PROXY STATEMENT

This Proxy Statement is prepared for the stockholders of Monarch Casino & Resort, Inc. (the Company or we) in connection with the annual meeting of stockholders of the Company to be held at the Atlantis Casino Resort, 3800 South Virginia Street, Reno, Nevada 89502, on Friday, May 22, 2009, at 10:00 a.m. local time, and any adjournment thereof, for the purposes indicated in the Notice of Annual Meeting of Stockholders and more fully outlined herein.

The accompanying proxy is solicited by the Board of Directors of the Company (the Board). Under rules adopted by the U.S. Securities and Exchange Commission, we are furnishing proxy materials to certain of our stockholders via the internet, instead of mailing printed copies of those materials to each stockholder. On or about April 10, 2009, we will mail to our stockholders either a printed copy of our proxy materials, including our proxy statement and our annual report on Form 10-K, or a Notice of Internet Availability containing instructions on how to access our proxy materials. This electronic access process is designed to expedite stockholders' receipt of proxy materials, lower the costs of our annual meeting and help to conserve natural resources. However, if stockholders prefer to receive a printed copy of our proxy materials and a paper proxy card, they may do so by following the instructions included in the Notice of Internet Availability.

If you will not be able to attend the annual meeting and vote in person, you are encouraged to read this Proxy Statement and then cast your vote as promptly as possible in accordance with the instructions either in the Notice of Internet Availability or, if you received a printed copy of the proxy materials, on the enclosed proxy card.

Any stockholder giving a proxy has the power to revoke it prospectively by giving written notice to the Company, addressed to Bob Farahi, Secretary, at the Company's principal address at 3800 South Virginia Street, Reno, Nevada 89502 to the attention of the Monarch Corporate Office before the annual meeting; by delivering to the Company a duly executed proxy bearing a later date or by attending the annual meeting and voting the shares in person. The shares represented by the proxy will be voted if the proxy is properly executed and received by the Company prior to the commencement of the annual meeting, or any adjournment thereof.

None of the proposals to be voted on at the annual meeting creates a right of appraisal under Nevada law. A vote FOR or AGAINST any of the proposals set forth herein will only affect the outcome of the proposal.

The Company will pay the expenses of making the solicitation which will consist of the costs of preparing, printing, mailing and counting the proxies and proxy statements and the charges and expenses of brokerage firms, custodians, nominees or fiduciaries for forwarding such documents to stockholders.

VOTING SECURITIES

The close of business on April 3, 2009 has been fixed by the Board as the record date for determination of stockholders entitled to vote at the annual meeting. The securities entitled to vote at the annual meeting consist of shares of common stock, par value \$.01 (Common Stock), of the Company, with each share entitling its owner to one vote. Common Stock is the only outstanding class of voting securities authorized by the Company's Articles of Incorporation. The Company's Articles of Incorporation authorize the Company to issue 10,000,000 shares of preferred stock, par value \$.01 (Preferred Stock). None of the Preferred Stock is issued or outstanding, and the Company has no present plans to issue shares of Preferred Stock.

The Board is empowered to issue one or more series of Preferred Stock with such rights, preferences, restrictions, and privileges as may be fixed by the Board, without further action by the Company's stockholders. The issuance of the

Table of Contents

Preferred Stock could adversely affect the rights, including voting rights, of the holders of the Common Stock and could impede an attempted takeover of the Company. The Preferred Stock does not presently possess general voting rights.

The number of outstanding shares of Common Stock at the close of business on March 30, 2009, was 16,122,048. The number of shares outstanding may change between such date and April 3, 2009, if any currently exercisable options to purchase Common Stock are exercised, if the Company elects to repurchase and cancel any shares in open market or privately negotiated transactions, or if the Company otherwise authorizes the issuance of any shares. The stockholders do not possess the right to cumulate their votes for the election of directors.

Committees of the Board

The Board has certain standing committees including the Audit Committee, the Compensation Committee, the 1993 Executive Long-Term Incentive Plan Committee (the Incentive Plan Committee), the 1993 Directors' Stock Option Plan Committee (the Directors' Plan Committee) and the Operations Committee.

Pursuant to NASDAQ rules, The Company has a majority of independent directors. Craig F. Sullivan, Charles W. Scharer and Ronald R. Zideck are independent directors as such term is defined in NASDAQ Rule 4200(a)(15).

