THE ENSIGN GROUP, INC.

Dear Shareholder:

We are supplementing our 2008 proxy statement with additional information regarding the compensation of our directors and officers. To this end, the Director Compensation section and 2007 Director Compensation table on pages 7 and 8 of our proxy statement are hereby updated and replaced with the following:

Director Compensation

From January 2007 to March 2007, Roy E. Christensen, our Chairman, received \$60,000 for continuing services following his resignation as our Chief Executive Officer in April 2006. In March 2007, Mr. Christensen finalized his transition from Chairman and CEO to Chairman exclusively, and his compensation accordingly changed. His prior annual compensation was reduced from \$360,000 per year to an annual retainer of \$100,000, and he retained certain benefits including the right to participate in the Company's health plan and life insurance program. He does not receive per-meeting fees or other compensation.

As disclosed in previous filings, since March 2007 the annual retainer for each of our non-employee directors has been \$30,000 per annum, plus fees of \$1,500 for each Board meeting and each committee meeting the director physically attends and \$500 for each Board meeting and each committee meeting the director attends telephonically. The chairperson of each of the compensation committee and the nomination and corporate governance committee also receives an additional \$5,000 retainer per year, and the chairperson of each of the audit committee and the quality assurance and compliance committee receives an additional \$12,500 retainer per year.

In addition, under the terms of our 2007 Omnibus Incentive Plan, each non-employee director who is elected to a three-year term receives an automatic option grant for 12,000 shares of common stock, with a three-year vesting schedule, on or about the date he or she is appointed, elected or re-elected. Directors elected to fill less than a three-year term receive a pro rata grant that vests over their term.

The following table sets forth a summary of the compensation earned by our directors, who are not included in the Summary Compensation Table, for 2007. Christopher R. Christensen does not receive any additional compensation for his service as a director. For a description of the compensation paid to Christopher R. Christensen, see our

Compensation Discussion and Analysis beginning on page 11 of our proxy statement, as supplemented and amended hereby.

Director Compensation - 2007

	Fees Earned or Paid in Cash (\$)	Options Awards \$(1)	All Other Compensation (\$)	Total (\$)

Charles M. Blalack	46,042			46,042

(1) None of these directors owned any stock options as of December 31, 2007.

(2) Consists of term life insurance and accidental

death and dismemberment insurance payments of \$66, and \$60,000 for transition related services following his resignation as our Chief Executive Officer in April 2006.

In addition, we have updated the Summary Compensation Table for officers on page 17 of our proxy statement to correct an inadvertent overstatement of the compensation earned by David M. Sedgwick in 2007. This correction requires us to include Cory R. Monette as a Named Executive Officer. The Summary Compensation Table is hereby updated and replaced with the following:

These amounts disregard the estimated forfeiture rate which is considered when recognizing the SFAS 123R expense in the consolidated financial statements.
