Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Includes 65 shares arising from dividends (in shares) under the IFF Global Employees Stock Purchase Plan during 2005.
- (2) The Stock Units convert to Common Stock on a one-for-one basis.
- (3) Not Applicable.
- (4) Includes units acquired upon reinvestment of dividends accrued on units in the IFF Stock Fund under the Company's deferred compensation plan during 2005. The acquisition of units with reinvested dividends is exempt from line item reporting under SEC Rule 16a-11. The unit accounting process used by the plan administrator of the IFF Stock Fund under the deferred compensation plan includes Common Stock as well as cash, with the fund divided into a number of units which does not directly correspond to the same number of shares of Common Stock. This leads to Common Stock maintained in the fund, as well as dividend reinvestment share units, to be at times in minor variance from the numbers reported in a different period.

Note: File three copies of this Form, one of which must be manually signed. If space provided is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
