PROXY STATEMENT

The board of directors of International Game Technology (IGT) is soliciting the enclosed proxy for use at our annual meeting of shareholders to be held on Tuesday, March 6, 2007, at 10:00 a.m., P.S.T., or at any adjournments of the meeting. This proxy statement and the accompanying Notice of Annual Meeting of Shareholders describe the purposes of the annual meeting. The annual meeting will be held at our headquarters in Reno, Nevada at 9295 Prototype Drive. A map with directions to our headquarters is included with this proxy statement. These proxy solicitation materials were mailed on or about January 19, 2007 to all shareholders entitled to vote at the annual meeting.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Q: What am I being asked to vote on?

- A:
- (1) The election of nominees to serve on our board of directors; and
 - (2) The ratification of the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending September 30, 2007.

Q: How does the board recommend I vote on these proposals?

A: Our board of directors recommends a vote FOR each of the nominees for director and FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors.

Q: Who is entitled to vote?

A: The record date for the annual meeting is January 8, 2007. Shareholders of record as of the close of business on that date are entitled to vote at the annual meeting.

Q: How do I vote?

A: If you are the record holder of your shares, you may sign and date the enclosed proxy card and return it in the pre-paid envelope, vote via the Internet or by telephone following the instructions included below and with your proxy card, or attend and vote at the annual meeting in person.

Q: What if my shares are held by a broker?

A: If your shares are held by your broker as your nominee (that is, in "street name"), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to "discretionary" items, but not with respect to "non-discretionary" items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange (NYSE) on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as "broker non-votes." The proposals discussed in this proxy statement are considered routine and therefore may be voted upon by your broker if you do not give instructions to your broker.

1

Q: How can I vote by telephone or over the Internet?

A: If you are the record holder of your shares, you may grant a proxy to vote your shares at the annual meeting by telephone, by calling (800) 690-6903 and following the simple recorded instructions, twenty-four hours a day, seven days a week, at any time prior to 11:59 p.m. Eastern Time on the day before the annual meeting. Alternatively, you may vote via the Internet at any time prior to 11:59 p.m. Eastern Time on the day before the annual meeting, by going to <https://www.proxyvote.com> and following the instructions to create an electronic ballot. If you vote by telephone or over the Internet, you will be required to provide the control number contained on your proxy card. If your shares are held in street name, your proxy card may contain instructions from your broker that allow you to vote your shares over the Internet or by telephone; please consult with your broker if you have any questions regarding the electronic voting of shares held in street name. The granting of proxies electronically is allowed by Subsection 2(b) of Section 78.355 of the Nevada General Corporation Law.

Q: Can I revoke my proxy later?

A: Yes. You have the right to revoke your proxy at any time before the annual meeting by:

(1) voting electronically via the Internet or by telephone on a subsequent date prior to 11:59 p.m. Eastern Time on the day before the annual meeting,

(2)

delivering a signed revocation or a subsequently dated, signed proxy card to the Secretary of IGT before the annual meeting, or

(3) attending the annual meeting and voting in person.

However, if you have voted electronically or delivered a valid proxy, your mere presence at the annual meeting will not, by itself, revoke that proxy.

Q: How many shares can vote?

A: As of the close of business on the record date of January 8, 2007, approximately 334,678,146 shares of common stock were issued and outstanding. This amount includes 2,810,294 shares estimated to be issuable as a result of recent conversions of our zero-coupon convertible debentures due January 29, 2003, which were called by us for redemption on January 10, 2007. The precise number of shares that will be issued in connection with these conversions will depend on the actual closing price of our market stock on each trading day during the applicable ten trading day measurement period specified by the terms of the debentures, which period has not ended as of the date of this proxy statement. We have no other class of voting securities outstanding. Each share of common stock entitles its holder to one vote.

Q: How is a quorum determined?

