the Internal Revenue Code. Effectiveness of the Plan is contingent upon shareholder approval of the Plan's material terms, including performance criteria, at the Company's 2006 annual meeting of shareholders. The following summary of the amended and restated Plan does not purport to be complete and is qualified in its entirety by reference to the text of the amended and restated Plan, a copy of which is attached hereto as Exhibit 10.1 and is hereby incorporated by reference.

Eligible Participants - key employees, including executive officers, selected by the Committee.

Potential Awards - potential Awards will be established by the Committee at the beginning of each performance period. There are five calendar year performance periods: 2006, 2007, 2008, 2009 and 2010. Special Incentive Awards may be made, in the Committee's discretion, to selected key employees, including executive officers. The size of each Special Incentive Award and the selection of applicable shareholder-approved performance criteria are also at the Committee's discretion, subject to a maximum of \$3.5 million per Award.

Performance Goals - specific, targeted Company performance goals will be established by the Committee with respect to the Special Incentive Awards. The performance goals will be based on performance criteria approved by shareholders. To the extent permitted by Section 162(m) of the Internal Revenue Code, the Committee will have discretion to adjust performance goals in recognition of certain unusual or extraordinary events and changes in applicable laws, regulations or accounting principles.

Procedures - within ninety (90) days after the beginning of each performance period, the Committee may, in its sole discretion, establish Awards for key employees it selects in accordance with the Plan. After the end of the performance period, before any payments are made with respect to the applicable Awards, the Committee must determine and certify whether any applicable performance goals were attained. The Committee must also determine the actual amounts to be paid to a participant with respect to an Award; the Committee, in its sole discretion, may reduce the amount otherwise payable pursuant to an Award.
