MERGER PROPOSAL YOUR VOTE IS VERY IMPORTANT

February 9, 2018

Dear CVS Health Stockholders and Aetna Shareholders:

On behalf of the boards of directors of CVS Health and Aetna, we are pleased to enclose the joint proxy statement/prospectus relating to the merger of Aetna with a wholly-owned subsidiary of CVS Health pursuant to the terms of a merger agreement entered into by CVS Health and Aetna on December 3, 2017.

If the merger is completed, Aetna shareholders immediately prior to the effective time of the merger will be entitled to receive \$145.00 in cash and 0.8378 of a share of CVS Health common stock for each Aetna common share held by them, as described in more detail in the accompanying joint proxy statement/prospectus under the heading The Merger Agreement Merger Consideration. Based on the closing price of a share of CVS Health common stock on February 8, 2018, the most recent trading day prior to the date of the accompanying joint proxy statement/prospectus for which this information was available, the merger consideration represented approximately \$204.11 in value per Aetna common share. The value of the consideration to be received by Aetna shareholders will fluctuate with changes in the price of the shares of CVS Health common stock. We urge you to obtain current market quotations for shares of CVS Health common stock and Aetna common shares. Shares of CVS Health common stock and Aetna common shares are traded on the New York Stock Exchange (NYSE) under the symbols CVS and AET , respectively.

In connection with the merger, CVS Health stockholders are cordially invited to attend a special meeting of the stockholders of CVS Health to be held on March 13, 2018 at the offices of Shearman & Sterling LLP, located at 599 Lexington Avenue, New York, NY 10022, at 11:00 a.m. Eastern Time, and Aetna shareholders are cordially invited to attend a special meeting of the shareholders of Aetna to be held on March 13, 2018 at the offices of Davis Polk & Wardwell LLP, located at 450 Lexington Avenue, New York, NY 10017, at 11:00 a.m. Eastern Time.

Your vote is very important, regardless of the number of shares you own. We cannot complete the merger and the merger consideration will not be paid unless (i) CVS Health stockholders approve the issuance of shares of CVS Health common stock in the merger and (ii) Aetna shareholders approve and adopt the merger agreement. Approval of the issuance of shares of CVS Health common stock in the merger requires the affirmative vote of holders of a majority of the votes cast thereon at the special meeting of stockholders of CVS Health. Approval and adoption of the merger agreement requires the affirmative vote of holders of at least a majority of the outstanding Aetna common shares entitled to vote thereon.

At the special meeting of the stockholders of CVS Health, CVS Health stockholders will be asked to vote on (i) a proposal to approve the issuance of shares of CVS Health common stock in the merger and (ii) a proposal to approve the adjournment from time to time of the CVS Health special meeting if necessary to solicit additional proxies if there are not sufficient votes at the time of the CVS Health special meeting, or any adjournment or postponement thereof, to approve the issuance of shares of CVS Health common stock in the merger.

CVS Health's board of directors unanimously determined that the merger agreement and the transactions contemplated by the merger agreement, including the merger and the issuance of shares of CVS Health common stock in the merger, are advisable, fair to and in the best interests of CVS Health and its stockholders and unanimously recommends that CVS Health stockholders vote (i) FOR the approval of the issuance of shares of CVS Health common stock in the merger and (ii) FOR the approval of the adjournment from time to time of the CVS Health special meeting if necessary to solicit additional proxies if there are not sufficient votes at the time of the CVS Health special meeting, or any adjournment or postponement thereof, to approve the issuance of shares of CVS Health common stock in the merger.

Based on the number of shares of CVS Health common stock outstanding as of February 5, 2018, and the number of Aetna common shares outstanding as of February 5, 2018, immediately following completion of the merger, CVS Health stockholders immediately prior to the merger are expected to own approximately 78% of the outstanding shares of CVS Health common stock and former Aetna shareholders are expected to own approximately 22% of the outstanding shares of CVS Health common stock.
