**Item 2.02 Results of Operations and Financial Condition.**

The information in this Current Report is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended.

On January 25, 2007, Abaxis, Inc., announced its financial results for the three and nine months ended December 31, 2006 and certain other information. A copy of Abaxis press release announcing these financial results and certain other information is attached hereto as Exhibit 99.1.

To supplement the financial statements presented in accordance with GAAP included as part of this release, Abaxis uses non-GAAP measures of operating income per share on a pro forma basis, which is not a measurement of performance under generally accepted accounting principles in the United States of America. Management uses this measure in comparing Abaxis historical performance and believes it provides meaningful and comparable information to management and investors to assist in their review of Abaxis performance relative to prior periods and its competitors.
