resulted in a materially burdensome regulatory condition);

the registration statement for the F.N.B. common stock to be issued in the merger has been declared effective under the Securities Act of 1933 and no stop order or proceedings for issuance of a stop order have been initiated or threatened by the SEC; and

no law, statute or regulation, or judgment, decree, injunction or order from a court or other governmental entity is in effect that prevents, prohibits or makes illegal the completion of the merger.

In addition, Metro and F.N.B. each have their own individual conditions to closing of the merger. Certain of these closing conditions, as listed below, are based on the other party's compliance with the merger agreement. Individually, Metro or F.N.B. will not be obligated to close the merger unless:

The representations and warranties in the merger agreement from the other party are true and correct both as of the date of the merger agreement and as of the closing date (or, if another date is specified in the representation and warranty, as of that other date); however, in the case of most of the representations and warranties, one or more inaccuracies will not cause a failure of the closing condition if the inaccuracies would not be reasonably likely to result in a material adverse effect (as defined in the merger agreement) on the party making such representation and warranty; and

The other party has performed all of its obligations under the merger agreement in all material respects; and

The party has received a legal opinion from its outside counsel that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

F.N.B. s obligation to complete the merger is subject to two additional closing conditions, as follows:

Metro has given notice of redemption of all outstanding shares of its Series A Non-Cumulative Preferred Stock, and caused the redemption price to be paid to the holders of the preferred stock; and

None of the regulatory approvals of the merger imposes a materially burdensome regulatory condition.

Table of Contents

Neither party can provide assurance as to when, or if, all of the conditions to the merger can or will be satisfied or waived by the appropriate party. As of the date of this joint proxy statement/prospectus, neither party has any reason to believe that those conditions will not be satisfied.

Termination of the Merger Agreement

The merger agreement may be terminated at any time before the merger is completed by mutual consent of F.N.B. and Metro. Also, either party, acting alone, has the right to terminate the merger agreement in any of the following circumstances:

the approval of a governmental entity, which is required for completion of the merger, was denied by final and non-appealable action, unless the denial was caused by the failure of the terminating party to perform its obligations under the merger agreement;

the merger was not completed by 5:00 p.m. Eastern Time on June 30, 2016, unless the failure to complete the merger by that date was caused by the failure of the terminating party to perform its obligations under the merger agreement;

the other party breached the merger agreement to such a degree that the closing conditions cannot be satisfied, and the breach cannot or has not been cured by the earlier of June 30, 2016, or the 30th day after written notice of the breach was given; or

Metro held a shareholder's meeting but failed to obtain shareholder approval of the merger and adoption of the merger agreement, except that Metro is not allowed to exercise this termination right if it materially breached its obligation to call a shareholders' meeting as soon as reasonably practicable, or if the Metro board of directors failed to make the recommendation that Metro shareholders approve the merger and adoption of the merger agreement, or use reasonable best efforts to obtain the necessary vote of the Metro shareholders to approve the merger and adoption of the merger agreement.

In addition to the termination rights above, F.N.B. may terminate the merger agreement at any time before the special meeting of Metro shareholders if:

Metro breached its agreement not to solicit other acquisition proposals in a manner materially adverse to F.N.B.;

the Metro board of directors failed to recommend approval of the merger and adoption of the merger agreement to the shareholders, or changed, withdrew, modified, qualified or conditioned its recommendation of the merger in a manner adverse to F.N.B.;

the Metro board of directors approved another acquisition proposal; or

Metro failed to convene and hold the special meeting of shareholders to vote on the proposal to approve the merger and adoption of the merger agreement.

In addition to the termination rights above, Metro may terminate the merger agreement for any of the following reasons:

F.N.B. failed to obtain shareholder approval of the issuance of F.N.B. common stock in the merger;

The Metro board of directors has authorized Metro to enter into an unsolicited acquisition proposal that the board of directors has concluded in good faith, in consultation with its legal and financial advisors, is a superior proposal. Metro may exercise this right at any time prior to the special meeting of Metro shareholders as long as it has given F.N.B. five business days prior notice, during which time F.N.B. may propose adjustments to the terms and conditions of the merger so that the other offer is no longer considered a superior proposal, and has paid F.N.B. the termination fee described below; or

There has been a substantial decline in F.N.B.'s stock price that is not generally experienced by comparable banks, as described in detail below.

Table of Contents

The operation of the conditions permitting Metro to terminate the merger agreement based on a decrease in the market price of F.N.B. common stock reflects the parties' agreement that Metro's shareholders will assume the risk of a decline in value of F.N.B. common stock to \$11.20 per share under any circumstances and will assume the risk of a more significant decline in value of F.N.B.'s common stock, unless the percentage decline from \$14.00 (which was the average closing value of a share of F.N.B. common stock during the ten trading day period ending on August 3, 2015) to the average closing price of F.N.B. common stock during the ten trading day period immediately preceding the Determination Date is more than 20% greater than the percentage decrease, if any, in the average closing price of the SNL Mid Cap U.S. Bank Index from August 4, 2015 to the Determination Date, using the ten trading days preceding each date to determine the average closing price of the SNL Mid Cap U.S. Bank Index. The purpose of this agreement is that a decline in the value of F.N.B. common stock which is comparable to the decline in the value of an index of comparable publicly-traded stocks is indicative of a broad-based change in market and economic conditions that affect the financial services industry generally instead of factors which affect the value of F.N.B. common stock in particular.

Specifically, Metro may terminate the agreement and plan of merger during the five business-day period beginning on the date that is the first to occur of: (A) the first date on which all required bank regulatory approvals have been received, or (B) the date on which Metro shareholders approve the merger and adoption of the merger agreement (such first occurring date being the Determination Date) if all of the following occur:

- (i) the average daily closing price of a share of F.N.B. common stock during the ten trading days immediately preceding the Determination Date (the F.N.B. Market Value) is less than 80% of \$14.00;
- (ii) the number obtained by dividing the F.N.B. Market Value by \$14.00 is less than the quotient obtained by dividing the average closing price of the SNL Mid Cap U.S. Bank Index (or, if such index is not available, the NASDAQ Bank Index) during the ten-trading day period immediately preceding the Determination Date by \$333.89 (which was the average closing value of the SNL Mid Cap U.S. Bank Index during the ten trading day period ending on August 3, 2015), minus 0.20; and
- (iii) during the five-business day period commencing on the Determination Date, a majority of the Metro board of directors votes to terminate the merger agreement.

Even if the first two conditions described above are met, the Metro board of directors may elect not to terminate the merger agreement. Any decision to terminate the merger agreement will be made by the Metro board of directors in light of all of the circumstances existing at the time. Prior to making any decision to terminate the merger agreement, the Metro board of directors would consult with its financial and other advisors and would consider all financial and other information it deemed relevant to its decision.

The operation and effect of the provisions of the merger agreement dealing with a decline in the market price of F.N.B. common stock may be illustrated by the following three scenarios:

- (1) One scenario is that the FNB Market Value is above \$11.20. In this event, Metro would not have the right to terminate the merger agreement.

- (2) A second scenario is that the FNB Market Value is less than \$11.20 but that the percentage decline in the price of F.N.B. common stock from the initial measurement price of \$14.00 is not more than 20% greater than the percentage decline, if any, in the closing price of the SNL Mid Cap U.S. Bank Index (or, if such index is not available, the NASDAQ Bank Index). Under this scenario, Metro would not have the right to terminate the merger agreement.
- (3) A third scenario is that the FNB Market Value is less than \$11.20 and the percentage decline in the price of F.N.B. common stock from the initial measurement price is more than 20% greater than the decline in the closing price of the SNL Mid Cap U.S. Bank Index. Under this scenario, Metro would have the right, but not the obligation, to terminate the agreement and plan of merger.

Table of Contents

Amendment of the Merger Agreement; Waiver

The parties may amend the merger agreement and either party may waive a requirement for the other party to comply with any provision in the merger agreement. However, once Metro's shareholders have approved the merger, the merger agreement may not be amended except as permitted under applicable law, and any waiver that changes the form or amount of the merger consideration will require the approval of Metro's shareholders.

Termination Fee

If the merger agreement is terminated under any of the circumstances described below, Metro must pay F.N.B. a termination fee of \$17.5 million.

F.N.B. terminates the merger agreement before the special meeting of Metro shareholders for any of the following reasons: (A) the Metro board of directors failed to recommend the merger agreement and the merger to the shareholders, or the board changed, withdrew, modified, qualified or conditioned its recommendation of the merger agreement and the merger in a manner adverse to F.N.B.; (B) Metro solicited another acquisition proposal in a manner materially adverse to F.N.B.; (C) the Metro board of directors approved another acquisition proposal; or (D) Metro materially breached its obligation to convene and hold the special meeting of its shareholders to approve the adoption of the merger agreement and the merger;

Metro terminated the merger agreement prior to the Metro shareholder agreement in order to enter into an unsolicited acquisition proposal that the Metro board of directors concluded was a superior proposal;

the merger agreement was terminated by either party for any other reason permitted under the merger agreement after a tender offer or exchange offer for 25% or more of Metro's common stock was initiated, and Metro failed to recommend rejection of the offer within ten business days; or

at a time when another acquisition proposal was being offered to or pending with Metro, the merger agreement is terminated for any of the reasons given below, and within 12 months after that termination, Metro enters into an agreement to be acquired or is acquired by another party (whether by merger, an acquisition of substantially all of Metro's assets, or an acquisition of more than 50% of the outstanding Metro common stock).

F.N.B. has terminated the merger agreement because the closing conditions which depend on the accuracy of Metro's representations and warranties or Metro's performance of its obligations under the merger agreement could not be satisfied due to a breach by Metro;

F.N.B. has terminated the merger agreement because the merger did not occur before 5:00 p.m. Eastern Time on June 30, 2016, and the requisite vote from the Metro shareholders approving the merger and adoption of the merger agreement had not been obtained; or

Either F.N.B. or Metro has terminated the merger agreement because the requisite shareholder vote to approve the merger was not obtained at the special meeting called for that purpose, or any adjournment or postponement of that meeting.

Expenses

In general, F.N.B. and Metro each are responsible for the expenses which it incurs in connection with the negotiation and completion of the merger. F.N.B. and Metro will share equally in the cost of the SEC registration fee and costs and expenses associated with filing the Form S-4 registration statement and printing this joint proxy statement/prospectus. However, each party will bear its own expenses associated with mailing the joint proxy statement/prospectus to its shareholders.

In addition, if a party breaches any of its representations and warranties or performance obligations to a degree that would prevent a closing condition from being satisfied, and the other party terminates the merger

agreement as a result, the breaching party must pay the out-of-pocket expenses incurred by the terminating party in connection with the merger (including fees of legal counsel, financial advisors and accountants), up to a maximum amount of \$500,000. However, if Metro becomes liable for payment of the termination fee, it will not also be liable for the payment of F.N.B.'s out-of-pocket expenses.

OTHER MATERIAL AGREEMENTS RELATING TO THE MERGER

Voting Agreements

The following description of the voting agreements is subject to, and qualified in its entirety by reference to, the form of voting agreement, which we include as Appendix B to this joint proxy statement/prospectus and incorporate by reference in this joint proxy statement/prospectus. We urge you to read the form of voting agreement carefully and in its entirety.

In connection with the merger agreement, F.N.B. entered into voting agreements with James R. Adair, Douglas R. Berry, Douglas S. Gelder, Alan R. Hassman, Richard J. Lashley, J. Rodney Messick, Jessica E. Meyers, Gary L. Nalbandian, Michael A. Serluco, Thomas F. Smida, and Samir J. Srouji, each of whom currently serves as a director of Metro, and John J. Cardello, who retired from the board of directors of Metro effective October 31, 2015. In the voting agreements, each of these shareholders has agreed to vote all of his or her shares of Metro common stock in favor of approval of the adoption of the merger agreement and the merger.

In addition, except under limited circumstances, these shareholders also agreed not to sell, assign, transfer or otherwise dispose of or encumber their shares of Metro common stock prior to the record date for the special meeting of the Metro shareholders called for the purpose of voting on the approval of the adoption of the merger agreement and the merger. The voting agreements terminate immediately upon the earlier of the completion of the merger, the termination of the merger agreement in accordance with its terms, or the mutual written agreement of F.N.B. and each individual shareholder.

As of the record date, there were 2,164,992 shares of Metro common stock subject to the voting agreements (excluding options), which represented approximately 15.2% of the outstanding shares of Metro common stock as of that date.

ACCOUNTING TREATMENT

F.N.B. will account for the merger as an acquisition, as that term is used under U.S. generally accepted accounting principles, or GAAP, for accounting and financial reporting purposes. Under acquisition accounting, Metro's assets, including identifiable intangible assets, and liabilities, including executory contracts and other commitments, as of the effective time of the merger will be recorded at their respective fair values and added to the balance sheet of F.N.B. Any excess of the purchase price over the fair values will be recorded as goodwill. Consolidated financial statements of F.N.B. issued after the merger will include these fair values and Metro's results of operations from the effective time of the merger.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER

The following discussion summarizes the material U.S. federal income tax consequences of the merger that apply generally to U.S. holders (as defined below) of Metro common stock and, subject to the limitations and qualifications described herein, represents the opinion of Reed Smith LLP, counsel to F.N.B., and Mette, Evans & Woodside P.C., tax counsel to Metro. This discussion is based on the Internal Revenue Code, judicial decisions and administrative regulations and interpretations in effect as of the date of this joint proxy statement/prospectus, all of which are subject to change, possibly with retroactive effect. Accordingly, the U.S. federal income tax consequences of the merger to the holders of Metro common stock could differ from those described below.

For purposes of this discussion, a U.S. holder is a beneficial owner of Metro common stock who for United States federal income tax purposes is:

a citizen or resident of the United States;

a corporation, or an entity treated as a corporation, created or organized in or under the laws of the United States or any state or political subdivision thereof;

a trust that (1) is subject to (A) the primary supervision of a court within the United States and (B) the authority of one or more United States persons to control all substantial decisions of the trust or (2) has a valid election in effect under applicable U.S. Department of Treasury regulations to be treated as a United States person; or

an estate that is subject to United States federal income tax on its income regardless of its source.

If a partnership (including for this purpose any entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds shares of Metro common stock, the tax treatment of a partner generally will depend on the status of the partner and the activities of the partnership. If you are a partner of a partnership holding shares of Metro common stock, you should consult your tax advisor.

This discussion assumes that you hold your shares of Metro common stock as a capital asset within the meaning of Section 1221 of the Internal Revenue Code. This discussion does not address all aspects of U.S. federal income taxation that may be relevant to holders of Metro common stock in light of their particular circumstances, nor does it address the U.S. federal income tax consequences to holders of Metro common stock that are subject to special rules, including:

dealers in securities or foreign currencies;

tax-exempt organizations;

persons who are not U.S. holders;

financial institutions;

retirement plans;

insurance companies;

expatriates or holders who have a functional currency other than the U.S. dollar;

pass-through entities and investors in those entities;

holders who acquired their shares in connection with the exercise of stock options or other compensatory transactions or through exercise of warrants;

holders who hold their shares as a hedge or as part of a straddle, constructive sale, conversion transaction or other risk management transaction; and

traders in securities that elect to use the mark-to-market method of accounting.

Table of Contents

In addition, this discussion does not address any alternative minimum tax, U.S. federal estate or gift tax, or foreign, state or local tax consequences. Neither F.N.B. nor Metro has obtained or sought to obtain a ruling from the IRS regarding any matter relating to the merger and no assurance can be given that the IRS will not assert, or that a court will not sustain, a position contrary to any aspect of this discussion. We urge holders to consult their own tax advisors as to the U.S. federal income tax consequences of the merger, as well as the effects of state, local and foreign tax laws in light of their own situations.

The closing of the merger is conditioned on the delivery of opinions of Reed Smith LLP and Mette, Evans & Woodside P.C., dated the closing date of the merger, to the effect that, based on U.S. federal income tax law in effect as of the date of such opinions, the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. In addition, in connection with F.N.B.'s filing of the registration statement that contains this joint proxy statement/prospectus with the SEC, each of Reed Smith LLP and Mette, Evans & Woodside P.C. delivered an opinion to F.N.B. and Metro, respectively, to the same effect as the opinions described above. Copies of their opinions also have been filed with the registration statement as exhibits. An opinion of counsel is not binding on the IRS or any court. In rendering their respective opinions, Reed Smith LLP and Mette, Evans & Woodside P.C. will rely on certain assumptions, including assumptions regarding the absence of changes in existing facts and the completion of the merger strictly in accordance with the merger agreement and this joint proxy statement/prospectus. The opinions will also rely upon certain representations and covenants made by the management of F.N.B. and Metro and will assume that these representations are true, correct and complete, and that F.N.B. and Metro, as the case may be, will comply with these covenants. If any of these assumptions or representations is inaccurate in any way, or any of the covenants are not satisfied, it could adversely affect the opinions.

As a result of the merger qualifying as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, the material U.S. federal income tax consequences of the merger to holders of Metro common stock are as follows.

Exchange of Metro common stock for F.N.B. common stock. Each holder of Metro common stock who receives F.N.B. common stock in the merger generally will not recognize gain or loss (except to the extent of cash received in lieu of fractional shares, as discussed below).

In general, the aggregate tax basis in the shares of F.N.B. common stock that Metro shareholders will receive upon the merger will equal such holders' aggregate tax basis in the shares of Metro common stock surrendered, decreased by the amount of basis allocated to any fractional share such holder was deemed to receive and subsequently sell. A Metro shareholder's holding period for the shares of F.N.B. common stock that are received in the merger, including any fractional share deemed received and sold as described below, generally will include such holder's holding period for the shares of Metro common stock surrendered in the merger. The amount of F.N.B. common stock received in the merger includes any fractional share of F.N.B. common stock deemed to be received prior to the exchange of such fractional share for cash. See *Cash Received in Lieu of a Fractional Share* below.

If U.S. holders of Metro common stock acquired different blocks of shares of Metro common stock at different times or at different prices, such holders' basis and holding period in their shares of F.N.B. common stock may be determined with reference to each block of shares of Metro common stock. Any such holders should consult their tax advisors regarding the manner in which shares of F.N.B. common stock received in the exchange should be allocated among different blocks of shares of Metro common stock and with respect to identifying the bases or holding periods of the particular shares of F.N.B. common stock received in the merger. Because these rules are complex, we recommend that each Metro shareholder who may be subject to these rules consult his, her, or its own tax advisor.

Cash Received in Lieu of a Fractional Share. Metro shareholders who receive cash instead of fractional shares of F.N.B. common stock will be treated as having received the fractional shares in the merger and then as

Table of Contents

having exchanged the fractional shares for cash. These holders will generally recognize gain or loss equal to the difference between the amount of cash received and the tax basis allocable to the fractional shares. The gain or loss will be capital gain or loss and long-term capital gain or loss if the holder has held the shares of Metro common stock exchanged for more than one year at the effective time of the merger. The deductibility of capital losses is subject to limitations. In addition to the regular income tax, U.S. holders that are individuals, trusts or estates and whose income exceeds certain thresholds generally will be subject to a 3.8% Medicare tax on their net investment income. For this purpose, net investment income generally would include net gain recognized with respect to a disposition of shares of Metro common stock pursuant to the merger (including cash received instead of fractional shares) or F.N.B. common stock received in the merger, unless such net gain is derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consist of certain passive or trading activities). If you are a U.S. holder that is an individual, estate or trust, please consult your tax advisor regarding the applicability of the Medicare tax with respect to your disposition of shares of Metro common stock pursuant to the merger.