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

The Audit Committee, comprised of Craig F. Sullivan and Charles W. Scharer, and chaired by Ronald R. Zideck, met 8 times during the fiscal year ended December 31, 2008. The Audit Committee is comprised exclusively of directors who are not salaried employees and a majority of whom are, in the opinion of the Board, free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Audit Committee's function is to review reports of the auditors to the Company; to review Company financial practices, internal controls and policies with officers and key employees; to review such matters with the Company's auditors to determine scope of compliance and any deficiencies; to consider selection of independent public accountants; to review and approve certain related party transactions; and to make periodic reports on such matters to the Board. The Audit Committee adopted an Audit Committee Charter on June 14, 2000, and subsequently amended it effective June 7, 2001 and April 9, 2004. A copy of the charter may be viewed on the Company's website at www.monarchcasino.com.

All members of the Audit Committee are independent directors, as such term is defined in NASDAQ Rule 4200(a)(15) of the National Association of Securities Dealers' Listings Standard.

Table of Contents

The Company believes that each member of the Audit Committee is a financial expert, as defined by the SEC rules applied pursuant to the Sarbanes-Oxley Act of 2002, and as defined in Regulation S-K, Item 407(d)(5)(ii). The relevant experience of such directors is summarized under Election of Directors Directors and Nominees above.

The Compensation Committee, comprised of Ronald R. Zideck and Charles W. Scharer, and chaired by Craig F. Sullivan, met 5 times during the fiscal year ended December 31, 2008. The Compensation Committee recommends, and the Board ratifies, all compensation and awards to the Company's executive officers and administers the Employee Stock Option Plan. The Compensation Committee reviews the performance and the compensation of the chief executive officer and president and, following discussions with those individuals, presents recommendations for their compensation levels to the Board for review and ratification. For the remaining executive officers, the chief executive officer makes recommendations to the Compensation Committee that generally are approved and then passed onto the full Board for ratification. The Compensation Committee has not adopted a charter.

The Incentive Plan Committee, comprised of Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer, did not meet during the fiscal year ended December 31, 2008. The Incentive Plan Committee's function is to administer the 1993 Executive Long-Term Incentive Plan (the Incentive Plan), including determining such matters as the persons to whom awards shall be granted, the number of shares to be awarded, when the awards shall be granted, when the awards shall vest, and the terms and provisions of the instruments evidencing the awards, interpreting the Incentive Plan and notifying the Board of all decisions concerning awards granted to Incentive Plan participants.

The Directors' Plan Committee, comprised of John Farahi and Bob Farahi, did not meet during the fiscal year ended December 31, 2008. Neither John Farahi nor Bob Farahi is eligible to participate in the Directors' Plan. The Directors' Plan Committee consists of not less than 2 directors of the Company selected by, and serving at the pleasure of, the Board and its function is to administer the 1993 Directors' Stock Option Plan (the Directors' Plan). The Directors' Plan Committee has the authority to interpret the Directors' Plan and make all determinations necessary or advisable for its administration. All decisions of the Directors' Plan Committee are subject to approval by the Board.

The Operations Committee, comprised of John Farahi, Ronald Rowan, Darlyne Sullivan and Richard Cooley, and chaired by Charles W. Scharer, did not meet during the fiscal year ended December 31, 2008. The purpose of the Operations Committee is to provide a formal communication link between Golden Road management and the Board and to facilitate examination of, and feedback regarding, various operational issues.

In addition to the standing committees described above, on July 25, 2006, the Board established a special committee comprised of the Company's independent directors (the Special Committee) to formulate and deliver a formal offer to purchase the 18.95 acre shopping center adjacent to the Atlantis (the Shopping Center) from Biggest Little Investments, L.P. (BLI). The Special Committee consists of Charles W. Scharer, Craig F. Sullivan and Ronald R. Zideck. The Special Committee did not meet in 2008.

The Company does not have a standing Nominating Committee, nor has the Board of Directors adopted a charter addressing the director nomination process. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because the entire Board of Directors can adequately serve the function of considering potential director nominees from time to time as needed.

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

For stockholder meetings at which directors are to be elected, in compliance with NASDAQ rule 4350(c)(4), director nominees are recommended for the Board's nomination by a majority of the independent directors. In making such recommendation, the qualifications of the prospective nominee which will be considered include the nominee's personal and professional integrity, experience, skills, ability and willingness to devote the time and effort necessary to be an effective board member, and commitment to act in the best interests of the Company and its stockholders.

The requirements for nomination of a person to the Board by a security holder are set forth in Article II, Section 16 of the Company's Bylaws and the qualifications for a person to be a director of the Company are set forth in Article II, Section 14 of the Bylaws. Both sections of the Bylaws are set forth below.

