PROXY STATEMENT
for
ANNUAL MEETING OF STOCKHOLDERS
January 8, 2004

The Board of Directors of PriceSmart, Inc., a Delaware corporation (the "Company"), is soliciting the enclosed Proxy for use at the Annual Meeting of Stockholders of the Company to be held on January 8, 2004 (the "Annual Meeting"), and at any adjournments thereof. This Proxy Statement will be first sent to stockholders on or about _____, 2003. You can submit your Proxy by mail or you may provide voting instructions for your shares by telephone or via the Internet. Instructions for voting by telephone, by using the Internet or by mail are described on the enclosed Proxy. Unless contrary instructions are indicated on the Proxy, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted for the election of the Nominating Committee's nominees for directors, or for a substitute or substitutes in the event a nominee or nominees are unable to serve or decline to do so, and will be voted for the amendment to the Amended and Restated Certificate of Incorporation of the Company. As to any other business which may properly come before the Annual Meeting and be submitted to a vote of the stockholders, Proxies received by the Board of Directors will be voted in accordance with the best judgment of the holders thereof.

A Proxy may be revoked by written notice to the Secretary of the Company at any time prior to the Annual Meeting, by executing a later Proxy or by attending the Annual Meeting and voting in person.

The Company will bear the cost of solicitation of Proxies. In addition to the use of mails, Proxies may be solicited by personal interview, telephone, facsimile or e-mail, by officers, directors and other employees of the Company. The Company also will request persons, firms and

Edgar Filing: PRICESMART INC - Form PRE 14A

corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others to send or cause to be sent Proxy material to, and obtain Proxies from, such beneficial owners and will reimburse such holders for their reasonable expenses in so doing.

The Company's mailing address is 4649 Morena Blvd., San Diego, California 92117.

Voting

Stockholders of record at the close of business on November 12, 2003 (the Record Date) will be entitled to notice of and to vote at the Annual Meeting or any adjournments thereof.

As of November 12, 2003, 7,368,255 shares of the Company's common stock, \$.0001 par value per share (Common Stock), were outstanding, representing the only voting securities of the Company. Each share of Common Stock is entitled to one vote.

Votes cast by Proxy or in person at the Annual Meeting will be counted by the person appointed by the Company to act as Inspector of Election for the Annual Meeting. The Inspector of Election will treat shares represented by Proxies that reflect abstentions or include broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Because directors are elected by a plurality of the votes of the shares present in person or represented by Proxy at the Annual Meeting and entitled to vote on the election of directors, abstentions and broker non-votes do not constitute a vote for or against any nominee for the Board of Directors and thus will be disregarded in the calculation of votes cast for purposes of electing nominees to the Board of Directors. However, because the approval of the amendment to the Amended and Restated Certificate of Incorporation of the Company requires the affirmative vote of a majority of the outstanding Common Stock, abstentions and broker non-votes will have the same effect as a vote cast against the amendment. Any unmarked Proxies, including those submitted by brokers or nominees, will be voted in favor of the nominees for the Board of Directors, as indicated in the accompanying Proxy card, and in favor of the amendment to the Amended and Restated Certificate of Incorporation of the Company.

The Retirement Plan of PriceSmart, Inc.

In 1998, the Company established a retirement plan (the Retirement Plan). The Retirement Plan has terms and conditions substantially similar to The Price Enterprises, Inc. Profit Sharing and 401(k) Plan (the PEI Plan), of which PriceSmart was a sponsor from the time of the spin-off of the Company from PEI until the establishment of the Retirement Plan. The Retirement Plan is a split up of that portion of the PEI Plan which is attributable to employees of the Company.

