5.3.1. Following the approval of the three companies selected by the Committee, pursuant to the guidelines above, the Parties representing at least twenty-nine percent (29%) of the Affected Shares may exclude one of the three companies of the list.

5.3.2. AG, L.F. TEL and FASS shall choose one company out of the remaining companies, after the exclusion mentioned in item 5.3.1 above (or among the three, if such exclusion did not take place), which shall support the Committee in the selection of the candidate.

5.3.3. With the support of the selected company, the Committee shall nominate three (3) candidates to hold the position of Chief Executive Officer for evaluation by the Parties, observing the following:

- (a) the candidate shall not have been an employee or shall not have been appointed for management positions of the Parties or of the subsidiaries of the Parties; and
- (b) the candidate shall necessarily be experienced in the administration of large-size companies.

5.3.4. AG, L.F. TEL and FASS shall select the new Chief Executive Officer among the nominated names, and one of the nominees may be excluded by Shareholders representing at least twenty-nine percent (29%) of the Shares. In this case, AG, L.F. TEL and FASS shall make the selection from among the two remaining executives.

5.4. TELE NORTE LESTE's executive officers shall be nominated by the Chief Executive Officer (CEO) of TELE NORTE LESTE, and the Executive Officers of the other Relevant Subsidiaries shall be nominated by TELE NORTE LESTE's CEO jointly with the CEO of the respective Relevant Subsidiary.

SECTION 6 EXERCISE OF THE VOTING RIGHT

6.1. In addition to the measures set forth in this Agreement, the Parties agree to make use of the voting right related to their Affected Shares to fully comply with the Agreement herein, and none of the Parties are allowed to enter into any other voting agreements, except for the Shareholders Agreement executed on this date by AG, L.F. TEL and FASS, whose entire content is known by the Parties.

6.1.1. The Shareholders Agreement entered into among AG, L.F. TEL and FASS shall not be amended without the prior and express consent of the other signatories of this Agreement.

6.1.2. In case of conflict between the provisions of this Agreement and those of the shareholders agreement executed by AG, L.F. TEL and FASS, the provisions of this Agreement shall always prevail.

6.1.3. It is hereby established that the Parties, the Intervening Parties and their parent companies which hold common or preferred voting shares (even if limited) of Relevant Subsidiaries undertake not to exercise their voting right and to instruct their representatives in these companies not to vote, as the case may be, whenever this vote is a determining factor to prevent the approval at a General Meeting or at a Meeting of the Board of Directors of said Relevant Subsidiary of a matter previously approved at a Preliminary General Meeting of the Company, pursuant to this Agreement.

6.2. In the event any Party or its parent company enters in a process of bankruptcy, arrangement with creditors, court or out-of-court winding up, is subject to public intervention, or if its dissolution has been resolved, all Affected Shares held by such Party shall remain subject to all the sections and terms of this Agreement; however, the exercise of its respective voting rights at the Preliminary Meetings shall be suspended while the event (provided for in this section) that caused this suspension lasts.

6.2.1. It is also agreed that the instatement and resolution quorums of Preliminary Meetings defined herein shall be observed not considering, for the respective calculation, the interest percentage of the Party whose share voting rights have been suspended, as provided by the terms of Section 12 and/or by determination of the National Agency for Telecommunications (Anatel).

SECTION 7 ENCUMBRANCE OF SHARES

7.1. The Parties may offer the Affected Shares as pledge or collateral, which shall only be valid and effective if the creditor expressly states in writing that it is aware of all the provisions of this Agreement and that it shall comply with all the rules set forth herein, mainly with regard to the Preemptive Right that shall always be observed. Any pledge or collateral including the Affected Shares shall be immediately communicated to the Company, which in turn shall notify all other Shareholders as to the lien.