Backup Withholding. Non-corporate holders of Metro's shares may be subject to information reporting and backup withholding at a rate of 28% on any cash payments in lieu of fractional shares received in 2015. Generally, backup withholding will not apply, however, if a holder of Metro common stock:

furnishes a correct taxpayer identification number to the exchange agent and certifies that such holder is not subject to backup withholding on the substitute Form W-9 or successor form included in the letter of transmittal received; or

is otherwise exempt from backup withholding.

Any amounts withheld under the backup withholding rules are not an additional tax, and will generally be allowed as a refund or credit against a holder's U.S. federal income tax liability, provided the holder furnishes the required information to the IRS.

Reporting Requirements. A significant holder of Metro's shares for U.S. federal income tax purposes who receives shares of F.N.B. common stock upon completion of the merger will be required to retain records pertaining to the merger and to file with such holder's U.S. federal income tax return for the year in which the merger takes place a statement setting forth certain facts relating to the merger. For this purpose, a Metro shareholder is only a significant holder if the person owns at least 5% of Metro's outstanding shares or has a basis of \$1,000,000 or more in Metro's shares. Such statement must include the holder's tax basis in and fair market value of Metro's shares surrendered in the merger.

DESCRIPTION OF F.N.B. CAPITAL STOCK

As a result of the merger, Metro shareholders who receive shares of F.N.B. common stock in the merger will become shareholders of F.N.B. The following summary of F.N.B. capital stock, including the common stock to be issued in the merger, is not complete and is qualified by reference to the F.N.B. articles of incorporation and the F.N.B. bylaws. You are urged to read the applicable provisions of Florida law, the F.N.B. articles of incorporation and the F.N.B. bylaws and U.S. federal law governing bank holding companies carefully and in their entirety.

Common Stock

F.N.B. is authorized to issue up to 500,000,000 shares of common stock, par value \$0.01 per share. As of November 20, 2015, there were 175,051,705 shares of F.N.B. common stock outstanding. Pursuant to the Capital Purchase Program of the U.S. Department of the Treasury (the U.S. Treasury), F.N.B. issued to the U.S. Treasury a warrant expiring on January 9, 2019, which is exercisable for up to 651,042 shares of F.N.B. common stock at an exercise price of \$11.52 per share. A second warrant to purchase F.N.B. common stock, which was issued to the U.S. Treasury in connection with F.N.B.'s acquisition of Annapolis Bancorp, Inc., also remains outstanding. Upon completion of this acquisition in April 2013, the warrant of Annapolis Bancorp that was issued to the U.S. Treasury in connection with the Capital Purchase Program was converted into a warrant to purchase shares of F.N.B. common stock. The warrant expires in 2019. As of June 30, 2015, up to 370,929 shares of F.N.B. common stock may be purchased under the warrant at an exercise price of \$3.30 per share. Both warrants described above are immediately exercisable by the warrant holders that purchased the warrants from the U.S. Treasury in an auction process.

Voting and Other Rights. The holders of F.N.B. common stock are entitled to one vote per share, and in general a majority of the votes cast with respect to a matter is sufficient to authorize action upon such matter. Directors are elected by a plurality of votes cast, and each shareholder entitled to vote in an election of directors is entitled to vote each share of stock for as many persons as there are directors to be elected. In elections of directors, shareholders do not have the right to cumulate their votes.

In the event of a liquidation, holders of F.N.B. common stock are entitled to receive pro rata any assets legally available for distribution to shareholders with respect to shares held by them, subject to any prior rights of the holders of any of shares of F.N.B. preferred stock then outstanding. For a description of the F.N.B. preferred stock currently outstanding, see *Preferred Stock* below.

F.N.B. common stock does not carry any preemptive rights, redemption privileges, sinking fund privileges or conversion rights.

Distributions. The holders of F.N.B. common stock are entitled to receive such dividends or distributions as the F.N.B. board of directors may declare out of funds legally available for such payments, subject to any prior rights of any of F.N.B.'s then outstanding preferred stock. F.N.B.'s payment of distributions is subject to the restrictions of Florida law applicable to the declaration of distributions by a business corporation. A corporation generally may not authorize and make distributions if, after giving effect thereto, it would be unable to meet its debts as they become due in the usual course of business or if the corporation's total assets would be less than the sum of its total liabilities plus the amount that would be needed, if it had been dissolved at the time of distribution, to satisfy claims upon dissolution of shareholders who have rights superior to the rights of the holders of its common stock. F.N.B. may pay stock dividends, if any are declared, from authorized but unissued shares.

As a holding company, F.N.B. relies primarily on dividends from its subsidiaries as a source of funds to meet its corporate obligations. F.N.B.'s ability to pay dividends to shareholders is largely dependent on dividends from its

subsidiaries, principally its banking subsidiary, First National Bank of Pennsylvania. The right of F.N.B. to participate in any distribution of earnings or assets of its subsidiaries is subject to the prior claims of creditors

Table of Contents

of those subsidiaries. Under U.S. federal law, the amount of dividends that a national bank such as First National Bank of Pennsylvania may pay in a calendar year is dependent on the amount of net income for the current year combined with its retained net income for the two preceding years. Also, bank regulators have the authority to prohibit First National Bank of Pennsylvania from paying dividends if the bank regulators determine that it is in an unsafe or unsound condition or that the payment would be an unsafe and unsound banking practice.

Transfer Agent. The transfer agent and registrar for F.N.B.'s common stock is Computershare, P.O. Box 30170, College Station, TX 77842; telephone number (800) 368-5948.

For more information regarding the rights of holders of F.N.B. common stock, see *Comparison of Shareholders Rights* beginning on page 126.

Preferred Stock

F.N.B.'s board of directors is authorized to provide for the issuance by F.N.B. of up to 20,000,000 shares of preferred stock, par value \$0.01 per share, without shareholder approval unless otherwise required. F.N.B.'s board of directors is authorized to determine the rights, qualifications, limitations and restrictions of each series of F.N.B. preferred stock at the time of issuance, including, without limitation, rights as to dividends, voting, liquidation preferences and convertibility into shares of F.N.B. common stock. If so determined by F.N.B.'s board of directors, shares of F.N.B. preferred stock may have dividend, redemption, voting and liquidation rights that take priority over its common stock, and may be convertible into F.N.B. common stock.

Series E Preferred Stock. On October 31, 2013, pursuant to action by its board of directors, F.N.B. amended its articles of incorporation to fix the designations, preferences, limitations and relative rights of its Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series E (the *Series E Preferred Stock*). There currently are 110,877 shares of Series E Preferred Stock issued and outstanding.

The terms of the Series E Preferred Stock provide that holders of the Series E Preferred Stock are entitled to receive, if, when and as declared by the F.N.B. board of directors, non-cumulative cash dividends at a rate per annum equal to 7.25% payable quarterly in arrears. No dividends may be paid on F.N.B.'s common stock or other junior stock unless all the full dividends for the latest dividend period have been declared and paid on all outstanding shares of the Series E Preferred Stock. F.N.B. may, at its option, redeem the Series E Preferred Stock on or after February 15, 2024, in whole or in part, at a redemption price equal to the liquidation amount per share (\$1,000) plus the per share amount of any declared and unpaid dividends. The Series E Preferred Stock is also redeemable at F.N.B.'s option upon the occurrence of certain events affecting the treatment of the Series E Preferred Stock for purposes of the capital adequacy guidelines or regulations of the Federal Reserve Board or other appropriate federal banking agency. In the event of a liquidation, dissolution or winding-up of F.N.B., the holders of the Series E Preferred Stock will be entitled to receive an amount per share equal to the liquidation amount per share (\$1,000), plus any declared and unpaid dividends prior to the payment of the liquidating distribution, after satisfaction of liabilities or obligations to creditors and subject to the rights of holders of any shares of capital stock ranking senior to the Series E Preferred Stock, but before any distribution of assets is made to holders of F.N.B. common stock or any other class or series of F.N.B. capital stock ranking junior to the Series E Preferred Stock with respect to distributions on liquidation, dissolution or winding-up.

Holders of the Series E Preferred Stock have no voting rights except in limited circumstances, including: the right to elect two directors, whose seats will be automatically added to the then-current board of directors of F.N.B. in certain circumstances where dividends have not been paid for six or more quarterly dividend periods; the right to vote on the authorization, creation or issuance of shares of a class or series of stock that is senior to the Series E Preferred Stock

with respect to payment of dividends or as to distributions upon the liquidation, dissolution or winding-up of F.N.B.; the right to vote on amendments to the F.N.B. articles of incorporation which adversely affect the rights, preferences, privileges or special powers of the Series E Preferred Stock; and the right to vote on a binding share exchange or re-classification involving the Series E Preferred Stock or a merger or consolidation of F.N.B. unless the Series E Preferred Stock remains outstanding or is exchanged for preference securities that are not materially less favorable than the terms of the Series E Preferred Stock.

COMPARISON OF SHAREHOLDERS RIGHTS

After the merger, the Metro shareholders will become shareholders of F.N.B. and their rights will be governed by F.N.B.'s articles of incorporation, F.N.B.'s bylaws and the Florida Business Corporation Act. The following is a summary of the material differences between (1) the current rights of Metro shareholders under the Pennsylvania Business Corporation Law and Metro's articles of incorporation and bylaws, and (2) the current rights of F.N.B. shareholders under the Florida Business Corporation Act and F.N.B.'s articles of incorporation and bylaws. Metro's articles of incorporation do not contain any restrictions on the payment of dividends or the making of distributions to holders of its common stock, except restrictions that benefit certain classes or series of preferred stock. Metro's bylaws contain a provision stating that before payment of any dividend, the board of directors of Metro, in its discretion, may set aside such sum or sums as the board of directors thinks proper as a reserve fund to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of Metro, or for such other purposes as the board of directors shall believe to be for the best interest of Metro.

Removal of Directors; Filling Vacancies on the Board of Directors

Metro

The Pennsylvania Business Corporation Law provides that unless otherwise provided in a bylaw adopted by the shareholders or in the articles of incorporation, a corporation's shareholders may remove, with or without cause, the entire board of directors, or any individual director, upon the affirmative vote of shareholders entitled to elect directors. Under Metro's articles of incorporation, removal of a director requires the affirmative vote of at least 80% of the shares entitled to vote, unless such removal is approved by 66 $\frac{2}{3}$ % of the entire board of directors. If so approved by the board of directors, removal of a director would be authorized by a majority of the votes cast at a meeting of shareholders. Under the Pennsylvania Business Corporation Law and Metro's bylaws, the remaining directors, even though less than a quorum, may, by majority vote, fill vacancies on the board of directors, including vacancies resulting from an increase in the number of directors or resulting from a removal from office, and each person so appointed shall be a director until the expiration of the present term of office of the directors.

Cumulative Voting

Metro

Metro's articles of incorporation prohibit cumulative voting for the election of directors.

Indemnification of Officers and Directors

Metro

F.N.B.

The Florida Business Corporation Act permits a corporation's shareholders to remove directors with or without cause. F.N.B.'s articles of incorporation provide that the affirmative vote of 75% of the outstanding shares of F.N.B. common stock is required to remove any director or the entire board of directors without cause. Under the Florida Business Corporation Act and F.N.B.'s bylaws, the remaining directors, even though less than a quorum, may, by majority vote, fill vacancies on the board of directors, including vacancies resulting from an increase in the number of directors or resulting from a removal from office.

F.N.B.

Under the Florida Business Corporation Act, cumulative voting in the election of directors is not available unless a corporation's articles of incorporation provide for cumulative voting. F.N.B.'s articles of incorporation do not provide for cumulative voting.

F.N.B.

Under its bylaws, Metro shall indemnify any director, officer or employee (including former directors, officers and employees) of Metro against expenses, including legal fees, judgments, fines and amounts paid in settlement, which were actually and reasonably incurred by him or her in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, that is brought or threatened to be brought against him or her by reason of the fact that such person is or was a director, officer or employee of Metro if he/she acted in

Under its bylaws, F.N.B. shall indemnify any director or officer of F.N.B. or its subsidiaries against expenses, including legal fees, judgments, fines and amounts paid in settlement, which were actually and reasonably incurred by him or her in connection with any threatened, pending or completed action, suit, investigation or proceeding, whether derivative or nonderivative, and whether civil, criminal, administrative or investigative, that is brought or threatened to be brought against him or her by reason of his or her performance or status as a director or

officer of F.N.B. or one of its subsidiaries or affiliates. Before making that indemnity available to a director or officer, F.N.B.'s board of directors is required to determine that the director or officer acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to the best interests of F.N.B. and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. F.N.B.'s bylaws also provide that F.N.B. shall advance expenses incurred in defending or investigating a threatened or pending action, suit or proceeding upon receipt of an undertaking by or on behalf of the director or officer to repay the amount advanced if it is ultimately determined that he or she is not entitled to indemnification by F.N.B.

With respect to derivative actions, the Florida Business Corporation Act only permits a corporation to indemnify its directors and officers up to an amount equal to the estimated expense of litigating the matter to conclusion. Also, indemnification is not available in derivative actions if the director or officer is adjudged to be liable to the corporation in respect of the claim, issue or matter for which the director or officer seeks indemnification.

Director Liability

Metro

The Metro bylaws provide that no director of Metro shall be personally liable for monetary damages for any action taken, or failure to take any action, in such individual's capacity as director unless (i) the director has breached or failed to perform the duties of his/her office as set forth in the Pennsylvania Business Corporation Law or other applicable law, and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness; (ii) the director's responsibility or liability is for the payment of taxes pursuant to local, state, or federal law; or (iii) the director's responsibility or liability is pursuant to a criminal statute.

F.N.B.

Under the Florida Business Corporation Act, a director is not personally liable for monetary damages for any statement, vote, decision or failure to act regarding corporate management or policy, unless the director breached or failed to perform his or her duties as a director and the director's breach of, or failure to perform, those duties constitutes (1) a violation of criminal law, self-dealing, or an unlawful distribution; or (2) in a proceeding by or in the right of the corporation, conscious disregard for the best interest of the corporation or willful misconduct; or (3) in a proceeding by or in the right of a person other than the corporation or a shareholder, recklessness, bad faith or

wanton or willful disregard of human rights, safety or property. F.N.B. s bylaws contain a provision limiting the liability of its directors to the fullest extent permitted by law.

Table of Contents**Amendment of Articles of Incorporation and Bylaws****Metro**

Section 1914 of the Pennsylvania Business Corporation Law provides that an amendment to a company's articles of incorporation requires the approval of the board of directors and, except in limited cases where a greater vote may be required or no shareholder approval is required, the affirmative vote of a majority of the votes cast by all shareholders entitled to vote on the matter. Metro's articles of incorporation provide that any amendment to Article 5 (authorized shares and rights of Series A preferred stock), Article 6 (cumulative voting), Article 7 (preemptive rights of shareholders), Article 8 (authority of board of directors to amend the bylaws), Article 9 (board action on acquisition transactions), Article 10 (shareholder vote required to approve certain corporate actions and Article 11 (indemnification) requires the affirmative vote of holders of at least 80% of the shares entitled to vote at a meeting of shareholders. However, if the amendment is approved by at least 66 $\frac{2}{3}$ % of the members of the board of directors, the amendment will be effected by the affirmative vote of a majority of the votes cast. Section 2535 of the Pennsylvania Business Corporation Law provides that shareholders are not entitled by statute to propose an amendment to the articles of incorporation. The Metro articles of incorporation do not alter the application of § 2535.

Metro's articles of incorporation and bylaws provide that the affirmative vote of at least 80% of the shares entitled to vote or at least a majority of the Board of Directors is required to alter or amend or adopt new bylaws, subject always to the power of the shareholders to change such action of the Board of Directors by the affirmative vote of at least 80% of the shares entitled to vote on such matter.

Vote Required for Extraordinary Corporation Transactions**Metro****F.N.B.**

The Florida Business Corporation Act requires that, unless the articles of incorporation provide for a greater vote, the votes cast in favor of an amendment to the articles of incorporation must exceed the votes cast against the amendment. However, if the proposed amendment would trigger dissenters' rights under the Florida Business Corporation Act, the amendment must be approved by a majority of the votes entitled to be cast. The Florida Business Corporation Act does not require shareholder approval for certain non-material amendments to the articles of incorporation.

F.N.B.'s bylaws provide that the affirmative vote of at least 75% of the members of F.N.B.'s board of directors or the affirmative vote of at least 75% of the shares entitled to vote is required to alter or amend or adopt new bylaws.

F.N.B.

Under the Pennsylvania Entity Transactions Law, a merger, share exchange, conversion, division or domestication or sale of all or substantially all of a corporation's assets other than in the ordinary course of business must be approved by the board of directors and by a majority of the votes cast by all shareholders entitled to vote thereon, unless the corporation's articles of incorporation or a bylaw adopted by the shareholders

Under the Florida Business Corporation Act, a merger, consolidation, share exchange, dissolution or sale of all or substantially all of a corporation's assets other than in the ordinary course of business must be approved by the board of directors and the holders of a majority of the shares entitled to vote thereon, unless the corporation's articles of incorporation require a higher vote. F.N.B.'s articles of

require a higher vote. Metro's articles of incorporation require a supermajority vote of at least 80% of the outstanding Metro common shares to approve a merger, consolidation or sale, lease or other disposition, in a single transaction or series of related transactions, of all or substantially all the assets of Metro, unless such transaction has been approved by 66 2/3% of Metro's board of directors, in which case such corporate action will be authorized if a quorum is present and at least a majority of the votes cast at a shareholder meeting are in favor of the corporate action.

The Pennsylvania Entity Transactions Law provides that shareholder approval of a plan of merger is not required if:

the surviving corporation is a Pennsylvania corporation and its articles of incorporation will not differ from its articles of incorporation before the merger (except for any changes that the statute would allow to be adopted without shareholder approval);

each share of the corporation outstanding immediately prior to the merger is to continue or will be converted into an identical share of the surviving corporation; and

the plan provides that immediately after the effectiveness of the merger, the shareholders of the corporation are to hold in the aggregate outstanding shares of the surviving corporation that would entitle such shareholders to cast at least a majority of the votes entitled to be cast generally for the election of directors.

Interested Shareholder Transactions

Metro

Under the Pennsylvania Business Corporation Law an interested shareholder is any person who, together with such

incorporation require a supermajority vote of at least 75% of the outstanding shares of F.N.B. common stock to approve a merger, consolidation or sale, lease, exchange or other disposition, in a single transaction or series of related transactions, of all or substantially all or a substantial part of the properties or assets of F.N.B., only if the board of directors of F.N.B. has not approved and recommended the transaction.

The Florida Business Corporation Act provides that shareholder approval of a plan of merger is not required if:

the articles of incorporation of the surviving corporation will not differ, except for certain minor amendments specified in the Florida Business Corporation Act, from its articles of incorporation before the merger; and

each shareholder of the surviving corporation whose shares were outstanding immediately prior to the effective date of the merger will hold, immediately after the merger, the same number of shares, with identical designations, preferences, limitations and relative rights.

F.N.B.

Under the Florida Business Corporation Act an interested stockholder is any person who, together with

person's affiliates and associates, beneficially owns 20% or more of any voting stock of the corporation. such person's affiliates and associates, beneficially owns 10% or more of any voting stock of the corporation. or (3) an issuance of shares having a fair market value above a specified threshold. Such approval must be obtained prior to the deadlines specified in the statute. However, that approval is not required in certain situations, including if prior to the date that the shareholder first becomes an interested shareholder, the board of directors has approved either (i) the transaction or (ii) the purchase by the interested shareholder of the shares which result in the shareholder becoming an interested shareholder.