14. Eligibility of Directors. No Director is eligible to continue to serve as a Director of the Corporation who is required under Nevada gaming laws to be found suitable to serve as a director and who is not found suitable or whose finding of suitability is suspended or revoked by Nevada gaming

authorities. Such eligibility shall cease immediately following whatever act or event terminates the director's eligibility under the laws and gaming regulations of the State of Nevada.

Nominations of persons for election to the Board of Directors of the Corporation at the Annual Meeting may be made at a meeting of stockholders by or at the direction of the Board of Directors by any nominating committee or person appointed by the Board or by any stockholder of the Corporation entitled to vote for the election of Directors at the meeting who complies with the Notice procedures set forth in this Section 16 of Article II. EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Objectives

We seek to compensate our named executive officers (NEOs) in a manner that will attract and retain qualified individuals who are responsible for the management, growth and success of the Company. We believe that NEO compensation should be designed to:

- 1) motivate performance in areas consistent with our short and long-term objectives,
- 2) reward for achieving those objectives, and

3) encourage NEOs to continue in our employ.

We evaluate and establish the total compensation of our NEOs in light of what we believe to be the compensation practices, and relative corporate financial performance, of other companies in the gaming industry similar to us in terms of asset size and target market. Because many of these companies are not publicly held, their compensation practices are not published publicly. As such, we rely on the industry experience and knowledge of our Board of Directors in determining appropriate NEO compensation.

Compensation Elements

Our NEO compensation program utilizes four primary components which include annual salary, annual cash bonus awards, one-time cash awards and stock option awards. Following is a discussion of each component.

Annual Salary: The salary element compensates each NEO for performance of the fundamental duties associated with that NEO's position. In addition to what we believe to be the compensation practices and relative corporate financial performance of other companies in the gaming industry similar to us in terms of asset size and target market, we consider other factors in establishing NEO annual salaries including their respective record of leadership and service to us, our growth during the NEO's term of employment, the relative importance of the NEO in overseeing our day-to-day operations, the relative performance of our competitors, and civic leadership in the Reno area. Salaries are reviewed annually and are adjusted as warranted.

Annual Cash Bonus Awards: To align NEO performance with our short-term operational and profit objectives, we utilize an annual cash bonus program (the Bonus Program) with an annual target equal to 20% of the NEO's annual salary. The Bonus Program is comprised of both a quantitative and a qualitative component. The quantitative

Table of Contents

component is awarded based on achieving our annual profit goal, as established by the Board of Directors, while the qualitative component is tied to specific NEO performance.

The profit target is defined as a determined level of Earnings Before Interest, Taxes, Depreciation and Amortization (EBITDA). EBITDA can be calculated from our audited financial statements by adding depreciation and amortization expense to income from operations. An additional evaluation is completed at year-end which allows for the potential to exceed the 20% bonus target up to a cap of 40% of the NEO s annual salary. For every whole percentage point that our actual EBITDA exceeds the full-year EBITDA target, an additional 1% of NEO salary is awarded.

To motivate and reward actions that directly translate into increased Company profit, the Bonus Program is significantly weighted toward the quantitative component. The quantitative and qualitative components, if awarded, are paid simultaneously on a semi-annual basis. Based on the success the management team has had in achieving previous financial profit and other performance targets, we believe it is likely that future bonus awards will be paid fully.

One-Time Cash Awards: We may, from time to time, award additional one-time cash payments based on superior financial performance relative to the Board established annual financial profit target when such performance is deemed to be extraordinary. Such determination is based on several factors including, but not limited to, comparison of our financial performance relative to our competitors, the general market conditions in which those financial results were generated and other operating criteria that indicate that the financial results were abnormally strong given those market and operating conditions. Such performance criteria could serve as the basis for increasing an NEO s salary level; however, by instead rewarding such performance with one-time cash awards, we believe we are more accurately promoting sustained, superior performance by more closely tying the reward with the timing of the performance.

Stock Option Awards: While it is difficult to predict the value an NEO will ultimately realize from the stock option component, the compensation package is designed with the expectation that stock options will provide the highest potential reward of the four components of the NEO compensation package. As such, the most significant driver of NEO compensation is designed to correlate directly with the financial gains of our stockholders. As our stock price increases or decreases, the value of NEO stock option awards also increases or decreases. By designing the compensation program in this way, we believe that a significant portion of NEO compensation has been directly aligned with the NEOs performance as measured through the market value of the common stock held by our shareholders.

NEOs generally receive an initial grant on their hire date and generally receive subsequent annual replacement grants in amounts equal to the portion of the initial grant that vests. Stock option awards are granted at strike prices equal to the closing market price of our stock on the date the stock option award is granted. As such, the value of the award only increases if our stock price increases subsequent to the stock option s grant date. Because these awards vest over time, the stock option component of NEO compensation also encourages NEO retention, as value related to unvested stock options is forfeited if an NEO ceases to be employed by us.