7.2. The Parties are prohibited from, with regard to the Affected Shares, creating beneficial rights, fiduciary alienation, trust, executing a purchase commitment or grant option, creating a preemptive right, leasing, and executing other shareholders agreements except for the Shareholders Agreement set forth in Section 6.1 above.

7.3. The Parties are also prohibited from pledging any of their Affected Shares. However, if, irrespective of the Party's wish, the pledge becomes effective, the Party shall make sure that within thirty (30) days from the effective date of the pledge, the object of the pledge is replaced, thus releasing all of the pledged shareholdings. The Party which fails to take the necessary measures to replace and release the pledge within the period set forth herein shall be liable for damages it might have caused. Moreover, if the defaulting Party does not replace the pledged shares and fails to pay the debt, the other Shareholders will have the option of redeeming the debt of the Shareholder who pledged his shares, releasing the shares from the pledge and acquiring them from the defaulting Party, proportionally to their contribution for payment of the debt. In this case, the shareholders shall be entitled to file a subrogation lawsuit against the defaulting Shareholder, so as to be compensated for the damages suffered.

7.4. The other Parties acknowledge that the Affected Shares of AG (or AG INVESTIMENTOS) and L.F. TEL, as a result of the debentures issued by AG (purpose of the 1st issue of debentures by AG) and L.F. TEL (purpose of the 3rd issue by L.F.

TEL), subscribed by BNDESPAR, will be given as collateral for said debentures to be issued by AG and L.F. TEL and subscribed by BNDESPAR to refinance said issue. The Parties further acknowledge that the debentures of AG's 1st issue and of L.F. TEL's 3rd issue are exchangeable for Affected Shares held directly or indirectly by AG and L.F. TEL, as provided by the terms of said debentures, and that if this right is exercised by BNDESPAR, the provisions of this Agreement concerning the transfer of the Affected Shares shall not be applicable. Additionally, the Parties hereby agree that, if AG (or AG INVESTIMENTOS) and L.F. TEL happen to purchase shares issued by TELE NORTE LESTE with funds raised through the issue of said debentures, (i) the shares may be given as collateral by AG (or AG INVESTIMENTOS) and by L.F. TEL for said debentures and (ii) they may be subject to a purchase option to be granted to BNDESPAR, in the capacity of holder of the debentures, in both cases irrespective of any prior approval or authorization in writing of the other Parties.

7.5. Any third party that might acquire the Affected Shares pursuant to the terms of this Section 7, always in compliance with the rules set forth in this Agreement, shall expressly state, in writing, that it is aware of all the terms of this Agreement and adheres to them with no restrictions.

7.6. Any legal acts concerning the Affected Shares performed in noncompliance with the procedures and rules established in this Agreement shall be ineffectual with regard to the Company and the other Parties and shall not be recognized or carried out by the Parties and the Company.

SECTION 8 PREEMPTIVE RIGHT IN THE TRANSFER OF AFFECTED SHARES AND SUBSCRIPTION RIGHTS

8.1. The Parties shall not sell, assign or transfer, free of charge or at a price, directly or indirectly, grant to the capital of another company, transmit or, in any way, sell or dispose of their Affected Shares. Furthermore, the Parties shall not sell, assign, grant to the capital of another company, transfer, free of charge or at a price, directly or indirectly, transmit or, in any way, sell or dispose of their Subscription Rights, save in accordance with the provisions below.

8.2. Should one of the Parties ("Offeror Party") receive a proposal ("Proposal") from any of the Parties (pursuant to the provision of items 8.17 to 8.24) or from third parties ("Proponent") to sell, assign or transfer, free of charge or at a price, grant to the capital of another company, transmit or, in any way, sell or dispose of part or all of its Affected Shares or Subscription Rights, the Offeror Party shall notify in writing ("Notice") the other Parties ("Offeree Party"), offering them the Affected Shares it intends to dispose of ("Offered Shares") or the Subscription Rights it intends to assign ("Offered Rights"), informing the price, currency, place of payment and all other terms and conditions of the Proposal (including the Proponent's name, full qualification and commitment of, in the event of acquisition of the Offered Shares or Offered Rights, joining this Agreement), which shall be irrevocable and irreversible and, as the case may be, have attached (i) a letter of guarantee of a prime banking institution, and (ii) the respective corporate approvals to carry out the operation. The Offeror Party shall also communicate its intention of accepting the Proposal, a copy of which shall be attached to the Notices.

