## **NOTE 1 – BASIS OF PRESENTATION**

### **Preparation of Interim Financial Statements**

The accompanying consolidated financial statements were prepared by Clear Channel Outdoor Holdings, Inc. (the “Company”) pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”) and, in the opinion of management, include all normal and recurring adjustments necessary to present fairly the results of the interim periods shown. Certain information and footnote disclosures normally included in financial statements prepared in accordance with U.S. generally accepted accounting principles (“GAAP”) have been condensed or omitted pursuant to such SEC rules and regulations. Management believes that the disclosures made are adequate to make the information presented not misleading. Due to seasonality and other factors, the results for the interim periods are not necessarily indicative of results for the full year. The financial statements contained herein should be read in conjunction with the consolidated financial statements and notes thereto included in the Company’s 2011 Annual Report on Form 10-K and Quarterly Report on Form 10-Q for the period ended March 31, 2012.

The consolidated financial statements include the accounts of the Company and its subsidiaries and give effect to allocations of expenses from the Company’s indirect parent entity, Clear Channel Communications, Inc. (“Clear Channel Communications”). These allocations were made on a specifically identifiable basis or using relative percentages of headcount or other methods management considered to be a reasonable reflection of the utilization of services provided. Also included in the consolidated financial statements are entities for which the Company has a controlling financial interest or is the primary beneficiary. Investments in companies in which the Company owns 20 percent to 50 percent of the voting common stock or otherwise exercises significant influence over operating and financial policies of the Company are accounted for under the equity method. All significant intercompany transactions are eliminated in the consolidation process. Certain prior-period amounts have been reclassified to conform to the 2012 presentation.

During the first quarter of 2012, and in connection with the appointment of the Company’s new chief executive officer, the Company reevaluated its segment reporting and determined that its Latin American operations were more appropriately aligned with the operations of its International segment. As a result, the operations of Latin America are no longer reflected within the Company’s Americas segment and are currently included in the results of its International segment. Accordingly, the Company has restated the corresponding segment disclosures for prior periods.

### **Definite-lived Intangible Assets**

The Company has definite-lived intangible assets which consist primarily of transit and street furniture contracts and other contractual rights, all of which are amortized over the shorter of either the respective lives of the agreements or over the period of time the assets are expected to contribute directly or indirectly to the Company's future cash flows. The Company periodically reviews the appropriateness of the amortization periods related to its definite-lived intangible assets. These assets are recorded at cost.

The following table presents the gross carrying amount and accumulated amortization for each major class of definite-lived intangible assets at June 30, 2012 and December 31, 2011, respectively:

<i>(In thousands)</i>	June 30, 2012		December 31, 2011

### **Indefinite-lived Intangible Assets**

The Company's indefinite-lived intangibles consist primarily of billboard permits in its Americas segment. Due to significant differences in both business practices and regulations, billboards in the International segment are subject to long-term, finite contracts unlike the Company's permits in the United States and Canada. Accordingly, there are no indefinite-lived assets in the International segment.

### **Goodwill**

The following table presents the changes in the carrying amount of goodwill in each of the Company's reportable segments.

**Clear Channel Worldwide Holdings Senior Subordinated Notes Issuance**

During the first quarter of 2012, the Company's wholly-owned subsidiary, Clear Channel Worldwide Holdings, Inc. ("CCWH") issued \$275.0 million aggregate principal amount of 7.625% Series A Senior Subordinated Notes due 2020 (the "Series A Subordinated Notes") and \$1,925.0 million aggregate principal amount of 7.625% Series B Senior Subordinated Notes due 2020 (the "Series B Subordinated Notes" and collectively with the Series A Subordinated Notes, the "Subordinated Notes"). Interest on the Subordinated Notes is payable to the trustee weekly in arrears and to the noteholders on March 15 and September 15 of each year, beginning on September 15, 2012.