Metro is subject to statutory anti-takeover provisions under the Pennsylvania Business Corporation Law. These include (i) the protection provided pursuant to Subchapter G of Chapter 25 of the Pennsylvania Business Corporation Law, which blocks the voting rights of an acquiring person who makes or proposes to make a control-share acquisition, which is defined as increasing ownership in the corporation above certain thresholds, (ii) the protection provided pursuant to Subchapter H of Chapter 25 of the Pennsylvania Business Corporation Law, which would enable Metro to recover profits from certain sales of shares by shareholders who hold or will hold at least 20% of the voting power of Metro or who have evidenced an intent to acquire control of Metro, and (iii) the protection provided pursuant to Subchapter E of Chapter 25 of the Pennsylvania Business Corporation Law, which subjects persons who acquire at least 20% of the voting power in a control transaction the obligation to pay objecting shareholders fair value for their shares (including a proportionate amount of any control premium), determined as provided in Section 2547 of the Pennsylvania Business Corporation Law.

In addition, Metro's articles of incorporation and bylaws contain various provisions that may serve as anti-takeover protections, which include:

F.N.B. is subject to statutory anti-takeover provisions under the Florida Business Corporation Act. The Florida Business Corporation Act restricts the voting rights of shares of stock acquired by a party who, by such acquisition, would control at least 20% of all voting rights of the corporation's issued and outstanding stock. The statute provides that the acquired shares, or the control shares, will, upon such acquisition, cease to have any voting rights. The acquiring party may petition the corporation to reassign voting rights to the control shares by way of an acquiring person's statement. Upon receipt of such request, the corporation must submit such request for shareholder approval. Voting rights will be restored to the control shares upon a resolution adopted by a majority of the outstanding shares of each class and series of stock, with shares owned by the acquiring party, officers and directors who are employees of the corporation excluded from voting.

The Chairman of the Board of F.N.B. is authorized to determine whether a nomination or proposal was made in accordance with F.N.B. bylaws and to declare that a defective nomination or proposal be disregarded.

Metro Annual Meeting

If the merger is completed during the first quarter of 2016, as currently anticipated, Metro will not hold an annual meeting of shareholders in 2016. However, in the event the merger is not completed and Metro does hold an annual meeting in 2016, any shareholder proposal brought before the annual meeting of shareholders must be specified in the notice of the meeting or otherwise brought before the meeting by Metro's board of directors or by a Metro shareholder entitled to vote who has delivered notice to Metro (containing information specified in Metro's bylaws). These requirements are separate from the SEC's requirements set forth in SEC Rule 14a-8 that a shareholder must meet in order to have a shareholder proposal included in Metro's proxy statement. A Metro shareholder wishing to submit a proposal for consideration at Metro's 2016 Annual Meeting of Shareholders under Metro's bylaws should do so between January 23, 2016 and February 22, 2016. A Metro shareholder wishing to submit a proposal for consideration at Metro's 2016 Annual Meeting of Shareholders, either under SEC Rule 14a-8, or otherwise, should do so no later than January 23, 2016.

If the Corporate Secretary of Metro timely receives notice of a shareholder proposal that is not excludable under SEC Rule 14a-8, the proposal will be included in Metro's proxy statement and proxy card. Metro will include in its proxy statement the nature of such proposal and how Metro believes its shareholders should vote on

Table of Contents

such proposal. If the proposal is properly presented at Metro's 2016 Annual Meeting of Shareholders, the proxies appointed by Metro will vote on such proposal as directed by Metro's shareholders. If a proxy card is returned with no direction as to how the proxy holders should vote, the proxies appointed by Metro may exercise discretionary authority in voting on such proposal.

Any nomination not made in accordance with Metro's bylaws and within the specified timeframe will be ineligible for nomination at the annual meeting.

The presiding officer of the meeting may refuse to permit any proposal to be made at an annual meeting by a Metro shareholder who has not complied with all of the governing bylaw procedures, including receipt of the required notice by the Corporate Secretary for Metro during the specified period. If a shareholder proposal is received by Metro outside the specified notice period but the presiding officer of the meeting nevertheless permits such proposal to be made at the 2016 Annual Meeting of Shareholders, the proxies appointed by Metro may exercise discretionary authority when voting on such proposal.

If the date of Metro's next annual meeting is advanced or delayed by more than 30 days from the anniversary date of the 2015 annual meeting (June 19, 2016), Metro will promptly inform its shareholders of the change of the annual meeting date and the date by which director nominations and shareholder proposals must be received under Metro's bylaws and in the case of shareholder proposals, SEC Rule 14a-8.

AGREEMENT AND PLAN OF MERGER

AGREEMENT AND PLAN OF MERGER, dated as of August 4, 2015 (this Agreement), between F.N.B. CORPORATION, a Florida corporation (FNB), and METRO BANCORP, INC., a Pennsylvania corporation (MBI).

W I T N E S S E T H:

WHEREAS, the Boards of Directors of MBI and FNB have determined that it is in the best interests of their respective companies and their shareholders, and, in the case of MBI, its other constituencies as set forth in Section 1715 of the Pennsylvania Business Corporation Law, as amended (the PBCL), to consummate the strategic business combination transaction provided for in this Agreement pursuant to which MBI will, on the terms and subject to the conditions set forth in this Agreement, merge with and into FNB (the Merger), so that FNB is the surviving company in the Merger (sometimes referred to in such capacity as the Surviving Company); and

WHEREAS, for federal income Tax (as defined in Section 3.10(b)) purposes, it is intended that (i) the Merger shall qualify as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code), and the regulations of the U.S. Department of the Treasury promulgated thereunder (as such regulations may be amended from time to time, including corresponding provisions of successor rules and regulations thereto, the Treasury Regulations), (ii) FNB and MBI each be a party to the reorganization within the meaning of Section 368(b) of the Code (clauses (i) and (ii), the Intended Tax Treatment), and (iii) this Agreement be and is adopted as a plan of reorganization for purposes of Sections 354 and 361 of the Code; and

WHEREAS, the parties desire to make certain representations, warranties, covenants and agreements in connection with the Merger and also to prescribe certain conditions to the Merger.

NOW, THEREFORE, in consideration of the mutual representations, warranties, covenants and agreements contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the parties agree as follows:

ARTICLE 1

THE MERGER

1.1 The Merger.

Subject to the terms and conditions of this Agreement, in accordance with the Pennsylvania Entity Transactions Law, as amended (the ETL) and the Florida Business Corporation Act, as amended (the FBCA), at the Effective Time (as defined in Section 1.2) MBI shall merge with and into FNB. FNB shall be the Surviving Company in the Merger, and shall continue its corporate existence under the laws of the State of Florida. As of the Effective Time, the separate corporate existence of MBI shall cease.

1.2 Effective Time.

The Merger shall become effective as set forth in the statement of merger and the articles of merger (each, the Articles of Merger) that shall be filed with the Secretary of State of the Commonwealth of Pennsylvania and the Secretary of State of the State of Florida, respectively, on or before the Closing Date (as defined in

Table of Contents

Section 9.1). The term **Effective Time** shall mean the date and time when the Merger becomes effective as set forth in the Articles of Merger. **Effective Date** shall mean the date on which the Effective Time occurs.

1.3 **Effects of the Merger.**

(a) **Effects Under ETL and FBCA.** At and after the Effective Time, the Merger shall have the effects set forth in Section 336 of the ETL and Sections 607.1106 and 607.11101 of the FBCA.

(b) **Directors and Executive Officers of the Surviving Company.** The directors of the Surviving Company immediately after the Merger shall be (i) the directors of FNB immediately prior to the Merger, and (ii) one current member of MBI's Board of Directors as mutually agreed by FNB and MBI (the **MBI Designee**). The MBI Designee will have a term expiring at the first annual meeting of FNB shareholders following the Effective Time. The executive officers of the Surviving Company immediately after the Merger shall be the executive officers of FNB immediately prior to the Merger.

1.4 **Conversion of MBI Common Shares.**

(a) Subject to the provisions of this Agreement, each common share, par value \$1.00 per share, of MBI (**MBI Common Shares**) issued and outstanding immediately prior to the Effective Time, other than Treasury Shares (as defined in Section 1.4(b)) shall, by virtue of the Merger, no longer be outstanding and shall as of the Effective Time automatically be converted into and shall thereafter represent the right to receive as consideration in the Merger 2.373 shares (the **Exchange Ratio**) of common stock, \$0.01 par value, of FNB (**FNB Common Stock**) (the **Merger Consideration**).

(b) At and after the Effective Time, each Treasury Share shall be cancelled and retired and no shares of FNB Common Stock or other consideration shall be issued in exchange therefor. **Treasury Shares** means the MBI Common Shares held by MBI or any of the MBI Subsidiaries (as defined in Section 3.1(d)) or by FNB or any of its Subsidiaries, other than in a fiduciary, including custodial or agency, capacity or as a result of debts previously contracted in good faith.

(c) At the Effective Time, the stock transfer books of MBI shall be closed as to holders of MBI Common Shares immediately prior to the Effective Time and no transfer of MBI Common Shares by any such holder shall thereafter be made or recognized. If, after the Effective Time, certificates representing MBI Common Shares (**Certificates**; it being understood that any reference herein to **Certificates** shall be deemed to include reference to MBI Common Shares held in book entry) are properly presented pursuant to Section 2.2(a) of this Agreement to the Exchange Agent (as defined in Section 2.1), such Certificates shall be cancelled and exchanged for FNB Common Stock held in book entry representing the number of whole shares into which the MBI Common Shares represented by the Certificates was converted in the Merger, plus, if applicable pursuant to Section 1.4(e), any payment for any fractional share of FNB Common Stock without any interest thereon and any dividends or distributions to which the holder of such Certificates is entitled pursuant to Section 2.2(b).

(d) Each holder of MBI Common Shares shall have the option of enrolling the whole shares of FNB Common Stock issuable to such shareholder upon the consummation of the Merger in FNB's Dividend Reinvestment and Direct Stock Purchase Plan (the **DRSP Plan**), as long as such shareholder enrolls with a minimum of 50 whole shares of FNB Common Stock. Each MBI shareholder electing to enroll in the DRSP Plan shall be issued FNB Common Stock held in book entry representing the number of whole shares received in the Merger.

(e) Notwithstanding any other provision of this Agreement, each holder of MBI Common Shares who would otherwise be entitled to receive a fractional share of FNB Common Stock, after taking into account all MBI Common

Shares owned by such holder as of immediately prior to the Effective Time, shall receive an

amount in cash, without interest, rounded to the nearest cent, equal to the product obtained by multiplying (a) the Average Closing Price (as defined below) as of the Closing Date by (b) the fraction of a share (calculated to the nearest ten-thousandth when expressed in decimal form) of FNB Common Stock, to which such holder would otherwise be entitled. No such holder shall be entitled to dividends or other rights in respect of any such fractional shares. Average Closing Price means, as of any specified date, the average composite closing price of FNB Common Stock as reported by the NYSE for each of the twenty (20) consecutive trading days ending on and including the fifth such trading day prior to the specified date rounded to the nearest ten-thousandth.

1.5 FNB Capital Stock. At and after the Effective Time, each share of FNB capital stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding and shall not be affected by the Merger.

1.6 MBI Stock Options. Effective as of the Effective Time, each then outstanding option to purchase MBI Common Shares (each, a MBI Stock Option) pursuant to the equity-based compensation plans identified on Section 3.2(a) of the MBI Disclosure Schedule (as defined in Article 3 hereof) (the MBI Stock Plans) and the award agreements evidencing the grants thereunder, granted to any current or former employee or director of MBI or any of the MBI Subsidiaries (as defined in Section 3.1(d)) shall at the Effective Time cease to represent a right to acquire MBI Common Shares and shall be converted automatically into an option to acquire shares of FNB Common Stock on the terms hereinafter set forth. FNB shall assume each such MBI Stock Option in accordance with the terms of the relevant MBI Stock Plan and stock option or other agreement by which it is evidenced, except that from and after the Effective Time: (i) FNB and the Compensation Committee of its Board of Directors, including, if applicable, the entire Board of Directors of FNB, shall be substituted for MBI and the Compensation Committee of the Board of Directors of MBI, including, if applicable, the entire Board of Directors of MBI, administering such MBI Stock Plan, (ii) each MBI Stock Option assumed by FNB may be exercised solely for shares of FNB Common Stock, (iii) the number of shares of FNB Common Stock subject to such MBI Stock Option shall be equal to the number of MBI Common Shares subject to such MBI Stock Option immediately prior to the Effective Time multiplied by the Exchange Ratio, provided that, unless otherwise provided for in such MBI Stock Option, any fractional shares of FNB Common Stock resulting from such multiplication shall be rounded down to the nearest share, and (iv) the exercise price per share of FNB Common Stock under each such option shall be the amount (rounded up to the nearest whole cent) equal to the per share exercise price under each such MBI Stock Option prior to the Effective Time divided by the Exchange Ratio. Notwithstanding clauses (iii) and (iv) of the preceding sentence, each MBI Stock Option that is an incentive stock option shall be adjusted as required by Section 424 of the Code, and the Treasury Regulations promulgated thereunder, so as not to constitute a modification, extension or renewal of the option within the meaning of Section 424(h) of the Code. FNB and MBI agree to take all reasonable and necessary steps to effect the provisions of this Section 1.6. As of the Effective Time, FNB shall issue to each holder of each outstanding MBI Stock Option that has been assumed by FNB a document evidencing the conversion and assumption of such MBI Stock Option by FNB pursuant to this Section 1.6.

1.7 Treatment of MBI ESPP. The right to acquire MBI Common Shares under the SmartBuy Stock Purchase Plan (the MBI ESPP) is not a MBI Stock Option for purposes of this Agreement. Prior to the Effective Time, MBI shall take all actions that are necessary to provide that with respect to the MBI ESPP: (a) the monthly purchase period under the MBI ESPP in progress as of the Effective Time (the Final Purchase Period) shall be deemed to end no later than the tenth (10th) business day prior to the Effective Time; (b) each MBI ESPP participant's accumulated contributions under the MBI ESPP shall be used to purchase MBI Common Shares in accordance with the terms of the MBI ESPP as of the end of the Final Purchase Period and, to the extent not so used to purchase MBI Common Stock, shall be refunded to the MBI ESPP participants; and (c) the MBI ESPP shall terminate immediately following the conclusion of the Final Purchase Period. At the Effective Time, each MBI Common Share purchased under the MBI ESPP (each, a MBI ESPP Share) shall be entitled to receive the Merger Consideration in accordance with Section 1.4 of this Agreement.

Prior to the Effective Time, MBI shall cause Metro Bank, and FNB shall cause FNB Bank, to execute such articles of merger and such other documents and certificates as are necessary or desirable to make the Bank Merger effective (the Bank Merger Certificates) immediately following the Effective Time.

1.11 Right to Revise Structure. FNB may at any time change the method of effecting the combination contemplated by this Agreement if and to the extent it deems such a change to be desirable; provided, however, that no such change shall (i) alter or change the amount or kind of the Merger Consideration (as defined in Section 1.4(a)) provided for in this Agreement, (ii) adversely affect the Tax treatment for MBI s shareholders as a result of receiving the Merger Consideration or the Tax treatment of either party pursuant to this Agreement, or (iii) be reasonably likely to materially impede or delay consummation of the transactions this Agreement contemplates. In the event FNB elects to make such a change, the parties agree to execute appropriate documents to reflect the change.

ARTICLE 2

At or as promptly as practicable following the Effective Time, FNB shall deposit, or shall cause to be deposited, with Registrar and Transfer Company, as exchange agent (Exchange Agent), for the benefit of the holders of Certificates, for exchange in accordance with this Article 2, (i) book entry shares representing the aggregate number of shares of FNB Common Stock issuable pursuant to this Agreement in exchange for the MBI Common Shares outstanding immediately prior to the Effective Time of the Merger and (ii) immediately available funds sufficient in amount to pay (x) any dividends or distributions payable in accordance with Section 2.2(b)(i) and (y) cash in lieu of any fractional shares of FNB Common Stock to be issued pursuant to Section 1.4(e) and paid pursuant to Section 1.4 in exchange for outstanding MBI Common Shares (such immediately available funds and book entry shares of FNB Common Stock, collectively being referred to as the Exchange Fund). Table of Contents**2.2 Exchange Shares.**

(a) As soon as practicable after the Effective Time, but in no event later than ten (10) business days thereafter, the Exchange Agent shall mail to each holder of record of MBI Common Shares a letter of transmittal in customary form as prepared by FNB and reasonably acceptable to MBI, which shall specify, among other things, that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration and any cash in lieu of fractional shares into which the MBI Common Shares represented by such Certificate or Certificates shall have been converted pursuant to this Agreement and any dividends or distributions to which such holder is entitled pursuant to Section 2.2(b). After the Effective Time of the Merger, each holder of a Certificate formerly representing MBI Common Shares, other than Treasury Shares, who surrenders or has surrendered such Certificate or customary affidavits and indemnification regarding the loss or destruction of such Certificate, together with duly executed transmittal materials to the Exchange Agent, shall, upon acceptance thereof, be entitled to: (i) book entry shares representing FNB Common Stock into which the MBI Common Shares shall have been converted pursuant to Section 1.4, (ii) any cash in lieu of any fractional share of FNB Common Stock to which such holder would otherwise be entitled and (iii) any dividends or distributions to which such holder is entitled pursuant to Section 2.2(b). The Exchange Agent shall accept such Certificate upon compliance with such reasonable and customary terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with normal practices. Until surrendered as contemplated by this Section 2.2, each Certificate representing MBI Common Shares shall be deemed from and after the Effective Time of the Merger to evidence only the right to receive the Merger Consideration, any cash in lieu of fractional shares into which the MBI Common Shares represented by such Certificate or Certificates shall have been converted pursuant to this Agreement, and any dividends or distributions to which such holder is entitled pursuant to Section 2.2(b). FNB shall not be obligated to deliver the Merger Consideration, any cash in lieu of fractional shares and/or any declared but unpaid dividends to which any former holder of MBI Common Shares is entitled as a result of the Merger until such holder surrenders his Certificate or Certificates for exchange as provided in this Section 2.2. If any shares of FNB Common Stock, or any cash in lieu of fractional shares and/or declared but unpaid dividends, are to be issued in a name other than that in which a Certificate surrendered for exchange is issued, the Certificate so surrendered shall be properly endorsed and otherwise in proper form for transfer and the person requesting such exchange shall affix any requisite stock transfer tax stamps to the Certificate surrendered or provide funds for their purchase or establish to the satisfaction of the Exchange Agent that such taxes are not payable. If any Certificate shall have been lost, stolen or destroyed, then upon the making of an affidavit, in form and substance reasonably acceptable to FNB, of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by FNB or the Exchange Agent, the posting by such Person of a bond in such amount as FNB and the Exchange Agent may determine is reasonably necessary as indemnity against any claim that may be made against it, FNB or the Surviving Company with respect to such Certificate, the Exchange Agent will deliver in exchange for such lost, stolen or destroyed Certificate the Merger Consideration payable in respect thereof pursuant to this Agreement.

