OUTSTANDING VOTING SECURITIES AND VOTE REQUIRED

Each share of Common Stock, Series A Preferred Stock, and Series B Preferred Stock entitles the holder thereof to one vote on each matter properly brought before the 2009 Annual Meeting. PROPOSAL 1: ELECTION OF DIRECTORS

According to our Certificate of Incorporation, the Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class shall serve for the remainder of the full term of that class, and until the director's successor is elected and qualified. This includes vacancies created by an increase in the number of directors.

The Board currently has three members, Mr. Per Bystedt, Mr. John Reardon, and Mr. Thomas Eriksson. Mr. Bystedt was appointed on August 10, 2007 and Mr. Eriksson was appointed to fill a vacancy created by the resignation of a director appointed on August 10, 2007. Each of Mr. Bystedt's and Mr. Eriksson's term as a director continues until the 2009 Annual Meeting of Stockholders of the Company. Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The nominees receiving the highest number of affirmative votes will be elected.

As of the date of this Information Statement, there are no material proceedings to which any Director or executive officer of the Company, or any associate thereof, is a party which are adverse to the Company or any of its subsidiaries.

The following table sets forth the age and position currently held with the Company of persons nominated by the Board of Directors of the Company for the election as directors of the Company:

Name	Age	Position Currently Held with the Company
Per Bystedt	45	Chairman of the Board and CEO
Thomas Eriksson	37	Director and CEO of Neonode Technologies AB

The proposed nominees for election as directors, Messrs Bystedt and Eriksson, are willing to be reelected as directors of the Company. If elected, both nominees are expected to serve until the 2012 Annual Meeting of Stockholders of the Company or until their successors are duly elected and qualified or until his earlier death, resignation, or removal. The Majority Stockholders will vote in favor of all of the proposed nominees for election as directors, which will be sufficient to elect such directors.

The Board has adopted a written Nominating and Governance Committee Charter that is available on the Company’s website at http://www.neonode.com/Documents/investor/nominating_and_governance_committee_charter.pdf.

Board Committees

The Board has three committees: an Audit Committee, a Compensation Committee, and a Nominating and Governance Committee. John Reardon constitutes the member of each committee. Below is a description of each committee of the Board.

Audit Committee. John Reardon is Chairman of the Audit Committee. The Audit Committee of the Board, which was established in accordance with Section 3(a)(58)(A) of the Exchange Act, oversees the Company's corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions, including the following:

4

- determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm;
- reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services;
- monitors the rotation of partners of the independent registered public accounting firm on the Company's audit engagement team as required by law;
- confers with management and the independent registered public accounting firm regarding the effectiveness of internal controls over financial reporting;
- establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
- reviews the financial statements to be included in the Company's Annual Report on Form 10-K; and
- discusses with management and the independent registered public accounting firm the results of the annual audit and the results of the Company's quarterly financial statements.

The Board annually reviews the SEC standards and definition of independence for Audit Committee members and has determined that all members of the Company's Audit Committee are independent. The Company does not have an "audit committee financial expert" as defined in the rules of the Securities and Exchange Commission serving on the Audit Committee because the Board believes that the background and financial sophistication of its members are sufficient to fulfill the duties of the Audit Committee.

Compensation Committee. The Compensation Committee of the Board reviews and approves the overall compensation strategy and policies for the Company. The Compensation Committee duties include the following:

- reviewing and approving corporate performance goals and objectives relevant to the compensation of the Company's executive officers and other senior management;
- reviewing and approving the compensation and other terms of employment of the Company's Chief Executive Officer;
- reviewing and approving the compensation and other terms of employment of the other executive officers; and
- administering and reviewing the Company's stock option and purchase plans, pension and profit sharing plans, stock bonus plans, deferred compensation plans and other similar programs.

The Committee has the authority to obtain advice or assistance from consultants, legal counsel, accounting or other advisors as appropriate to perform its duties, and to determine the terms, costs and fees for such engagements. All members of the Company's Compensation Committee are independent.

The Compensation Committee conducts an annual performance and compensation review for each of our executive officers and determines salary adjustments and bonus and equity awards at one or more meetings generally held during the last quarter of the year. In addition, the Compensation Committee considers matters related to individual compensation, such as compensation for new executive hires, as well as various compensation policy issues throughout the year. For executives other than the Chief Executive Officer, the Compensation Committee receives and considers performance evaluations and compensation recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the

Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. The agenda for meetings of the Compensation Committee is usually determined by its Chairman with the assistance of the Company's Chief Executive Officer and Chief Financial Officer. Compensation Committee meetings are regularly attended by the Chief Executive and Chief Financial Officer.