The Subordinated Notes are CCWH's senior subordinated obligations and are fully and unconditionally guaranteed, jointly and severally, on a senior subordinated basis by the Company, its wholly-owned subsidiary Clear Channel Outdoor, Inc. ("CCOI"), and certain of the Company's other domestic subsidiaries (collectively, the "Guarantors"). The Subordinated Notes are unsecured senior subordinated obligations that rank junior to all of CCWH's existing and future senior debt, including CCWH's outstanding senior notes, equally with any of CCWH's existing and future senior subordinated debt and ahead of all of CCWH's existing and future debt that expressly provides that it is subordinated to the Subordinated Notes. The guarantees of the Subordinated Notes rank junior to each Guarantor's existing and future senior debt, including CCWH's outstanding senior notes, equally with each Guarantor's existing and future senior subordinated debt and ahead of each Guarantor's existing and future debt that expressly provides that it is subordinated to the guarantees of the Subordinated Notes.

The Series A Subordinated Notes were issued pursuant to an indenture, dated as of March 15, 2012 (the “Series A Subordinated Note Indenture”), among CCWH, the Company, CCOI and the other guarantors named therein (collectively with the Company and CCOI, the “Series A Subordinated Note Guarantors”) and U.S. Bank National Association, as trustee (the “Trustee”), and the Series B Subordinated Notes were issued pursuant to an indenture, dated as of March 15, 2012 (the “Series B Subordinated Note Indenture” and together with the Series A Subordinated Note Indenture, the “Subordinated Indentures”), among CCWH, the Company, CCOI and the other guarantors named therein (collectively with the Company and CCOI, the “Series B Subordinated Note Guarantors”) and the Trustee.

At any time prior to March 15, 2015, CCWH may redeem the Subordinated Notes, in whole or in part, at a price equal to 100% of the principal amount of the Subordinated Notes plus a “make-whole” premium, together with accrued and unpaid interest, if any, to the redemption date. CCWH may redeem the Subordinated Notes, in whole or in part, on or after March 15, 2015, at the redemption prices set forth in the applicable Subordinated Indenture plus accrued and unpaid interest to the redemption date. At any time on or before March 15, 2015, CCWH may elect to redeem up to 40% of the then outstanding aggregate principal amount of the Subordinated Notes at a redemption price equal to 107.625% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings. Notwithstanding the foregoing, neither the Company nor any of its subsidiaries is permitted to make any purchase of, or otherwise effectively cancel or retire any Series B Subordinated Notes if, after giving effect thereto and, if applicable, any concurrent purchase of or other addition with respect to any Series A Subordinated Notes, the ratio of (a) the outstanding aggregate principal amount of the Series A Subordinated Notes to (b) the outstanding aggregate principal amount of the Series B Subordinated Notes shall be greater than 0.25, subject to certain exceptions.

**CLEAR CHANNEL OUTDOOR HOLDINGS, INC. AND SUBSIDIARIES**

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**

**(UNAUDITED)**

The Series A Subordinated Note Indenture contains covenants that limit the Company's ability and the ability of its restricted subsidiaries to, among other things: (i) incur additional debt or issue certain preferred stock; (ii) engage in certain transactions with affiliates; (iii) create restrictions on dividends or other payments by the restricted subsidiaries; and (iv) merge, consolidate or sell substantially all of the Company's or CCWH's assets. The Series A Subordinated Note Indenture does not include limitations on dividends, stock redemptions or other distributions or investments or on asset sales. The Series B Subordinated Note Indenture contains covenants that limit the Company's ability and the ability of its restricted subsidiaries to, among other things: (i) pay dividends, redeem stock or make other distributions or investments; (ii) incur additional debt or issue certain preferred stock; (iii) transfer or sell assets; (iv) engage in certain transactions with affiliates; (v) create restrictions on dividends or other payments by the restricted subsidiaries; and (vi) merge, consolidate or sell substantially all of the Company's or CCWH's assets. The Subordinated Indentures also provide for customary events of default.