(b) Following surrender of any such Certificate, there shall be paid to the record holder of the whole shares of FNB Common Stock issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of any dividends or distributions, if any, with a record date prior to the Effective Time that have been declared by MBI in respect of MBI Common Shares after the date of this Agreement in accordance with the terms of this Agreement and which remain unpaid at the Effective Time, (ii) at the time of such surrender, the amount of any cash payable in lieu of a fractional share of FNB Common Stock to which such holder is entitled pursuant to Section 1.4(e) and the amount of dividends or other distributions with a record date after the Effective Time of the Merger and which had become payable with respect to such whole shares of FNB Common Stock prior to the time of surrender, and (iii) at the appropriate payment date, the amount of dividends or other distributions, with a record date after the Effective Time of the Merger but prior to surrender and a payment date subsequent to surrender payable with respect to such whole

shares of FNB Common Stock.

(c) After the Effective Time, there shall be no transfers on the stock transfer books of MBI of the MBI Common Shares that were issued and outstanding immediately prior to the Effective Time other than to settle transfers of MBI Common Shares that occurred prior to the Effective Time. If, after the Effective Time, Certificates are presented to FNB for any reason, they shall be cancelled and exchanged as provided in this Agreement. All shares of FNB Common Stock, cash in lieu of fractional shares of FNB Common Stock and/or declared but unpaid dividends issued or paid upon the surrender for exchange of MBI Common Shares (or the provision of customary affidavits and indemnification for lost or mutilated Certificates in accordance with the terms hereof) and the letter of transmittal, shall be deemed to have been issued in full satisfaction of all rights pertaining to such MBI Common Shares.

(d) Any portion of the Exchange Fund, including any interest thereon, that remains undistributed to the shareholders of MBI following the passage of twelve (12) months after the Effective Time of the Merger shall be delivered to FNB, upon demand, and any shareholders of MBI who have not theretofore complied with this Section 2.2 shall thereafter look only to FNB for payment of their claim for FNB Common Stock, any cash in lieu of fractional shares of FNB Common Stock and any unpaid dividends or distributions payable in accordance with Section 2.2(b).

(e) Neither MBI nor FNB shall be liable to any holder of MBI Common Shares or FNB Common Stock, as the case may be, for such shares, any dividends or distributions with respect thereto, or cash from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

(f) The Exchange Agent shall not be entitled to vote or exercise any rights of ownership with respect to the shares of FNB Common Stock held by it from time to time hereunder, except that it shall receive and hold all dividends or other distributions paid or distributed with respect to such shares of FNB Common Stock for the account of the Persons entitled thereto.

2.3 Adjustments for Dilution and Other Matters. If prior to the Effective Time of the Merger, (a) FNB shall declare a stock dividend or distribution on FNB Common Stock with a record date prior to the Effective Time of the Merger, or subdivide, split up, reclassify or combine FNB Common Stock, or make a distribution other than a regular quarterly cash dividend, on FNB Common Stock or on any security convertible into FNB Common Stock, in each case with a record date prior to the Effective Time of the Merger, or (b) the outstanding shares of FNB Common Stock shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities in each case as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in FNB's capitalization, then a proportionate adjustment or adjustments will be made to the Exchange Ratio and, as applicable, the Average Closing Price to give holders of MBI Common Shares the same economic effect as contemplated by this Agreement prior to such event, which adjustment may include, as appropriate, the issuance of securities, property or cash on the same basis as that on which any of the foregoing shall have been issued, distributed or paid to holders of such class of FNB Common Stock generally.

2.4 Withholding Rights. The Exchange Agent or, subsequent to the first anniversary of the Effective Time, FNB, shall be entitled to deduct and withhold from any cash in lieu of fractional shares of FNB Common Stock, cash dividends or distributions payable pursuant to Section 2.2(b) and any other cash amounts otherwise payable pursuant to this Agreement to any holder of MBI Common Shares such amounts as the Exchange Agent or FNB, as the case may be, is required to deduct and withhold under the Code, or any provision of state, local or foreign Tax law, with respect to the making of such payment. To the extent the amounts are so withheld by the Exchange Agent or FNB, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of MBI Common Shares in respect of whom such deduction and withholding was made by the Exchange Agent or FNB, as the case may be.

MBI is duly registered as a bank holding company under the Bank Holding Company Act of 1956, as amended (the BHC Act). MBI is regulated by the Board of Governors of the Federal Reserve System (the Federal Reserve Board).

The deposit accounts of Metro Bank are insured by the FDIC through the Federal Deposit Insurance Fund to the fullest extent permitted by Law, and all premiums and assessments required to be paid in connection therewith have been paid when due. Metro Bank is a member in good standing of the Federal Home Loan Bank of Pittsburgh and owns the requisite amount of stock therein. The articles of incorporation, bylaws and similar governing documents of each Subsidiary of MBI, copies of which have been made available to FNB, are true and correct copies of such documents as amended, supplemented, restated and/or otherwise modified and in effect on the date of this Agreement.

Since June 30, 2015 through the date hereof, MBI has not issued or awarded, or authorized the issuance or award of, any options, restricted stock units or other equity-based awards under the MBI Stock Plans (other than ordinary course elections to invest in MBI Common Shares under the MBI ESPP and the MBI DRIP), or otherwise. 3.3 Authority: No Violation.

(a) MBI has full corporate power and authority to execute and deliver this Agreement and to consummate the transactions this Agreement contemplates, subject to the receipt of the Requisite MBI Vote (as defined below) and Requisite Regulatory Approvals (as defined in Section 7.1(c)). The execution and delivery of this Agreement and the consummation of the transactions this Agreement contemplates have been duly and validly approved by the Board of Directors of MBI. Except for the approval and adoption of this Agreement and the transactions this Agreement contemplates by the vote of sixty-six and two-thirds percent (66 2/3%) of the entire Board of Directors of MBI at a duly called meeting of the Board of Directors of MBI and by the affirmative vote of a majority of votes cast at a meeting of MBI's shareholders at which a quorum is present (such affirmative shareholder vote, the Requisite MBI Vote), no other corporate approvals on the part of MBI are necessary to approve this Agreement or consummate the Merger. Other than those set forth in Section 1.10, no corporate approvals on the part of MBI or Metro Bank are necessary to approve the Bank Merger Agreement or consummate the Bank Merger. This Agreement has been duly and validly executed and delivered by MBI and, assuming the due authorization, execution and delivery of this Agreement by FNB, constitutes the valid and binding obligation of MBI, enforceable against MBI in accordance with its terms, except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar laws affecting the rights of creditors generally and the availability of equitable remedies.

(b) Neither the execution and delivery of this Agreement by MBI nor the consummation by MBI of the transactions this Agreement contemplates, nor compliance by MBI with any of the terms or provisions of this Agreement, will (i) violate any provision of the MBI Articles or the MBI Bylaws or, (ii) assuming that the consents, approvals and filings referred to in Section 3.4 are duly obtained and/or made and are in full force and effect, (A) violate any law, statute, code, ordinance, rule, regulation, judgment, order, writ, decree or injunction issued, promulgated or entered into by or with any Governmental Entity (each, a Law) applicable to MBI, any of the MBI Subsidiaries or any of their respective properties or assets, or (B) violate, conflict with, result in a breach of any provision of, constitute a default or an event which, with notice or lapse of time, or both, would constitute a default under, result in the termination of or a right of termination or cancellation under, accelerate the performance required by, or result in the creation of any

of MBI or any of the MBI Subsidiaries under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, deed of trust, license, lease, agreement or other instrument or obligation to which MBI or any of the MBI Subsidiaries is a party, or by which they or any of their respective properties or assets may be bound or affected, except for such violations, conflicts, breaches, defaults, terminations, cancellations, accelerations or creations with respect to clause (ii) that are not reasonably likely to have, either individually or in the aggregate, a Material Adverse Effect on MBI.

3.4 Consents and Approvals. Except for (a) the filing by FNB of applications and notices, as applicable, with the Federal Reserve Board under the BHC Act, and the Federal Reserve Act, as amended, and the Pa DOB under the Pennsylvania Banking Code of 1965, and approval of such applications and notices, and, in connection with the Bank Merger, the filing of applications and notices, as applicable, with the FDIC and the Office of the Comptroller of the Currency (OCC), and approval of such applications and notices, (b) the filing with the Securities and Exchange Commission of a joint proxy statement in definitive form relating to the meeting of MBI s shareholders to be held in connection with this Agreement (the Joint Proxy Statement) and of a registration statement on Form S-4 (the Registration Statement) in which the Joint Proxy Statement will be included as a prospectus, and the declaration of effectiveness of the Registration Statement, (c) the filing of a Statement of Merger with, and its acceptance for record by, the Secretary of State of the Commonwealth of Pennsylvania pursuant to the ETL, the filing of Articles of Merger with, and their acceptance for record by, the Secretary of State of the State of Florida pursuant to the FBCA, and the filing of the Bank Merger Certificates, (d) such filings and approvals as are required to be made or obtained under the securities or Blue Sky laws of various states in connection with the issuance of the shares of FNB Common Stock pursuant to this Agreement, and approval of the listing on the NYSE of such shares of FNB Common Stock issuable in the Merger and (e) the receipt of the Requisite MBI Vote, no consents or approvals of, or filings or registrations with any court, administrative agency or commission or other governmental authority or instrumentality of any federal, state, local or foreign government (each, a Governmental Entity) or any industry self-regulatory organization, including the Financial Industry Regulatory Authority, Inc. (SRO), are necessary in connection with (i) the execution and delivery by MBI of this Agreement and (ii) the consummation by MBI of the Merger and the other transactions this Agreement contemplates. No event has occurred, nor has any circumstance arisen, that, to the knowledge of MBI, would reasonably be likely, either individually or together with any other event or circumstance, to impair the ability to obtain or materially delay the receipt of the Requisite Regulatory Approvals on a timely basis or result in the imposition of a Materially Burdensome Regulatory Condition.

3.5 Reports. MBI and each of the MBI Subsidiaries have in all material respects timely filed all reports, registrations and statements, together with any amendments required to be made with respect thereto, that they were required to file since December 31, 2012 with (a) the Federal Reserve Board, (b) the FDIC, (c) the OCC, (d) the Pa DOB and any other state regulatory authority, (e) any foreign regulatory authority, (f) any SRO and (g) the SEC (collectively, Regulatory Agencies and individually, a Regulatory Agency) and with each other applicable Governmental Entity, and all other reports and statements required to be filed by them since December 31, 2012, including any report or statement required to be filed pursuant to the laws, rules or regulations of the United States, any state, any local government, any foreign entity, or any Regulatory Agency, and have paid all fees and assessments due and payable in connection therewith. Except for normal examinations conducted by a Regulatory Agency in the ordinary course of the business of MBI and each of the MBI Subsidiaries, no Regulatory Agency has initiated or has pending any proceeding or, to the knowledge of MBI, investigation into the business or operations of MBI or any of the MBI Subsidiaries since December 31, 2012. There is no unresolved material violation, criticism or exception by any Regulatory Agency with respect to any report or statement relating to any examinations or inspections of MBI or any of the MBI Subsidiaries.

3.6 SEC Reports: Financial Statements.

(a) MBI and each MBI Subsidiary has filed or furnished on a timely basis to the SEC, all material forms, reports, schedules, statements and other documents required to be filed or furnished by it to the SEC under the Securities Act of 1933, as amended (the "Securities Act"), under the Securities Exchange Act of 1934, as

A-10

amended (the Exchange Act), or under the securities regulations of the SEC since December 31, 2012 (all such filed or furnished documents, together with all exhibits and schedules thereto and all information incorporated therein by reference, the MBI Reports). As of their respective filing dates (and, in the case of registration statements and proxy statements, as of the dates of effectiveness and the dates of mailing, respectively), except to the extent that any MBI Report has been amended by a subsequently filed MBI Report prior to the date hereof, in which case, as of the date of such amendment, (i) the MBI Reports complied in all material respects with the applicable requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act of 2002 (the Sarbanes-Oxley Act), as the case may be, and (ii) none of the MBI Reports contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. None of MBI s Subsidiaries is required to file periodic reports with the SEC pursuant to Section 13 or 15(d) of the Exchange Act.

(b) The financial statements (including the related notes thereto) included (or incorporated by reference) in the MBI Reports comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto, have been prepared in accordance with GAAP (except, in the case of unaudited statements, as permitted by Form 10-Q of the SEC) applied on a consistent basis during the periods involved (except as may be expressly indicated in the notes thereto) and fairly present in all material respects the consolidated financial position of MBI and its Subsidiaries as of the dates thereof and their respective consolidated results of operations, changes in shareholders equity and changes in cash flows for the periods then ended (subject, in the case of unaudited statements, to normal and recurring adjustments that were not, or are not expected to be, material in amount), all in accordance with GAAP and the applicable rules and regulations promulgated by the SEC.

(c) There are no outstanding comments from or unresolved issues raised by the SEC staff with respect to the MBI Reports.

(d) The books and records of MBI and its Subsidiaries have been, and are being, maintained in all material respects in accordance with applicable legal and accounting requirements and reflect only actual transactions. The records, systems, controls, data and information of MBI and its Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of MBI or its Subsidiaries or accountants (including all means of access thereto and therefrom), except for any non-exclusive ownership and non-direct control that would not reasonably be likely to have a material adverse effect on the system of internal accounting controls described in the following sentence. MBI and its Subsidiaries have implemented and maintain a system of internal accounting controls effective to provide reasonable assurances regarding the reliability of financial reporting and the preparation of financial statements in accordance with GAAP. MBI (i) has implemented and maintains disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) effective to ensure that material information relating to MBI, including its consolidated Subsidiaries, is made known to the Chief Executive Officer and the Chief Financial Officer of MBI by others within those entities to allow timely decisions regarding required disclosure and to make the certifications required by the Exchange Act with respect to the MBI Reports and (ii) has disclosed, based on its most recent evaluation prior to the date of this Agreement, to MBI s outside auditors and the audit committee of the Board of Directors of MBI (A) any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) that would be reasonably likely to adversely affect MBI s ability to accurately record, process, summarize and report financial information and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in MBI s internal control over financial reporting.

(e) Since December 31, 2012, (A) neither MBI nor any of its Subsidiaries nor, to the knowledge of MBI, any director, officer, employee, auditor, accountant or representative of MBI or any of its Subsidiaries has received or otherwise

had or obtained knowledge of any material complaint, allegation, assertion or claim,

whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of MBI or any of its Subsidiaries or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that MBI or any of its Subsidiaries has engaged in questionable accounting or auditing practices, and (B) no attorney representing MBI or any of its Subsidiaries, whether or not employed by MBI or any of its Subsidiaries, has reported evidence of a material violation of securities laws, breach of fiduciary duty or similar violation by MBI or any of its officers, directors, employees or agents to the MBI Board of Directors or any committee thereof or to any of MBI's directors or officers.

(f) No agreement pursuant to which any loans or other assets have been or shall be sold by MBI or the MBI Subsidiaries entitle the buyer of such loans or other assets, unless there is a material breach of a representation or covenant by MBI or the MBI Subsidiaries, to cause MBI or the MBI Subsidiaries to repurchase such loan or other assets or the buyer to pursue any other form of recourse against MBI or the MBI Subsidiaries, and there has been no material breach by MBI or the MBI Subsidiaries of a representation or covenant in any such agreement. The MBI Reports have disclosed, since December 31, 2014, any cash, stock or other dividend or any other distribution with respect to the capital stock of MBI that has been declared, set aside or paid.

3.7 Broker's Fees. Except for Sandler O'Neill + Partners, L.P., neither MBI nor any MBI Subsidiary nor any of their respective officers or directors has employed any broker or finder or incurred any liability for any broker's fees, commissions or finder's fees in connection with the Merger or related transactions this Agreement contemplates.

3.8 Absence of Certain Changes or Events. Since December 31, 2014, (i) MBI and the MBI Subsidiaries have, except in connection with the negotiation and execution and delivery of this Agreement, carried on their respective businesses in all material respects in the ordinary course consistent with past practice and (ii) there has not been any Material Adverse Effect with respect to MBI.

3.9 Legal Proceedings.

(a) There is no pending, or, to MBI's knowledge, threatened, litigation, action, suit, proceeding, investigation or arbitration by any individual, partnership, corporation, trust, joint venture, organization, Governmental Entity or other entity (each, a "Person") relating to MBI, any of the MBI Subsidiaries or any of their respective properties or permits, licenses or authorizations that has had, or is reasonably likely to have a Material Adverse Effect on MBI.

(b) There is no judgment or order of any Governmental Entity or regulatory restriction, other than those of general application that apply to similarly situated financial or bank holding companies or their Subsidiaries, that has been imposed upon MBI, any of the MBI Subsidiaries or the assets of MBI or any of the MBI Subsidiaries, that has had, or is reasonably likely to have, a Material Adverse Effect on MBI.

3.10 Taxes and Tax Returns.

Without limiting the generality of the foregoing, neither MBI nor any of the MBI Subsidiaries, nor, to MBI's knowledge, any of their respective ERISA Affiliates, has engaged in any transaction described in Sections 4069, 4204 or 4212 of ERISA.

There are no Liens for Taxes, other than statutory liens for Taxes not yet due and payable, upon any of the assets of FNB or any of its Subsidiaries. Neither FNB nor any of its Subsidiaries is a party to or is bound by any Tax sharing, allocation or indemnification agreement or arrangement, other than such an agreement or arrangement exclusively between or among FNB and its Subsidiaries. Except as disclosed in Section 4.10 of the FNB Disclosure Schedules, neither FNB nor any of its Subsidiaries (A) has been a member of an affiliated group filing a consolidated federal income Tax Return, other than a group the common parent of which was FNB, or (B) has any liability for the Taxes of any Person, other than FNB or any of its Subsidiaries, under Treas. 4.11 **Employee Benefits**. For purposes of this Agreement, the following terms shall have the following meanings:

FNB Benefit Plan means any employee benefit or compensation plan, program, policy, practice, or other arrangement providing benefits to any current or former employee, officer or director of FNB or any of its Subsidiaries or any beneficiary or dependent thereof that is sponsored or maintained by FNB or any of its Subsidiaries or to which FNB or any of its Subsidiaries contributes or is obligated to contribute, whether or not written, including any employee welfare benefit plan within the meaning of Section 3(1) of ERISA, any employee pension benefit plan within the meaning of Section 3(2) of ERISA, whether or not such plan is subject to ERISA, and any bonus, incentive, deferred compensation, vacation, stock purchase, stock option, equity compensation, severance, employment, change of control or fringe benefit plan, program or policy.

FNB Employment Agreement means a contract, offer letter or agreement of FNB or any of its Subsidiaries with or addressed to any individual who is rendering or has rendered services thereto as an employee pursuant to which FNB or any of its Subsidiaries has any actual or contingent liability or obligation to provide compensation and/or benefits in consideration for past, present or future services.

(a) Section 4.11(a) of the FNB Disclosure Schedule includes a complete list of all FNB Benefit Plans and all FNB Employment Agreements.

FNB has made available to MBI a true, correct and complete copy of each FNB Employment Agreement.

(c) All contributions required to be made to any FNB Benefit Plan by applicable Law or by any plan document or other contractual undertaking, and all premiums due or payable with respect to insurance policies funding any FNB Benefit Plan, for the period six (6) years prior to and through the date of this Agreement, have been timely made or paid in full or, to the extent not required to be made or paid on or before the date of this Agreement, have been fully reflected on the financial statements to the extent required by GAAP. Each FNB Benefit Plan that is an employee welfare benefit plan under Section 3(1) of ERISA either (i) is funded through an insurance company contract and is not a welfare benefit fund within the meaning of Section 419 of the Code or (ii) is unfunded.

