The Board of Directors Recommends a Vote FOR Item 5

6. Amendment of the Company's Articles of Association

The Company wishes to amend its Articles of Association for two reasons:

First, the Company wishes to change its nominal capital (formerly referred to as authorized capital) in order to give the Company the flexibility (i) to issue additional shares for business or financing opportunities which may arise and (ii) to create additional reserves of shares if necessary. Currently, the maximum nominal capital of the

3

Company is [euro] 48,300,000, divided into (a) 20,000,000 common shares with a par value of [euro] 2.30 each and (b) 1,000,000 preferred shares with a par value of [euro] 2.30 each. The Company wishes to increase the number of authorized common shares to 30,000,000 and to change the par value of all authorized shares to one Eurocent ([euro] 0.01) each, such that the total nominal capital of the Company will be [euro] 310,000.

Second, the legislature of the Netherlands Antilles introduced a new Book 2 of the Civil Code (legal entities) which became effective on March 1, 2004. The Company has been advised that in order that the Articles of Association conform to the new law, it is desirable to make certain changes in the Articles. Furthermore, under the new law the Articles of Association may be drawn up in the English language, and the Company has been advised that it should take advantage of this new opportunity.

An outline indicating textual changes of the proposed amended Articles of Association (the "Articles Amendment") from the current Articles of Association is attached to this Proxy Statement as Annex A. The verbatim text of the Articles Amendment is available for review by the shareholders at the offices of the Company from the date of this notice until the end of the Meeting.

Accordingly, this Item asks the shareholders of Sapiens to amend the Articles of Association as described above and in the form drawn up by the office of STvB Advocaten (Europe) N.V. ("STvB"). In addition, the shareholders are asked to authorize each of the lawyers and candidate notaries of STvB, acting jointly as well as separately, to effect the Articles Amendment by passing the deed of amendment before a civil law notary and furthermore to do everything which might be found necessary, all this with the right of substitution, to complete the amendment of the Articles of Association in accordance with the Articles Amendment.

The affirmative vote of the shareholders of Sapiens having a majority of all outstanding shares of Sapiens' capital shares entitled to vote at the Meeting is required to resolve to amend the Company's Articles of Association as contained in this Item.

The Board of Directors Recommends a Vote FOR Item 6

Edgar Filing: SAPIENS INTERNATIONAL CORP N V - Form 6-K

7. Amendment of the Company's Stock Option Plans

In 1992, our Board of Directors and shareholders approved the 1992 Stock Option and Incentive Plan (the "1992 Stock Plan") pursuant to which our officers, directors and employees are eligible to receive awards of stock options and restricted stock. In February 2003, the Board of Directors authorized the extension of the 1992 Stock Plan until April 2012 and our shareholders approved that extension. In 2003, our Board of Directors and shareholders approved the 2003 Share Option Plan (the "2003 Option Plan"), pursuant to which our officers, directors, employees, consultants and contractors are eligible to receive awards of stock options. In the remainder of this section, the 1992 Stock Plan and 2003 Option Plan will be referred to together as the "Incentive Plans."

The Company has reserved 500,000 authorized but unissued common shares for purposes of the Incentive Plans. As of December 31, 2003, options to purchase up to an aggregate of 1,558,495 common shares have been granted under the Incentive Plans (after taking into account cancellations of options granted), leaving a remainder of only 202,141 authorized but unissued common shares for the purposes of the Plans.

In order to allow the Company to continue to use the Plans for their intended purposes, it is proposed that both Incentive Plans be amended to allow an increase of 500,000 in the common shares reserved for the Incentive Plans. According to the terms of the Incentive Plans and rule 4350(i)(1)(A) of the Nasdaq Stock Market, Inc., a material increase in the aggregate number of common shares as to which awards may be granted under the Incentive Plans must be approved by the shareholders of the Company.

The affirmative vote of the shareholders of Sapiens having a majority of all outstanding shares of Sapiens' capital shares entitled to vote at the Meeting is required to resolve to amend the Company's Incentive Plans as described in this Item.

The Board of Directors Recommends a Vote FOR Item 7

8. Other Matters

The Board of Directors knows of no other matters to be presented at the Meeting. If any additional matter should be presented properly, it is intended that the enclosed proxy will be voted in accordance with the discretion of the persons named in the proxy.

Shareholders are urged to complete and return their proxies promptly in order, among other things, to ensure action by a quorum and to avoid the expense of additional solicitation. If the accompanying proxy is properly executed and returned in time for voting, and a choice is specified, the shares represented thereby will be voted as indicated thereon. If no specification is made, the proxy will be voted in favor of each of the proposals described in this Proxy Statement.
