On June 11, 2018, Boyd Gaming Corporation (the Company) announced the offering of \$500 million aggregate principal amount of 8-year senior notes (the Notes) in a private placement transaction, subject to market, regulatory and other conditions (the Notes Offering). The Notes will be fully and unconditionally guaranteed by certain of the Company s current and future domestic restricted subsidiaries. The Company s press release announcing the commencement of the Notes Offering is attached as Exhibit 99.1 and is incorporated herein by reference.

Subject to the satisfaction of certain conditions, the Company expects approximately \$492 million in net proceeds from the Notes Offering. This disclosure shall not constitute an offer to sell or the solicitation of an offer to buy the Notes.

Credit Facility Incremental Commitments

During the second or third quarter of 2018, the Company intends to seek incremental commitments from certain lenders under the accordion feature of its Third Amended and Restated Credit Agreement with the lenders party thereto and Bank of America, N.A. as administrative agent (the Credit Facility) that will increase the amount available under certain of the respective facilities provided under the Credit Facility by an aggregate amount of up to \$230 million.