A: Our bylaws provide that a majority of the shareholders entitled to vote, represented in person or by proxy, constitute a quorum at a meeting of the shareholders. For the purposes of determining a quorum, shares held by brokers or nominees will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter or if instructions were never received from the beneficial owner. Abstentions will be counted as present for quorum purposes.

Q: What is required to approve each proposal?

A: Once a quorum has been established, directors are elected by a plurality of the votes cast by holders of shares entitled to vote at the annual meeting. This means that the individuals who receive the largest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting.

2

Our Corporate Governance Guidelines set forth our procedures if a director nominee is elected according to the above standard, but receives a majority of "withheld" votes. In an uncontested election, any nominee for director who receives a greater number of votes "withheld" from his or her election than votes "for" such election is required to tender his or her resignation following certification of the shareholder vote. The Nominating and Corporate Governance Committee is required to make recommendations to our board of directors with respect to any such resignation. The board of directors is required to take action with respect to this recommendation and to disclose its decision-making process. Full details of the policy are set out in our Corporate Governance Guidelines, which are publicly available on our website at <http://www.IGT.com> and are available in print, free of charge, to

any shareholder who requests it.

The ratification of the appointment of Deloitte & Touche LLP as our independent auditors will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition to the proposal.

Q: What happens if I abstain?

A: We will count proxies marked "abstain" as shares present for the purpose of determining the presence of a quorum, but for purposes of determining the outcome of the proposal, the shares represented by these proxies will not be treated as affirmative or opposing votes. In other words, abstentions will have no effect on the outcome of a proposal.

Q: How will my shares be voted if I return a blank proxy card?

A: If you sign and send in your proxy card and do not indicate how you want to vote, we will count your proxy as a vote FOR each of the director nominees named in this proxy statement and FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors. If a broker or nominee who does not have discretion to vote has delivered a proxy but has failed to physically indicate on the proxy card that broker's lack of authority to vote, we will treat the shares as present and count the shares as votes FOR each of the director nominees named in this proxy statement and FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the proposals described in this proxy statement, if any other business comes before the annual meeting, your signed proxy card gives authority to the proxyholders, Thomas J. Matthews and David D. Johnson, to vote on those matters in their discretion.

Q: What if a quorum is not present at the meeting?

A: If a quorum is not present at the scheduled time of the annual meeting, we may adjourn the meeting, either with or without the vote of the shareholders. If we propose to have the shareholders vote whether to adjourn the meeting, the proxyholders will vote all shares for which they have authority in favor of the adjournment. We may also adjourn the meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the annual meeting.

Q: How much stock do IGT's directors and executive officers own?

A: As of January 8, 2007, our current directors and executive officers collectively held and are entitled to vote 4,101,271 shares of our common stock, constituting approximately 1.2% of the outstanding shares (or 8,116,231 shares, representing

approximately 2.4% of the outstanding shares, including shares underlying options currently exercisable or exercisable within 60 days of our record date). It is expected that these persons will vote

3

the shares held by them for each of the director nominees named in this proxy statement and in favor of the ratification of the appointment of Deloitte & Touche LLP as our independent auditors.

Q: Who will bear the costs of this solicitation?

A: We will pay the cost of this solicitation of proxies by mail. Our officers and regular employees may also solicit proxies in person or by telephone without additional compensation. We will make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to their principals, and we will reimburse these persons for related postage and clerical expenses.

4

The current term of office of all of our directors expires at the 2007 annual meeting. The persons named in the enclosed form of proxy intend, if authorized, to vote the proxies FOR the election as directors of each of the nine nominees named below. Board of Directors and Committees of the Board

During fiscal 2006, our board of directors held four regular meetings, three special meetings and acted by unanimous written consent on six other occasions. Each director attended at least 75% of the meetings of the board of directors and of each committee on which he or she served as a member during the period in which he or she served. Our non-management directors met four times during fiscal 2006. We encourage our directors to attend our annual meetings of shareholders. All but one of our directors attended our 2006 annual meeting of shareholders.

