Item 1.01 Entry into a Material Definitive Agreement.

As previously reported, on May 7, 2018, International Flavors & Fragrances Inc. (IFF) entered into an Agreement and Plan of Merger (the Merger Agreement) with Frutarom Industries Ltd., a company organized under the laws of the State of Israel (Frutarom), and Icon Newco Ltd., a company organized under the laws of the State of Israel and a wholly owned subsidiary of IFF (Merger Sub). Pursuant to the Merger Agreement, subject to the satisfaction or waiver of specified conditions, Merger Sub will merge with and into Frutarom (the Merger), with Frutarom continuing as the surviving company in the Merger and a wholly owned subsidiary of IFF.

On August 25, 2018, the parties entered into Amendment No.1 to the Merger Agreement (the Amendment). The Amendment amends and restates Section 1.2 of the Merger Agreement to provide for the closing of the Merger to take place on the later to occur of (i) the third (3rd) Business Day (as defined in the Merger Agreement) after the satisfaction or waiver of specified conditions and (ii) October 4, 2018 (subject to the satisfaction or waiver of specified conditions), unless otherwise agreed in writing by the parties to the Merger Agreement.

Other than as expressly modified pursuant to the Amendment, the Merger Agreement, which was previously filed as Exhibit 2.1 to the Current Report on Form 8-K filed with the Securities and Exchange Commission by IFF on May 9, 2018, remains in full force and effect as originally executed on May 7, 2018. The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by the full text of such agreement, which is attached hereto as Exhibit 2.1 and is incorporated by reference herein.

Item 7.01 Regulation FD Disclosure.

As disclosed above, IFF, Frutarom and Merger Sub entered into the Amendment on August 25, 2018. IFF and Frutarom expect to close IFF's acquisition of Frutarom on October 4, 2018, subject to the satisfaction or waiver of the closing conditions in the Merger Agreement, which IFF and Frutarom expect to be satisfied by that date. The Merger has been approved by Frutarom's shareholders, and the requisite antitrust and competition approvals have been obtained in Israel, the United States, Turkey, Mexico and Ukraine. Antitrust/competition approvals are pending in the European Union (where an Article 4(3) notice has been publicly issued by the EU competition authority), South Africa and Russia, and are expected to be obtained in advance of the anticipated closing date.

Statements in this communication concerning IFF's business outlook or future economic performance, anticipated profitability, revenues, expenses or other financial items, and product or services line growth, together with other statements that are not historical facts, are forward-looking statements that are estimates reflecting the best judgment of IFF based upon currently available information. Such forward-looking statements are inherently uncertain, and stockholders and other potential investors must recognize that actual results may differ materially from IFF's expectations as a result of a variety of factors, including, without limitation, those discussed below. Such forward-looking statements are based upon management's current expectations and include known and unknown risks, uncertainties and other factors, many of which IFF is unable to predict or control, that may cause IFF's actual results, performance or plans to differ materially from any future results, performance or plans expressed or implied by such forward-looking statements. affect the combined company or the expected benefits of the acquisition, the risk that a condition to closing of the acquisition may not be satisfied on a timely basis or at all, the failure of the proposed transaction to close for any other reason, uncertainties as to access to available financing (including financing for the acquisition or refinancing of IFF or Frutarom debt) on a timely basis and on reasonable terms, the impact of IFF's proposed financing on its liquidity and flexibility to respond to other business opportunities, whether the acquisition will have the accretive effect on IFF's earnings or cash flows that it expects, the inability to obtain, or delays in obtaining, cost savings and synergies from the acquisition, costs and difficulties related to the integration of Frutarom's businesses and operations with IFF businesses and operations, unexpected costs, liabilities, charges or expenses resulting from the acquisition, adverse effects on IFF's stock price resulting from the acquisition, the inability to retain key personnel, and potential adverse reactions, changes to business relationships or competitive responses resulting from the acquisition.

In addition to the factors set forth above, other factors that may affect IFF's plans, results or stock price are set forth in IFF's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

Many of these factors are beyond IFF's control and IFF cautions investors that any forward-looking statements made by IFF are not guarantees of future performance. IFF disclaims any obligation to update any such factors or to announce publicly the results of any revisions to any of the forward-looking statements to reflect future events or developments.