(d) With respect to each FNB Benefit Plan, FNB and its Subsidiaries have complied, and are in compliance, in all material respects, with all provisions of ERISA, the Code and all laws and regulations applicable to such FNB Benefit Plans, including Code Section 409A. Each FNB Benefit Plan has been administered in all material respects in accordance with its terms. There are not now, nor do any circumstances exist that would reasonably be likely to give

rise to, any requirement for the posting of security with respect to a FNB Benefit Plan or the imposition of any material lien on the assets of FNB or any of its Subsidiaries under ERISA or the Code. Section 4.11(d) of the FNB Disclosure Schedule identifies each FNB Benefit Plan that is

intended to be a qualified plan within the meaning of Section 401(a) of the Code (FNB Qualified Plans). The IRS has issued a favorable determination letter with respect to each FNB Qualified Plan and the related trust which has not been revoked, or FNB is entitled to rely on a favorable opinion issued by the IRS. To the knowledge of FNB, there are no existing circumstances and no events have occurred that would reasonably be likely to adversely affect the qualified status of any FNB Qualified Plan or the related trust. To the knowledge of FNB, none of FNB and its Subsidiaries nor any other Person, including any fiduciary, has engaged in any prohibited transaction , as defined in Section 4975 of the Code or Section 406 of ERISA, which would reasonably be likely to subject FNB, any of its Subsidiaries or any Person that FNB or any of its Subsidiaries has an obligation to indemnify, to any material Tax or penalty imposed under Section 4975 of the Code or Section 502 of ERISA.

(e) No FNB Benefit Plan that is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code has failed to satisfy the minimum funding standards contained in Section 302 of ERISA and Section 412 of the Code. With respect to such FNB Benefit Plans, except as would not have, individually or in the aggregate, a Material Adverse Effect: (i) the fair market value of the assets of such FNB Benefit Plan equals or exceeds the actuarial present value of all accrued benefits under such FNB Benefit Plan, whether or not vested, on a termination basis, (ii) no reportable event within the meaning of Section 4043(c) of ERISA for which the 30-day notice requirement has not been waived has occurred, (iii) all premiums to the PBGC have been timely paid in full, (iv) no liability, other than for premiums to the PBGC, under Title IV of ERISA has been or would reasonably be likely to be incurred by FNB or any of its Subsidiaries and (v) the PBGC has not instituted proceedings to terminate any such FNB Benefit Plan and, to FNB s knowledge, no condition exists that makes it reasonably likely that such proceedings will be instituted or which would reasonably be likely to constitute grounds under Section 4042 of ERISA for the termination of, or the appointment of a trustee to administer, any such FNB Benefit Plan.

(f) (i) No FNB Benefit Plan is a Multiemployer Plan or a Multiple Employer Plan, (ii) none of FNB and its Subsidiaries nor any of their respective ERISA Affiliates has, at any time during the last six years, contributed to or been obligated to contribute to any Multiemployer Plan or Multiple Employer Plan and (iii) none of FNB and its Subsidiaries nor any of their respective ERISA Affiliates has incurred, during the last six years, any Withdrawal Liability that has not been satisfied in full. There does not now exist, nor do any circumstances exist that would reasonably be likely to result in, any Controlled Group Liability that would be a liability of FNB or any of its Subsidiaries following the Effective Time, other than such liabilities that arise solely out of, or relate solely to, the FNB Benefit Plans or the FNB Employment Agreements. Without limiting the generality of the foregoing, neither FNB nor any of its Subsidiaries, nor, to FNB s knowledge, any of their respective ERISA Affiliates, has engaged in any transaction described in Sections 4069, 4204 or 4212 of ERISA.

(g) Other than as set forth in Section 4.11(g) of the FNB Disclosure Schedule, FNB and its Subsidiaries have no liability for life, health, medical or other welfare benefits to former employees or beneficiaries or dependents thereof, except for health continuation coverage as required by Section 4980B of the Code, Part 6 of Title I of ERISA or applicable law and at no expense to FNB and its Subsidiaries.

(h) Neither the execution nor the delivery of this Agreement nor the consummation of the transactions this Agreement contemplates will, either alone or in conjunction with any other event, whether contingent or otherwise, (i) result in any payment or benefit becoming due or payable, or required to be provided, to any director, employee or independent contractor of FNB or any of its Subsidiaries, (ii) increase the amount or value of any benefit or compensation otherwise payable or required to be provided to any such director, employee or independent contractor, (iii) result in the acceleration of the time of payment, vesting or funding of any such benefit or compensation, including deferred compensation, or (iv) result in any amount failing to be deductible by reason of Section 280G of the Code or would be subject to an excise tax under Section 4999 of the Code or additional tax under Section 409A of the Code.

(i) No labor organization or group of employees of FNB or any of its Subsidiaries has made a pending demand for recognition or certification, and there are no representation or certification proceedings or

ADDITIONAL AGREEMENTS

6.1 **Regulatory Matters**.

(a) FNB agrees to prepare and file, as soon as practicable (but in any case, within sixty (60) days of the date of this Agreement), the Registration Statement with the SEC in connection with the issuance of FNB Common Stock in the Merger including the Joint Proxy Statement and prospectus and other proxy solicitation materials of MBI and FNB constituting a part thereof and all related documents. MBI shall prepare and furnish to

Table of Contents

FNB such information relating to it and its Subsidiaries, directors, officers and shareholders as may be reasonably required in connection with the above referenced documents based on its knowledge of and access to the information required for said documents. MBI and its legal, financial and accounting advisors shall have the right to review in advance and approve, which approval shall not be unreasonably withheld, such Registration Statement prior to its filing. MBI agrees to cooperate with FNB and FNB's counsel and accountants in requesting and obtaining appropriate opinions, consents and letters from its financial advisor and independent auditor in connection with the Registration Statement and the Joint Proxy Statement. As long as MBI has cooperated as described above, FNB agrees to file, or cause to be filed, the Registration Statement and the Joint Proxy Statement with the SEC as promptly as reasonably practicable. Each of MBI and FNB agrees to use its reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as reasonably practicable after the filing thereof. FNB also agrees to use its reasonable best efforts to obtain all necessary state securities law or Blue Sky permits and approvals required to carry out the transactions this Agreement contemplates. After the SEC has declared the Registration Statement effective under the Securities Act, each of MBI and FNB shall promptly mail the Joint Proxy Statement to their respective shareholders, and the expenses in connection therewith shall be borne in accordance with Section 9.3(a).

(b) Each of MBI and FNB agrees that none of the respective information supplied or to be supplied by it for inclusion or incorporation by reference in the Registration Statement shall, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading. Each of MBI and FNB agrees that none of the information supplied or to be supplied by it for inclusion or incorporation by reference in the Joint Proxy Statement and any amendment or supplement thereto shall at the dates of mailing to MBI's shareholders and FNB's shareholders, the MBI Shareholders Meeting and the FNB Shareholders Meeting contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which such statements were made, not misleading. Each of MBI and FNB further agrees that if such party shall become aware prior to the Effective Time of any information furnished by such party that would cause any of the statements in the Registration Statement or the Joint Proxy Statement to be false or misleading with respect to any material fact, or to omit to state any material fact necessary to make the statements therein not false or misleading, to promptly inform the other party thereof and an appropriate amendment or supplement describing such information shall be filed promptly with the SEC and, to the extent required by law, disseminated to the shareholders of MBI.

(c) FNB agrees to advise MBI, promptly after FNB receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of FNB Common Stock for offering or sale in any jurisdiction, of the initiation or, to the extent FNB is aware thereof, threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

(d) The parties shall cooperate with each other and use their respective reasonable best efforts to promptly (but in any case, within sixty (60) days of the date of this Agreement) prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties, Regulatory Agencies and Governmental Entities that are necessary or advisable to consummate the transactions this Agreement contemplates, including the Merger and the Bank Merger, and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such Regulatory Agencies and Governmental Entities. MBI and FNB shall have the right to review in advance, and, to the extent practicable, each will consult the other on, in each case subject to applicable Laws relating to the exchange of information, all the information relating to MBI or FNB, as the case may be, and any of their respective Subsidiaries, which appear in any filing made with, or written materials submitted to, any third party, Regulatory Agency or any

Governmental Entity in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the parties shall act

reasonably and as promptly as practicable. The parties shall consult with each other with respect to the obtaining of all permits, consents, approvals and authorizations of all third parties, Regulatory Agencies and Governmental Entities necessary or advisable to consummate the transactions this Agreement contemplates and each party will keep the other apprised of the status of matters relating to completion of the transactions this Agreement contemplates. In furtherance and not in limitation of the foregoing, each of FNB and MBI shall use their respective reasonable best efforts to avoid the entry of, or to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that would restrain, prevent or delay the Closing. Notwithstanding the foregoing, nothing in this Agreement shall be deemed to require FNB or MBI to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing permits, consents, approvals and authorizations of Regulatory Agencies or Governmental Entities that would reasonably be likely to have a Material Adverse Effect on FNB, the Surviving Company or MBI, as the case may be, after giving effect to the Merger, after the Effective Time (a **Materially Burdensome Regulatory Condition**). In addition, MBI agrees to cooperate and use its reasonable best efforts to assist FNB in preparing and filing such petitions and filings, and in obtaining such permits, consents, approvals and authorizations of third parties, Regulatory Agencies and Governmental Entities, that may be necessary or advisable to effect any mergers and/or consolidations of Subsidiaries of MBI and FNB following consummation of the Merger.

(e) Each of FNB and MBI shall, upon request, furnish to the other all information concerning itself, its Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with the Joint Proxy Statement, the Registration Statement or any other statement, filing, notice or application made by or on behalf of FNB, MBI or any of their respective Subsidiaries to any Regulatory Agency or Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement.

(f) Each of FNB and MBI shall promptly provide each other with any written communications received from any Regulatory Agency or Governmental Entity with respect to the transactions contemplated by this Agreement and will promptly advise the other upon receiving any oral communication with respect to the transactions contemplated by this Agreement from any Regulatory Agency or Governmental Entity whose consent or approval is required for consummation of the transactions this Agreement contemplates.

(g) MBI and FNB shall consult with each other before issuing any press release with respect to the Merger or this Agreement and shall not issue any such press release or make any such public statements without the prior consent of the other party, which shall not be unreasonably withheld; provided, however, that a party may, without the prior consent of the other party, but after such consultation, to the extent practicable under the circumstances, issue such press release or make such public statements as may upon the advice of outside counsel be required by Law or the rules or regulations of the SEC, the Federal Reserve Board, the FDIC, the OCC, the NYSE or NASDAQ. In addition, the Chief Executive Officers of MBI and FNB shall be permitted to respond to appropriate questions about the Merger from the press. MBI and FNB shall cooperate to develop all public announcement materials and make appropriate management available at presentations related to the Merger as reasonably requested by the other party.

6.2 Access to Information.

(a) Upon reasonable notice and subject to applicable Laws relating to the exchange of information, each of MBI and FNB shall, and shall cause each of their respective Subsidiaries to, afford to the officers, employees, accountants, counsel and other representatives of the other, reasonable access, during normal business hours during the period prior to the Effective Time, to all its properties, books, contracts, commitments and records, and, during such period, the parties shall, and shall cause their respective Subsidiaries to, make available to the other party all other information concerning its business, properties and personnel as the other party may reasonably request. MBI shall, and shall cause each of its Subsidiaries to, provide to FNB a copy of each report, schedule and other document filed or received

by it during such period pursuant to the requirements

of federal or state banking laws other than reports or documents that such party is not permitted to disclose under applicable Law. Neither MBI nor FNB nor any of their Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would be likely to jeopardize or prejudice the attorney-client privilege or attorney work-product protection of such party or its Subsidiaries or contravene any law, rule, regulation, order, judgment, decree, fiduciary duty or binding agreement entered into prior to the date of this Agreement, including Laws relating to confidential supervisory information. The parties shall make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply to the extent possible in light of those restrictions.

(b) All information and materials provided pursuant to this Agreement shall be subject to the provisions of the Confidentiality Agreements entered into between MBI and FNB (the Confidentiality Agreements).

(c) No investigation by either of the parties or their respective representatives shall affect the representations and warranties of the other set forth in this Agreement.

6.3 Shareholder Approvals.

(a) MBI shall call a meeting of its shareholders for the purpose of obtaining the Requisite MBI Vote (the MBI Shareholders Meeting), and shall use its reasonable best efforts to convene such meeting as soon as reasonably practicable following the Registration Statement being declared effective. Subject to Section 6.11(b), MBI shall (i) through the Board of Directors of MBI, recommend that the shareholders of MBI approve and adopt this Agreement, and approve the Merger and the other transactions this Agreement contemplates, (ii) include such recommendation in the Joint Proxy Statement (the MBI Recommendation), and (iii) subject to the fiduciary duties of the Board of Directors of MBI, use its reasonable best efforts to obtain from its shareholders a vote approving and adopting the Merger and this Agreement. Without limiting the generality of the foregoing, MBI's obligations pursuant to the first sentence of this Section 6.3 shall not be affected by the commencement, public proposal, public disclosure or communication to MBI of any Acquisition Proposal (as defined in Section 6.11(e)(i)) or by any change in MBI Recommendation.

(b) FNB shall call a meeting of its shareholders for the purpose of obtaining the Requisite FNB Vote (the FNB Shareholders Meeting), and shall use its reasonable best efforts to convene such meeting as soon as reasonably practicable following the Registration Statement being declared effective. FNB shall recommend that the shareholders of FNB approve the issuance of FNB Common Stock pursuant to this Agreement and use its reasonable best efforts to obtain from its shareholders a vote approving such issuance in accordance with Section 312.03 of the New York Stock Exchange Listed Company Manual. FNB shall adjourn or postpone the FNB Shareholders Meeting if, as of the time for which such meeting is scheduled, there are insufficient shares of FNB Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of such meeting, or if on the date of such meeting FNB has not received proxies representing a sufficient number of shares necessary to obtain the Requisite FNB Vote. Notwithstanding anything to the contrary herein, the FNB Shareholders Meeting shall be convened and the issuance of FNB Common Stock pursuant to this Agreement shall be submitted to the shareholders of FNB at the FNB Shareholders Meeting for the purpose of voting on such issuance, and nothing contained herein shall be deemed to relieve FNB of such obligation.

(c) MBI and FNB shall cooperate to schedule and convene the MBI Shareholders Meeting and the FNB Shareholders Meeting on the same date.

6.4 Commercially Reasonable Efforts; Cooperation. Each of MBI and FNB agrees to exercise good faith and use its commercially reasonable best efforts to satisfy the various covenants and conditions to Closing in this Agreement, and

to consummate the transactions this Agreement contemplates as promptly as possible.

6.5 NYSE Approval. FNB shall cause the shares of FNB Common Stock to be issued in the Merger to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Effective Time.

A-40

Table of Contents**6.6 Benefit Plans.**

(a) As soon as administratively practicable after the Effective Time, FNB shall take all reasonable action so that employees of MBI and the MBI Subsidiaries shall be entitled to participate in each FNB Benefit Plan of general applicability with the exception of FNB's defined benefit pension plan and any other plan frozen to new participants (collectively, the FNB Eligible Plans) to the same extent as similarly-situated employees of FNB and its Subsidiaries, it being understood that inclusion of the employees of MBI and the MBI Subsidiaries in the FNB Eligible Plans may occur at different times with respect to different plans, provided that coverage shall be continued under corresponding MBI Benefit Plans until such employees are permitted to participate in the FNB Eligible Plans and provided further, however, that nothing contained in this Agreement shall require FNB or any of its Subsidiaries to make any grants to any former employee of MBI under any discretionary equity compensation plan of FNB or to provide the same level of (or any) employer contributions or other benefit subsidies as MBI or the MBI Subsidiaries have provided. Notwithstanding the foregoing, during the period commencing at the Effective Time and ending on the first anniversary thereof, FNB or its Subsidiaries shall provide severance payments and benefits to each employee of MBI and the MBI Subsidiaries that are no less favorable than the more favorable of the severance payments and benefits (x) set forth on Section 6.6(a) of the MBI Disclosure Schedule and (y) provided by FNB and its Subsidiaries to their similarly situated employees

(b) FNB shall cause each FNB Eligible Plan in which employees of MBI and the MBI Subsidiaries are eligible to participate, to recognize, for purposes of determining eligibility to participate in, and vesting of, benefits under the FNB Eligible Plans, the service of such employees with MBI and the MBI Subsidiaries to the same extent as such service was credited for such purpose by MBI or the MBI Subsidiaries, and, solely for purposes of FNB's vacation programs, for purposes of determining the benefit amount, provided, however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits. Except for the commitment to continue those MBI Benefit Plans that correspond to FNB Eligible Plans until employees of MBI and the MBI Subsidiaries are included in such FNB Eligible Plans, nothing in this Agreement shall limit the ability of FNB to amend or terminate any of the MBI Benefit Plans in accordance with and to the extent permitted by their terms at any time permitted by such terms.

(c) At and following the Effective Time, and except as otherwise provided in this Section 6.6, FNB shall honor, and the Surviving Company shall continue to be obligated to perform, in accordance with their terms, all benefit obligations to, and contractual rights of, current and former employees of MBI and the MBI Subsidiaries and current and former directors of MBI and the MBI Subsidiaries existing as of the Effective Date under any MBI Benefit Plan. Any years of service recognized for purposes of this Section 6.6(c) will be taken into account under the terms of any generally applicable severance policy of FNB or its Subsidiaries.

(d) At such time as employees of MBI and the MBI Subsidiaries become eligible to participate in a medical, dental or health plan of FNB or its Subsidiaries, FNB shall, to the extent reasonably practicable and available from its insurers, cause each such plan to (i) waive any preexisting condition limitations to the extent such conditions are covered under the applicable medical, health or dental plans of FNB, (ii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to such employee or dependent on or after the Effective Time to the extent such employee or dependent had satisfied any similar limitation or requirement under an analogous MBI Benefit Plan prior to the Effective Time, and (iii) provide each such employee of MBI and the MBI Subsidiaries and his or her eligible dependents with credit for any co-payments or coinsurance and deductibles paid prior to the Effective Time under an MBI Benefit Plan (to the same extent that such credit was given under the analogous MBI Benefit Plan prior to the Effective Time) in satisfying any applicable deductible, co-payment, coinsurance or maximum out-of-pocket requirements under any medical, dental or health plan of FNB or its Subsidiaries.

(e) MBI shall adopt such Board resolutions and take such other action as FNB may reasonably request at least thirty (30) days prior to the Effective Time to cause the 401(k) Plan to be amended to freeze the employer stock fund and to be terminated immediately prior to the Effective Time (the Plan Termination Date)

A-41

Table of Contents

and the accounts of all participants and beneficiaries in the 401(k) Plan as of the Plan Termination Date to become fully vested as of the Plan Termination Date. As soon as practicable after the Effective Time, but in no event later than six (6) months after the Plan Termination Date, FNB shall file or cause to be filed all necessary documents with the IRS for a determination letter that the termination of the 401(k) Plan as of the Plan Termination Date will not adversely affect the plan's qualified status. FNB shall use its reasonable best efforts to obtain such favorable determination letter; including adopting such amendments to the 401(k) Plan as may be requested by the IRS as a condition to its issuance of a favorable determination letter. As soon as practicable following the receipt of a favorable determination letter from the IRS regarding the qualified status of the 401(k) Plan upon its termination, the account balances in the 401(k) Plan shall be distributed to participants and beneficiaries or transferred to an eligible tax-qualified retirement plan or individual retirement account as a participant or beneficiary may direct. The Surviving Company shall take all other actions necessary to complete the termination of the 401(k) Plan, including filing a Final Form 5500, that arise after the Effective Time. FNB agrees, to the extent permitted by applicable Law, to permit 401(k) Plan participants who become employees of FNB or its Subsidiaries to roll over their account balances in the 401(k) Plan and loans from the 401(k) Plan to the F.N.B. Corporation Progress Savings 401(k) Plan. Notwithstanding anything in Section 6.6(a) to the contrary, employees of MBI or any MBI Subsidiary who continue in employment with the Surviving Company following the Effective Time shall be eligible as of the Effective Time to participate in the F.N.B. Corporation Progress Savings 401(k) Plan.

