PROXY STATEMENT

The proxy materials are delivered by the Board of Directors of Enterprise Financial Services Corp (the Company), in connection with the solicitation of proxies to be voted at the 2005 Annual Meeting of Shareholders or any adjournment or postponement thereof.

QUESTIONS ABOUT THE MEETING AND THESE PROXY MATERIALS

This Proxy Statement, the proxy card and our 2004 Annual Report were first mailed to shareholders on or about March 21, 2005.

What may I vote on?

election of 12 directors to hold office until the next Annual Meeting of Shareholders or until their successors are elected and have qualified; and

ratification of the appointment of KPMG LLP as independent auditors for fiscal 2005 (Proposal 2).

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE 12 DIRECTORS AND FOR THE RATIFICATION OF THE APPOINTMENT OF AUDITORS.

Who can vote at the meeting? The Board of Directors has set March 9, 2005 as the record date for the Annual Meeting. All shareholders who owned Enterprise common stock at the close of business on the record date may attend and vote at the Annual Meeting. Each shareholder is entitled to one vote for each share of common stock held as of the record date on all matters to be voted on. On the Record Date, there were 9,972,250 shares of common stock outstanding. Shares held as of the record date include shares that are held directly in your name as the shareholder of record and those shares held for you as a beneficial owner through a stockbroker, bank or other nominee.

Shareholder of Record

If your shares are registered directly in your name with the Company's transfer agent, UMB, you are considered the shareholder of record with respect to those shares, and these proxy materials are being sent directly to you. As the shareholder of record, you have the right to vote by proxy. There are three ways you can vote:

Vote by Internet www.proxyvote.com

Use the internet to transmit your voting instructions and for electronic delivery of information. Have your proxy card in hand when you access the website.

Vote by phone 1-800-690-6903

Use any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call.

Vote by mail

Mark, sign and date your proxy card and return it in the postage-paid envelope we've provided.

Voting by any of these methods will not affect your right to attend the Annual Meeting and vote in person.

Beneficial Owner

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the *beneficial owner* of shares held in street name. These proxy materials are being forwarded to you by your broker or nominee which is considered, with respect to those shares, the shareholder of record. You should follow the voting directions provided by your broker or nominee. You may complete and mail a voting instruction card to your broker or nominee or, in most cases, submit voting instructions by telephone or the Internet to your broker or nominee.

Can I change my vote? Yes. If you are the shareholder of record, you may revoke your proxy at any time before the Annual Meeting by:
entering a new vote by Internet or telephone;
returning a later-dated proxy card;
sending written notice of revocation to the Secretary of the Company; or
attending the Annual Meeting and voting by ballot.

How many votes must be present to hold the Annual Meeting? The presence in person or by proxy of the holders of a majority of the shares of Common Stock entitled to vote constitutes a quorum at the Meeting for the election of directors and for other proposals. If a quorum is not present at the time the Annual Meeting is convened, the Company may adjourn or postpone the Annual Meeting.

How many votes are needed to approve the proposals? Each holder of Common Stock is entitled to one vote for each share of Common Stock held with respect to each matter to be voted upon; provided, however, that cumulative voting shall be available for the election of directors. Under cumulative voting, each shareholder is entitled to cast a number of votes equal to the number of shares held by such shareholder multiplied by the total number of directors to be elected. These votes may be divided among all nominees equally or may be voted for one or more of the nominees, either in equal or unequal amounts, as the shareholder may elect. A plurality of votes cast at the Annual Meeting is required for the election of each director.

Ratification of the selection of independent auditors and approval of any other proposal which may be brought before the meeting each requires the affirmative vote of a majority of the shares present at the meeting and entitled to vote on the matter.

An abstention from voting on a matter by a stockholder present in person or by proxy will have no effect on the election of directors but will have the same legal effect as a vote against any other proposal. If a broker or other nominee holder indicates on the Proxy Card that it does not have discretionary authority to vote the shares it holds of record on a proposal, those shares will not be considered as present and entitled to vote on the proposal.

All shares of Common Stock represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting which are not properly revoked will be voted at the Annual Meeting in accordance with the instructions indicated on such proxies. If no instructions are indicated, such proxies will be voted FOR the election of the Board's director nominees and FOR the ratification of the recommended independent auditors.

Who pays for this proxy solicitation? The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to solicitation by mail, proxies may be solicited in person or by telephone or by other means by the Company's directors, officers or employees, who will not receive any additional compensation for solicitation activities. The Company has engaged Automatic Data Processing, Inc., for a fee to be determined, to assist in the distribution and tabulation of proxies. The Company will also reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing proxy materials to the beneficial owners of common stock as of the record date.