8.3. The Offeree Parties shall have Preemptive Right in the acquisition of the Offered Shares and the Offered Rights, according to the terms and conditions of the Proposal, over all Affected Shares, proportionally to the number of Affected Shares they hold, excluding the Affected Shares owned by the Offeror Party. The exercise of the Preemptive Right shall be subject to the procedures mentioned below.

8.3.1 Each Offeree Party shall only exercise its Preemptive Right over all, and not less than all, of the Offered Shares or Offered Rights it is entitled to, according to the proportion rule referred to at the end of item 8.3, without prejudice to the Preemptive Right over the Unsold Shares, as defined below, and the Offeree Party shall not exercise its Preemptive Right only over part of the Offered Shares or Offered Rights it is entitled to, pursuant to the proportion rule mentioned in item 8.3.

8.4. Within thirty (30) days as of the date of receipt, by the Offeree Parties, of the Notice sent by the Offeror Party, pursuant to item 8.2, each Party shall send a written notification (Notification) to the Offeror Party indicating that:

(a) it wishes to exercise its Preemptive Right over all of the Offered Shares and/or Offered Rights it is entitled to, according to the proportion rule mentioned in item 8.3; or

(b) it wishes to waive its Preemptive Right (considering that the lack of notification within the established period shall be understood as a waiver of the Preemptive Right), bearing in mind that the assignment of the Preemptive Right, at any time, to any other Party or to third parties by the Offeree Parties is not allowed.

8.5. In the event that one or more Offeree Parties waive their respective Preemptive Right to the acquisition of the Offered Shares and/or Offered Rights they are entitled to, the Offered Shares and/or Offered Rights over which the respective Offeree Party does not exercise its Preemptive Right (the Unsold Shares) shall be offered to the other Offeree Parties which have notified the Offeror Party according to the terms of above item 8.4 (a). The Offeree Parties shall be notified by the Offeror Party so that they may, within fifteen (15) days after the end of the period referred to in item 8.4, exercise their Preemptive Right.

8.5.1. Each of the Offeree Parties, with regard to the acquisition of the Unsold Shares, may only exercise its Preemptive Right over all of the Unsold Shares. If more than one Offeree Party, with reference to the acquisition of the Unsold Shares, exercises its Preemptive Right over the Unsold Shares, such Offeree Parties shall be obliged to acquire the Unsold Shares proportionally to the number of Affected Shares they hold in relation to the total number of Affected Shares, excluding the share ownership of all the other shareholders.

8.5.2. Each of the Offeree Parties, notified as to the exercise of the Preemptive Right over the Unsold Shares, shall reply in writing to the Offeror Party within fifteen (15) days from the date of receipt of the notification sent by the Offeror Party referred to in item 8.5, indicating that:

- (a) it wishes to exercise its Preemptive Right over all of the Unsold Shares, and not less than all of the Unsold Shares (it is not allowed to exercise its Preemptive Right only over part of the Unsold Shares); or
- (b) it wishes to waive its Preemptive Right over the Unsold Shares (considering that the lack of reply within the established period shall be understood as a waiver of the Preemptive Right over the Unsold Shares), bearing in mind that the assignment of the Preemptive Right, at any time, to any other Party or to third parties by the Offeree Parties is not allowed.

