Item 1.01 Entry into a Material Definitive Agreement.

On June 30, 2005, the Board of Directors (the "Board") of Sara Lee Corporation ("Sara Lee") approved amendments to Sara Lee's 1999 Non-Employee Director Stock Plan (the "Plan"), which originally was adopted in June 2002 and was approved by Sara Lee's stockholders in October 2002. The amendments to the Plan were necessary to incorporate changes to the annual compensation program for outside directors that have been approved by the Corporate Governance and Nominating Committee of the Board and that will be effective for Sara Lee's fiscal year 2006. The amendments also include other changes that Sara Lee believes are necessitated by the recently enacted Section 409A of the Internal Revenue Code ("Section 409A"). The changes to the annual compensation program for outside directors and the material amendments to the Plan are described below.

CHANGES IN THE ANNUAL COMPENSATION PROGRAM FOR OUTSIDE DIRECTORS -- Sara Lee's Corporate Governance and Nominating Committee has approved the following changes to the annual compensation program for outside directors, effective beginning with Sara Lee's fiscal year 2006:

- Outside directors may elect to receive shares of Sara Lee common stock and/or restricted stock units ("RSUs") in lieu of all or a portion of their annual cash retainer. Previously, outside directors were entitled to receive only shares of Sara Lee common stock in lieu of all or a portion of their annual cash retainer.
- Annual Committee retainers will be paid 50% in cash and 50% in RSUs. Previously, all Committee retainers were paid in cash.
- All RSUs that are granted, whether as the annual retainer for service as a director or for service on a Committee of the Board, will vest one year after the date of grant but will not be converted into shares of Sara Lee common stock until six months after the director leaves Sara Lee's Board of Directors. Previously, all RSUs vested in one year but were converted into shares of Sara Lee common stock three years after the date of grant.
- Each outside director who chairs a committee of the Board (other than the Audit Committee) will receive an additional retainer of \$10,000 (increased from \$5,000), and the Chair of the Audit Committee will receive an additional retainer of \$20,000 (increased from \$10,000). Each other outside director who is a member of the Audit Committee will receive an additional retainer of \$7,500 (increased from \$5,000).

The Plan has been amended to incorporate, as applicable, the forgoing changes to Sara Lee's compensation program for outside directors.

AMENDMENTS TO CONFORM TO SECTION 409A -- The Board also approved the following amendments to the Plan to facilitate Sara Lee's compliance with the provisions of Section 409A:

- A separate Deferral Program has been added to the Plan for director compensation deferrals pursuant to elections made on or after January 1, 2005, the effective date of Section 409A. The previous Deferral Program has been maintained to preserve the former rules applicable to deferrals made prior to January 1, 2005.
- The Plan's existing definition of "Change of Control" was amended to conform to the definition contained in Internal Revenue Service interpretations issued with respect to Section 409A.
- The Board is entitled unilaterally to amend the terms and conditions of the Plan or any outstanding Plan award to reflect changes in applicable law.

A copy of the Plan, as amended, will be filed as an exhibit to Sara Lee's next periodic report under the Securities Exchange Act of 1934, as amended. The foregoing descriptions of the Plan are subject to, and qualified by, the terms of the Plan.