Our Corporate Governance Guidelines require that a majority of the board of directors consist of independent directors. For a director to be independent, the board of directors must affirmatively determine that the director has no material relationship with IGT (either directly or as a partner, shareholder or officer of an organization that has a relationship with IGT). Our board of directors has made an affirmative determination that the following members of the board, constituting a majority of our directors, meet the standards for "independence" set forth in our Corporate Governance Guidelines and applicable NYSE rules: Messrs. Barsky, Burt, Mathewson, Miller and Rentschler and Ms. Hart and Ms. Heisz. During fiscal 2006, each of Ms. Heisz and Mr. Miller was a board member of an IGT customer. The revenues to IGT from these customers comprised less than 1% of our fiscal 2006 gross revenues. Neither Ms. Heisz nor Mr. Miller were involved in the establishment of, or received any special benefits from, these contractual arrangements. Based on the foregoing, the board has affirmatively determined that these are not material relationships to the company.

Our board of directors has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

The **Audit Committee**, a separately-designated, standing committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists our board of directors in overseeing the accounting and financial reporting processes of IGT and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent registered public accountants' qualifications and independence, the performance of our internal audit function and independent registered public accountants, and such other duties as may be directed by our board of directors. The Audit Committee Charter requires that the Audit Committee consist of three or more board members who satisfy the "independence" requirements of the Securities and Exchange Commission (SEC) and NYSE for audit committee members. The Audit Committee consists of Ms. Heisz (Chair), Ms. Hart and Messrs. Barsky and Burt, each of whom satisfies these requirements. Our board of directors has determined that Ms. Heisz and Mr. Barsky both meet the definition of an audit committee financial expert, as set forth in Item 407(d)(5) of SEC Regulation S-K. The Audit Committee held eleven regular meetings during fiscal 2006. A copy of the report of the Audit Committee is contained in this proxy statement. A copy of the current charter of the Audit Committee is available on our website at <http://www.IGT.com>

or in print, free of charge, to any shareholder who requests it by writing to the Corporate Secretary, International Game Technology, 9295 Prototype Drive, Reno, Nevada 89521.

The **Compensation Committee** discharges the responsibilities of our board of directors relating to compensation of IGT's executives and directors, produces an annual report on executive compensation for inclusion in our proxy statements, and takes such other actions deemed necessary or appropriate within the scope of the Compensation Committee Charter. The Charter requires that this Committee consist of three or more board members who satisfy the "independence" requirements of the NYSE. The Compensation Committee consists of Messrs. Rentschler (Chair) and Burt and Ms. Hart, each of whom satisfies these requirements. During fiscal 2006, this Committee held four regular meetings and four

8

special meetings and acted by unanimous written consent on three other occasions. A copy of the report of the Compensation Committee is contained in this proxy statement. A copy of the current charter of the Compensation Committee is available on our website at <http://www.IGT.com> or in print, free of charge, to any shareholder who requests it by writing to the Corporate Secretary, International Game Technology, 9295 Prototype Drive, Reno, Nevada 89521.

Compensation Committee Interlocks and Insider Participation

Members of our Compensation Committee have never been officers or employees of IGT or its subsidiaries or had any relationships requiring disclosure by us under the SEC's rules requiring disclosure of certain relationships and related party transactions. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or Compensation Committee.

Corporate Governance Matters

The **Nominating and Corporate Governance Committee**, which consists of Messrs. Barsky (Chair) and Rentschler and Ms. Heisz, is responsible for identifying qualified candidates to be presented to our board for nomination as directors, ensuring that our board and our organizational documents are structured in a way that best serves our practices and objectives, and developing and recommending a set of corporate governance principles. The Nominating and Corporate Governance Charter requires that this Committee consist of no fewer than three board members who satisfy the "independence" requirements of the NYSE. Each member of our Nominating and Corporate Governance Committee meets these requirements. Our Nominating and Corporate Governance Committee held four regular meetings and six special meetings during fiscal 2006. A copy of the current charter of the Nominating and Corporate Governance Committee is available on our website at <http://www.IGT.com> or in print, free of charge, to any shareholder who requests it by writing to the Corporate Secretary, International Game Technology, 9295 Prototype Drive, Reno, Nevada 89521.