The Retirement Plan is designed to be a qualified plan under applicable provisions of the Code, covering all employees who have completed one year of service, as defined in the Retirement Plan. Each year, participants may contribute up to 15% of their pre-tax annual compensation (as defined in the Retirement Plan) up to the maximum allowable by the Code. Participants may also contribute amounts representing distributions from other qualified plans. The Company makes a matching contribution equal to 100% of the participant's elective deferral up to an annual maximum of 4% of base compensation that a participant contributes to the plan. Although it has not expressed any intent to do so, the Company has the right under the Retirement Plan to discontinue its

12

contributions at any time and to terminate the Retirement Plan, subject to the provisions of Employee Retirement Income Security Act of 1974, as amended.

All participants in the Retirement Plan are fully vested in their voluntary contributions and earnings thereon. Vesting in the remainder of a participant's account is based upon his or her years of service with the Company, PEI, Costco, TPC and certain affiliated parties. A participant is 50% vested after the completion of two years of service and 100% vested after the completion of his or her third year of service. A participant becomes fully vested in his or her entire account upon retirement due to permanent disability, attainment of age 65 or death. In the event of a termination of the Retirement Plan by the Company, participants will become fully vested in their accounts.

1997 PriceSmart Stock Option Plan

In August 1997, the Company adopted the 1997 Stock Option Plan of PriceSmart, Inc. (the 1997 Plan). The 1997 Plan was approved by PEI as sole stockholder of the Company as of August 7, 1997. The principal purposes of the 1997 Plan are to provide incentives for officers, employees and consultants of the Company and its subsidiaries through the granting of options, thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ. In addition to options granted to officers, employees or consultants, the 1997 Plan provides for formula grants of options to the Company's independent non-employee directors.

The 1997 Plan provides for option grants covering up to 700,000 shares of Common Stock. As of October 31, 2003, options to purchase an aggregate of 627,091 shares of Common Stock at prices ranging from \$8.59 to \$20.00 per share had been granted under the 1997 Plan (not including shares subject to options that have been cancelled), and 72,909 shares remained available for future grant under the 1997 Plan.

1998 Equity Participation Plan

In July 1998, the Board of Directors adopted the 1998 Equity Participation Plan of PriceSmart, Inc. (the 1998 Plan). The 1998 Plan was subsequently approved by the Company's stockholders at the 1999 Annual Meeting of Stockholders. The principal purposes of the 1998 Plan are to provide incentives for directors, officers, employees and consultants of the Company and its subsidiaries through the granting of options, restricted stock and other awards (Awards), thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ.

The 1998 Plan provides that the Compensation Committee of the Company's Board of Directors or a subcommittee thereof may grant or issue incentive stock options, non-qualified stock options, stock purchase rights, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, performance awards, stock payments and other stock related benefits, or any combination thereof. Under the stock purchase feature of the 1998 Plan, the Compensation Committee may grant to any consultant or employee the right to purchase shares of Common Stock (Stock Purchase Rights) under the 1998 Plan from time to time, in such amounts and subject to such terms and conditions as the committee may

determine, and, at the discretion of the committee, such determinations may include determining categories of employees and the number of shares to be made available to employees in each such category. The 1998 Plan further provides that each independent director as of the date of the adoption by the Board of the 1998 Plan automatically shall be granted, on the date of such adoption, a Stock Purchase Right to purchase a number of shares of Common Stock equal to the difference between (1) 2,716 shares of Common Stock and (2) the number of shares of Common Stock purchased by such independent director since September 1, 1997 (other than purchases pursuant to the exercise of an option granted pursuant to any stock option plan of the Company). A person who is initially elected to the Board after the adoption by the Board of the 1998 Plan and who is an independent director at the time of such initial election automatically shall be granted a Stock Purchase Right to purchase 2,716 shares of Common Stock on the date of such initial election. The purchase price for shares of Common Stock purchased pursuant to any Stock Purchase Right granted under the 1998 Plan shall be no less than the fair market value of such Common Stock as of the date of purchase.