Effective January 1, 2006, we began recognizing the expense associated with stock option awards in accordance with the requirements of SFAS 123R as further explained in Note 1 of the Company s Consolidated Financial Statements, included as part of the Company s 2007 Annual Report to Stockholders filed on Form 10-K.

Change in Control

Our senior managers and other employees have built Monarch Casino & Resort, Inc. into the successful enterprise that it is today, and we believe that it is important to both reward and protect them in the event we experience a change in control. Further, it is our belief that the interests of our stockholders are best served if the interests of our senior management are aligned with those of our stockholders, and providing change in control benefits should eliminate, or at least reduce, the reluctance of senior management to pursue potential change in control transactions that may be in the best interests of our stockholders. Relative to our overall value to the stockholders, these potential change in control benefits to senior managers and other employees are minor.

In the event of a change in control, all unvested stock option awards immediately vest. Any one of the following events would constitute a change in control: 1) if any new person or entity becomes the beneficial owner of 25% or more of our outstanding stock; 2) if a majority of the Board is removed; 3) if substantially all of our assets are sold; or 4) if our stockholders are solicited, via a proxy statement, by someone other than current management (the Soliciting Party)

seeking approval for a plan of reorganization, merger or consolidation involving us and, as a result, our shares are acquired by the Soliciting Party, unless the transaction is affirmatively recommended to our shareholders by a majority of our Board.

Other Benefits and Compensation

The NEOs also participate in our other benefit plans on the same basis as other employees. The plans include subsidized health insurance benefits and an annual 401K matching contribution up to two percent of their annual salary.

Board Process

The Compensation Committee of the Board (the Committee) recommends, and the Board ratifies, all compensation and awards to the NEOs. The Committee reviews the performance and the compensation of the chief executive officer and president and, following discussions with those individuals, presents recommendations for their compensation levels to the Board for review and ratification. For the remaining NEOs, the chief executive officer makes recommendations to the Committee that generally are approved and then passed onto the full Board for ratification.

Compensation Committee Report

Notwithstanding any statement to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee Report on Executive Compensation shall not be incorporated by reference into any such filings or otherwise deemed filed.

Compensation Committee Report on Executive Compensation

The Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussion, the Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On July 26, 2006, the Company submitted a formal offer to Biggest Little Investments, L.P. (BLI), formulated and delivered by a committee comprised of the Company's independent directors (the Committee), to purchase the 18.95-acre shopping center (the Shopping Center) adjacent to the Atlantis Casino Resort Spa. On October 16, 2006, the Committee received a letter from counsel to BLI advising the Company that BLI, through its general partner, Maxum, L.L.C. (Maxum), had decided that such offer is not in the best interest of the Partnership's limited partners and, therefore, will not be entering into negotiations with Monarch. While there have been subsequent communications between BLI and the Company from time to time regarding our interest in the Shopping Center, nothing has resulted. The Board of Directors continues to consider expansion alternatives.

John Farahi and Bob Farahi each individually own non-controlling interests in BLI and Maxim. John Farahi is Co-Chairman of the Board, Chief Executive Officer, Chief Operating Officer and a Director of Monarch. Bob Farahi is Co-Chairman of the Board, President, Secretary and a Director of Monarch. Ben Farahi formerly was the Co-Chairman of the Board, Secretary, Treasurer, Chief Financial Officer and a Director of Monarch. Monarch's board of directors accepted Ben Farahi's resignation from these positions on May 23, 2006.

The Company currently rents various spaces in the Shopping Center which it uses as office, storage space and guest parking and paid rent of approximately \$194,800 plus common area expenses in the year ended December 31, 2008. The Company paid rent of approximately \$262,700 and \$95,520 plus common area expenses in the years ended December 31, 2007 and 2006, respectively.

In addition, a driveway that is being shared between the Atlantis and the Shopping Center was completed on September 30, 2004. As part of this project, in January 2004, the Company leased a 37,368 square-foot corner section of the Shopping Center for a minimum lease term of 15 years at an annual rent of \$300,000, subject to increase every 60 months based on the Consumer Price Index. The Company began paying rent to the Shopping Center on September 30, 2004. The Company also uses part of the common area of the Shopping Center and pays its proportional share of the common area expense of the Shopping Center. The Company has the option to renew the lease for 3 five-year terms, and at the end of the extension periods, the Company has the option to purchase the leased driveway section of the Shopping Center at a price to be determined based on an MAI Appraisal. The leased space is being used by the Company for pedestrian and vehicle access to the Atlantis, and the Company may use a portion of the parking spaces at the Shopping Center. The total cost of the project was \$2.0 million; the Company was responsible for two thirds of the total cost, or \$1.35 million. The Company paid approximately \$300,000 plus common area charges in each of the years ended December 31, 2008, 2007 and 2006 for its leased driveway space at the Shopping Center.