8.6. If, at the end of the established period in above item 8.5.2, some Unsold Shares still remain, the Company shall be entitled to acquire such Unsold Shares, provided that:

- (a) it informs, through any of its Executive Officers, duly authorized by the Board of Directors, the Offeror Party of such intention, within two (2) business days after the end of the established period referred to in item 8.5.2 above; and
- (b) its profits or reserves, except for the legal reserve, are sufficient to purchase the Offered Shares and/or the Unsold Shares.

8.7. The Parties shall have preemptive right to acquire the shares of the Company's voting treasury stock at the time they are put for sale by the Company, while complying with the procedure described in above item 8.3, except for the Company's preemptive right with regard to the acquisition of Unsold Shares.

8.8. When the periods established in items 8.4, 8.5 or 8.6 have finished, as the case may be, the Offered Shares and/or Offered Rights shall be disposed of, within the following fifteen (15) days, (i) to the Offered Parties that have notified the Offeror Party, within the established period, of their intention of acquiring the Offered Shares or Offered Rights and, possibly, the Unsold Shares, according to the same terms and conditions set forth in the Proposal, and (ii) to the Company, as the case may be.

8.9. If the Offeree Parties and/or the Company have not exercised their respective Preemptive Rights over all of the Offered Shares and/or Offered Rights, pursuant to the terms set forth before, the Offeror Party shall be free to, as provided by the terms of the Proposal, within thirty (30) days following the end of the period established in item 8.6 above, sell all of the Offered Shares and/or Offered Rights to the Proponent or, at the discretion of the Offeror Party, sell to the Proponent the parcel of the Offered Shares and/or Offered Rights over which the Parties have not exercised the preemptive right, so as to ensure that the Offeror Party may sell all of the Offered Shares and/or Offered Rights.

8.10. The buyer of the Offered Shares shall be irrevocably obliged to adhere, in an absolute and irreversible manner, to the terms of this Agreement, through an amendment or by means of a mail sent by the Registry of Deeds and Documents to the Company and the other Parties, under penalty of ineffectiveness of said sale. In the case of the Subscription Right, the buyer of the Offered Rights shall undertake to adhere to this Agreement at the time of conversion of the bonds or securities into voting shares or of their subscription.

8.11. The restrictions related to the transfer of Affected Shares set forth in item 8.1 above shall not apply to the transfer of Affected Common Shares by a Party to a Board Member and his respective alternate designated by this same Party and who is not a shareholder of the Company, observing that such Board Member and his respective alternate shall return said shares to the respective Party when they no longer hold the position of Board Member or alternate, or transfer the shares to the Board Member and respective alternate who replace them.

8.12. Any sale, transfer, assignment or disposal of the Affected Shares or Subscription Rights in violation of the provisions of this Section 8 shall be invalid, and the Company is hereby forbidden to record it in its books.

8.13. Each of the Parties shall forward to the other Parties and the Company copies of all Notices and notifications sent by them, related to the exercise of the Preemptive Right referred to in this Section.

8.14. Pursuant to the provisions of this Agreement, in the event of sale to third parties of all or part of the Affected Shares held by a certain Party, the buyer will succeed the selling Party in all its rights and obligations set forth in this Agreement - or proportionally to the acquired Affected Shares, in case of a partial sale, and the Agreement shall remain unchanged. If the shares are sold to a Party of the Agreement, the buying Party shall add to the rights and obligations it already has, the rights and obligations previously held by the selling Party. In the event there is more than one buyer, each buyer shall succeed, on a pro rata basis, the selling Party in all its rights and obligations set forth in this Agreement. Whenever the Affected Shares are purchased by third parties, these shall nominate a representative to take part in the Preliminary General Meetings.

8.15. In the event of a partial sale of the Affected Shares, and particularly with regard to the rules for electing members of the Board of Directors set forth in Section 4 above, the Selling Party(ies) and the Buying Party(ies), as a condition for carrying out the transaction, shall mutually decide who shall have the right to nominate the Board member(s) previously nominated by the selling Party(ies).