The date of this Proxy Statement is March 21, 2005

There was no change in compensation for Chairman McKee, who serves under a consulting agreement from which he receives \$40,000 annually. He receives no other payment for Board or Committee service.

Directors who are employees of the Company are not eligible to receive any form of compensation for their services as Directors.

Effective January 1, 2005, in recognition of their service, a one-time award of \$6,000 in Restricted Share Units (RSU s) was made to each of the following former Directors who resigned from the Board effective December 31, 2004: Ronald E. Henges, Jerry McElhatton, William B. Moskoff, James J. Murphy, Jr., Stephen A. Oliver, James L. Wilhite, and James A. Williams.

Board and Committee Meetings

All Committee members are appointed by the Board. In addition, the Board has established membership standards for each committee which require that a certain number of committee members must be independent directors , as that term is defined in Rule 4200 (a)(15) of the NASDAQ rules. Although the Company was not listed on NASDAQ in 2004, the Company has used NASDAQ s independence criteria in making this judgment in accordance with applicable SEC rules. Effective February 8, 2005, the Company was listed on NASDAQ.

The Board met 4 times in 2004. All directors attended at least 75% of all meetings of the full Board and of those committees on which they served in 2004 except Directors Henges and McElhatton. In 2005, the Board is scheduled to meet seven times, with an optional eighth meeting.

Executive Committee. The Executive Committee is empowered to act on behalf of, and to exercise the powers of, the full Board of Directors in the management of the business and affairs of the Company when the full Board of Directors is not in session, except to the extent limited by applicable Delaware law. The charter for the Executive Committee may be found at the Company s website at www.enterprisebank.com. All actions by the committee are reported at the next regular Board of Directors meeting. In addition, approved Executive Committee minutes are shared with all Directors. In 2004, the committee met eleven times. In 2005, the Committee will meet only as needed, given the additional meetings of the full Board.

The Committee consists of at least five non-employee directors who are independent directors as defined in the NASDAQ standards. For 2004, the Executive Committee consisted of Directors McKee, Eichner, Benoist, Mullins, Murphy, Saur, Warshaw, and former Director Oliver and at times, two additional directors who served on a rotating basis for three meetings. In 2005, the Executive Committee consists of Directors McKee, Eichner, Benoist, Mullins, Murphy, Saur and Warshaw.

Audit Committee. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors by reviewing all audit processes and fees, the financial information provided to the stockholders and the Company's systems of internal financial controls. The Audit Committee has the authority and responsibility to select and evaluate and, where appropriate, replace the Company's independent public auditor.

The Committee shall consist of three or more directors who meet the NASDAQ independence standards. For 2004, the Audit Committee consisted of Directors Masinton, Mullins, Guest and former Director McEllhatton. Beginning in January 2005, the Audit Committee consists of Directors Masinton, Guest and Van Trease. The Audit Committee met four times in 2004.

The Board of Directors has determined that Directors Van Trease and Masinton satisfy the requirements of a financial expert as defined in Item 401(h)(2) of Regulation S-K and satisfy the definition of financially sophisticated under NASDAQ Rule 4350(d).

In the opinion of the Company's Board, none of the Directors on the Audit Committee has a relationship with the Company or the Bank that would interfere with the exercise of independent judgment in carrying out their responsibilities as director. None of them are or have been for the past three years employees of the Company or the Bank, and none of their immediate family members are or have for the past three years been executive officers of the Company or the Bank. In the opinion of the Company's board, each of the Directors on the Audit Committee are independent directors, as that term is defined in the NASDAQ rules.

As noted in the Audit Committee's charter, the Company's management is responsible for preparing the Company's financial statements. The Company's independent auditors are responsible for auditing the financial statements. The activities of the Audit Committee are in no way designed to supersede or alter those traditional responsibilities. The Audit Committee's role does not provide any special assurances with regard to the Company's financial statements, nor does it involve a professional evaluation of quality of audits performed by the independent auditors.

Audit Committee Report. The Audit Committee submits the following report:

The Audit Committee operates under a written charter approved by the Board of Directors which is available at the Company's website at www.enterprisebank.com.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61, *Communications with Audit Committees*. The Audit Committee received written disclosures from the independent auditors as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered the compatibility of non-audit services with the auditors' independence, and discussed with the auditors their independence. The Audit Committee has concluded that the independent auditors are independent from the Company and its management.

Edgar Filing: ENTERPRISE FINANCIAL SERVICES CORP - Form DEF 14A

Based on the reports and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

The Audit Committee has considered whether the provision by KPMG LLP of the services covered by the audit fees is compatible with maintaining the firm's independence and concluded that it is compatible.