Under the 1998 Plan, the Compensation Committee may in its discretion allow payment, in whole or in part, through the delivery of a full recourse, limited recourse or non-recourse (as determined by the committee) promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under the Code) and

13

payable upon such terms as may be prescribed by the Compensation Committee or the Board. The Compensation Committee may prescribe the form of such promissory note and the security to be given for such note. However, Common Stock may not be purchased pursuant to a Stock Purchase Right by delivery of a promissory note or by a loan from the Company when or where such loan or other extension of credit is prohibited by law or by any agreement to which the Company is a party. Notwithstanding the foregoing, the Company has ceased extending new loans (or modifying existing loans) to any director or Executive Officer effective as of July 30, 2002.

The 1998 Plan provides for Awards covering up to 700,000 shares of Common Stock. As of October 31, 2003, options to purchase an aggregate of 610,057 shares of Common Stock at prices ranging from \$14.75 to \$20.00 per share had been granted under the 1998 Plan (not including shares subject to options that have been cancelled), 80,421 shares of Common Stock had been issued under the stock purchase provisions of the 1998 Plan, and 9,522 shares remained available for future grant under the 1998 Plan.

2001 Equity Participation Plan

In November 2001, the Board of Directors adopted the 2001 Equity Participation Plan of PriceSmart, Inc. (the 2001 Plan). The 2001 Plan was subsequently approved by the Company's stockholders at the 2002 Annual Meeting of Stockholders. The principal purposes of the 2001 Plan are to provide incentives for officers, employees and consultants of the Company and its subsidiaries through the granting of Awards, thereby stimulating their personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ. In addition to Awards granted to officers, employees or consultants, the 2001 Plan provides for formula grants of options to the Company's independent non-employee directors.

The 2001 Plan provides that the Compensation Committee of the Company's Board of Directors or a subcommittee thereof may grant or issue incentive stock options, non-qualified stock options, stock purchase rights, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, performance awards, stock payments and other stock related benefits, or any combination thereof. Under the stock purchase feature of the 2001 Plan, the Compensation Committee may grant to any employee, independent director or consultant Stock Purchase Rights under the 2001 Plan from time to time, in such amounts and subject to such terms and conditions as the committee may determine, and, at the discretion of the committee, such determinations may include determining categories of employees and the number of shares to be made available to employees in each such category. The purchase price for shares of Common Stock purchased pursuant to any Stock Purchase Right granted under the 2001 Plan shall be no less than the fair market value of such Common Stock as of the date of purchase.

Under the 2001 Plan, the Compensation Committee may in its discretion allow payment, in whole or in part, through the delivery of a full recourse, limited recourse or non-recourse (as determined by the committee) promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under the Code) and payable upon such terms as may be prescribed by the Compensation Committee or the Board. The Compensation Committee may prescribe the form of such promissory note and the security to be given for such note. However, Common Stock may not be purchased pursuant to a Stock Purchase Right by delivery of a promissory note or by a loan from the Company when or where such loan or other extension of credit is prohibited by law or by any agreement to which the Company is a party. Notwithstanding the foregoing, the Company has ceased extending new loans (or modifying existing loans) to any director or Executive Officer effective as of July 30, 2002.

The 2001 Plan provides for Awards covering up to 350,000 shares of Common Stock. As of October 31, 2003, options to purchase an aggregate of 337,062 shares of Common Stock at \$20.00 per share had been granted under the 2001 Plan (not including shares subject to options that have been cancelled), no shares of Common Stock had been issued under the stock purchase provisions of the 2001 Plan, and 12,938 shares remained available for future grant under the 2001 Plan.

2002 Equity Participation Plan

In November 2002, the Board of Directors adopted the 2002 Equity Participation Plan of PriceSmart, Inc. (the 2002 Plan). The 2002 Plan was subsequently approved by the Company's stockholders at the 2003 Annual Meeting of Stockholders. The principal purposes of the 2002 Plan are to provide incentives for officers, employees and consultants of the Company and its subsidiaries through the granting of Awards, thereby stimulating their

14

personal and active interest in the Company's development and financial success, and inducing them to remain in the Company's employ. In addition to Awards granted to officers, employees or consultants, the 2002 Plan provides for formula grants of options to the Company's independent non-employee directors.

