Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 8, 2010, the Compensation Committee of the Board of Directors of Evans Bancorp, Inc. (the "Company") approved the adoption of the Evans Bank, N.A. Supplemental Executive Retirement Plan for Senior Executives (the "Senior Executive SERP"), which is effective as of January 1, 2010. Mr. David Nasca, President and Chief Executive Officer of the Company and Evans Bank, N.A. (the "Bank"), and Mr. Gary Kajtoch, Treasurer of the Company and Chief Financial Officer of the Bank, as well as other employees of the Bank who have been or may in the future be selected by the Board of Directors, are eligible to participate in the Senior Executive SERP.

A participant is generally entitled to receive a benefit under the Senior Executive SERP upon a termination of employment, other than for "cause", after the participant has completed 10 full calendar years of service with the Bank. No benefit is payable under the Senior Executive SERP if the participant's employment is terminated for "cause" or if the participant voluntarily terminates before completing 10 full calendar years of service with the Bank. In addition, the payment of benefits under the Senior Executive SERP is conditioned upon certain agreements of the participant related to confidentiality, cooperation, non-competition, and non-solicitation.

A participant will be entitled to a retirement benefit under the Senior Executive SERP if his or her employment with the Bank terminates other than for "cause" on or after the date the participant attains age 65. The "accrued benefit" is based on a percentage of the participant's final average earnings, which is determined based upon the participant's total annual compensation over the highest consecutive five calendar years of the participant's employment with the Bank, accrued over the participant's "required benefit service". The percentages and years of service requirements are set forth in each participant's Participation Agreement, and range from 25% to 35% and from 15 to 20 years. A reduced early retirement benefit may be payable if the participant terminates before attaining age 62 (other than by reason of death of "disability" or following a "change in control"). The benefit is calculated in the same manner as the standard retirement benefit, but is reduced by 6% for each full calendar year prior to age 62 that the benefit is paid (e.g., reduced by 12% if the participant retires at age 60).

Upon a participant's death while employed by the Bank, the participant's designated beneficiary will be entitled to a cash lump sum equal to the present value of the participant's "accrued benefit", without any reduction for early retirement. If a participant's employment with the Bank terminates by reason of "disability", the participant is entitled to a benefit to be calculated as if he or she had attained age 65 immediately before the disability and assuming his or her base salary had increased 3% each calendar year, then discounted to the lump sum present value as of the date of disability, and paid as a cash lump sum. If a participant's employment is terminated without "cause" or the participant terminates with "good reason" (as defined in Internal Revenue Code Section 409A) within 24 months following a "change in control", the participant is entitled to a benefit to be calculated as if he or she had attained age 65 immediately before termination and assuming his or her base salary had increased 3% each calendar year, then discounted to the lump sum present value and paid as a cash lump sum.

Except as otherwise specified in the Senior Executive SERP, participants may select payment in the form of (i) 15 equal annual installments or (ii) a lump sum which is the present value actuarial equivalent to 15 equal annual installment payments.
