Sale of 16,100,000 Equity Units

On March 14, 2019, American Electric Power Company, Inc. (the Company) entered into an Underwriting Agreement with Barclays Capital Inc., Morgan Stanley & Co. LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters (the Underwriters) relating to the registered public offering and sale of 14,000,000 Equity Units (Equity Units) for an aggregate principal amount of \$700 million (the Underwriting Agreement). The Underwriters were granted an option to purchase an additional 2,100,000 Equity Units to cover over-allotments pursuant to the Underwriting Agreement.

The description of the Underwriting Agreement set forth above is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated by reference herein

On March 19, 2019, the Company completed its offering of 16,100,000 Equity Units (aggregate stated amount of \$805,000,000, representing the exercise in full of the Underwriters' over-allotment option) initially in the form of corporate units consisting of a purchase contract issued by the Company and a 1/20 undivided beneficial ownership interest in \$1,000 principal amount of the 3.40% junior subordinated notes due 2024 (the Notes). Holders of the Equity Units are entitled to receive quarterly contract adjustment payments at a rate of 2.725% per year on the stated amount of each Equity Unit, subject to the Company's right to defer contract adjustment payments. The Company intends to use the net proceeds from the Equity Units (approximately \$787 million before expenses) to support its overall capital expenditure plans including a recently announced contracted renewables transaction.

The purchase contracts for the Equity Units are being issued pursuant to a Purchase Contract and Pledge Agreement dated as of March 19, 2019 (the Purchase Contract and Pledge Agreement), between the Company and the Bank of New York Mellon Trust Company, N.A., in its capacity as the purchase contract agent, collateral agent, custodial agent and securities intermediary. Under the terms of the Purchase Contract and Pledge Agreement, the Notes are being pledged as collateral to secure the holders' obligations to purchase the shares of common stock under the purchase contracts that form a part of the Equity Units. The Notes will be remarketed, subject to certain terms and conditions, prior to the related purchase contract settlement date pursuant to the terms of the Purchase Contract and Pledge Agreement and a remarketing agreement to be entered into between the Company, the Bank of New York Mellon Trust Company, N.A., as purchase contract agent, and a remarketing agent or agents to be designated by the Company (the Remarketing Agreement).

The terms of the Notes are governed by a Junior Subordinated Indenture, dated as of March 1, 2008 (the Base Indenture), between the Company and The Bank of New York Mellon Trust

Company, N.A., as Trustee, as supplemented by the Supplemental Indenture No. 1, dated March 19, 2019 (the Supplemental Indenture and together with the Base Indenture, the Indenture).

The Notes bear interest at 3.40% per annum, payable quarterly in arrears on March 15, June 15, September 15 and December 15 of each year, beginning on June 15, 2019, subject to the Company's right to defer interest payments. The Notes are the unsecured and subordinated obligations of the Company and rank junior in payment to all of our existing and future Senior Indebtedness.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, payment default and certain events of bankruptcy and insolvency. If an event of default occurs and is continuing, the Trustee or holders of at least 33% in principal amount outstanding of the applicable series of Notes may declare the principal and the accrued and unpaid interest, if any, on all of such series of Notes to be due and payable. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

The Purchase Contract and Pledge Agreement, the form of Corporate Units certificate, the form of Treasury Units certificate, the form of remarketing agreement, the Base Indenture and the Supplemental Indenture are each filed herewith as exhibits and are expressly incorporated by reference herein.