The 2002 Plan provides that the Compensation Committee of the Company's Board of Directors or a subcommittee thereof may grant or issue incentive stock options, non-qualified stock options, stock purchase rights, stock appreciation rights, restricted stock, deferred stock, dividend equivalents, performance awards, stock payments and other stock related benefits, or any combination thereof. Under the stock purchase feature of the 2002 Plan, the Compensation Committee may grant to any employee, independent director or consultant Stock Purchase Rights under the 2002 Plan from time to time, in such amounts and subject to such terms and conditions as the committee may determine, and, at the discretion of the committee, such determinations may include determining categories of employees and the number of shares to be made available to employees in each such category. The purchase price for shares of Common Stock purchased pursuant to any Stock Purchase Right granted under the 2002 Plan shall be no less than the fair market value of such Common Stock as of the date of purchase.

Under the 2002 Plan, the Compensation Committee may in its discretion allow payment, in whole or in part, through the delivery of a full recourse, limited recourse or non-recourse (as determined by the committee) promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under the Code) and payable upon such terms as may be prescribed by the Compensation Committee or the Board. The Compensation Committee may prescribe the form of such promissory note and the security to be given for such note. However, Common Stock may not be purchased pursuant to a Stock Purchase Right by delivery of a promissory note or by a loan from the Company when or where such loan or other extension of credit is prohibited by law or by any agreement to which the Company is a party. Notwithstanding the foregoing, the Company has ceased extending new loans (or modifying existing loans) to any director or Executive Officer effective as of July 30, 2002.

The 2002 Plan provides for Awards covering up to 250,000 shares of Common Stock. As of October 31, 2003 options to purchase an aggregate of 49,000 shares of Common Stock at prices ranging from \$18.29 to \$20.00 per share had been granted under the 2002 Plan (not including shares subject to options that have been cancelled), no shares of Common Stock had been issued under the stock purchase provisions of the 2002 Plan, and 201,000 shares remained available for future grant under the 2002 Plan.

Compensation Committee Membership, Interlocks and Insider Participation

During fiscal year 2003, the Company's Compensation Committee consisted of Ms. Hensley and Messrs. Janks and Krause. There were no insider participations nor Compensation Committee interlocks among the members of the committee during fiscal 2003. At all times during fiscal year 2003, the committee has been comprised solely of independent, non-employee directors.

Compensation Committee Report on Executive Compensation

The Compensation Committee recommends to the Company's Board of Directors, for its approval, the compensation (including annual base salaries and bonuses) of the Chief Executive Officer, Chief Financial Officer and other Executive Vice Presidents of the Company (Executive Officers). The committee also administers the Company's compensation plans for the Company's Executive Officers, including the Company's stock option plans and the granting of options and any other awards thereunder.

General Compensation Philosophy

The Company's executive compensation policies are designed to meet the following objectives: (1) to attract and retain talented executives; (2) to reward appropriately individual achievement; and (3) to enhance the financial performance of the Company, and thus stockholder value, by significantly aligning the financial interests of the Company's executives with those of its stockholders. To accomplish these objectives the Company's executive compensation program may include: (A) annual base salaries; (B) cash bonuses; and (C) stock option grants and a stock purchase program aligned with stock option grants.

Executive Officers also participate in other benefit plans available to employees generally, including the Company's Retirement Plan and a medical plan.

