(1) The reporting person engaged in the reported transactions for estate planning purposes. These transactions did not result in any increase or decrease in the reporting person's beneficial ownership of common stock on a net basis. As a result of discussions with the issuer prior to the reported transactions, the reporting person was aware that profits if any, derived therefrom would be subject to disgorgement to the issuer pursuant to Section 16(b). After review of the various transactions, after taking into account broker fees, both the reporting person and the issuer have concluded that the reporting person did not receive a "profit" as calculated pursuant to Section 16(b) with respect to any of these transactions.