(f) Immediately prior to the Effective Time, MBI shall, at the written request of FNB, freeze or terminate each other MBI Benefit Plan as requested by FNB.

(g) MBI shall take such action, and provide any required notices, as may be necessary or appropriate to cause any Person presently serving as a trustee or administrator to any MBI Benefit Plan to be removed effective as of the Effective Time and to appoint FNB, First National Trust Company, or such other FNB Subsidiary or committee as FNB shall specify, to serve as successor trustee or administrator to such removed individual trustees or administrators effective as of the Effective Time.

(h) Nothing contained in this Agreement is intended to (i) be treated as an amendment of any particular MBI Benefit Plan; (ii) prevent FNB, MBI or any of their successors or Affiliates, after the Effective Time, from terminating the employment of any MBI employee who remains employed with MBI or any of the MBI Subsidiaries; or (iii) create any third party beneficiary rights in any employee of MBI or any of the MBI Subsidiaries, or any beneficiary or dependent thereof, with respect to the compensation, terms and conditions of employment and/or benefits that may be provided to any MBI employee by FNB, MBI or any of their successors or Affiliates or under any benefit plan which FNB, MBI or any of their successors or Affiliates may maintain.

6.7 Indemnification; Directors and Officers Insurance.

(a) In the event of any threatened or actual claim, action, suit, proceeding or investigation, whether civil, criminal or administrative, including any such claim, action, suit, proceeding or investigation (each a Claim) in which any individual who is now, or has been at any time prior to the date of this Agreement, or who becomes prior to the Effective Time, a director or officer of MBI or any of the MBI Subsidiaries or who is or was serving at the request of MBI or any of the MBI Subsidiaries as a director, officer, employee, member, trustee or fiduciary of another Person (the Indemnified Parties), is, or is threatened to be, made a party based in whole or in part on, or arising in whole or in part out of, or pertaining to (i) the fact that he is or was a director or officer of MBI or any of the MBI Subsidiaries or was serving at the request of the MBI or any of the MBI Subsidiaries as a director, officer, employee, member, trustee or fiduciary of another Person or (ii) this Agreement or any of the transactions this Agreement contemplates, whether asserted or arising before or after the Effective Time, the parties shall cooperate and use their best efforts to defend against such Claim and respond thereto. From and after the Effective Time, FNB shall, and shall cause the Surviving

Company to, (A) indemnify and hold harmless, as and to the fullest extent currently provided under applicable Law, the MBI Articles and the MBI Bylaws, each such Indemnified Party against any losses, claims, damages, liabilities, costs, expenses, including reimbursement

for reasonable fees and expenses, including fees and expenses of legal counsel, and judgments, fines and amounts paid in settlement in connection with any such threatened or actual Claim and (B) advance expenses as incurred (including in advance of the final disposition of any Claim) by such Indemnified Party to the fullest extent permitted by applicable Law; provided that the Indemnified Party to whom expenses are advanced provides an undertaking (in a reasonable and customary form) if required by applicable Law to repay such advances if it is ultimately determined that such Indemnified Party is not entitled to indemnification.

(b) FNB and the Surviving Company agree that all rights to indemnification of liabilities, including advancement of expenses, and all limitations with respect thereto, existing in favor of any Indemnified Person, as provided under Section 6.7(a), shall survive the Merger and shall continue in full force and effect, without any amendment thereto; provided, however, that any determination required to be made with respect to whether an Indemnified Party's conduct complies with the standards set forth under the PBCL, the MBI Articles or the MBI Bylaws, as the case may be, shall be made by independent legal counsel, whose fees and expenses shall be paid by FNB and the Surviving Company, selected by such Indemnified Party and reasonably acceptable to FNB; and, provided further that nothing in this Section 6.7 shall impair any rights or obligations of any current or former director or officer of MBI or its Subsidiaries, including pursuant to the respective organizational documents of MBI, or its Subsidiaries, under the PBCL or otherwise.

(c) Prior to the Effective Time, FNB shall obtain at the expense of MBI, and FNB shall maintain for a period of six years following the Effective Time, directors' and officers' liability insurance and fiduciary liability insurance policies covering the Indemnified Parties who as of the Effective Time are covered by MBI's directors' and officers' liability insurance or fiduciary liability insurance policies, in respect of acts or omissions occurring at or prior to the Effective Time, including the transactions this Agreement contemplates, provided that these policies must be of at least the same coverage amounts and contain coverage terms and conditions that are not less advantageous than such policies of MBI. The provisions of the immediately preceding sentence shall be deemed to have been satisfied if prepaid policies have been obtained prior to the Effective Time from an insurer or insurers selected by FNB that have an insurer financial strength rating by A.M. Best Co. of at least A-, which policies provide the Indemnified Parties with coverage, from the Effective Time to the sixth anniversary of the Effective Time, including in respect of the transactions this Agreement contemplates, on terms that are no less advantageous to the Indemnified Parties than MBI's directors' and officers' liability insurance or fiduciary liability insurance policies existing immediately prior to the date of this Agreement. If such prepaid policies have been obtained prior to the Effective Time, then FNB shall maintain such policies in full force and effect and continue the obligations thereunder. However, in no event shall FNB be required to expend for any one year an amount in excess of 250% of the annual premium currently paid by MBI for such insurance (the Insurance Amount), and further provided that if FNB is unable to maintain or obtain the insurance called for by this Section 6.7(c) as a result of the preceding provision, FNB shall use its commercially reasonable best efforts to obtain policies containing coverage amounts, terms and conditions that are the most advantageous as is available for the maximum Insurance Amount.

(d) The provisions of this Section 6.7 shall survive the Effective Time and are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives. If the Surviving Company, or any of its successors or assigns, consolidates with or merges into any other entity and is not the continuing or surviving entity of such consolidation or merger, transfers all or substantially all of its assets or deposits to any other entity or engages in any similar transaction, then in each case, the Surviving Company will cause proper provision to be made so that the successors and assigns of the Surviving Company will expressly assume the obligations of the Surviving Company set forth in this Section 6.7.

6.8 Additional Agreements. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, including any merger between a Subsidiary of FNB, on the one hand, and a

Subsidiary of MBI, on the other hand, or to vest the Surviving Company with full title to all properties, assets, rights, approvals, immunities and franchises of either party to the Merger, the proper officers and directors of each party and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by, and at the sole expense of, FNB.

6.9 Advice of Changes. Each of FNB and MBI shall promptly advise the other of any change or event (i) having or reasonably likely to have a Material Adverse Effect on it or (ii) that it believes would or would be reasonably likely to cause or constitute a material breach of any of its representations, warranties or covenants contained in this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties, or remedies with respect thereto, or the conditions to the obligations of the parties under this Agreement; provided, further, that a failure to comply with this Section 6.9 shall not constitute the failure of any condition set forth in Article VII to be satisfied unless the underlying Material Adverse Effect or material breach would independently result in the failure of a condition set forth in Article VII to be satisfied.

6.10 Dividends. Except for regular dividends paid at the quarterly rate in effect as of the date of this Agreement, after the date of this Agreement, MBI shall not declare or pay any dividend in respect of shares of MBI Common Shares, provided that, notwithstanding the foregoing provisions of this Section 6.10, after the date of this Agreement MBI shall coordinate the declarations of any dividends in respect of the MBI Common Stock and the record dates and payment dates relating thereto with FNB's declaration of regular quarterly dividends on FNB Common Stock and the record dates and payment dates relating thereto, it being the intention of MBI and FNB that holders of MBI Common Stock shall not receive two dividends, or fail to receive one dividend, in any quarter with respect to their shares of MBI Common Stock and any shares of FNB Common Stock such holders receive in exchange therefor in the Merger.

6.11 Certain Actions.

(a) From the date of this Agreement through the Effective Time, except as otherwise permitted by this Section 6.11, MBI will not, and will not authorize or permit any of its directors, officers, agents, employees, investment bankers, attorneys, accountants, advisors, agents, Affiliates or representatives (collectively, MBI Representatives) to, directly or indirectly, (i) initiate, solicit, encourage or take any action to facilitate, including by way of furnishing information, any Acquisition Proposal, as defined in Section 6.11(e)(i), or any inquiries with respect to or the making of any Acquisition Proposal, (ii) enter into or participate in any discussions or negotiations with, furnish any information relating to MBI or any of the MBI Subsidiaries or afford access to the business, properties, assets, books or records of MBI or any of the MBI Subsidiaries, to otherwise cooperate in any way with, or knowingly assist, participate in, facilitate or encourage any effort by any third party that is seeking to make, or has made, an Acquisition Proposal or (iii) except in accordance with Section 8.1(h), approve, endorse or recommend or enter into any letter of intent or similar document or any contract, agreement or commitment contemplating or otherwise relating to an Acquisition Proposal.

(b) Notwithstanding anything in this Agreement to the contrary, MBI and its Board of Directors shall be permitted: (i) to comply with Rule 14d-9 and Rule 14e-2 promulgated under the Exchange Act with regard to an Acquisition Proposal provided that the Board of Directors of MBI shall not withdraw or modify in a manner adverse to FNB the MBI Recommendation except as set forth in subsection (iii) below, (ii) to engage in any discussions or negotiations with, and provide any information to, any third party in response to a bona fide Acquisition Proposal by any such third party, if (x) MBI's Board of Directors concludes in good faith, based on the information then available after consultation with outside counsel and, with respect to financial matters, its financial advisors that failure to do so would result in a breach of their fiduciary duties under applicable Law and that such Acquisition Proposal constitutes a Superior Proposal, (y) prior to providing any information or data to any third party in connection with such Acquisition Proposal by any such third party, MBI's Board of Directors receives from such third party an executed confidentiality agreement, which confidentiality terms shall be no less favorable to MBI than those contained in the Confidentiality Agreements between MBI and FNB, a copy of which executed confidentiality agreement shall have been provided to FNB for informational purposes, and (z) at least 48 hours prior to providing any information or data to any third party or entering into discussions or negotiations with any third party, MBI promptly notifies FNB in writing of the name of such third party and the material terms and conditions of any such Acquisition Proposal, and

Recommendation) if MBI's Board of Directors concludes in good faith, based on the information then available after consultation with outside counsel and, with respect to financial matters, its financial advisors, that failure to do so would result in a breach their fiduciary duties under applicable Law. Notwithstanding any Change in MBI Recommendation, this Agreement shall be submitted to the shareholders of MBI at the MBI Shareholders Meeting for the purpose of voting on the approval of this Agreement and nothing contained herein shall be deemed to relieve MBI of such obligation; provided, however, that if the Board of Directors of MBI shall have effected a Change in MBI Recommendation, then the Board of Directors of MBI may submit this Agreement to MBI's shareholders without recommendation (although the resolutions adopting this Agreement as of the date hereof may not be rescinded), in which event the Board of Directors of MBI may communicate the basis for its lack of a recommendation to MBI's shareholders in the Joint Proxy Statement or an appropriate amendment or supplement thereto to the extent required by applicable Law. In addition to the foregoing, MBI shall not submit to the vote of its shareholders any Acquisition Proposal other than the Merger prior to the termination of this Agreement.

(c) MBI will promptly, and in any event within 24 hours, notify FNB in writing of the receipt of any Acquisition Proposal or any information related thereto, which notification shall describe the Acquisition Proposal and identify the third party making the same.

(d) MBI agrees that it will, and will use its reasonable best efforts to cause the MBI Representatives to, immediately cease and cause to be terminated any activities, discussions or negotiations existing as of the date of this Agreement with any parties conducted heretofore with respect to any Acquisition Proposal. MBI or its Representatives shall promptly after the date of this Agreement instruct each Person which has heretofore executed a confidentiality agreement relating to an Acquisition Proposal with or for the benefit of MBI to promptly return or destroy all information, documents and materials relating to an Acquisition Proposal or to MBI or its businesses, operations or affairs heretofore furnished by MBI or any of its Representatives to such Person or any of such Person's Representatives in accordance with the terms of any confidentiality agreement with such Person, and to destroy all summaries, analyses or extracts of or based upon such information in the possession of such Person or any of such Person's Representatives.

(e) For purposes of this Agreement:

(i) The term Acquisition Proposal means any inquiry, proposal or offer, filing of any regulatory application or notice, whether in draft or final form, or disclosure of an intention to do any of the foregoing by or from any Person relating to any (A) direct or indirect acquisition or purchase of a business that constitutes 20% or more of the total revenues, net income or total assets of MBI and the MBI Subsidiaries, taken as a whole, (B) direct or indirect acquisition or purchase of MBI Common Shares after the date of this Agreement by a Person who on the date of this Agreement does not own 20% or more of MBI Common Shares and such Person by reason of such purchase or acquisition first becomes the owner of 20% or more of MBI Common Shares after the date of this Agreement, (C) tender offer or exchange offer that if consummated would result in any Person beneficially owning 20% or more of any class of equity securities of MBI or (D) merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving MBI other than the transactions this Agreement contemplates.

(ii) The term Superior Proposal means any bona fide, unsolicited written Acquisition Proposal made by a Third Party to acquire more than 50% of the combined voting power of the MBI Common Shares then outstanding or all or substantially all of MBI's consolidated assets for consideration consisting of cash and/or securities that is on terms that the Board of Directors of MBI in good faith concludes, based on the information then available after consultation with its financial advisors and outside counsel, taking into account, among other things, all legal, financial, regulatory and other aspects of the proposal and the Person making the proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation, (A) is on terms that the Board of Directors of MBI in its

good faith judgment believes to be more

favorable to MBI than the Merger, (B) for which financing, to the extent required, is then fully committed or reasonably determined to be available by the Board of Directors of MBI and (C) is reasonably capable of being completed.

(iii) For purposes of this Section 6.11, **Third Party** means any person as defined in Section 13(d) of the Exchange Act other than FNB or its Affiliates.

(f) If a Payment Event, as defined in Section 6.11(g), occurs, MBI shall pay to FNB by wire transfer of immediately available funds, within three business days following such Payment Event, a fee of \$17.5 million (the **Break-up Fee**), provided, however, that if a Payment Event occurs, MBI shall have no obligation to pay FNB's expenses under Section 9.3(b).

(g) The term **Payment Event** means any of the following:

(i) the termination of this Agreement by FNB pursuant to Section 8.1(g);

(ii) the termination of this Agreement by MBI pursuant to Section 8.1(h);

(iii) the termination of this Agreement pursuant to any other Section following the commencement of a tender offer or exchange offer for 25% or more of the outstanding MBI Common Shares and MBI shall not have sent to its shareholders, within 10 business days after the commencement of such tender offer or exchange offer, a statement that the Board of Directors of MBI recommends rejection of such tender offer or exchange offer;

(iv) the occurrence of any of the following events within 12 months of the termination of this Agreement by FNB pursuant to Section 8.1(b)(i) or 8.1(c) (in the case of Section 8.1(c), without the Requisite MBI Vote having been obtained), or by either FNB or MBI pursuant to 8.1(e), in each case, provided that an Acquisition Proposal shall have been made by a Third Party after the date of this Agreement and prior to such termination that shall not have been withdrawn in good faith prior to such termination: (A) MBI enters into an agreement to merge with or into, or be acquired, directly or indirectly, by merger or otherwise by, such Third Party, (B) such Third Party, directly or indirectly, acquires substantially all of the assets of MBI and the MBI Subsidiaries, taken as a whole or (C) such Third Party, directly or indirectly, acquires more than 50% of the outstanding MBI Common Shares.

(h) MBI acknowledges that the agreements contained in this Section 6.11 are an integral part of the transactions contemplated in this Agreement and that without these agreements FNB would not enter into this Agreement. Accordingly, in the event MBI fails to pay to FNB the Break-up Fee promptly when due, MBI shall, in addition thereto, pay to FNB all costs and expenses, including attorneys' fees and disbursements, incurred by FNB in collecting such Break-up Fee together with interest on the amount of the Break-up Fee or any unpaid portion thereof, from the date such payment was due until the date such payment is received by FNB, accrued at the fluctuating prime rate as quoted in *The Wall Street Journal* as in effect from time to time during the period.

6.12 Transition. Commencing on the date of this Agreement, FNB and MBI shall, and shall cause their respective Subsidiaries to, reasonably assist each other to facilitate the integration, from and after the Closing, of MBI and the MBI Subsidiaries with the businesses of FNB and its Subsidiaries, without taking action that would, in effect, give FNB a controlling influence over the management or policies of MBI or any of the MBI Subsidiaries, or otherwise violate applicable Laws. Without limiting the generality of the foregoing, from the date of this Agreement through the Closing Date and consistent with the performance of their day-to-day operations, the continuous operation of MBI and the MBI Subsidiaries in the ordinary course of business and applicable Law, MBI shall use reasonable efforts to cause the employees and officers of MBI and the MBI Subsidiaries, including Metro Bank, to reasonably cooperate with

FNB in performing tasks reasonably required in connection with such integration.

(a) Officers of FNB and MBI shall execute and deliver to Reed Smith LLP, tax counsel to FNB, and Mette, Evans & Woodside P.C., tax counsel to MBI, tax representation letters or certificates of officers (Tax Representation Letters) substantially in the form agreed to by the parties and such law firms at such time or times as may be reasonably requested by such law firms, including at the time the Joint Proxy Statement and Registration Statement are declared effective by the SEC and at the Effective Time, in connection with such tax counsel s delivery of opinions pursuant to Section 7.2(d) and Section 7.3(d) of this Agreement.

(b) FNB and MBI shall each use its respective reasonable best efforts to cause the Merger to qualify for the Intended Tax Treatment, including (i) not taking any action that such party knows would reasonably be likely to prevent such qualification and (ii) considering and negotiating in good faith such amendments to this Agreement as may be reasonably required in order to obtain such qualification (it being understood that no party will be required to agree to any such amendment). For federal income Tax purposes, FNB and MBI shall each report the Merger in a manner consistent with such qualification.

(c) FNB and MBI shall each use its reasonable best efforts to obtain the Tax opinions described in Sections 7.2(d) and 7.3(d), including by causing its officers to execute and deliver Tax Representation Letters to the law firms delivering such Tax opinions at such time or times as may reasonably be requested by such law firms. FNB and MBI shall each use its reasonable best efforts not to take or cause to be taken any action that would cause to be untrue (or fail to take or cause not to be taken any action which inaction would cause to be untrue) any of the representations included in the certificates described in this Section 6.13.

6.14 Rule 16b-3. Prior to the Effective Time, FNB and MBI shall take all steps as may be necessary or appropriate to cause the transactions contemplated by Article 1 and any other dispositions of equity securities of MBI (including derivative securities) or acquisitions of equity securities of FNB in connection with the consummation of the transactions contemplated by this Agreement to be exempt under Rule 16b-3 promulgated under the Exchange Act.

6.15 Advisory Board.

(b) FNB shall take all appropriate action so that, as of the Effective Time, the number of directors constituting the Board of Directors of FNB and FNB Bank shall be increased by one and the MBI Designee shall be appointed as a director of FNB and FNB Bank. FNB will nominate the MBI Designee for election as a director at the annual meeting of FNB immediately following the Effective Time and solicit proxies for the MBI Designee in the same manner as it does for all the other members of FNB s slate of directors in connection with such meeting.