Annual Base Salaries and Bonuses

The committee makes its executive compensation recommendations to the Company's Board of Directors, for its approval, by considering the recommendations of the Chief Executive Officer together with such factors as job complexity, level of responsibility, how the position relates to the Company's long-term strategic goals, and the particular individual's skills, experience, background and performance. While there are no pre-established weightings given to these factors, particular importance is placed on attracting and retaining quality individuals in order to establish and secure an effective executive team for the Company. During the past fiscal year, the committee approved increases to the base salaries of the following Executive Officers of the Company: Executive Vice President and Chief Operating Officer (William J. Naylon) from \$235,000 to \$250,000; Executive Vice President and General Counsel (Robert M. Gans) from \$200,000 to \$210,000; Executive Vice President Merchandising (Thomas D. Martin) from \$190,000 to \$200,000; Executive Vice President Caribbean and Central America Operations (John D. Hildebrandt) from \$177,000 to \$186,000; Executive Vice President Real Estate and Construction (Brud E. Drachman) from \$157,000 to \$177,000; Executive Vice President Logistics (Edward Oats) from \$142,000 to \$177,000; and former Executive Vice President and Chief Financial Officer (Allan C. Youngberg) from \$210,000 to \$217,500, all effective January 22, 2003 (with the exception of Messrs. Drachman and Oats, whose increases were effective January 1, 2003) and an additional increase for Mr. Youngberg from \$217,500 to \$227,500, effective May 1, 2003.

The Company's annual bonus program is designed to reward the Company's Executive Officers for individual achievement in supporting the fulfillment of corporate objectives, subject to the Company exceeding certain financial criteria. Because that criteria was not exceeded by the Company, bonuses were not granted for the past fiscal year.

Stock Options and Stock Purchase Program

The long-term incentive aspect of the Company's executive compensation program is realized primarily by the granting of stock options. Stock option awards are viewed as a particularly effective tool to attract experienced and talented employees and to encourage their long-term quality performance with the Company. Since the value

of the stock option is dependent upon stock performance, the stock option program directly aligns employee compensation with the interests of the Company's stockholders.

Stock options are granted by the committee based upon the recommendations of senior management. Stock options generally are granted at a price equal to the fair market value of a share of Common Stock as of the date of committee approval of the grant or the effective date of grant. In April 2003, the Company repriced all stock options held by employees of the Company with an exercise price of more than \$20.00 per share, to \$20.00 per share. All other terms of the stock options remained unchanged. The repricing included 27,000, 27,000, 40,000 and 87,000 stock options held by Messrs. Gans, Martin, Naylon and Youngberg, respectively. Prior to the repricing, the exercise prices of these stock options ranged from \$35.00 to \$40.00, which was significantly above the market price of the Common Stock at the time of the repricing. On the effective date of the repricing, the closing sale price of the Common Stock, as reported by the Nasdaq National Market, was \$16.12. Accordingly, the repricing of stock options to \$20.00 per share was deemed to be an effective and appropriate method to help ensure the long-term commitment of the Company's employees, including the above Named Executive Officers, which is a primary objective of the Company's stock option program.

Edgar Filing: PRICESMART INC - Form PRE 14A

Stock options generally are exercisable at the rate of 20% per year, thereby providing an incentive for the grantee to remain with the Company. In the fiscal year ended August 31, 1998, the Company expanded its executive compensation program to include an opportunity for Executive Officers to purchase stock directly from the Company at fair market value. The Company has provided financing for such purchases and has granted additional options to those Executive Officers who made such purchases, but ceased doing so effective July 30, 2002. In authorizing such stock purchases and in making option grants, the committee considers the anticipated future performance of the employee and that individual's ability to impact positively the achievement of the Company's objectives. During the past fiscal year, the committee authorized new stock option grants for Messrs. Youngberg, Drachman and Oats.

Chief Executive Officer Compensation

Robert E. Price, who beneficially owns 40.2% of the Common Stock, 5.5% of the Series A Preferred Stock and 68.2% of the Series B Preferred Stock, assumed the position of Interim President and Chief Executive Officer of the Company effective April 1, 2003. Mr. R. Price serves in that capacity without receiving any salary or other monetary compensation from the Company.

