Item 1.01 Entry into a Material Definitive Agreement

Master Credit Facility

On March 30, 2016, Professional Diversity Network, Inc. (the “Company”) and its wholly-owned subsidiaries NAPW, Inc. (“NAPW”), Noble Voice LLC (“Noble”), Compliant Lead LLC (“Compliant” and, together with the Company, NAPW, Noble and Compliant, the “Borrowers”) entered into a Master Credit Facility (the “Credit Agreement”) with White Winston Select Asset Funds, LLC (the “Lender”). The Credit Agreement provides for a revolving credit facility (the “Facility”) in the original principal amount up to \$5,000,000. Borrowings under the Credit Agreement may not exceed 75% of the Borrower’s eligible customer receivables, as determined pursuant to the Credit Agreement, without consent of the Lender. The closing of the Credit Agreement (the “Closing”) is subject to, among other things, receipt of the required regulatory approvals. The Facility matures 24 months from Closing.

Borrowings under the Credit Agreement will bear interest at 8% per annum, subject to an increase of 700 basis points in case of an event of default. Pursuant to the terms of the Credit Agreement, at Closing the Company will pay to the Lender a closing fee in the amount of \$250,000. The Company also agreed to pay to the Lender a non-utilization fee, payable quarterly in arrears, at the rate of 3% per annum on the average daily unborrowed portion of the Facility. In addition, the Company agreed to pay to the Lender a yield maintenance fee, payable at maturity and calculated pursuant to a formula set forth in the Credit Agreement, in case the Company issues or sells during the term of the Credit Agreement shares of its common stock in excess of 1,500,000 for a consideration per share less than \$0.25, as adjusted from time to time. The Company may use the proceeds of the Facility exclusively to satisfy its working capital needs and to pay the costs, fees and expenses in connection with the Credit Agreement.

The Credit Agreement contains customary representations and warranties, events of default and covenants, including, among other things and subject to certain exceptions, covenants that restrict the ability of the Borrowers to incur additional indebtedness, create or permit liens on assets, make acquisitions, engage in mergers or consolidations and pay dividends or repurchase stock. In addition, the Credit Agreement contains a covenant requiring the Company to maintain at the end of each semi-annual fiscal period commencing with the period ending December 31, 2016, a minimum current ratio of not less than 1.4 to 1.

The Borrowers’ obligations under the Credit Agreement are secured by a first priority lien in all their tangible and intangible property (the “Collateral”), including all revenues and payments due to the Borrowers from the operation of their business and all of the outstanding equity interests in each of the Company’s direct and indirect subsidiaries.

Warrants

Pursuant to the terms of the Credit Agreement, the Company agreed to issue to the Lender at Closing the following three warrants, each exercisable for 5 years from the date of issuance: (i) a warrant (the “Fixed \$0.25 Warrant”) to purchase up to 1,000,000 shares of the Company’s common stock with an exercise price of \$0.25 per share, (ii) a warrant (the “Pro Rata Warrant”) to purchase up to 1,750,000 shares of the Company’s common stock with an exercise price of \$0.25 per share, and (iii) a warrant (the “Fixed \$2.50 Warrant,” and together with the Fixed \$0.25 Warrant and the Pro Rata Warrant, the “Warrants”) to purchase up to 1,000,000 shares of the Company’s common stock with an exercise price of \$2.50 per share. The grant of the Warrants will be exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D, promulgated thereunder.

Board Representation Agreement

In connection with the Credit Agreement, the Company agreed to enter into a Board Representation Agreement (the “Board Representation Agreement”) with the Lender. Pursuant to the terms of the Board Representation Agreement, the Lender will have the right to designate nominees for election to the Company’s Board of Directors from the date the Lender first beneficially owns at least 10% of the Company’s outstanding common stock until the later of (i) the third anniversary of the date the Lender first gains the right to designate nominees or (ii) such time as the Lender beneficially owns less than 10% of the Company’s outstanding common stock for 60 consecutive days. The number of nominees the Lender is entitled to nominate shall be equal to (i) half of the total number of directors of the Company, rounded down to the nearest whole number, if the Lender beneficially owns more than 25% of the Company’s outstanding common stock, and (ii) a number of directors proportionate to the Lender’s beneficial ownership of the Company’s common stock, if the Lender owns less than 25% of the Company’s outstanding common stock. Upon Closing, the Lender will have the right to designate three nominees for election to the Company’s Board of Directors.

Pursuant to the terms of the Board Representation Agreement, the Lender will also have the right, subject to certain exceptions, to purchase in order to maintain its percentage interest in the Company, a pro rata portion of any shares of common stock or any warrants, options, debentures or other securities exercisable or exchangeable for or convertible into shares of common stock offered for sale by the Company.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the Credit Agreement filed herewith as Exhibit 10.24 incorporated herein by reference.