The Committee approves routine on-hire option grants to employees of the Company, subject to specific limitations. For these grants, the exercise price must be equal to the closing price on the OTC BB of the Company's Common Stock on the trading on the date of grant.

Nominating and Governance Committee. The Nominating and Governance Committee of the Board is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company, consistent with criteria approved by the Board. The Nominating and Governance duties include the following:

- reviewing and evaluating incumbent directors;
- recommending candidates to the Board for election to the Board; and
- making recommendations to the Board regarding the membership of the committees of the Board.

The member of the Nominating and Governance Committee is independent.

The Nominating and Governance Committee believes that candidates for director should have certain minimum qualifications, including being able to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the committee considers diversity, age, skills, and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Governance Committee reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence.

In the case of new director candidates, the Nominating and Governance Committee also determines whether the nominee must be independent pursuant to applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. To date, the Nominating and Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. To date, the Nominating and Governance Committee has not received any director nominations from stockholders of the Company.

The Nominating and Governance Committee will consider director candidates recommended by stockholders. The Nominating and Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Nominating and Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Governance Committee at the following address: Neonode, Inc., Linnegatan 89, 11523 Stockholm, Sweden, at least six months prior to any meeting at which directors are to be elected. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of the Company's stock.

Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Meetings of the Board

The Board met four times during the Company's 2008 fiscal year. Each then-serving director attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he served, held during the period for which he was a director or committee member, respectively. In addition, the Company's independent directors met in regularly scheduled executive sessions at which only independent directors are present.

Each then-serving director attended last year's annual meeting, either in person or telephonically.

Communication with the Board

Shareholders, or anyone else wishing to contact the Board directly, may send a written communication to David W. Brunton, Chief Financial Officer, 651 Byrdee Way, Lafayette, CA 94549, USA. Mr. Brunton will forward such correspondence only to the intended recipients, whether the entire Board or only an individual Board member. However, prior to forwarding any correspondence, Mr. Brunton will review such correspondence and, in his discretion, may not forward certain items if they are deemed to be of a commercial nature or sent in bad faith.

Director Independence

A majority of the members of the board of a company listed on a national exchange must qualify as "independent," as affirmatively determined by the board of directors. Since the Company is not listed on a national exchange, it is not required to comply with these "independent" requirements. John Reardon is the Company's sole independent director.

Directors' Fees

Effective January 1, 2008, each non-employee director of the Company was to receive an annual retainer of \$24,000, payable monthly in arrears. On August 25, 2009, the non-employee director compensation plan was revised, reducing the annual retainer from \$24,000 to \$12,000. The Chairman of the Board is entitled to receive an annual retainer of \$30,000, payable monthly in arrears. Mr. Bystedt was appointed CEO of the Company in May 2008 and subsequent to his appointment ceased to earn fees as the Chairman of the Board of Directors. No director is entitled to receive a per-meeting fee. The members of the Board are also eligible for reimbursement for their expenses incurred in attending Board meetings in accordance with Company policy. The Directors have not been paid their fees for the months of August 2008 through July 2009.

Effective January 2, 2008, on January 2 of each year (or the next business day if that date is a legal holiday), each non-employee director is automatically granted an additional option to purchase 40,000 shares of common stock of the Company. However, the Company did not grant the non-employee directors any stock options on January 2, 2009. The exercise price of options granted is 100% of the fair market value of the common stock subject to the option on the date of the option grant. Options granted to Directors may not be exercised until the date upon which the optionee (or the affiliate of the optionee) has provided one year of continuous service as a non-employee director following the date of grant of such option, at which point 100% of the option becomes exercisable. The options will fully vest upon a change of control, unless the acquiring company assumes the options or substitutes similar options. The term of options granted is 10 years.

Prior to January 2, 2008, the directors were compensated primarily with grants of stock options. During the year ended December 31, 2007, the Company granted options covering 493,903 shares to non-employee directors of the Company, at an exercise price per share ranging from \$1.84 to \$4.50. The fair market value of such common stock on the date of each grant was equal to the closing sales price reported on the Nasdaq Small Cap Market for the date of grant. As of the date of this Information Statement, no options granted to directors have been exercised. On August 25, 2009, Mr. Reardon was granted a warrant to purchase 5 million shares of our common stock and Ms. Susan Major,

a director who resigned from our Board on September 15, 2009, was granted a warrant to purchase 2 million shares of our common stock, at an exercise price of \$0.02. These warrants expire on August 25, 2016, seven years from the date of grant.