Gilbert A. Partida, the Company's former President and Chief Executive Officer, ceased employment with the Company on April 1, 2003. The Company and Mr. Partida entered into a severance agreement and an independent contractor agreement, both of which were approved by the Company's Board of Directors. The terms of the severance agreement and the terms of the independent contractor agreement are described below under Employment Contracts. During his tenure as President and Chief Executive Officer of the Company, the committee considered Mr. Partida's background, abilities and potential for successfully implementing the Company's business objectives in its approval of Mr. Partida's annual base salary, which was increased to \$355,000 as of September 1, 2002. The committee did not commission any independent surveys to determine competitive compensation because the committee considered Mr. Partida's total compensation package to be reasonable in view of his position and responsibilities with the Company.

Omnibus Budget Reconciliation Act Implications for Executive Compensation

It is the responsibility of the Board (or the Compensation Committee) to address the issues raised by the tax laws which make certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 non-deductible to the Company. In this regard, a determination must be made as to whether any actions with respect to this limit should be taken by the Company. At this time, it is not anticipated that any executive officer will receive compensation in excess of this limit. Nevertheless, the Company has sought to comply with the requirements of Section 162(m) of the Code, so that awards granted under the 1998 Plan, the 2001 Plan and the 2002 Plan qualify as incentive based compensation that will not count against the \$1,000,000 limit on deductibility. Such compliance includes seeking stockholder approval of the 1998 Plan at the 1999 Annual Meeting of Stockholders, the 2001 Plan at the 2002 Annual Meeting of Stockholders and the 2002 Plan at the 2003 Annual Meeting of Stockholders. Additional action will be taken if it is warranted in the future.

18

Summary

The committee believes that the above-described cash compensation program and long-term incentives (in the form of stock option awards and stock purchase rights) provide appropriate alignment of the long-term interests of the Company's Executive Officers, the Company and its stockholders.

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. All committee members satisfy the definition of independent director as established in the National Association of Securities Dealers listing standards, and the Board of Directors has determined that Mr. Janks qualifies as an audit committee financial expert within the meaning of the rules and regulations of the SEC. The Board of Directors adopted a written charter for the Audit Committee on August 25, 1997, amended July 13, 2001, a copy of which was attached to the Proxy Statement for the Company's 2001 Annual Meeting of Stockholders.

In fulfilling its oversight responsibilities, the committee reviewed with management the audited financial statements in the Annual Report, including a discussion of the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

Edgar Filing: PRICESMART INC - Form PRE 14A

The Company's independent auditors, Ernst & Young LLP, are responsible for expressing an opinion on the conformity of our audited financial statements with generally accepted accounting principles. Ernst & Young met with the committee and expressed its judgment as to the quality, not just the acceptability, of the Company's accounting principles and discussed other matters as required under generally accepted auditing standards. In addition, Ernst & Young discussed the auditors' independence from the Company and from the Company's management and delivered to the committee those matters to be set forth in written disclosures as required by the Independence Standards Board.

The committee discussed with our independent auditors the overall scope and plan of their audit. The committee meets with the independent auditors, with and without our management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the committee has recommended that the audited financial statements be included in the Annual Report on Form 10-K for the year ended August 31, 2003 for filing with the SEC.

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Mr. Naylon may terminate the agreement at any time on 90 days' prior written notice. The Company may terminate the agreement for cause upon immediate

notice thereof, or upon the death or disability of Mr. Naylon. In the event that the Company terminates the agreement for any reason other than cause, death or disability, Mr. Naylon will be entitled to the continuation of his base salary for one year, payable in conformity with the Company's normal payroll period. If the agreement is not terminated, then, upon expiration of the employment term, and if Mr. Naylon's employment by the Company does not thereafter continue upon mutually agreeable terms, Mr. Naylon shall be entitled to the continuation of his base salary for one year, reduced by any compensation he may receive from another employer during that year. The foregoing severance benefits are the exclusive benefits that would be payable to Mr. Naylon under the agreement by reason of his termination, and the Company is not obligated to segregate any assets or procure any investment in order to fund such severance benefits.