The Company capitalized \$40.0 million in fees and expenses associated with the Subordinated Notes offering and is amortizing them through interest expense over the life of the Subordinated Notes.

With the proceeds of the Subordinated Notes (net of the initial purchasers' discount of \$33.0 million), CCWH loaned an aggregate amount equal to \$2,167.0 million to CCOI. CCOI paid all other fees and expenses of the offering using cash on hand and, with the proceeds of the loans, made a special cash dividend to the Company, which in turn made the special cash dividend (the "CCOH Dividend") on March 15, 2012 in an amount equal to \$6.0832 per share to its Class A and Class B stockholders of record at the close of business on March 12, 2012, including Clear Channel Holdings, Inc. ("Clear Channel Holdings") and CC Finco, LLC ("CC Finco"), both wholly-owned subsidiaries of Clear Channel Communications.

**Clear Channel Communications' Debt Repayments**

On March 15, 2012, using proceeds of the CCOH Dividend distributed to Clear Channel Holdings and CC Finco, together with cash on hand, Clear Channel Communications repaid indebtedness under its senior secured credit facilities in an aggregate amount equal to \$1,925.7 million. As a result of the prepayment, the revolving credit commitments under Clear Channel Communications' revolving credit facility were permanently reduced from \$1.9 billion to \$10.0 million and the sub-limit under which certain of the Company's international subsidiaries may borrow (to the extent that Clear Channel Communications' has not already borrowed against this capacity) was reduced from \$145.0 million to \$750 thousand. Clear Channel Communications has borrowed the entire sub-limit capacity as of June 30, 2012.

In connection with the Subordinated Notes issuance, Clear Channel Communications used cash on hand to prepay \$170.5 million of additional indebtedness under its senior secured credit facilities in order to remain in compliance with its debt covenants.

The effective tax rate is the provision for income taxes as a percent of income before income taxes. The effective tax rates for the three and six months ended June 30, 2012 were 92.5% and 13.9%, respectively, and were primarily impacted by tax losses in certain foreign jurisdictions due to the uncertainty of the ability to utilize those losses in future periods.

The effective tax rate for the three and six months ended June 30, 2011 was 39.5% and 0%, respectively. The 2011 effective tax rate was primarily impacted by the Company's settlement of U.S. federal and state tax examinations. Pursuant to the settlements, the

Company recorded a reduction to income tax expense of approximately \$3.7 million to reflect the net tax benefits of the settlements. In addition, the effective rate for the six months ended June 30, 2011 was impacted by the Company's ability to benefit from certain tax loss carry forwards in foreign jurisdictions due to increased taxable income during 2011, where the losses previously did not provide a benefit.

During the six months ended June 30, 2012 and 2011, cash paid for interest and income taxes, net of income tax refunds of \$0.6 million and \$0.7 million, respectively, was as follows:

**NOTE 6 – COMMITMENTS AND CONTINGENCIES**

The Company and its subsidiaries are currently involved in certain legal proceedings arising in the ordinary course of business and, as required, the Company has accrued its estimate of the probable costs for resolution of those claims for which the occurrence of loss is probable and the amount can be reasonably estimated. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in the Company's assumptions or the effectiveness of its strategies related to these proceedings.

Although the Company is involved in a variety of legal proceedings in the ordinary course of business, a large portion of the Company's litigation arises in the following contexts: commercial disputes; employment and benefits related claims; governmental fines; and tax disputes.

**Brazil Litigation**

On or about July 12, 2006 and April 12, 2007, two of the Company's operating businesses (L&C Outdoor Ltda. ("L&C") and Publicidad Klimes São Paulo Ltda. ("Klimes"), respectively) in the São Paulo, Brazil market received notices of infraction from the state taxing authority, seeking to impose a value added tax ("VAT") on such businesses, retroactively for the period from December 31, 2001 through January 31, 2006. The taxing authority contends that these businesses fall within the definition of "communication services" and as such are subject to the VAT. L&C and Klimes filed separate petitions to challenge the imposition of this tax.

