The Williams Companies, Inc. ("Williams") announced today that it expects to receive approximately \$71 million as a result of ExxonMobil's exercise of its contractual option to purchase an interest in a portion of the Piceance Basin reserves Williams acquired in May.

As Williams announced at the time of the acquisition, approximately two-thirds of the acquired acreage is located in an area of mutual interest in which Williams, as operator, participates with a third party – ExxonMobil. By agreement, ExxonMobil had the option to purchase up to a 49-percent interest in those assets that lie within the area of mutual interest.

A copy of the press release announcing ExxonMobil's exercise of its contractual option to purchase an interest in a portion of the Piceance Basin reserves is furnished herewith as Exhibit 99.1.