8.16. The Parties undertake to promote the General Meeting for the purpose of replacing the Board Member, as a result of the facts referred to in the previous section, as well as to contribute with their votes for electing the Board Member of the Party entitled to its nomination.

8.17. It is hereby established that the transfer of the Affected Shares and/or Subscription Rights among AG and L.F. TEL and FASS shall not be subject to the rules set forth in this Section 8, except for the procedural rules herein defined. In the event AG or L.F. TEL receives a Proposal from third parties or from any of the Parties to sell, assign or transfer, free of charge or at a price, grant to the capital of another company, transmit or, in any way, sell or dispose of part or all of its Affected Shares or Subscription Rights, the one shall offer these to the other and, if the Offeree Party waives said offer, or if it does not exercise the preemptive right pursuant to the terms of this Agreement, AG or L.F. TEL, as applicable, shall offer its Affected Shares and/or Subscription Rights to the other Parties, as provided in this Agreement.

8.17.1. It is hereby established that if FASS receives a Proposal from third parties or from any of the Parties to sell, assign or transfer, free of charge or at a price, grant to the capital of another company, transmit or, in any way, sell or dispose of part or all of its Affected Shares or Subscription Rights, it shall first offer these to AG and L.F. TEL and, if both of them waive said offer, or if they do not exercise the preemptive right pursuant to the terms of this Agreement, FASS shall offer its Affected Shares and/or Subscription Rights to the other Parties, as provided for in this Agreement.

8.18. It is hereby established that the transfer of the Affected Shares and/or Subscription Rights among PREVI, PETROS and/or FUNCEF, when they join these Agreement as provided by the terms herein, shall not be subject to the rules set forth in this Section 8, except for the procedural rules herein defined. If any of these Parties receive a Proposal from third parties or from any of the Parties to sell, assign or transfer, free of charge or at a price, grant to the capital of another company, transmit or, in any way, sell or dispose of part or all of its Affected Shares or Subscription Rights, it shall offer these to one another and, if all of them waive said offer or do not exercise the preemptive right pursuant to the terms of this Agreement, the Offeror Party shall offer its shares to all other Parties, as provided for in this Agreement.

8.19. BNDESPAR has the Preemptive Right in the acquisition of the Offered Shares and Offered Rights, however, it is not subject to the Preemptive Right rules established above for the disposal of the Affected Shares and Subscription Rights it holds, which shall comply with the provision of item 8.20 below.

8.20. If BNDESPAR intends to sell its Affected Shares or its Subscription Rights, it shall sell them through a public auction (Public Auction) and shall notify the other Parties of the referred to auction.

8.20.1. The call notice of the Public Auction of BNDESPAR s Affected Shares or Subscription Rights shall provide for the possibility of the other Parties to exercise their preemptive right for buying at the Public Auction at the same fixed end price, complying with the periods established in this instrument.

8.20.2. If the Public Auction call notice sets forth the sale of a single lot of Affected Shares or Subscription Rights held by BNDESPAR, the other Parties shall only exercise their preemptive right for the whole lot of Affected Shares or Subscription Rights.

8.20.3. BNDESPAR undertakes to observe a minimum period between the auctions set forth in this Section 8.20, so that the Preemptive Right provided for in this Agreement, and contemplated in the call notice, may be fully exercised by the other Parties.

8.20.4. BNDESPAR, pursuant to the terms of the Agreement for Subscription of Shares Issued by TELEMAR PARTICIPAÇÕES S.A. and other Covenants entered into with the Company on the date of execution of this Agreement, shall not sell its redeemable preferred shares issued by the Company (lock-up) while the Company, as provided by the terms of said subscription agreement and of its Bylaws, is in compliance with its obligations of carrying out the scheduled redemption, the renegotiation and release of the Class A preferred shares issued by TELEMAR in the established timeframe, and the payment of the fixed dividends of said preferred shares.