The Company leased sign space from the Shopping Center through July 2008. The Company paid \$7,460, \$12,420 and \$12,000 for the years ended December 31, 2008, 2007 and 2006, respectively.

The Company is currently leasing billboard advertising space from affiliates of its principal stockholders for a total cost of \$42,000, \$49,000 and \$42,000 for the years ended December 31, 2008, 2007 and 2006, respectively.

Until December 2006, the Company rented office and storage space from a company affiliated with Monarch's principal stockholders and paid rent of approximately \$26,000 in the year ended December 31, 2006 and did not incur any such expense in the years ended December 31, 2008 or 2007. Effective December 2006, Monarch's principal stockholders sold this building and, through April 15, 2007, the Company continued to

rent space from the new owner which is not a related party to Monarch.

On December 24, 2007, the Company entered into a lease with Triple J Plus, LLC (Triple J) for the use of a facility on 2.3 acres of land (jointly, the Property) across Virginia Street from the Atlantis that the Company plans to utilize for administrative staff offices. The managing partner of Triple J is a first-cousin of John and Bob Farahi, the Company's Chief Executive Officer and President, respectively. The term of the lease is two years requiring monthly rental payments of \$20,256. Commensurate with execution of the lease, the Company entered into an agreement that provides the Company with a purchase option on the Property at the expiration of the lease period while also providing Triple J with a put option to cause the Company to purchase the Property during the lease period. The purchase price of the Property has been established by a third party appraisal company. Lastly, as a condition of the lease and purchase option, the Company entered into a promissory note (the Note) with Triple J whereby the Company advanced a \$2.7

million loan to Triple J. The Note requires interest only payments at 5.25% and matures on the earlier of i) the date the Company acquires the Property or ii) January 1, 2010.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors, and stockholders holding more than 10% of the class of stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company, during 2008 a Form 4/A for Bob Farahi was filed late on December 22, 2008.

CODE OF ETHICS

The Company adopted a Business Ethics Policy and Code of Conduct, a copy of which may be reviewed on the Company's website, www.monarchcasino.com.

VOTING PROCEDURES

A majority of a quorum of stockholders present in person or represented by proxy voting FOR the election of the nominees to the Board is sufficient to approve the election of the nominees to the Board. A quorum of stockholders exists when a majority of the stock issued and outstanding and entitled to vote at a meeting is present, in person, or represented by proxy, at the meeting. Abstentions are effectively treated as votes AGAINST a matter presented. Neither the Company's Articles of Incorporation, Bylaws, or Nevada corporate statutes address the treatment and effect of abstentions and broker non-votes.

The Company will appoint three inspectors of election to determine: the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of a proxy; receive votes, ballots, or consents; hear and determine all challenges and questions in any way arising in connection with the right to vote; count and tabulate all votes or consents; determine when the polls shall close; determine the results; and do any other acts which may be proper to conduct the election or vote with fairness to all stockholders.

2010 ANNUAL MEETING OF STOCKHOLDERS

The next annual meeting of stockholders is expected to be held on or about May 27, 2010. Stockholders desiring to present proper proposals at that meeting and to have their proposals included in the Company's proxy statement and form of proxy for that meeting must meet the eligibility and other criteria under Rule 14a-8 of the Securities Exchange Act of 1934 and must submit the proposal to the Company. Such

proposal must be received no later than December 5, 2009. Unless a stockholder proposal for the Company's 2010 Annual Meeting of Stockholders is submitted to the Company prior to February 18, 2010, management may use its discretionary voting authority to vote management proxies on the stockholder proposal without any discussion of the matter in the proxy statement.

OTHER BUSINESS

The Board does not know of any other business which will be presented for action by the stockholders at this annual meeting. However, if any business other than that set forth in the Notice of Annual Meeting of Stockholders should be presented at the annual meeting, the proxy committee named in the enclosed proxy intends to take such action as will be in harmony with the policies of the Board and will use their discretion and vote all proxies in accordance with their judgment.

The Company's 2008 annual report on Form 10-K, including financial statements for the year ended December 31, 2008, along with these proxy materials, are being made available on the Internet, or when requested mailed, on or about April 10, 2008 to all stockholders of record of the Company as of April 3, 2009.