The Audit Committee is responsible for pre-approving all auditing services and permitted non-auditing services to be performed by the Company's independent auditors. The Chairman of the Audit Committee has authority to approve in advance all audit or non-audit services to be provided by the independent auditors if presented to the full Audit Committee at the next regularly scheduled meeting.

All other fees

 - (3) Includes professional services rendered for preparation of tax returns and consultation with the Company on various tax matters.

The increase in audit fees for 2004 over 2003 was primarily attributable to audit procedures consistent with Section 404 of the Sarbanes-Oxley Act of 2002.

Financial Information Systems Design and Implementation Fees. KPMG LLP did not perform any services and therefore billed no fees relating to operating or supervising the operation of the Company's information systems or local area network or for designing or implementing the Company's financial information management systems during 2004.

Compensation Committee. The Compensation Committee reviews and recommends salaries, bonuses and benefits for officers and certain other employees of the Company. The charter for the Compensation Committee may be found at the Company's website at www.enterprisebank.com. The Compensation Committee also supervises the operation of the Company's compensation plans and reports back to the full Board.

The Committee shall consist of no fewer than three members who meet the NASDAQ independence standards and shall be outside directors within the meaning of section 162(m) of the Internal Revenue Code of 1986. In 2004, the Compensation Committee met ten times. None of the members of the Compensation Committee is or has been an officer or employee of the Company. During fiscal year 2004, no member of the Compensation Committee was an executive officer of another entity on whose compensation committee or board of directors an executive officer of the Company served.

Compensation Committee Report. The Compensation Committee submits the following report:

The Compensation Committee (the Committee) administers the Company's executive compensation program. In this regard, the role of the Committee is to oversee the Company's compensation plans and policies, annually review and approve all executive officer compensation decisions and administer stock-based compensation plans. The Committee's charter reflects these various responsibilities. The membership of the Committee is determined by the Board and consists entirely of independent directors. Committee decisions are made at the Committee's periodic meetings and may be made by written consents. The Committee Chairman reports its actions and recommendations at Board meetings. The Committee uses the Company's human resources and other personnel as staff to support its work. In addition, the Committee is authorized to engage the services of outside advisers. In the past two years, the Committee has engaged an outside compensation consultant to assist it in its work.

Compensation Policy

The Company's general compensation policy is to set executive compensation so as to facilitate recruitment and retention of talent while aligning the interests of management and shareholders and fostering achievement of the Company's strategic plan. The Company's goal is to set executive compensation so as to be competitive in the marketplace for management talent among its peer group and to be generally competitive in the marketplace for the banking industry in general for other talent.

The Company's general policy is that executive compensation should consist of three components: base salary, short-term incentive compensation and long-term incentive compensation. Short-term incentive compensation is based upon pre-established annual individual and corporate performance goals for the year with established levels of threshold, target and exceptional.

In 2004, the Company began revamping its long-term incentive compensation to replace stock option grants with grants of restricted stock. Generally, under this program, participating executives will be granted restricted stock units (RSUs) which entitle a participant to receive stock subject to certain performance standards being met and further subject to a level five-year vesting period once earned. For future years, the Committee expects to issue RSUs which will be earned over a multi-year period based upon the Company's earnings per share growth compared to an established peer group, subject to a level five-year vesting period once earned.

Section 162(m) of the Internal Revenue Code generally denies a deduction to any publicly held corporation for compensation paid in a taxable year to the Company's chief executive officer and four other highest compensated officers to the extent that the officer's compensation (other than qualified performance-based compensation) exceeds \$1 million. The Committee intends to award executive compensation that meets the Section 162(m) deductibility requirements, subject to the Committee's exercising its discretion to award non-deductible compensation when it considered it in the best interests of the Company and stockholders to do so.

CEO Compensation

Mr. Eichner's base salary for calendar 2004 was \$300,000. In addition, Mr. Eichner received a 2004 bonus of \$387,000. His bonus was based upon exceptional performance in meeting certain pre-established goals relating to earnings per share, asset quality and growth in certain specified categories.

Respectfully submitted by the Compensation Committee,

William H. Downey, Chairperson
Henry D. Warshaw

Paul J. McKee, Jr.