Pursuant to this agreement, as amended, Mr. Oats is entitled to receive a base annual salary of \$177,000. Mr. Oats may not engage in any activities, with or without compensation, that would interfere with the performance of his duties or that would be adverse to the Company's interests, without the prior written consent of the Company. In the event that the Company terminates the agreement for any reason other than cause, death or disability, Mr. Oats will be entitled to the continuation of his base salary for one year, payable in conformity with the Company's normal payroll period. If the agreement is not terminated, then, upon expiration of the employment term, and if Mr. Oats' employment by the Company does not thereafter continue upon mutually agreeable terms, Mr. Oats shall be entitled to the continuation of his base salary for one year, reduced by any compensation he may receive from another employer during that year. The foregoing severance benefits are the exclusive benefits that would be payable to Mr. Oats under the agreement by reason of his termination, and the Company is not obligated to segregate any assets or procure any investment in order to fund such severance benefits. Allan C. Youngberg entered into an employment agreement with the Company for a term of two years commencing July 27, 1999 which was subsequently extended to April 30, 2004. Pursuant to this agreement, as amended, Mr. Youngberg was entitled to receive a base annual salary of \$227,500. Mr. Youngberg was eligible to participate in the Company's bonus plan and to receive all other benefits offered to officers under the Company's standard company benefits practices and plans. Mr. Youngberg was entitled to terminate the agreement at any time on 90 days' prior written notice. The Company was entitled to terminate the agreement for cause upon immediate notice thereof, or upon the death or disability of Mr. Youngberg. In the event that the Company terminated the agreement during the period from August 13, 1999 to August 12, 2000 for any reason other than cause, death or disability, Mr. Youngberg would have been entitled to the continuation of his base salary for the remainder of the term of the agreement payable in conformity with the Company's normal payroll

period. If the Company terminated the agreement after August 12, 2000, Mr. Youngberg would be entitled to the continuation of his base salary for one year, payable in conformity with the Company's normal payroll period. If the agreement were not terminated, then, upon expiration of the employment term, and if Mr. Youngberg's employment by the Company does not thereafter continue upon mutually agreeable terms, Mr. Youngberg would be entitled to the continuation of his base salary for one year, reduced by any compensation he may receive from another employer during that year. The foregoing severance benefits are the exclusive benefits that would be payable to Mr. Youngberg under the agreement by reason of his termination, and the Company was not obligated to segregate any assets or procure any investment in order to fund such severance benefits. The agreement also contains confidentiality provisions and other terms and conditions customary to executive employment agreements.

On September 4, 2003, Mr. Youngberg and the Company entered into a severance agreement and an independent contractor agreement. The severance agreement provides that the Company will pay Mr. Youngberg an aggregate of \$113,750 (six months' salary), with \$40,000 payable on or before September 30, 2003 and the remaining \$73,750 to be paid in equal installments over a five-month period beginning October 1, 2003. The Company also agreed to accept 3,658 shares of the Common Stock then owned by Mr. Youngberg in partial satisfaction of Mr. Youngberg's promissory note dated July 27, 1999 in the initial principal amount of \$149,978 and to forgive the balance of the obligation owed by Mr.

Youngberg to the Company under the promissory note. Finally, the Company will pay insurance premiums for four months for Mr. Youngberg and his wife relating to health, dental, vision and mental care not to exceed \$1,000 per month. In exchange for this consideration, Mr. Youngberg will release the Company from any claims he may have against the Company through the date of the agreement. In addition, Mr. Youngberg has agreed to refrain from using or disclosing certain confidential information and to refrain, for a three-year period, from soliciting any employee of the Company to cease his or her employment with the Company. Under the independent contractor agreement, Mr. Youngberg will be available to provide full-time consulting services to the Company from September 1, 2003 through November 28, 2003 and will receive an aggregate of \$66,000. PROPOSAL 2

**APPROVAL OF THE AMENDMENT TO THE
AMENDED AND RESTATED CERTIFICATE OF INCORPORATION**

Proposed Amendment

The Company's Amended and Restated Certificate of Incorporation (the "Certificate"), as currently in effect, provides that the Company is authorized to issue 15,000,000 shares of Common Stock and 2,000,000 shares of Preferred Stock. In October 2003, the Board authorized an amendment (the "Amendment") to the Certificate to increase the authorized number of shares of Common Stock to 20,000,000 shares. The Amendment will make no change in the number of authorized shares of Preferred Stock.

