On April 30, 2015, Healthcare Trust of America, Inc. (“HTA”) announced the appointment of Peter N. Foss to its Board of Directors. Mr. Foss has spent over 20 years as an executive of General Electric Company (“GE”). Mr. Foss currently leads GE’s NFL Brain Research Program and was previously President of GE’s Olympic Sponsorship and Corporate Accounts where he had a significant role leading GE’s sales to global companies, including major healthcare providers. With the appointment of Mr. Foss, HTA’s Board of Directors will increase to a total of eight members, seven of whom qualify as independent.

As of the date of this filing, Mr. Foss has been appointed to serve on the Board’s Audit Committee, Investment Committee and Compensation Committee. Mr. Foss will be entitled to receive the same compensation for service as an independent director as is provided to other independent directors under HTA’s 2006 Independent Director Compensation Plan, as amended (the “Policy”). Under the Policy, Mr. Foss will receive an annual base retainer of \$50,000, which will be pro-rated for fiscal year 2015, and will be eligible to receive meeting fees as provided in the Policy. Effective upon Mr. Foss’s appointment, he was granted a pro-rated award of 833 restricted shares of HTA. HTA also intends to enter into an indemnification agreement with Mr. Foss that is substantially similar to the form of indemnification agreement executed by other members of the Board of Directors.
