Item 8.01 Other Events.

As previously reported on Dynegy Inc.'s (Dynegy) Current Report on Form 8-K filed on October 30, 2017 with the U.S. Securities and Exchange Commission (the SEC), on October 29, 2017, Dynegy entered into an Agreement and Plan of Merger (the Merger Agreement) with Vistra Energy Corp. (Vistra Energy), pursuant to which, subject to the satisfaction of certain conditions, Dynegy will merge with and into (the Merger) Vistra Energy, with Vistra Energy continuing as the surviving corporation. The boards of directors of Dynegy and Vistra Energy have approved the Merger Agreement and the other transactions contemplated by the Merger Agreement. Upon the closing of the Merger, each issued and outstanding share of Dynegy common stock, par value \$0.01 per share (other than shares owned by Vistra Energy or its subsidiaries, held in treasury by Dynegy or held by a subsidiary of Dynegy) will automatically be converted into the right to receive 0.652 shares of common stock, par value \$0.01 per share, of Vistra Energy, except that cash will be paid in lieu of fractional shares. At the effective time of the Merger (the Effective Time), (i) each outstanding Dynegy stock option will be converted into an option to purchase shares of Vistra Energy common stock, on the same terms and conditions that were applicable under such Dynegy stock options immediately prior to the Effective Time (including any accelerated vesting provisions), (ii) each outstanding Dynegy restricted stock unit will be converted into Vistra Energy restricted stock units, and (iii) each outstanding Dynegy performance stock unit will be converted into the right to receive shares of Vistra Energy common stock (and cash in lieu of fractional shares to be paid by the surviving corporation to the holder).

The completion of the Merger is subject to various customary and other conditions, including, among others, (i) approval by the Vistra Energy's stockholders of the issuance of the Vistra Energy common stock in the Merger, (ii) adoption of the Merger Agreement by the Dynegy and Vistra Energy stockholders, (iii) receipt of all requisite regulatory approvals, which includes approvals of the Federal Energy Regulatory Commission, the Public Utility Commission of Texas and the New York Public Service Commission, and the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, and (iv) effectiveness of the registration statement on Form S-4 (File No. 333-222049), initially filed on December 13, 2017, for the shares of Vistra Energy common stock to be issued in the Merger, and the approval of the listing of such shares on the New York Stock Exchange.

In order to satisfy certain investor rights owed to Terawatt Holdings, LP, a Delaware limited partnership affiliated with Energy Capital Partners III, LLC, as previously reported on Dynegy's Current Report on Form 8-K filed on March 1, 2016 and September 6, 2017 with the SEC, Dynegy is filing this Current Report on Form 8-K to disclose (i) the audited consolidated financial statements of Vistra Energy (Successor Company) and Texas Competitive Electric Holdings Company LLC (Predecessor Company) as of December 31, 2016 and 2015 and for three years in the period ended December 31, 2016, including the notes thereto (the Year-end Financials), (ii) the unaudited consolidated financial statements of Vistra Energy (Successor Company) and Texas Competitive Electric Holdings Company LLC (Predecessor Company) as of September 30, 2017 and for each of the three and nine months ended September 30, 2017 and 2016, including the notes thereto (the Interim Financials), (iii) the unaudited pro forma condensed combined consolidated balance sheet (showing the pro forma effects of the Merger) as of September 30, 2017 and the unaudited pro forma condensed combined consolidated statements of income (showing the pro forma effects of the Merger) for the nine months ended September 30, 2017 and the year ended December 31, 2016, including the notes thereto (the Pro Forma Financials), and (iv) certain disclosures regarding risk factors, results of operations, liquidity and capital resources, market risk, related party transactions, business, management, capital stock, principal stockholders and other matters relating to Vistra Energy or the combined company that would result from the Merger (collectively, the Related Disclosures).

These forward-looking statements, which are based on current expectations, estimates and projections about the industry and markets in which Vistra Energy and Dynegey operate and beliefs of and assumptions made by Vistra Energy's management and Dynegey's management, involve risks and uncertainties, which are difficult to predict and are not guarantees of future performances, that could significantly affect the financial results of Vistra Energy or Dynegey or the combined company. All statements, other than statements of historical facts, are forward-looking statements. These statements are often, but not always, made through the use of words or phrases such as may, might, should, could, predict, potential, believe, will likely expect, continue, will, shall, anticipate, seek, estimate, intend, plan, project, forecast, goal, and outlook, or the negative variations of those words or other comparable words of a future or forward-looking nature. Readers are cautioned not to place undue reliance on forward-looking statements. Although Vistra Energy and Dynegey believe that in making any such forward-looking statement, Vistra Energy's and Dynegey's expectations are based on reasonable assumptions, any such forward-looking statement involves uncertainties and risks that could cause results to differ materially from those projected in or implied by any such forward-looking statement, including but not limited to (i) the failure to consummate or delay in consummating the proposed transaction; (ii) the risk that a condition to closing of the proposed transaction may not be satisfied; (iii) the risk that a regulatory approval that may be required for the proposed transaction is delayed, is not obtained, or is obtained subject to conditions that are not anticipated or that cause the parties to abandon the proposed transaction; (iv) the effect of the announcement of the proposed transaction on Vistra Energy's and Dynegey's relationships with their respective customers and their operating results and businesses generally (including the diversion of management time on transaction-related issues); (v) the risk that the credit ratings of the combined company or its subsidiaries are different from what Vistra Energy and Dynegey expect; (vi) adverse changes in general economic or market conditions (including changes in interest rates) or changes in political conditions or federal or state laws and regulations; (vii) the ability of the combined company to execute upon the strategic and performance initiatives contemplated herein (including the risk that Vistra Energy's and Dynegey's respective businesses will not be integrated successfully or that the cost savings, synergies and growth from the proposed transaction will not be fully realized or may take longer to realize than expected); (viii) there may be changes in the trading prices of Vistra Energy's and Dynegey's common stock prior to the closing of the proposed transaction; and (ix) those additional risks and factors discussed in reports filed with the Securities and Exchange Commission (SEC) by Vistra Energy and Dynegey from time to time, including (a) the uncertainties and risks discussed in the sections entitled Risk Factors and Special Note Regarding Forward-Looking Statements in Vistra Energy's prospectus filed with the SEC pursuant to Rule 424(b) of the Securities Act on May 9, 2017 (as supplemented), (b) the uncertainties and risks discussed in the sections entitled Risk Factors and Forward-Looking Statements in Dynegey's annual report on Form 10-K for the fiscal year ended December 31, 2016, and (c) the uncertainties and risks discussed in the section entitled Risk Factors in Vistra Energy's registration statement on Form S-4 (File No. 333-222049), initially filed on December 13, 2017 with the SEC.

Any forward-looking statement speaks only at the date on which it is made, and except as may be required by law, neither Vistra Energy nor Dynegy undertakes any obligation to update any forward-looking statement to reflect events or circumstances after the date on which it is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time, and it is not possible to predict all of them; nor can Vistra Energy or Dynegy assess the impact of each such factor or the extent to which any factor, or combination of factors, may cause results to differ materially from those contained in any forward-looking statement.