The Nominating and Corporate Governance Committee will consider nominees for our board of directors recommended by shareholders. Notice of proposed shareholder nominations for director must be delivered not less than 120 days prior to any meeting at which directors are to be elected. Nominations must include the full name of the proposed nominee, a brief description of the proposed nominee's business experience for at least the previous five years, and a representation that the nominating shareholder is a beneficial or record owner of IGT common stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Nominations should be delivered to the Nominating and Corporate Governance Committee at the following address:

International Game Technology
c/o Corporate Secretary
9295 Prototype Drive
Reno, Nevada 89521-8986

In considering possible candidates for election as a director, the Nominating and Corporate Governance Committee is guided by the principle that each director should:

- be an individual of high character and integrity
- be accomplished in his or her respective field, with superior credentials and recognition
- have relevant expertise and experience upon which to be able to offer advice and guidance to management
- have sufficient time available to devote to the affairs of IGT
- represent the long-term interests of our shareholders as a whole and
- be selected such that the board of directors represents a diversity of background and experience

Qualified candidates for membership on the board of directors will be considered without regard to race, color, religion, gender, ancestry, national origin or disability. The Nominating and Corporate Governance Committee will review the qualifications and backgrounds of directors and nominees (without regard to whether a nominee has been recommended by shareholders), as well as the overall composition of the board, and recommend the slate of directors to be nominated for election at the annual meeting of shareholders.

You can contact our board or any of our directors by writing to them at the same address provided above for delivery of director nominations. Such communications can, if desired, be addressed to the Chairman of the Nominating and Corporate Governance Committee in his or her capacity as the presiding director of executive sessions of the non-management directors (as discussed below), or to the non-management directors as a group. Recommendation of IGT Board of Directors

A plurality of favorable votes cast is required for election of a nominee to the board of directors. Under our Corporate Governance Guidelines, if a director nominee is elected according to the above standard, but receives a greater number of votes [withheld] from his or her election than votes [for] such election, the nominee is required to tender his or her resignation following certification of the shareholder vote. The Nominating and Corporate Governance Committee is required to make recommendations to our board of directors with respect to any such resignation. The board of directors is required to take action with respect to this recommendation and to disclose its decision-making process. Full details of this policy are set out in our Corporate Governance Guidelines, which are publicly available on our website at <http://www.IGT.com> and are available in print, free of charge, to any shareholder who requests it.

Employment Contracts

Except for the following written employment agreements, IGT executive officers are employed under at-will arrangements. Compensation arrangements for our executive officers include benefits paid under other IGT Plans for Management Bonus (including Cash Sharing), Stock Incentives, Profit Sharing, and Deferred Compensation as more fully described in exhibits to our annual report on Form 10-K. These individuals also receive certain prerequisites outlined in the compensation tables above.

Thomas J. Matthews

On September 29, 2006, we amended our existing employment agreement with Thomas J. Matthews, our President, Chief Executive Officer and Chief Operating Officer. The amendment provides for a three-year term of employment expiring October 26, 2009, with automatic renewals for additional successive one-year periods unless at least 60 days advance notice of non-renewal is given by either party.

The amendment provides for an annual base salary of \$800,000 and an annual bonus target of 250% of base salary beginning with fiscal year 2007. Mr. Matthews' annual bonus will be based in part on IGT profitability indicators, with the remaining portion based on a qualitative assessment of IGT financial performance and other strategic objectives as determined by the Compensation Committee.

Mr. Matthews is also eligible to participate in our profit sharing, cash sharing, and employee stock purchase plans, as well as other employee benefit plans and programs for which he is otherwise eligible under the terms of such plans or programs.