On August 8, 2011, Brazil's National Council of Fiscal Policy (CONFAZ) published a convenio authorizing sixteen states, including the State of São Paulo, to issue an amnesty that would reduce the principal amount of VAT allegedly owed and reduce or waive related interest and penalties. The State of São Paulo ratified the amnesty in late August 2011. On May 10, 2012, the State of São Paulo published an amnesty decree that mirrors the convenio. Klimes and L&C accepted the amnesty on May 24, 2012 by making the aggregate required payment of \$10.9 million. On that same day, Klimes and L&C filed petitions to discontinue the tax litigation based on the amnesty payments.

**Guarantees**

Additionally, as of June 30, 2012, Clear Channel Communications had outstanding commercial standby letters of credit and surety bonds of \$17.4 million and \$42.7 million, respectively, held on behalf of the Company. These letters of credit and surety bonds relate to various operational matters, including insurance, bid and performance bonds, as well as other items. Letters of credit in the amount of \$5.0 million are collateral in support of surety bonds and these amounts would only be drawn under the letter of credit in the event the associated surety bonds were funded and the Company did not honor its reimbursement obligation to the issuers.

In addition, as of June 30, 2012, the Company had outstanding bank guarantees of \$51.7 million related to international subsidiaries, of which \$4.4 million were backed by cash collateral.

**NOTE 7 – RELATED PARTY TRANSACTIONS**

The Company records net amounts due to or from Clear Channel Communications as “Due from/to Clear Channel Communications” on the condensed consolidated balance sheets. The accounts represent the revolving promissory note issued by the Company to Clear Channel Communications and the revolving promissory note issued by Clear Channel Communications to the Company, in the face amount of \$1.0 billion, or if more or less than such amount, the aggregate unpaid principal amount of all advances. The accounts accrue interest pursuant to the terms of the promissory notes and are generally payable on demand or when they mature on December 15, 2017.

Included in the accounts are the net activities resulting from day-to-day cash management services provided by Clear Channel Communications. As a part of these services, the Company maintains collection bank accounts swept daily into accounts of Clear Channel Communications (after satisfying the funding requirements of the Trustee Accounts under the CCWH senior notes and the CCWH Subordinated Notes). In return, Clear Channel Communications funds the Company’s controlled disbursement accounts as checks or electronic payments are presented for payment. The Company’s claim in relation to cash transferred from its concentration account is on an unsecured basis and is limited to the balance of the “Due from Clear Channel Communications” account. At June 30, 2012 and December 31, 2011, the asset recorded in “Due from Clear Channel Communications” on the condensed consolidated balance sheets was \$712.3 million and \$656.0 million, respectively. At June 30, 2012, we had no borrowings under the revolving promissory note to Clear Channel Communications.

The net interest income for the three months ended June 30, 2012 and 2011 was \$16.1 million and \$10.5 million, respectively. The net interest income for the six months ended June 30, 2012 and 2011 was \$32.1 million and \$19.6 million, respectively. At June 30, 2012 and December 31, 2011, the interest rate on the “Due from Clear Channel Communications” account was 9.25%, which is equal to the fixed interest rate on the CCWH senior notes.

Clear Channel Communications has a multi-currency revolving credit facility with a maturity in July 2014 which includes a sub-limit that certain of the Company’s International subsidiaries may borrow against to the extent Clear Channel Communications has not already borrowed against this capacity and is compliant with its covenants under the revolving credit facility. In connection with the

Subordinated Notes issuance during the first quarter of 2012, Clear Channel Communications made mandatory prepayments under its senior secured credit facilities in an aggregate amount equal to \$1,925.7 million. As a result of the prepayment, the revolving credit commitments under Clear Channel Communications' revolving credit facility were permanently reduced from \$1.9 billion to \$10.0 million and the sub-limit under which certain of the Company's international subsidiaries may borrow (to the extent that Clear Channel Communications' has not already borrowed against this capacity) was reduced from \$145.0 million to \$750 thousand. As of June 30, 2012, the Company had no outstanding borrowings under the \$750 thousand sub-limit facility. Clear Channel Communications had borrowed the entire sub-limit capacity as of June 30, 2012.