Employment Agreements

Executive Employment Agreement with Mr. Eichner. The Company entered into an Executive Employment Agreement with Mr. Eichner dated July 1, 2002 (the Eichner Agreement). The following is intended to be a general summary of the provisions of the Eichner Agreement. The agreement specifies that Mr. Eichner will serve as the President and Chief Executive Officer of the Company for an initial term of three years. The term may be extended by mutual written agreement of Mr. Eichner and the Company. The duties and responsibilities of Mr. Eichner are specifically identified in the Eichner Agreement and are believed to be consistent with the duties and responsibilities of someone in that position for a financial services company.

The Eichner Agreement provides that Mr. Eichner will receive a minimum annual base salary of \$300,000 and is further entitled to receive an annual bonus and to participate in all present and future employee benefit, retirement and compensation plans of the Company consistent with his salary and his position as the President and Chief Executive Officer of the Company as determined by the Compensation Committee. Mr. Eichner is entitled to receive a draw against his annual targeted bonus, provided that the Board of Directors may reduce or eliminate such draw based on its evaluation of his progress in meeting his established targets.

The Eichner Agreement also grants to Mr. Eichner stock options for 82,905 common shares at \$9.30 per share. Options will vest and become exercisable at the rate of 27,635 shares per year starting on June 30, 2003 through June 30, 2005. Mr. Eichner will also be eligible for additional stock option grants annually as determined by the Board of Directors under plans amended or adopted by the Company from time to time.

The Eichner Agreement provides no exact termination date, but provides for various potential circumstances for termination by the Company or Mr. Eichner. These circumstances include mutual agreement, by the Company for cause (as defined in the Eichner Agreement), by the Company without cause at any time (as defined in the Eichner Agreement), by the Company due to Mr. Eichner's disability (as defined in the Eichner Agreement), and by Mr. Eichner in connection with a change of control (as defined in the Eichner Agreement).

The method of termination determines the amount of compensation, if any, due to Mr. Eichner in connection with such termination. Generally, Mr. Eichner is entitled to payment of salary and bonus through his date of termination. If the Company terminates him other than for cause, he shall be paid as severance compensation his base salary through the remaining period of the Eichner Agreement or the one-year period commencing on the termination date (whichever period is shorter) plus any accrued and unpaid bonus. If he is terminated in connection with a change of control, Mr. Eichner is entitled to an amount equal to 24 months of his base salary and targeted bonus, as defined, plus accrued and unpaid bonus. In the event of Mr. Eichner's death, the Company is obligated to pay him his annual salary and bonus through the date of death.

The Eichner Agreement also includes certain restrictive covenants that limit Mr. Eichner's ability to compete with the Company or to divulge certain confidential information concerning the Company during his period of employment and for a period of 12 months after termination of his employment.

Executive Employment Agreement with Mr. Benoist. The Company entered into an Executive Employment Agreement with Mr. Benoist dated October 1, 2002 (the Benoist Agreement). The following is intended to be a general summary of the provisions of the Benoist Agreement. The agreement specifies that Mr. Benoist will serve as Executive Vice President of the Company, and the Chairman and Chief Executive Officer of the Company's subsidiary, Enterprise Bank & Trust, for an initial term of three years. The term may be extended by mutual written agreement of Mr. Benoist and the Company. The duties and responsibilities of Mr. Benoist are specifically identified in the Benoist Agreement and are believed to be consistent with the duties and responsibilities of someone in that position for a financial services company.

The Benoist Agreement provides that Mr. Benoist will receive a minimum annual base salary of \$250,000 and is further entitled to receive an annual bonus and to participate in all present and future employee benefit, retirement and compensation plans of the Company consistent with his salary and his position as the Executive Vice President of the Company as determined by the Compensation Committee.

The Benoist Agreement also grants to Mr. Benoist stock options for 50,000 common shares at \$10.25 per share. Options will vest and become exercisable at the rate of 16,667 shares per year starting on October 1, 2003 through October 1, 2005. Mr. Benoist will also be eligible for additional stock option grants annually as determined by the Board of Directors under plans amended or adopted by the Company from time to time.

The Benoist Agreement provides no exact termination date, but provides for various potential circumstances for termination by the Company or Mr. Benoist. These circumstances include mutual agreement, by the Company for cause (as defined in the Benoist Agreement), by the Company without cause at any time (as defined in the Benoist Agreement), by the Company due to Mr. Benoist's disability (as defined in the Benoist Agreement), and by Mr. Benoist in connection with a change of control (as defined in the Benoist Agreement).

