LaSalle Secured Loan

On March 6, 2008, we, through G&E Healthcare REIT Fort Road Medical, LLC, obtained a secured loan, or the Fort Road loan, with LaSalle. The Fort Road loan is evidenced by a Promissory Note in the principal amount of \$5,800,000, or the Fort Road note. The Fort Road note is secured by a Mortgage, Security Agreement, Assignment of Leases and Rents and Fixture Filing, or the Fort Road mortgage, on the Fort Road property, and a Guaranty of Payment by which we guarantee payment of an amount up to \$2,900,000, plus interest at an interest rate equal to the default interest rate, described below, and all cost associated with enforcing the Guaranty of Payment. The Fort Road loan matures on March 6, 2011, but may be extended for two consecutive 12 month periods, each subject to satisfaction of certain conditions, including payment of an extension fee equal to 0.125% of the principal balance then outstanding. The loan provides for monthly principal and interest payments due on the first day of each calendar month, beginning on April 1, 2008. At our option, the loan bears interest at per annum rates equal to: (a) LIBOR plus 1.65%; or (b) a floating rate equal to the Prime Rate, as defined in the Fort Road note. If any monthly payment that is due is not received by LaSalle within five days after such payment is due, the loan provides for a late charge equal to 4.0% of such payment. In the event of a default, the loan also provides for a default interest rate of 4.0% per annum plus the floating rate. Subject to certain conditions, the loan may be prepaid in whole or in part, without paying a prepayment premium. The loan documents contain certain customary representations, warranties, covenants and indemnities.