The Company provides advertising space on its billboards for radio stations owned by Clear Channel Communications. For the three months ended June 30, 2012 and 2011, the Company recorded \$0.2 million and \$0.7 million, respectively, in revenue for these advertisements. For the six months ended June 30, 2012 and 2011, the Company recorded \$0.6 million and \$1.7 million, respectively, in revenue for these advertisements.

Under the Corporate Services Agreement between Clear Channel Communications and the Company, Clear Channel Communications provides management services to the Company, which include, among other things: (i) treasury, payroll and other financial related services; (ii) certain executive officer services; (iii) human resources and employee benefits services; (iv) legal and related services; (v) information systems, network and related services; (vi) investment services; (vii) procurement and sourcing support services; and (viii) other general corporate services. These services are charged to the Company based on actual direct costs incurred or allocated by Clear Channel Communications based on headcount, revenue or other factors on a pro rata basis. For the three months ended June 30, 2012 and 2011, the Company recorded \$8.5 million and \$6.8 million, respectively, as a component of corporate expenses for these services. For the six months ended June 30, 2012 and 2011, the Company recorded \$15.1 million and \$12.5 million, respectively, as a component of corporate expenses for these services.

Pursuant to the Tax Matters Agreement between Clear Channel Communications and the Company, the operations of the Company are included in a consolidated federal income tax return filed by Clear Channel Communications. The Company's provision for income taxes has been computed on the basis that the Company files separate consolidated federal income tax returns with its subsidiaries. Tax payments are made to Clear Channel Communications on the basis of the Company's separate taxable income. Tax benefits recognized on the Company's employee stock option exercises are retained by the Company.

The Company computes its deferred income tax provision using the liability method in accordance with the provisions of ASC 740-10, as if the Company was a separate taxpayer. Deferred tax assets and liabilities are determined based

on differences between financial reporting bases and tax bases of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if the Company believes it is more likely than not some portion or all of the asset will not be realized.

Pursuant to the Employee Matters Agreement, the Company's employees participate in Clear Channel Communications' employee benefit plans, including employee medical insurance and a 401(k) retirement benefit plan. These costs are recorded as a component of selling, general and administrative expenses and were approximately \$2.9 million and \$3.0 million for the three months ended June 30, 2012 and 2011, respectively. For the six months ended June 30, 2012 and 2011, the Company recorded approximately \$5.7 million and \$6.0 million, respectively, as a component of selling, general and administrative expenses for these services.

**NOTE 8 – EQUITY AND COMPREHENSIVE INCOME**

The Company reports its noncontrolling interests in consolidated subsidiaries as a component of equity separate from the Company's equity. During March 2012, the Company paid the CCOH Dividend, totaling \$2,170.4 million, using proceeds from the Subordinated Notes issuance in addition to cash on hand. The CCOH Dividend was determined to represent a return of capital, or liquidating dividend, to the Company's shareholders, which resulted in a reduction to "Additional paid-in capital."

Also, in connection with the CCOH Dividend, all outstanding stock options and restricted stock units as of both March 16, 2012 and March 26, 2012 were modified pursuant to antidilutive provisions contained in the Company's 2005 Stock Incentive Plan. The modification ensured that the intrinsic value of existing stock options and restricted stock units prior to the dividend payment did not decline due to the reduction the Company's stock price that resulted from the dividend. The CCOH Dividend was determined to be an equity restructuring in accordance with ASC 718. No incremental compensation cost was or will be recognized as a result of this modification.