If Mr. Matthews's employment with IGT is terminated:

- by IGT without cause (as defined in the agreement),
- at his discretion to sever his relationship with IGT following a change in control of IGT (generally defined as a transfer to a third party of 40% or more of IGT's outstanding common stock); or
- because he dies or becomes disabled,

Mr. Matthews would be entitled to severance pay of two years' base salary at the highest annualized rate in effect at any time during the term, payable in 24 equal monthly installments. In addition, except in the case of death or disability, Mr. Matthews would receive a pro-rata portion of the management bonus he would have otherwise been entitled to for the year of termination.

In connection with the amendment of his employment agreement, Mr. Matthews received an aggregate stock award of 253,000 shares of IGT common stock. The stock award included: 74,200 vested shares; 71,500 restricted shares, scheduled to vest at a rate of 20% on November 9, 2007, 30% on November 14, 2008 and 50% on November 13, 2009; and 107,300 performance-based shares. The performance-based shares are eligible to vest at a rate of 20% per year, plus 50% of any cumulative unvested shares, over the five-year period commencing October 1, 2006, based on the compound annual growth rate of IGT earnings per share during that period. The restricted and performance based shares will vest in full if Mr. Matthews's employment is terminated by IGT without cause or by Mr. Matthews with good reason following a change in control of IGT. If his employment terminates due to his death or disability, the restricted shares will vest in full, and the performance shares will vest on a prorated basis for the performance year in which termination occurs.

Maureen T. Mullarkey

On January 12, 2001, Maureen T. Mullarkey entered into a five-year employment agreement with us and was appointed Senior Vice President and Chief Financial Officer effective March 2, 2001. The agreement was amended on January 27, 2003 when Ms. Mullarkey was promoted to Executive Vice President and Chief Financial Officer. The amended agreement provides for an annual base salary of \$400,000, and extended the term for five years from the amendment date. At the end of the five-year term, Ms. Mullarkey's employment will be at will.

18

The contract terms include minimum annual salary increases of \$25,000. Ms. Mullarkey is eligible to participate in our profit sharing, cash sharing, management bonus and employee stock purchase plans, as well as other employee benefit plans and programs for which she is otherwise eligible. In addition, Ms. Mullarkey will be reimbursed for up to \$30,000 for financial advisory services over the five-year term.

The bonus earned by Ms. Mullarkey through the management bonus program may not exceed 200% of base salary, and for each year that a bonus is earned, 25% of that bonus will generally be accrued and paid two years later, provided that she remains employed by us at that time. Her management bonus is based upon goals set by the Chief Executive Officer, and consistent with those set for the Chief Executive Officer in consultation with Ms. Mullarkey. IGT waived its right to require Ms. Mullarkey to defer bonuses earned pursuant to her employment agreement in fiscal 2006.

Additionally, in her employment agreement, Ms. Mullarkey was granted an option to purchase 400,000 shares of our common stock at a price of \$11.1875 per share (adjusted for the June 2003 4:1 stock split). With the subsequent amendment, she was granted an option to purchase 600,000 shares of our common stock at a price of \$19.10. Both option grants vest in five equal annual installments.

If Ms. Mullarkey's employment with IGT is terminated:

- by IGT without cause (as defined in the agreement), or
- at her discretion to sever her relationship with IGT upon transfer to a third party of 40% or more of IGT's outstanding common stock,

Ms. Mullarkey would be entitled to severance benefits of:

- one year's base salary
- any applicable deferred bonus
- the immediate vesting of certain unvested stock options
- payment of eligible COBRA health benefit premiums for the shorter of one year or until she secures new employment

If she dies during the term of the agreement, her estate (or other person as she has directed in writing) will be entitled to receive one year's base salary and any deferred bonus.

