## INFORMATION TO BE INCLUDED IN THE REPORT

### ITEM 1.01 Entry into a Material Definitive Agreement

On April 20, 2016, a Consolidated Edison, Inc. ( Con Edison ) subsidiary entered into a contribution agreement pursuant to which it agreed to purchase, for \$975 million (subject to closing adjustments), a 50 percent equity interest in a new entity, Stagecoach Gas Services LLC, to which a Crestwood Equity Partners LP subsidiary agreed to contribute 100 percent of the equity interests in certain gas pipeline and storage companies.

The contribution agreement includes certain customary representations, warranties, covenants and indemnification provisions. The transaction is subject to customary closing conditions, including, among other things, expiration or early termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and, as to a portion of the transaction, the approval of the New York State Public Service Commission. Con Edison has guaranteed certain obligations of its subsidiary under the contribution agreement and Barclays Bank PLC has provided committed financing for the transaction. The initial closing contemplated under the contribution agreement, at which the transaction is to be substantially completed, is expected to occur in the second quarter of 2016. Either party may terminate the contribution agreement under certain circumstances, including, subject to certain conditions and possible extension, if the initial closing does not occur on or before July 19, 2016.

The foregoing description of the contribution agreement does not purport to be complete and is qualified in its entirety by reference to the agreement which is filed as Exhibit 10 to this report.