8.20.5. The Public Action call notice shall set forth that the buyer of the Affected Shares held by BNDESPAR shall irrevocably adhere, in an absolute and irreversible manner, to the terms of this Agreement. In the case of the Subscription Right, the call notice shall also establish that the buyer of the Subscription Rights held by BNDESPAR shall undertake to adhere to this Agreement at the time of conversion of the bonds or securities into voting shares or of their subscription.

8.21. FASS shall not make any offer to buy Affected Shares held by a specific Shareholder. If it wishes to buy Affected Shares, FASS shall make a single offer to all the Shareholders.

8.22. None of the provisions of this agreement, particularly the provisions of this Section 8, shall apply to the sale of Affected Shares by one Party to its parent company or its subsidiary, provided that the buyers adhere in advance and in writing to the Shareholders Agreement, undertaking all obligations and rights of the selling Party, remaining the latter severally liable for the obligations of the buyer in this Agreement.

8.23. The Parties express their acquiescence with regard to the transfer of ASSECA s shares, issued by the Company, to AG INVESTIMENTOS and L.F. TEL, at the proportion of fifty percent (50%) each, as a result of ASSECA s corporate restructuring, expressly acknowledging that none of the provisions set forth in this Section 8 shall be applied to this transfer.

8.24. The Parties express their acquiescence with regard to the transfer of FIAGO's shares, issued by the Company, to PREVI, PETROS, FUNCEF and FASS, as a result of FIAGO's corporate restructuring, expressly acknowledging that none of the provisions set forth in this Section 8 shall be applied to this transfer.

SECTION 9 TAG-ALONG RIGHT

9.1. In the event one or more Shareholders decide to sell to third parties, directly or indirectly, through one or more transactions, their Affected Shares (Sellers) representing the control of the Company (Transfer of Equity Control), and if the Preemptive Right has not been exercised by the other Shareholders, as set forth in Section 8, said Shareholders shall be entitled to sell (Participants), jointly with the Sellers, the Shares they own, proportionally to the number of Shares that are being sold (Tag-along Right).

9.1.1. For the purposes of the provisions of this section, the definition of Transfer of Equity Control contained in Article 254-A of Law no. 6,404/76, as amended by Law no. 10,303/2001 and CVM's interpretations, shall apply.

9.2. In the event set forth in item 9.1, the Sellers shall notify in writing the other Parties and the Company, informing of the intended sale (Sale Notification), establishing a period not less than fifteen (15) Business Days to carry out the sale (Sale Date). The sales agreement draft agreed so far shall be attached to the Sale Notification and specify: (i) the name and qualification of the buyer (Buyer); (ii) the number of Shares that the Sellers wish to sell; (iii) the price and other sale terms; (iv) confirmation that the Buyer has been informed of the Tag-along Right; and (v) the Sale Date, limited to thirty (30) Business Days as of the date of the Sale Notification.

9.3. The Parties wishing to exercise their Tag-along Right (Participants) shall notify the Sellers and the Buyer, in writing, not later than five (5) Business Days as of the receipt of the Sale Notification, specifying the number of Affected Shares they intend to sell.

9.4. The price per Affected Share to be paid by the Buyer to the Participants shall be equal to the price per Affected Share paid to the Seller. The sale terms shall be the same to both the Sellers and Participants, being established that when negotiating the sale of their Affected Shares to third parties, the Seller shall set forth that: (i) the only representations and warranties that the Participants will have to provide shall be related to the Affected Shares that the Participants will sell, to their legal capacity and to the authority of their legal representatives to execute the sales agreement; (ii) the only obligation of the Participants shall be to transfer the ownership of the Affected Shares to the Buyer, according to the terms of the shares purchase and sale agreement; and (iii) the Participants shall be severally and not jointly liable with regard to the sale. If the Buyer does not accept these terms, the sale of the Affected Shares by the Seller shall become dependent on the prior written approval by the Participants.