The method of termination determines the amount of compensation, if any, due to Mr. Benoist in connection with such termination. Generally, Mr. Benoist is entitled to payment of salary and bonus through his date of termination. If the Company terminates him other than for cause, he shall be paid as severance compensation his base salary through the remaining period of the Benoist Agreement or the one-year period commencing on the termination date (whichever period is shorter) plus any accrued and unpaid bonus. If he is terminated in connection with a change of control, Mr. Benoist is entitled to an amount equal to 24 months of his base salary and targeted bonus, as defined, plus accrued and unpaid bonus. In the event of Mr. Benoist's death, the Company is obligated to pay him his annual salary and bonus through the date of death.

The Benoist Agreement also includes certain restrictive covenants that limit Mr. Benoist's ability to compete with the Company or to divulge certain confidential information concerning the Company during his period of employment and for a period of 12 months after termination of his employment.

Other employment agreements. Each of the named executive officers, serves pursuant to an Employment Agreement with the Company. The Agreements do not have specific termination dates other than death or disability of the officer. In the event of a termination for cause, (as defined) the officer will only be entitled to payment of base salary through the date of termination. Except for Mr. Marsh, if the officer (i) is terminated without Cause, (ii) is not offered employment after a Change of Control or (iii) voluntarily resigns, he will be entitled to compensation for 24 months in an annual amount equal to 100% of his base salary as of the end of the most recent quarter plus the average of his bonus compensation for the two most recent years prior to termination. The two-year payment period is designed to coincide with the non-compete covenants in the agreements, which provide that the officer will not, for the period of employment and two years thereafter, solicit customers of the Company to become customers of another entity or induce, or seek to induce, employees to leave the employ of the Company.

If Mr. Marsh voluntarily resigns with at least 90 days notice, the Company within 30 days after such termination will pay all accrued salary and bonus compensation, to the extent earned, and other benefits. At the time Mr. Marsh notifies the Company of a voluntary resignation, he must also notify the Company of the identity of his new employer. After such notice, the Company shall have ten days to elect to pay Mr. Marsh his then effective base salary for one year after such voluntary termination during which time Mr. Marsh is subject to non-compete and non-solicitation provisions. Within 30 days after a Change of Control, Mr. Marsh may elect a voluntary termination as described above. At that time, he may elect a severance payment of an amount equal to his base salary and his targeted bonus in return for a one-year non-compete and non-solicitation provision. If Mr. Marsh elects not to receive the severance, he shall not be subject to the non-compete provisions. If he does not elect a voluntary termination within 30 days and is terminated after a Change of Control, Mr. Marsh will be paid for one year an amount equal to his base salary and his targeted bonus in return for a one-year non-compete and non-solicitation provision.

Compensation Committee Interlocks and Insider Participation

The function and members of the Company's Compensation Committee are set forth above. All Committee members are independent and none of the Committee members have served as an officer or employee of the Company or a subsidiary of the Company.

Some of the directors (including members of the Compensation Committee) and officers of the Company and of its subsidiary bank, and members of their immediate families and firms and corporations with which they are associated, have had transactions with the Bank, including borrowings and investments. All such loans and investments have been made in the ordinary course of business, have been made on substantially the same terms, including interest rate paid or charged and collateral required, as those prevailing at the time for comparable transactions with unaffiliated persons, and did not involve more than the normal risk of collectibility or present other unfavorable features. As of December 31, 2004, the aggregate outstanding amount of all loans to officers and directors of the Company and to firms and corporations in which they have at least a 10% beneficial interest was approximately \$16,500,000.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS - (Proposal No. 2)

The Company engaged KPMG LLP to audit the Company's financial statements for the fiscal years ended December 31, 2004, 2003 and 2002. Representatives of KPMG LLP are expected to be present at the Annual Meeting of Shareholders. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The Audit Committee has selected KPMG LLP to be the independent public auditors for calendar year 2005 and recommends that the shareholders ratify the appointment of the auditors. Although shareholder approval is not required, it is the policy of the Board of Directors to request, whenever possible, shareholder ratification of the appointment or reappointment of independent public auditors. If the shareholders do not ratify the selection of KPMG LLP, the Audit Committee will review the selection of independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF KPMG LLP AS THE COMPANY'S INDEPENDENT AUDITORS.

SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires directors, certain officers and all persons who beneficially own more than 10 percent of our Common Stock file reports with the Securities and Exchange Commission with respect to beneficial ownership of our Securities. We have adopted procedures to assist our directors and executive officers in complying with the Section 16(a) filings.

Based solely upon our review of the copies of the filings that we received with respect to the fiscal year ended December 31, 2004, or written representations from certain reporting persons, we believe that all reporting persons except Messrs. Downey and McKee made all filings required by Section 16(a) in a timely manner. Both Mr. Downey and Mr. McKee failed to file a Form 4 reporting purchases of Company shares. Both have since filed the required Form 4.