If adopted, the Amendment would cause the first paragraph of Article Fourth of the Company's Amended and Restated Articles of Incorporation to read as follows:

FOURTH: The total number of shares of stock which the Corporation shall have the authority to issue is 22,000,000, which shall consist of 20,000,000 shares of Common Stock, each having a par value of \$.0001 (the "Common Stock"), and 2,000,000 shares of Preferred Stock, each having a par value of \$.0001 (the "Preferred Stock").

As of October 31, 2003, the Company had 7,371,913 shares of Common Stock issued and outstanding, 20,000 shares of Series A Preferred Stock issued and outstanding, which were convertible into 533,333 shares of Common Stock, 22,000 shares of Series B Preferred Stock issued and outstanding, which were convertible into 1,100,000 shares of Common Stock, 1,035,090 shares of Common Stock reserved for issuance upon the exercise of outstanding stock options and 298,670 shares of Common Stock reserved for future grants under the Company's stock option plans.

Purpose and Effect of Amendment

The principal purposes of the Amendment, among others, are to authorize additional shares of Common Stock that will be available in the event that the Board determines to raise additional capital through the sale of securities, to acquire another company or its business or assets, to establish a strategic relationship with a corporate partner or to grant awards under its future stock option plans. If the Amendment is adopted, 5,000,000 additional shares of Common Stock will be available for issuance by the Board without any further stockholder approval, although certain large issuances of shares may require stockholder approval in accordance with the requirements of the Nasdaq Stock Market. The Board believes that it is desirable for the Company to have the flexibility to issue the additional shares without further stockholder approval. The Company has no current plans or proposals to issue any portion of the additional shares to be authorized under this proposal.

The additional shares could be issued at such times and under such circumstances as to have a dilutive effect on earnings per share and on the equity ownership of the present holders of Common Stock. The holders of Common Stock have no preemptive rights to purchase any stock of the Company, except for preemptive rights granted to International Finance Corporation under a common stock purchase agreement entered into in April 2002. In addition, the Board's ability to issue additional shares of stock could enhance the Board's ability to negotiate on behalf of the stockholders in a takeover situation. Although it is not the purpose of the Amendment, the authorized but unissued shares of Common Stock (as well as the authorized but unissued shares of Preferred Stock) also could be used by the Board to discourage, delay or make more difficult a change in the control of the Company. For

27

example, such shares could be privately placed with purchasers who might align themselves with the Board in opposing a hostile takeover bid. The issuance of additional shares could serve to dilute the stock ownership of persons seeking to obtain control and thereby increase the cost of acquiring a given percentage of the outstanding stock. The Company has previously adopted certain measures that may have the effect of delaying or preventing an unsolicited takeover attempt, including provisions of the Certificate authorizing the Board to issue Preferred Stock with terms, provisions and rights fixed by the Board. The Board is not aware of any pending or proposed effort to acquire control of the Company.

Vote Required

The approval of the Amendment requires the affirmative vote of a majority of the outstanding Common Stock. An abstention or broker non-vote is not an affirmative vote and therefore will have the same effect as a vote against the proposal.

Recommendation of the Board of Directors

The Board of Directors recommends that stockholders vote FOR the approval of the amendment to the Amended and Restated Certificate of Incorporation of the Company. Proxies solicited by the Board of Directors will be so voted unless stockholders specify otherwise on the accompanying Proxy.