Change in Control Arrangements

Our 1993 Stock Option Plan and our 2002 Stock Incentive Plan contain provisions that would be triggered by a change of control of IGT. Unless before a Change in Control Event, as defined in the plans, the Compensation Committee of our board of directors determines that, upon its occurrence, benefits will not be accelerated, then generally upon the Change in Control Event each option will become immediately exercisable, restricted stock will vest, and performance-based awards will become payable.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and regulations of the SEC require our executive officers, directors, and persons who beneficially own more than 10% of our common stock, as well as certain affiliates of those persons, to file initial reports of ownership and monthly transaction reports covering any changes in ownership with the SEC and NYSE. SEC regulations require these persons to furnish us with copies of all reports they file pursuant to Section 16(a). Based solely upon a review of the copies of the reports received by us, we believe that, during fiscal 2006, all filing requirements applicable to executive officers and directors were complied with in a timely manner.

THE FOLLOWING REPORT OF THE COMPENSATION COMMITTEE AND THE PERFORMANCE GRAPH THAT APPEARS AFTER THE REPORT SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SEC UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The role of the Compensation Committee of the board of directors is to oversee our compensation programs and policies, review and approve all executive officers' compensation, and administer certain incentive compensation programs. The Committee's membership is determined by the Nominating and Corporate Governance Committee of the board of directors and is composed entirely of independent directors. The Compensation Committee regularly reports on its actions and recommendations at board meetings, and has the authority to engage the services of independent consultants and other advisors and experts as may be required for the Committee to carry out its duties.

Compensation Philosophy

Generally, IGT's compensation programs are designed to attract, retain, motivate and appropriately reward individuals who are responsible for IGT's short-term and long-term profitability, growth and return to shareholders. The overall compensation philosophy followed by the Committee is to pay competitively while emphasizing qualitative indicators of corporate and individual performance.

Executive Compensation

IGT's management bonus plan is a cash-based incentive program to motivate and reward eligible employees for their contributions to IGT's performance, and for fiscal 2006, was based on IGT's income from operations. Individual cash bonus awards were made to the executive officers because the Committee believes such awards provide appropriate performance incentives. Individual cash bonus awards for executive officers other than the Chief Executive Officer were determined for fiscal 2006 by IGT's Chief Executive Officer, Mr. Matthews, based upon his

subjective evaluation of each officer's individual performance.

The Committee also uses stock option and restricted stock awards made under the International Game Technology 2002 Stock Incentive Plan to provide various incentives for key personnel, including executive officers. Stock options are priced at the market value of IGT common stock on the date of grant, and typically vest at 20% per year over five years subject to continued employment. In fiscal 2007, new stock award grants will vest at 25% per year over four years. Since stock price appreciation is required for employees to realize any benefit, stock options directly align employee and shareholder interests.

Robert A. Bittman, Anthony Ciorciari, David D. Johnson, Thomas J. Matthews, Stephen Morro, Maureen T. Mullarkey and Richard Pennington all received restricted stock awards in fiscal 2006. These awards were granted based upon the Committee's subjective evaluation of individual current performance, assumption of significant responsibilities, anticipated future contributions, ability to impact overall corporate and/or business unit financial results, each executive's total compensation package, options and other stock awards previously granted, dilution effects, and industry practices and trends.

As one of the factors in its consideration of compensation matters, the Compensation Committee also considers the anticipated tax treatment to IGT and to the executives of various payments and benefits, specifically in consideration of Section 162(m) of the Internal Revenue Code. The Committee retains discretion, however, to implement executive compensation programs that may not be deductible under Section 162(m).

20

Chief Executive Compensation

Mr. Matthews has been our Chief Executive Officer since October 27, 2003. On September 29, 2006, Mr. Matthews entered into an amendment of his employment agreement with IGT. The primary terms of his amended employment agreement are detailed in this proxy statement under the heading "Other Information" Employment Contracts.

During fiscal 2006, the Compensation Committee performed a review of Mr. Matthews' compensation arrangements, including his employment agreement. As part of that process, the Compensation Committee used a tally sheet that ascribed dollar amounts to all components of Mr. Matthews' compensation, including salary, bonus, executive benefits and the dollar value of prior stock option awards to assist the Committee in its review. Based on its review, the Committee determined that it would be appropriate to amend Mr. Matthews' employment agreement and issue stock awards to him on the terms described above.

