Item 4.01 Changes in Registrant's Certifying Accountant.

(a) On July 29, 2013, Genie Energy Ltd. (the "Registrant") notified Grant Thornton LLP ("GT") that the Registrant was dismissing GT as its independent registered public accounting firm, effective immediately. The Registrant's Audit Committee of the Board of Directors approved the dismissal of GT as the Registrant's independent registered public accounting firm.

GT's report on the Registrant's consolidated financial statements as of December 31, 2012 and 2011 and for the year ended December 31, 2012 and for the five-month transition period ended December 31, 2011 did not contain an adverse opinion or a disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except for referring to the work of other auditors, for the audits of the financial statements of American Shale Oil, LLC, (an entity in which the Registrant owns an interest and with respect to which the Registrant employs an equity method) as of December 31, 2012 and 2011 and for the year ended December 31, 2012 and for the five-month transition period ended December 31, 2011.

During the year ended December 31, 2012, the five-month transition period ended December 31, 2011, and the subsequent interim period through July 29, 2013, there were no disagreements between the Registrant and GT on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of GT, would have caused GT to make reference to the subject matter of the disagreements in connection with its report on the Registrant's financial statements for such periods.

During the year ended December 31, 2012, the five-month transition period ended December 31, 2011, and the subsequent interim period through July 29, 2013, there were no "reportable events", as defined in Regulation S-K Item 304(a)(1)(v).

The Registrant provided GT with a copy of the above disclosures and requested that GT furnish the Registrant with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the foregoing statements and, if not, stating the respects in which it does not agree. To date, due to a dispute as to amounts billed by GT to the Registrant, GT has declined to provide the Registrant with the requested letter. This amendment amends and supplements the Form 8-K on the foregoing subject previously filed by the Registrant on July 31, 2013.

(b) On July 29, 2013, the Registrant appointed BDO USA, LLP ("BDO") to serve as the Registrant's independent registered public accounting firm for the remainder of 2013 and to issue a report on the audit of the Registrant's 2013 financial statements. The decision to engage BDO was approved by the Registrant's Audit Committee of the Board of Directors and was made after a competitive bidding process and evaluation. During the Registrant's two most recent fiscal years and the subsequent interim period through July 29, 2013, the Registrant did not consult BDO with respect to any of the matters or events listed in Regulation S-K Item 304(a)(2).