9.5. If the Buyer refuses to purchase all the Affected Shares offered by the Participants for sale in the exercise of the Tag-along Right, the Seller shall not be allowed to sell any of his Affected Shares to the Buyer, unless an express consent has been obtained from the Participants.

9.6. If none of the other Parties exercise their Tag-along Right, the Seller shall be allowed, up to the Sale Date, to sell his Affected Shares for the same price and according to the same terms and conditions informed in the Sale Notification. In the event the sale is not completed until the Sale Date and according to the terms offered, the procedures inherent to the Preemptive Right and the Tag-along Right, as provided for in this Agreement, shall be carried out again.

9.7 If any of the Shareholders exercise their tag-along right, the Sellers shall not dispose of their Affected Shares unless the sale also comprises all the Affected Shares purpose of the request for tag-along sale.

SECTION 10 TRANSFER OF THE CONTROL OF THE PARTIES

10.1. The direct or indirect controlling shareholder of any of the Parties shall not cease to exercise the control of the Party without previously offering all Affected Shares owned by said Party to the other Parties, pursuant to the provisions of Section 8 above, related to the exercise of the Preemptive Right. For the purposes of the exercise of the Preemptive Right referred to in this item, the price, to be set by an appraiser chosen by mutual agreement of the Parties, shall be considered as Proposal, which should consider, so as to assess the Affected Shares to be sold, the amounts and terms of the proposal originally received by the controlling shareholder of the Party at issue.

10.2. The Company's shares, held by the Party whose control ceases to be exercised in violation of the provision set forth in Section 10.1, shall no longer be considered Affected Shares; as a result, this Party shall have its voting rights suspended and be prohibited from participating in the Preliminary General Meetings.

10.3. The Parties may, at any time, request the other Parties to send the complete list of their voting shareholders as stood prior to date of the request.

SECTION 11 REPRESENTATIONS, WARRANTIES AND OBLIGATIONS

11.1. Each Party declares and guarantees that:

- (i) it is a duly organized and validly existing entity in good financial and legal standing;
 - (ii) it has all required power and authority to own the Affected Shares and perform the obligations set forth in this Agreement;
 - (iii) the execution of and compliance with the Agreement have been authorized by all required instances and (a) do not or will violate any law, rule, regulation, order or decree applicable thereto, (b) nor violate its bylaws and other corporate documents;
-

- (iv) this Agreement represents a legal obligation that binds its signatories and is enforceable against them, according to the terms herein; and
- (v) there is no pending lawsuit that said Party is a party to, which, if adversely resolved, might have a substantial adverse effect on the financial condition of the Party or on its capacity for complying with its obligations provided for in the Agreement herein.

SECTION 12 - AMENDMENT

12.1. Any amendment or modification to this Agreement may only be made or shall only bind the Parties if written and signed by all Parties.

SECTION 13 - WAIVERS

13.1. If any signatory fails to demand, at any time, the fulfillment of the provisions set forth in this Agreement or fails to exercise any option, alternative or right granted thereby, this fact shall not constitute a waiver of any of its provisions nor should it affect its validity or the right, in whole or in part, of any signatory to demand future compliance with any and all provisions of this Agreement or the exercise of said option, alternative or right, except as otherwise and expressly provided for in this Agreement. No waiver of any provision of this Agreement shall be effective with respect to the other signatories, unless stated in writing and by the legal representative of the waiving signatory.

SECTION 14 - ASSIGNMENT

14.1. The rights and obligations of the Parties to this Agreement shall not be transferred or assigned in whole or in part, except as provided for in this Agreement or with the prior written consent of the other Parties.

SECTION 15 - COMMUNICATIONS

15.1. All communications contemplated or allowed in this Agreement shall be in writing and be deemed as duly made when transmitted via telegram, facsimile or electronic data transfer (in each case subject to obtaining a receipt code or a confirmation of receipt by the addressee), or when delivered in person or sent by registered mail to the addresses of the Parties or persons authorized to receive said communications, at the addresses informed by each Party to the Board of Executive Officers.