For fiscal 2006, Mr. Matthews received an annualized base salary of \$735,962 pursuant to the terms of his employment agreement and bonus amounts of \$4,886,188 in the aggregate. This bonus amount consists of three components: a cash management bonus of \$1,720,651; cash sharing of \$86,237 under our annual cash sharing program; and 74,200 vested shares of our common stock valued at \$3,079,300 (see the discussion under the heading "Other Information" Employment Contracts). Under Mr. Matthews' employment agreement, Mr. Matthews was eligible to receive a cash management bonus for fiscal 2006 not to exceed 300% of his base salary; 70% of his bonus opportunity was to be based on IGT's annual year-over-year increase in operating income, and 30% of his bonus opportunity was to be based upon managerial and strategic criteria determined by the Compensation Committee. The Compensation Committee determined Mr. Matthews' cash management bonus based on IGT's operating income results and the Committee's subjective assessment of his contributions to those results, as well as his general performance for fiscal 2006.

PROPOSAL 2 – RATIFICATION OF INDEPENDENT AUDITORS

Deloitte & Touche LLP (Deloitte) were our independent auditors for the year ended September 30, 2006 and have reported on our consolidated financial statements included in the annual report which accompanies this proxy statement. Our independent auditors are appointed by our board of directors in consultation with the Audit Committee. The board has reappointed Deloitte as our independent auditors for the year ending September 30, 2007. In the event that the shareholders do not approve Deloitte as our independent auditors, the selection of independent auditors will be reconsidered by the board. A representative of Deloitte will be present at the annual meeting, will have an opportunity to make a statement and will be available to respond to appropriate questions.

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SEC UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

AUDIT COMMITTEE REPORT

The Audit Committee assists the board of directors in fulfilling its responsibility for oversight of the quality of IGT's accounting, auditing and financial reporting practices in accordance with its written charter.

The Audit Committee consists of four members, each satisfying the NYSE requirements for independence, financial literacy and experience for audit committee members. Management is responsible for the financial reporting process, preparation of consolidated financial statements in accordance with generally accepted accounting principles, and the system of internal controls and procedures designed to insure compliance with accounting standards and applicable laws and regulations. IGT's independent auditors are responsible for auditing IGT's financial statements. The Audit Committee's responsibility is to monitor and review these processes and procedures.

The members of the Audit Committee are not professionally engaged in the practice of accounting or auditing. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditors that the financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

During fiscal 2006, the Audit Committee held eleven regular meetings. The Audit Committee met and held discussions with management, the internal auditors and the independent auditors, Deloitte. The meetings were conducted so as to encourage communication among the members of the Audit Committee, management, the

internal auditors and the independent auditors. The Audit Committee discussed matters with Deloitte required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees, as amended."

The Audit Committee reviewed and discussed the audited consolidated financial statements of IGT as of and for the year ended September 30, 2006 with management, the internal auditors and the independent auditors. The Board of Directors, including the Audit Committee, received an opinion of Deloitte as to the conformity of such audited consolidated financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee discussed with the internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee met regularly with the internal and independent auditors, with and without management present, to discuss examination results, evaluations of IGT's internal controls, and the overall quality of IGT's accounting principles.

In addition, the Audit Committee obtained from Deloitte written documentation describing all relationships between Deloitte and IGT that might bear on Deloitte's independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees". The Audit Committee discussed with Deloitte any relationships that may have an impact on their objectivity and independence and is satisfied with Deloitte's independence. The Audit Committee also considered

23

whether Deloitte's provision of other non-audit services to IGT is compatible with maintaining independence. The Audit Committee also reviewed, among other things, the amount of fees paid to Deloitte for audit and non-audit services.

