Pursuant to a registration rights agreement entered into with the Investor on the Closing Date (the “Registration Rights Agreement”), the Company agreed to file a registration statement on Form S-3 to register the Note and the Conversion Shares within twenty-one (21) days of the Closing Date. The Issuable Shares will not be issued to the Investor until the Company shall have obtained approval of the NYSE American and the Company’s stockholders for the foregoing transactions.

Description Senior Secured Convertible Promissory Note

The Convertible Note has a principal face amount of \$1,000,000 and bears interest at 10% per annum, with 50% of the total interest due on the principal payable at the closing and the remaining 50% payable as Amortization Payments (as defined below). The Company shall make amortization payments in cash to the Investor for a period of 26 weeks in 13 equal payments every 2 weeks until the Convertible Note is satisfied in full (each, an “Amortization Payment”). The Convertible Note contains standard and customary events of default including, but not limited to, failure to make payments when due under the Convertible Note, failure to comply with certain covenants contained in the Convertible Note, or bankruptcy or insolvency of the Company.
