Item 8.01 Other Events.

On April 27, 2006, the Board of Directors of Tractor Supply Company (the "Company") approved an amended version of its proposed 2006 Stock Incentive Plan (the "Plan") to reduce the number of shares of common stock authorized for issuance pursuant to the Plan from 3,000,000 shares to 2,750,000 shares. Additionally, the Company incorporated specific share limit counting rules into the Plan.

The Company was informed earlier this week by Institutional Shareholder Services (ISS) that the number of shares proposed, as well as the absence of specific share limit counting rules, in the version of the Plan previously approved by the Board resulted in ISS cost guidelines being exceeded based on the valuation methodology used by ISS. Consequently, the Company decided to approve an amended version of the Plan to conform to such ISS guidelines, and to seek stockholder approval of such amended Plan. The amended Plan will be presented for stockholder approval at the Company's Annual Meeting of Stockholders to be held on Thursday, May 4, 2006. The Company expects that ISS will recommend voting in favor of the Plan.

A copy of the revised Plan is attached hereto as Exhibit 99.1.

Item 9.01 Financial Statements and Exhibits.