Based on the review and discussions mentioned above, subject to the limitations on our role and responsibility described above and in the Audit Committee Charter, the Audit Committee recommended to the board of directors that IGT's audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended September 30, 2006 for filing with the SEC. Based on the Audit Committee's recommendation, the board of directors selected Deloitte as IGT's independent auditors for the fiscal year ending September 30, 2007, subject to shareholder ratification.

Fees Paid to Independent Registered Public Accountants

SEC rules effective May 2003 require the Audit Committee to pre-approve all services provided by our independent auditor, Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates (collectively, the "Deloitte Entities"). Our Audit Committee has concluded that the non-audit services provided by the Deloitte Entities are compatible with maintaining auditor independence. Aggregate fees for which we have been or expect to be billed for services rendered by the Deloitte Entities are presented below.

Years ended September 30, <i>(in millions)</i>	2006	2005
Audit ⁽¹⁾	\$ 2.8	\$ 2.4
Audit related ⁽²⁾	0.1	0.6
Tax ⁽³⁾	1.0	1.7
Other	□	□
Total	\$ 3.9	\$ 4.7

- (1) Audit fees consist of services normally provided in connection with statutory and regulatory filings or engagements, including services that generally only the independent accountant can reasonably provide.
- (2) Audit-related fees are comprised of assurance and associated services traditionally performed by the independent accountant, specifically: attest services not required by statute or regulation; accounting consultation and audits in connection with mergers, acquisitions and divestitures; employee benefit plan audits; and consultation concerning financial accounting and reporting standards.
- (3) Tax fees include \$0.2 million in fiscal 2006 and \$0.8 million in fiscal 2005 for tax planning and advisory services, as well as tax preparation and compliance services.

24

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent public accountants, Deloitte. The policy generally pre-approves certain specific services in the defined categories of audit services, audit-related services, and tax services up to specified amounts, and sets requirements for specific case-by-case pre-approval of discrete projects, those which may have a material effect on our operations or services over certain amounts. Pre-approval may be given as part of the Audit Committee's approval of the scope of the engagement of our independent auditor or on an individual basis. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be presented to the full Audit Committee at its next scheduled meeting. The policy prohibits retention of the independent public accountants to perform the prohibited non-audit functions defined in Section 201 of the Sarbanes-Oxley Act or the rules of the SEC and also considers whether proposed services are compatible with the independence of the public accountants.

Recommendation of IGT Board of Directors

The ratification of the appointment of Deloitte as our independent auditors will be approved if the number of votes cast in favor of the proposal exceeds the number of votes cast in opposition to the proposal.

Our board of directors recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as our independent auditors for the year ending September 30, 2007.

SHAREHOLDER PROPOSALS FOR THE 2008 ANNUAL MEETING

Proposals of shareholders intended to be presented at our next annual meeting must be received by us by September 21, 2007 to be considered for inclusion in our proxy statement relating to that meeting. If we change the date of our next annual meeting by more than 30 days from the date of this year's annual meeting, then the deadline is a reasonable time before we begin to print and mail our proxy materials for that next annual meeting, provided that you also meet the additional deadline for shareholder proposals required by our Bylaws and summarized below. You should also be aware that your proposal or director nomination must comply with Securities and Exchange Commission regulations regarding inclusion of stockholder proposals in company-sponsored proxy materials.

Shareholders desiring to present a proposal at the next annual meeting but who do not desire to have the proposal included in the proxy materials distributed by us must deliver written notice of such proposal to us no earlier than 90 and no later than 60 days prior to the meeting, or the persons appointed as proxies in connection with the next annual meeting will have discretionary authority to vote on any such proposal. However, in the event that we give less than 70 days' notice or prior public disclosure of the date of our next annual meeting, notice by a shareholder must be received by us no later than the close of business on the 10th day following the day on which the notice was mailed or the public disclosure was made, whichever occurs first. Shareholder proposals that do not meet the notice requirements set forth above and further described in Section 3.2 of our Bylaws will not be acted upon at the 2008 annual meeting.