6.16 Redemption of MBI Preferred Stock. MBI shall (i) deliver all notices and take all other reasonable and customary actions necessary to provide notice of redemption of all the outstanding shares of MBI Preferred Stock as soon as practicable after the satisfaction or waiver (subject to applicable Law) of the latest to occur of the conditions set forth in Article VII (other than those set forth in Section 7.2(f) and those conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver thereof) and (ii) on the Closing Date deposit, separate and apart

6.17 Control of Operations. Nothing contained in this Agreement shall give either FNB or MBI, directly or indirectly, the right to control or direct the operations of the other party prior to the Effective Time. Prior to the Effective Time, each party shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

ARTICLE 7

In rendering such opinion, counsel may require and rely upon representations contained in Tax Representation Letters executed by officers of MBI and FNB.

(e) No Materially Burdensome Regulatory Condition. None of the Requisite Regulatory Approvals shall have resulted in the imposition of a Materially Burdensome Regulatory Condition.

(f) Redemption of MBI Preferred Stock. MBI shall have given notice of redemption of the MBI Preferred Stock and paid the redemption price in respect thereof in accordance with Section 6.16.

7.3 Conditions to Obligation of MBI to Effect the Merger. The obligation of MBI to effect the Merger is also subject to the satisfaction or waiver by MBI, where permitted by applicable Law, at or prior to the Effective Time of the following conditions:

ARTICLE 8

TERMINATION AND AMENDMENT

8.1 Termination. This Agreement may be terminated at any time prior to the Effective Date, and the Merger may be abandoned:

(a) Mutual Consent. By the mutual consent in writing of FNB and MBI if the Board of Directors of each so determines by vote of a majority of the members of its entire Board.

(b) Breach.

(i) By FNB, if (A) any of the representations and warranties of MBI contained in this Agreement shall fail to be true and correct such that the condition set forth in Section 7.2(a) would not be satisfied or (B) MBI shall have breached or failed to comply with any of its obligations under this Agreement such that the conditions set forth in Sections 7.1 or 7.2(b) would not be satisfied, in either case other than as a result of a material breach by FNB of any of its obligations under this Agreement and such failure or breach with respect to any such representation, warranty or obligation cannot be cured, or, if curable, shall continue unremedied for a period of 30 days after MBI has received written notice from FNB of the occurrence of such failure or breach, but in no event shall such 30-day period extend beyond the Outside Date.

(ii) By MBI, if (A) any of the representations and warranties of FNB contained in this Agreement shall fail to be true and correct such that the condition set forth in Section 7.3(a) would not be satisfied or (B) FNB shall have breached or failed to comply with any of its obligations under this Agreement such that the conditions set forth in Sections 7.1 or 7.3(b) would not be satisfied, in either case other than as a result of a material breach by MBI of any of its obligations under this Agreement and such failure or breach with respect to any such representation, warranty or obligation cannot be cured, or, if curable, shall continue unremedied for a period of 30 days after FNB has received written notice from MBI of the occurrence of such failure or breach, but in no event shall such 30-day period extend beyond the Outside Date.

(c) Delay. By FNB or MBI, if its Board of Directors so determines by vote of a majority of the members of its entire Board, in the event that the Merger is not consummated on or before 5:00 p.m., Eastern

Time on June 30, 2016 (the Outside Date), unless the failure of the Merger to be consummated by the Outside Date shall have been due to the failure of the party seeking to terminate pursuant to this Section 8.1(c) to perform or observe the covenants and agreements of such party set forth in this Agreement.

(d) No Regulatory Approval. By FNB or MBI, if its Board of Directors so determines, in the event the approval of any Governmental Entity required for consummation of the Merger this Agreement contemplates shall have been denied by final nonappealable action of such Governmental Entity or an application therefor shall have been permanently withdrawn at the request of a Governmental Entity; provided, however, that no party shall have the right to terminate this Agreement pursuant to this Section 8.1(d) if such denial shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants of such party set forth in this Agreement.

(e) No MBI Shareholder Approval. By FNB, or by MBI provided that MBI shall not be in material breach of any of its obligations under Section 6.3, if the Requisite MBI Vote shall not have been obtained by reason of the failure to obtain the Requisite MBI Vote at the MBI Shareholders Meeting or at any adjournment or postponement thereof.

(f) No FNB Shareholder Approval. By MBI, if the Requisite FNB Vote shall not have been obtained by reason of the failure to obtain the Requisite FNB Vote at the FNB Shareholders Meeting or at any adjournment or postponement thereof.

(h) Superior Proposal. At any time prior to the MBI Shareholders Meeting, by MBI in order to enter concurrently into an Acquisition Proposal that has been received by MBI and the MBI Board of Directors in compliance with Sections 6.11(a) and (b) and that MBI's Board of Directors concludes in good faith, in consultation with its financial and legal advisors, that such Acquisition Proposal is a Superior Proposal; provided, however, that this Agreement may be terminated by MBI pursuant to this Section 8.1(h) only after the fifth business day following MBI's provision of written notice to FNB advising FNB that the MBI Board of Directors is prepared to accept a Superior Proposal (it being understood, for the avoidance of doubt, that the delivery of such notice shall not entitle FNB to terminate this Agreement pursuant to this Section 8.1(h)) and only if (i) during such five-business day period, MBI has negotiated, and has used its reasonable best efforts to cause its financial and legal advisors to negotiate, with FNB in good faith to make such adjustments in the terms and conditions of this Agreement such that such Acquisition Proposal would no longer constitute a Superior Proposal and (ii) MBI's Board of Directors has considered any such adjustments in the terms and conditions of this Agreement resulting from such negotiations and has concluded in good faith, based upon consultation with its financial and legal advisers, that such Acquisition Proposal remains a Superior Proposal even after giving effect to the adjustments proposed by FNB, and further provided that such termination shall not be effective until MBI has paid the Break-up Fee provided by Section 6.11(f) to FNB.

(i) FNB Market Value. By MBI, if the MBI Board so determines by a majority vote of its members at any time during the five (5) business day period commencing on the Determination Date if both of the following conditions are satisfied:

(i) the FNB Market Value is less than 80% of the Initial FNB Market Value; and

No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or e-mail delivery of a .pdf format data file to deliver a signature to this Agreement or any amendment hereto or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or e-mail delivery of a .pdf format data file as a defense to the formation of a contract and each party hereto forever waives any such defense.

9.7 Entire Agreement. This Agreement, including the documents and the instruments referred to in this Agreement, together with the Confidentiality Agreements, constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Agreement, other than the Confidentiality Agreements.

9.8 Governing Law; Jurisdiction; Specific Performance.

(a) This Agreement, the Merger and all claims arising hereunder or relating to this Agreement, shall be governed and construed and enforced in accordance with the laws of the Commonwealth of Pennsylvania, without giving effect to the principles of conflicts of law thereof.

(b) Each of the parties to this Agreement irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any Pennsylvania state court or the United States District Court for the Western District of Pennsylvania, in any action or proceeding arising out of or relating to this Agreement. Each of the parties to this Agreement agrees that, subject to rights with respect to post-trial motions and rights of appeal or other avenues of review, a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Each of the parties to this Agreement irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any Pennsylvania state court or the United States District Court for the Western District of Pennsylvania. Each of the parties to this Agreement irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS

Accordingly, the parties shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof (including the parties' obligation to consummate the Merger), in addition to any other remedy to which they are entitled at law or in equity. 9.9 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable. In all such cases, the parties shall use their reasonable best efforts to substitute a valid, legal and enforceable provision that, insofar as practicable, implements the original purposes and intents of this Agreement.

9.10 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by either of the parties, whether by operation of law or otherwise, without the prior written consent of the other party. APPENDIX B

FORM OF VOTING AGREEMENT

August , 2015

F.N.B. Corporation

One F.N.B. Boulevard

Hermitage, PA 16148

Ladies and Gentlemen:

Concurrently with the execution of this letter agreement (Voting Agreement), F.N.B. Corporation, a Florida corporation (FNB), and Metro Bancorp, Inc., a Pennsylvania corporation (Metro), are entering into an Agreement and Plan of Merger, of even date herewith (the Merger Agreement), whereby Metro will merge with and into FNB (the Merger) and shareholders of Metro will receive the Merger Consideration as set forth in the Merger Agreement, subject to the closing of the Merger. All defined terms used but not defined herein shall have the meanings ascribed thereto in the Merger Agreement.

A condition to FNB's obligations under the Merger Agreement is that I execute and deliver this Voting Agreement to FNB.

Intending to be legally bound hereby, I irrevocably agree and represent as follows:

(a) As of the date of this Voting Agreement, I have, and at all times during the term of this Voting Agreement will have, beneficial ownership (as defined in Rule 13d-3 under the Exchange Act) of, and good and valid title to, the number of shares of common stock, par value \$1.00 per share, of Metro (the Metro Common Stock), that is set forth on Appendix A hereto, and I hold stock options to acquire the number of shares of Metro Common Stock set forth on Appendix A hereto. All of the securities listed on Appendix A are owned free and clear of any proxy or voting restriction, claims, liens, encumbrances and security interests and any other limitation or restriction whatsoever (including any restriction on the right to dispose of such securities). None of the securities listed on Appendix A is subject to any voting trust or other agreement or arrangement with respect to the voting rights of such securities.

(b) As of the date of this Voting Agreement, except for the securities set forth on Appendix A, I do not beneficially own any (i) shares of capital stock or voting securities of Metro, (ii) securities of Metro convertible into or exchangeable for shares of capital stock or voting securities of Metro or (iii) options or other rights to acquire from Metro any shares of capital stock, voting securities or securities convertible into or exchangeable for capital stock or voting securities of Metro. The Metro Common Stock listed on Appendix A, together with all Metro Common Stock that I subsequently acquire during the term of this Voting Agreement, including through the exercise of any stock options, warrants or similar instruments, are referred to herein as the Shares .

(c) At the Metro Shareholders Meeting and at any other meeting of Metro shareholders, however called, and on every action or approval by written consent of shareholders of Metro, I will vote or cause to be voted all Shares over which I have sole voting power, and I will use my best efforts to cause any Shares over which I share voting power to be voted in favor of (i) approval and adoption of the Merger Agreement and the transactions contemplated thereby, and (ii) any proposal to adjourn or postpone such meeting to a later date if there are not sufficient votes to approve the Merger

Agreement. Determinations as to sole or shared voting power shall be made in accordance with Rule 13d-3 of the Exchange Act.

(d) During the term of this Voting Agreement, I will not, directly or indirectly, offer, sell, transfer, pledge, encumber or otherwise dispose of (collectively, Transfer) any Shares over which I have sole dispositive power

B-1

(or any interest therein), and I will use my best efforts to not permit the Transfer of any Shares over which I have shared dispositive power (or any interest therein), except to the extent permitted by paragraph (g) hereof.

(e) I agree that Metro shall not be bound by any attempted sale of any Metro Common Stock over which I have sole voting and dispositive power, and Metro's transfer agent shall be given appropriate stop transfer orders and shall not be required to register any such attempted sale, unless the sale has been effected in compliance with the terms of this Voting Agreement.

(f) I represent that I have the legal capacity to enter into this Voting Agreement, that I have duly and validly executed and delivered this Voting Agreement and that this Voting Agreement is a valid and binding obligation enforceable against me in accordance with its terms, subject to bankruptcy, insolvency and other laws affecting creditors' rights and general equitable principles; and further, that no consent of my spouse is necessary under any community property or other laws in order for me to enter into and perform my obligations under this Voting Agreement.

(g) Notwithstanding anything herein to the contrary, I may Transfer any or all of the Shares over which I have beneficial ownership to my spouse, ancestors or descendants; provided, however, that in any such case, prior to and as a condition to the effectiveness of such Transfer, each person to which any of such Shares or any interest in any of such Shares is or may be Transferred shall have executed and delivered to FNB an agreement to be bound by the terms of this Voting Agreement.

I am signing this Voting Agreement solely in my capacity as a shareholder of Metro and as an option holder, if I am such, and not in any other capacity, such as a director or officer of Metro or as a fiduciary of any trusts in which I am not a beneficiary. Notwithstanding anything herein to the contrary: (a) I make no agreement or understanding herein in any capacity other than in my capacity as a beneficial owner of Metro Common Stock and (b) nothing herein shall be construed to limit or affect any action or inaction by me or any of my representatives, as applicable, in serving on Metro's Board of Directors or as an officer of Metro, in acting in my capacity as a director, officer or fiduciary of Metro.

This Voting Agreement shall terminate and be of no further force and effect concurrently with, and automatically upon, the earlier to occur of (a) the favorable vote of the Metro shareholders with respect to the approval of the Merger Agreement, (b) the Effective Time, (c) FNB and I enter into a written agreement to terminate this Voting Agreement, or (d) any termination of the Merger Agreement in accordance with its terms, except that any such termination shall be without prejudice to FNB's rights if termination should arise out of my willful breach of any covenant or representation contained herein.

All notices and other communications in connection with this Voting Agreement shall be in writing and shall be deemed given if delivered personally, sent via facsimile, with confirmation, mailed by registered or certified mail, return receipt requested, or delivered by an express courier, with confirmation, to the other party hereto at its addresses set forth on the signature page hereto.

This Voting Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties. This Voting Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Voting Agreement.

I agree and acknowledge that FNB may be irreparably harmed by, and that there may be no adequate remedy at law for, any violation of this Voting Agreement by me. Without limiting other remedies, FNB shall have the right to seek to enforce this Voting Agreement by specific performance or injunctive relief. This Voting Agreement and all claims arising hereunder or relating hereto, shall be governed and construed and enforced in accordance with the laws of the

Commonwealth of Pennsylvania, without giving effect to the principles of conflicts of law thereof. I hereby irrevocably and unconditionally submit to the exclusive jurisdiction of any

Pennsylvania state court or the United States District Court for the Western District of Pennsylvania, in any action or proceeding arising out of or relating to this letter.

If any term, provision, covenant or restriction of this Voting Agreement is held by a court of competent jurisdiction or other Governmental Entity to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Voting Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Voting Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

This Voting Agreement may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same instrument.

Very truly yours,

The other terms and conditions of the Merger are more fully set forth in the Agreement, and capitalized terms used herein without definition shall have the meanings assigned to them in the Agreement. You have requested our opinion as to the fairness, from a financial point of view, of the Merger Consideration to the holders of Metro common stock.

Sandler O'Neill & Partners, L.P., as part of its investment banking business, is regularly engaged in the valuation of financial institutions and their securities in connection with mergers and acquisitions and other corporate transactions. In connection with this opinion, we have reviewed, among other things: (i) a draft of the Agreement, dated August 2, 2015; (ii) certain publicly available financial statements and other historical financial information of Metro that we deemed relevant; (iii) certain publicly available financial statements and other historical financial information of FNB that we deemed relevant; (iv) publicly available mean and median analyst earnings per share estimates for Metro for the years ending December 31, 2015 and December 31, 2016; (v) certain internal financial projections for Metro for the years ending December 31, 2015 through December 31, 2018, as discussed with the senior management of Metro; (vi) publicly available mean and median analyst earnings per share estimates for FNB for the years ending December 31, 2015 and December 31, 2016; (vii) certain internal financial projections for FNB for the years ending December 31, 2017 and December 31, 2018, as discussed with the senior management of FNB; (viii) certain estimated transaction costs, purchase accounting adjustments, expected cost savings and other synergies which were prepared by and/or reviewed with the senior managements of Metro and FNB; (ix) a comparison of certain financial and other information, including relevant stock trading information, for Metro and FNB with similar publicly available information for certain other commercial banks, the securities of which are publicly traded; (x) the terms and structures of other recent mergers and acquisition transactions in the banking sector; (xi) the current market environment generally and in the commercial banking sector in particular; and (xii) such other information, financial studies, analyses and investigations and financial, economic and market criteria as we considered relevant. We also discussed with certain members of senior management of Metro the business, financial condition, results of operations and prospects of Metro and held similar discussions with the senior management of FNB regarding the business, financial condition, results of operations and prospects of FNB.

In performing our review, we have relied upon the accuracy and completeness of all of the financial and other information that was available to us from public sources, that was provided to us by Metro and FNB, or that was otherwise reviewed by us and have assumed such accuracy and completeness for purposes of preparing this letter. We

have further relied on the assurances of the management of Metro and FNB that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading in any material respect. We did not make an independent evaluation or appraisal of the specific assets, the collateral securing assets or the liabilities (contingent or otherwise) of Metro or FNB, or any of their respective subsidiaries. We did not make an independent evaluation of the adequacy of the allowance for loan losses of Metro, FNB or the combined entity after the Merger and we have not reviewed any individual credit files relating to Metro or FNB.

C-1

Table of Contents

We have assumed, with your consent, that the respective allowances for loan losses for both Metro and FNB are adequate to cover such losses and will be adequate on a pro forma basis for the combined entity.

In preparing its analyses, Sandler O'Neill used publicly available mean and median analyst earnings estimates and internal financial projections for Metro and FNB, as discussed with the senior managements of Metro and FNB, respectively. Sandler O'Neill also received and used in its analyses certain projections of transaction costs, purchase accounting adjustments, expected cost savings and other synergies which were prepared by and/or reviewed with the senior managements of Metro and FNB. With respect to those projections, estimates and judgments, the respective management of Metro and FNB confirmed to us that those projections, estimates and judgments reflected the best currently available estimates and judgments of those respective managements of the future financial performance of Metro and FNB, respectively, and we assumed that such performance would be achieved. We express no opinion as to such estimates or the assumptions on which they are based. We have assumed that there has been no material change in the respective assets, financial condition, results of operations, business or prospects of Metro or FNB since the date of the most recent financial data made available to us. We have also assumed in all respects material to our analysis that Metro and FNB would remain as going concerns for all periods relevant to our analyses. We express no opinion as to any of the legal, accounting and tax matters relating to the Merger or any other transactions contemplated in connection therewith.

We have also assumed, with your consent, that (i) each of the parties to the Agreement will comply in all material respects with all material terms of the Agreement and all related agreements, that all of the representations and warranties contained in such agreements are true and correct in all material respects, that each of the parties to such agreements will perform in all material respects all of the covenants required to be performed by such party under the agreements and that the conditions precedent in such agreements are not waived, (ii) in the course of obtaining the necessary regulatory or third party approvals, consents and releases with respect to the Merger, no delay, limitation, restriction or condition will be imposed that would have an adverse effect on Metro, FNB or the Merger, and (iii) the Merger and any related transactions will be consummated in accordance with the terms of the Agreement without any waiver, modification or amendment of any material term, condition or agreement thereof and in compliance with all applicable laws and other requirements.

Our analyses and the views expressed herein are necessarily based on financial, economic, regulatory, market and other conditions as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof could materially affect our views. We have not undertaken to update, revise, reaffirm or withdraw this letter or otherwise comment upon events occurring after the date hereof. We express no opinion as to the trading values of the Metro common stock or the FNB common stock after the date of this opinion or what the value of the FNB common stock will be once it is actually received by the holders of Metro common stock.

We have acted as Metro's financial advisor in connection with the Merger and a significant portion of our fee is contingent upon the closing of the Merger. We also will receive a fee from Metro for providing this opinion. Metro has also agreed to indemnify us against certain liabilities arising out of our engagement. In the ordinary course of our business as a broker-dealer, we may purchase securities from and sell securities to Metro and FNB and their affiliates. We may also actively trade the equity and debt securities of Metro and FNB or their affiliates for our own account and for the accounts of our customers. In the past, we have provided certain investment banking services to Metro and have received customary investment banking fees for such services. In addition, as we have previously advised you, we have provided certain investment banking services to FNB in the past and have received customary compensation for such services and may provide, and receive compensation for, such services in the future.