SECTION 16 - TERM OF EFFECTIVENESS

16.1. The Agreement herein shall be valid and effective for a term of forty (40) years or for the term of effectiveness of any concession or authorization held by the Company and its subsidiaries, including their extensions, with the term of the event that happened last prevailing.

16.1.1 The term of effectiveness of this Agreement, as set forth in this Section, may be extended for successive periods of ten (10) years, by resolution of the Shareholders, taken at least six (6) months before the end of each term of effectiveness.

SECTION 17 - FILING, ANNOTATION AND COMPLIANCE OF THE COMPANY

17.1 The Company executes the instrument herein in the capacity of Intervening Party, being such intervention valid as filing of the Agreement at the Company's headquarters for all legal effects, and it undertakes to file this Agreement at the headquarters of its Relevant Subsidiaries.

17.1.1 Obligations resulting from this Shareholders' Agreement shall be registered at the Company's and its Relevant Subsidiaries' Records of Registered Shares, which shall bear at the margin of the Share record the following wording:

The shares indicated herein are bound by and subject to the terms and conditions of the Shareholders' Agreement of the Company, entered into on [____], and the provisions thereof shall observe the expiration periods of said Agreement, mainly with respect to the exercise of the voting rights inherent to the shares and their transfer or encumbrance for any purpose, . Said record prevents the performance of any acts in violation of the terms of the Agreement herein, and in such cases the Company is therefore legally authorized not to record said acts and to refuse to transfer the ownership or title of any rights over the shares encompassed by this Agreement

17.1.2 The Company and its Relevant Subsidiaries shall be governed by the provisions of this Agreement and their respective Bylaws. In case of conflict between this Agreement and the Bylaws, the provisions of this Agreement shall prevail in relation to the Parties.

17.3. The Parties undertake, in the shortest possible time, to hold General Meetings to amend the Bylaws so as to adjust them to the provisions hereof.

SECTION 18 - SPECIFIC PERFORMANCE

18.1. The Parties hereby undertake to exercise their voting rights regarding the Company and its Relevant Subsidiaries in compliance with the terms of this Agreement, through which any Party has the right to demand specific performance against the other Parties, according to provisions of Articles 466-A, 466-B and 466-C of the Brazilian Code of Civil Procedure and Article 118, §3, of Law 6,404, of December 15, 1976. Notwithstanding any provisions to the contrary included herein, the Parties are aware and agree that, if any Party fails to fulfill any obligation set forth in this Agreement, the defaulting party won't be allowed to vote at Preliminary General Meetings until the default has been remedied.

18.2. Each Party has the right to request the chairman of the General Meeting, the chairman of the Board of Directors meeting and/or the CEO of the Company and of its Relevant Subsidiaries to declare a cast vote or a transfer of Affected Shares invalid if there is a breach of the provisions of this Agreement, irrespective of any court or out-of-court lawsuit, and it is the responsibility of the chairman of the General Meeting, the chairman of the Board of Directors' meeting and/or the CEO of the Company and of its Relevant Subsidiaries to abide by this Agreement and make sure it is complied with, pursuant to Article 118 of Law no. 6,404, of December 15, 1976.

SECTION 19 - BINDING NATURE

19.1. The terms and conditions of this Agreement shall irrevocably and irreversibly benefit and be binding upon its signatories and their respective successors on any account.

SECTION 20 - GENERAL PROVISIONS

20.1. Any tolerance, by any of the Parties, as to the inaccurate, late compliance or the noncompliance with the obligations of the other party shall only be accepted singly and shall not constitute a waiver or novation of any kind.

20.2. If any section or provision herein becomes ineffectual, unenforceable or invalid, the enforceability or validity of the other sections and provisions shall not be affected, which shall remain in full force and effect.