This letter is directed to the Board of Directors of Metro in connection with its consideration of the Merger and does not constitute a recommendation to any shareholder of Metro as to how such shareholder should vote at any meeting

of shareholders called to consider and vote upon the Merger. Our opinion is directed only to the

fairness, from a financial point of view, of the Merger Consideration to the holders of Metro common stock and does not address the underlying business decision of Metro to engage in the Merger, the relative merits of the Merger as compared to any other alternative business strategies that might exist for Metro or the effect of any other transaction in which Metro might engage. This opinion shall not be reproduced or used for any other purposes, without Sandler O'Neill's prior written consent, provided however Sandler O'Neill has provided its consent for the opinion to be included in certain regulatory filings to be completed in connection with the Merger. This Opinion has been approved by Sandler O'Neill's fairness opinion committee. We do not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by Metro's officers, directors, or employees, or class of such persons, relative to the compensation to be received in the Merger by any other shareholders of Metro.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration is fair to the holders of Metro common stock from a financial point of view.

Very truly yours,

/s/ Sandler O'Neill & Partners, L.P.

The Board of Directors

F.N.B. Corporation

One F.N.B. Boulevard

Hermitage, PA 16148

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, to F.N.B. Corporation, a Florida corporation (*Parent*), of the Exchange Ratio (as defined below) provided for under the terms of the proposed Agreement and Plan of Merger (the *Agreement*) between Parent and Metro Bancorp Inc, a Pennsylvania corporation (the *Company*). Capitalized terms used herein shall have the meanings used in the Agreement unless otherwise defined herein.

The Agreement provides, among other things, that the Company will merge with and into Parent (the *Merger*) and, at the Effective Time, each common share, par value \$1.00 per share, of the Company (*Company Common Stock*) issued and outstanding immediately prior to the Effective Time (other than shares held by the Company, Parent, or any direct or indirect wholly-owned subsidiary of Parent or the Company, which will be cancelled for no consideration) will be converted into the right to receive 2.373 shares (the *Exchange Ratio*) of common stock, \$0.01 par value, of Parent (*Parent Common Stock*). The terms and conditions of the Merger are more fully set forth in the Agreement.

RBC Capital Markets, LLC (*RBCCM*), as part of its investment banking services, is regularly engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, corporate restructurings, underwritings, secondary distributions of listed and unlisted securities, private placements, and valuations for corporate and other purposes.

We are acting as a financial advisor to Parent in connection with the Merger and we will receive a fee for our services upon delivery of this opinion, which is not contingent upon the successful completion of the Merger. In addition, for our services as financial advisor to Parent in connection with the Merger, if the Merger is successfully completed we will receive an additional larger fee, against which the fee we received for delivery of this opinion will be credited. In addition, if, in connection with the Merger not being completed, Parent receives a termination fee, we will be entitled to a specified percentage of that fee in cash, when it is received by Parent. In the event the Merger is not completed, we will be entitled to receive a similar fee for any fairness opinion requested by Parent in connection with any other transaction or series of transactions whereby, directly or indirectly, capital stock of the Company or any of its assets is transferred to Parent or any of its affiliates, and a similar contingent transaction fee if such other transaction or series

of transaction is consummated at any time pursuant to a definitive agreement, letter of intent or other evidence of commitment entered into during the term of our engagement or within eighteen months thereafter. Parent has also agreed to indemnify us for certain liabilities that may arise out of our engagement.

In the ordinary course of business, RBCCM may act as a market maker and broker in the publicly traded securities of Parent and/or the Company and receive customary compensation, and may also actively trade securities of Parent and/or the Company for our own account and the accounts of our customers, and, accordingly, RBCCM and its affiliates, may hold a long or short position in such securities.

D-1

Table of Contents

RBCCM has provided investment banking and financial advisory services to Parent in the past, for which it received customary fees, including, in the past two years, having acted or acting as acted or acting as (i) a financial advisor in connection with certain acquisition transactions, and (ii) a joint bookrunning manager for various equity offerings. In light of RBCCM's prior services to Parent and its financial advisory role for Parent in connection with the Merger, RBCCM anticipates that it may be selected by Parent to provide investment banking and financial advisory and/or financing services that may be required by Parent in the future, regardless of whether the Merger is successfully completed. As you also are aware, RBCCM and its affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to the Company and/or certain of its affiliated companies and have received and in the future may receive compensation for these services.

For the purposes of rendering our opinion, we have undertaken such review and inquiries as we deemed necessary or appropriate under the circumstances, including the following: (i) we reviewed the financial terms of the draft Agreement dated August 3, 2015 (the "Latest Draft Agreement"); (ii) we reviewed and analyzed certain publicly available financial and other data with respect to Parent and the Company and certain other relevant historical operating data relating to Parent and the Company made available to us from published sources and from the internal records of Parent and the Company, respectively; (iii) we reviewed financial projections and forecasts of Parent and the combined post-Merger company prepared by Parent's management, and financial projections and forecasts of the Company, prepared by the Parent's management ("Forecasts"); (iv) we conducted discussions with members of the senior managements of Parent and the Company with respect to the business prospects and financial outlook of Parent and the Company as standalone entities as well as the potential synergies from the Merger; (v) we reviewed Wall Street research estimates regarding the potential future performance of Parent and the Company as standalone entities; (vi) we reviewed the reported prices and trading activity for Parent Common Stock and Company Common Stock; and (vii) we performed other studies and analyses as we deemed appropriate.

In arriving at our opinion, we performed the following analyses in addition to the review, inquiries, and analyses referred to in the preceding paragraph, we performed a valuation analysis of each of Parent and the Company as a standalone entity, using comparable company and discounted cash flow analyses with respect to each of Parent and the Company as well as precedent transaction analysis with respect to the Company.

Several analytical methodologies have been employed and no one method of analysis should be regarded as critical to the overall conclusion we have reached. Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques. The overall conclusions we have reached are based on all the analysis and factors presented, taken as a whole, and also on application of our own experience and judgment. Such conclusions may involve significant elements of subjective judgment and qualitative analysis. We therefore give no opinion as to the value or merit standing alone of any one or more parts of the analyses.

In rendering our opinion, we have assumed and relied upon the accuracy and completeness of all the information that was publicly available to us and all of the financial, legal, tax, operating and other information provided to or discussed with us by Parent or the Company (including, without limitation, the financial statements and related notes thereto of each of Parent and the Company, respectively), and have not assumed responsibility for independently verifying and have not independently verified such information. We have assumed that all Forecasts provided to us by Parent or the Company, as the case may be (including Forecasts provided to us by Parent with respect to certain cost and revenue synergies expected to be realized from the Merger), were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the future financial performance of Parent or the Company (as the case may be), respectively, as standalone entities (or, in the case of the projected synergies, of Parent, as a combined company). We express no opinion as to such Forecasts or the assumptions upon which they were based.

In rendering our opinion, we have not assumed any responsibility to perform, and have not performed, an independent evaluation or appraisal of any of the assets or liabilities of Parent or the Company, and we have not

been furnished with any such valuations or appraisals. We have not assumed any obligation to conduct, and have not conducted, any physical inspection of the property or facilities of Parent or the Company. We have not investigated, and make no assumption regarding, any litigation or other claims affecting Parent or the Company.

We have assumed, in all respects material to our analysis that all conditions to the consummation of the Merger will be satisfied without waiver thereof. We have further assumed that the executed version of the Agreement will not differ, in any respect material to our opinion, from the Latest Draft Agreement.

Our opinion speaks only as of the date hereof, is based on the conditions as they exist and information which we have been supplied as of the date hereof, and is without regard to any market, economic, financial, legal, or other circumstances or event of any kind or nature which may exist or occur after such date. We have not undertaken to reaffirm or revise this opinion or otherwise comment upon events occurring after the date hereof and do not have an obligation to update, revise or reaffirm this opinion. We are not expressing any opinion herein as to the prices at which Parent Common Stock or Company Common Stock have traded or will trade following the announcement of the Merger nor the prices at which Parent Common Stock will trade following the consummation of the Merger.

The opinion expressed herein is provided for the information and assistance of the Board of Directors of Parent in connection with the Merger. We express no opinion and make no recommendation to any stockholder of Parent as to how such stockholder should vote with respect to the Merger or any other proposal to be voted upon by them in connection with the Merger. All advice and opinions (written and oral) rendered by RBCCM are intended for the use and benefit of the Board of Directors of Parent. Such advice or opinions may not be reproduced, summarized, excerpted from or referred to in any public document or given to any other person without the prior written consent of RBCCM.

Our opinion does not address the merits of the underlying decision by Parent to engage in the Merger or the relative merits of the Merger compared to any alternative business strategy or transaction in which Parent might engage.

Our opinion addresses solely the fairness of the Exchange Ratio, from a financial point of view, to Parent. Our opinion does not in any way address other terms or arrangements of the Merger or the Agreement, including, without limitation, the financial or other terms of any other agreement contemplated by, or to be entered into in connection with, the. Further, in rendering our opinion we express no opinion about the fairness of the amount or nature of the compensation (if any) to any of Parent's officers, directors or employees, or class of such persons, relative to the compensation to be paid to stockholders of the Company.

Our opinion has been approved by RBCCM's Fairness Opinion Committee.

Based on our experience as investment bankers and subject to the foregoing, including the various assumptions and limitations set forth herein, it is our opinion that, as of the date hereof, the Exchange Ratio is fair, from a financial point of view, to Parent.

Very truly yours,

The Board of Directors

F.N.B. Corporation

One F.N.B. Boulevard

Hermitage, PA 16148

Members of the Board of Directors:

You have requested our opinion as to the fairness, from a financial point of view, to the shareholders of F.N.B. Corporation (the Company or FNB) of the Merger Consideration (as defined below) to be paid by the Company in the proposed merger (the Transaction) of the Company and its wholly owned subsidiary, First National Bank of Pennsylvania (FNB Bank), with Metro Bancorp, Inc. (MBI or Metro) its wholly owned subsidiary, Metro Bank.

Pursuant to the Agreement and Plan of Merger (the Agreement) by and between the Company and MBI, at the effective time of the merger, each issued and outstanding share of MBI s common stock, other than shares held in treasury or owned by the Company and its affiliates, will be exchanged for the right to receive 2.373 shares of FNB common stock (the Exchange Ratio or the Merger Consideration). Outstanding options to purchase MBI common stock will be converted into (an equivalent amount of) options to acquire FNB common stock at an exercise price equal to the exercise price with respect to such MBI options divided by the Exchange Ratio. The Merger Consideration is \$474 million in the aggregate and represents 172% of MBI s tangible common equity at June 30, 2015 and 22.7 times MBI s earnings for the twelve-month period ended June 30, 2015. At the effective time of the merger, MBI will merge with and into FNB. Shares of MBI s common stock held in treasury or owned by the Company and its affiliates will be cancelled. The terms and conditions of the Transaction are more fully described in the Agreement.

In arriving at our opinion, we: (i) reviewed a draft of the Agreement; (ii) reviewed and discussed with the Company and MBI certain publicly available business and financial information concerning the Company and MBI and the economic and regulatory environments in which they operate; (iii) reviewed and discussed with the Company and MBI their respective financial information as of and for the six months ended June 30, 2015 and June 30, 2014 and the twelve months ended December 31, 2014; (iv) discussed with the management of the Company and MBI matters relating to their respective financial condition, growth, liquidity, earnings, profitability, asset quality, capital adequacy, stock market valuation, future prospects, and related matters as of such dates and for the periods then

ended; (v) reviewed and discussed with the Company and MBI the forward looking earnings estimates and with the Company the pro forma growth rates; (vi) analyzed and discussed with the Company the potential strategic implications and operational benefits anticipated by the management of the Company; (vii) evaluated the potential pro forma financial effects of the Transaction on the Company on a forward-looking basis; (viii) compared the proposed financial terms of the Transaction with the publicly available financial terms of certain transactions involving whole bank acquisitions that we deemed relevant; (ix) compared the financial condition and implied valuation of MBI to the financial condition and valuation of certain institutions we deemed relevant; (x) performed a discounted cash flow analysis; (xi) considered the Company's ownership structure, its stock market performance, and the trading history of its common stock which is being used as the Merger Consideration and (xii) undertook such other financial studies and analyses and considered such other information as we deemed appropriate for the purpose of this opinion.

In arriving at our opinion, we have assumed and relied upon the accuracy and completeness of information which was publicly available to us or which was furnished to or discussed with us by the Company and MBI or otherwise reviewed by us including, particularly, the forward looking earnings estimates and pro forma growth rates, and we have not independently verified (nor have we assumed responsibility or liability for independently verifying) any such information or its accuracy or completeness. We have not reviewed individual loan files or deposit information of the Company or MBI, nor have we conducted or been provided with any valuation or appraisal of any assets, deposits, or other liabilities of the Company or MBI. We are not experts in the evaluation of loan and lease portfolios for purposes of assessing the adequacy of the allowance for losses with respect thereto, and accordingly, we have assumed that such allowances for losses are adequate. In relying on financial analyses provided to or discussed with us by the Company or MBI or derived therefrom, we have assumed that such analyses have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management. We express no view as to such analyses, forecasts, estimates, or the assumptions on which they were based.

We have also assumed that the representations and warranties made by the Company and MBI in the Agreement are and will be true and correct in all respects material to our analyses, that the covenants and conditions precedent to closing the Transaction contained therein, including approval by Federal and State banking regulators, and by the shareholders of both MBI and FNB, will be performed in all respects material to our analyses in a manner which will not give MBI the ability to terminate the Agreement or decline to close under the Agreement. We are not legal, regulatory, or tax experts and have relied on the assessments made by advisors to the Company with respect to such issues. We have further assumed that all material governmental, regulatory, shareholder, and any other consents and approvals necessary for the completion of the Transaction will be obtained without any adverse effect to the Company or MBI or to the contemplated benefits of the Transaction. Our opinion assumes, with your consent, that the Transaction will be completed in accordance with the terms set forth in the Agreement.

Our opinion is necessarily based on economic, market, and other conditions as in effect on, as well as the information made available to us as of, the date of this letter. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, confirm, or reaffirm this opinion. Our opinion is limited to the fairness, from a financial point of view, to the shareholders of the Company with regard to the Merger Consideration to be paid by the Company in the Transaction, and we express no opinion as to the fairness of the Transaction to creditors or other stakeholders of the Company, the underlying decision by the Company to engage in the Transaction, the relative merits of the Transaction compared to other Transactions available to the Company, or the relative merits of the Transaction compared to other strategic alternatives which may be available to the Company. Furthermore, we did not take into account and express no opinion with respect to the amount or nature of any bonuses and any other compensation or consideration to any officers, directors, or employees of the Company or MBI paid or payable by reason or as a result of the Transaction.

We have not acted as financial advisor to the Company with respect to the proposed Transaction and will not receive a transaction fee from the Company contingent upon completion of the Transaction for our services or otherwise. Fees for our services are payable upon delivery of this opinion regardless of conclusion. The Company has agreed to indemnify us for certain liabilities which could arise as a result of our engagement.

During the two years preceding the date of this letter, we have not had an investment banking relationship with the Company or Metro for which we were paid for our services, except we did advise FNB in connection with an unsuccessful bid for another company in 2014 for which we were paid \$50,000.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration to be paid by the Company in the Transaction is fair, from a financial point of view, to the shareholders of the Company.

The delivery of this opinion has been approved by the fairness opinion committee of Griffin Financial Group, LLC in conformity with our policies and procedures established under the requirement of Rule 5150 of the Financial Industry Regulatory Authority. This letter is provided to the Board of Directors of the Company in connection with and for the purposes of its evaluation of the Transaction, and may not be relied upon by any other person for any other reason. This opinion does not constitute a recommendation to any shareholder of the Company as to how such shareholder should vote with respect to the Transaction or any other matter, as applicable. This opinion speaks as of the date hereof, and we have no obligation to update, confirm, or revise it. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written approval. This opinion may, however, be reproduced in any registration statement that the Company will file with the Securities and Exchange Commission in connection with the Transaction, provided that such reproduction is legally required, the opinion is reproduced in such document in its entirety, and such document includes a summary of the opinion and related analyses in a form prepared or approved by us (such approval not to be unreasonably withheld), but may not otherwise be disclosed publicly in any manner without our prior written approval.

Table of Contents**PART II: INFORMATION NOT REQUIRED IN PROSPECTUS****Item 20. Indemnification of Directors and Officers.**

The Florida Business Corporation Act, as amended (the "FBCA"), provides that, in general, a business corporation may indemnify any person who is or was a party to any proceeding, other than an action by, or in the right of, the corporation, by reason of the fact that he or she is or was a director or officer of the corporation, against liability incurred in connection with such proceeding, including any appeal thereof, provided certain standards are met, including that such officer or director acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and provided further that, with respect to any criminal action or proceeding, the officer or director had no reasonable cause to believe his or her conduct was unlawful. In the case of proceedings by or in the right of the corporation, the FBCA provides that, in general, a corporation may indemnify any person who was or is a party to any such proceeding by reason of the fact that he or she is or was a director or officer of the corporation, against expenses and amounts paid in settlement actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof, provided that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, except that the amount so indemnified shall not exceed the estimated expense of litigating the matter to conclusion, and no indemnification shall be made with respect to any claim as to which such person is adjudged liable, unless a court of competent jurisdiction determines upon application that such person is fairly and reasonably entitled to indemnity. To the extent that any officer or director is successful on the merits or otherwise in the defense of any of such proceedings, the FBCA requires that the corporation indemnify such officer or director against expenses actually and reasonably incurred in connection therewith. The corporation may pay in advance the expenses incurred by an officer or director in defending a civil or criminal proceeding so long as the director or officer has undertaken to repay those amounts if he or she is ultimately found not to be entitled to indemnification. However, the FBCA further provides that, in general, indemnification or advancement of expenses shall not be made to or on behalf of any officer or director if a judgment or other final adjudication establishes that his or her actions, or omissions to act, were material to the cause of action so adjudicated and constitute: (i) a violation of the criminal law, unless the director or officer had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe it was unlawful; (ii) a transaction from which the director or officer derived an improper personal benefit; (iii) in the case of a director, a circumstance under which the director has voted for or assented to a distribution made in violation of the FBCA or the corporation's articles of incorporation; or (iv) willful misconduct or a conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder.

F.N.B.'s articles of incorporation and bylaws provide that F.N.B. shall indemnify its directors and officers to the fullest extent permitted by law in connection with any actual or threatened action, suit or proceeding, civil, criminal, administrative, investigative or other, whether brought by or in the right of F.N.B. or otherwise, arising out of the service to F.N.B. or to another organization at F.N.B.'s request, or because of their positions with F.N.B. F.N.B.'s bylaws also state that F.N.B. shall pay the expenses incurred by a director or officer in defending or investigating a threatened or pending action, suit or proceeding in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by the director or officer to repay those amounts if it is ultimately determined that he or she was not entitled to be indemnified. F.N.B.'s articles of incorporation further provide that F.N.B. may purchase and maintain insurance to protect itself and any such director or officer against any liability, cost or expense asserted against or incurred by him or her with respect to such service, whether or not F.N.B. would have the power to indemnify him or her against such liability by law or under the provisions of this paragraph.

F.N.B. maintains insurance policies insuring directors and officers against certain liabilities they may incur in their capacity as such.

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change in such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) (1) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(d) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(e) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(f) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
