Pursuant to the Securities Purchase Agreement (the Agreement), dated November 19, 2008, by and between the Issuer, Purdue Pharma L.P., an Associated Company (as defined in the Agreement) of the Reporting Persons (Purdue), and Purdue Pharmaceutical Products L.P., an Associated Company of the Reporting Persons (PPPLP, and together with Purdue, the Purchasers), on January 7, 2009 the Issuer issued and sold and the Purchasers purchased an aggregate of 2,000,000 shares of Common Stock (the Second Closing Shares) and warrants to purchase up to an aggregate of 6,000,000 shares of Common Stock (the Warrants , together with the Second Closing Shares, the Second Closing Securities), at a purchase price of \$15.00 per unit, for an aggregate purchase price of \$30,000,000 (the Second Closing). Item 4. Purpose of Transaction.

The Reporting Persons acquired the Second Closing Securities, in the manner described in Item 3 above, to obtain a long-term, passive equity investment in the Issuer. The Reporting Persons hold the Second Closing Securities in the ordinary course of business and not with the purpose or effect of changing the control of the Issuer. At the present time, but subject to each Reporting Person's continuing evaluation of the factors noted below, each Reporting Person intends to retain the Second Closing Securities. Each Reporting Person intends to review its investments on a regular basis and as a result thereof may, at any time or from time to time, dispose of some or all of the Second Closing Shares. Any such disposition would be made in compliance with all applicable laws and regulations. The Reporting Persons do not intend to acquire any additional shares of Common Stock or other securities of the Issuer other than as described below and in the Schedule 13D.

As previously disclosed in the Schedule 13D, the Agreement provides that the Purchasers may purchase up to 2,400,000 shares of Common Stock from time to time after the Second Closing in the sole discretion of the Purchasers in open market purchases and/or privately negotiated transactions without triggering the shareholder rights threshold under the Issuer's Rights Agreement entered into with American Stock Transfer & Company, LLC, as rights agent, dated February 13, 2003, as amended by the First Amendment thereto, dated April 10, 2006, and further amended by the Second Amendment thereto, dated November 19, 2008 (the "Rights Agreement"). Now that the Second Closing has occurred, the Purchasers may now begin purchasing up to 2,400,000 shares of Common Stock from time to time in the sole discretion of the Purchasers in open market purchases and/or privately negotiated transactions. In the event the Purchasers make any open market purchases and/or privately negotiated transactions to purchase additional number of shares of Common Stock pursuant to this provision in the Agreement, the Purchasers may transfer such shares to the Reporting Persons, the ultimate parents of the Purchasers, via a series of distributions to each entity's limited partner until it reaches the Reporting Persons, the ultimate parents of the Purchasers.

Whether the Reporting Persons purchase or dispose of any Common Stock, and the amount and timing of any such transactions, will depend upon the Reporting Persons' continuing assessments of pertinent factors, including: the availability of shares of Common Stock for purchase at particular price levels; the Issuer's and the Reporting Persons' business and prospects; other business investment opportunities available to the Reporting Persons; economic conditions; the terms of the Agreement (and related agreements) and Rights Agreement; stock market conditions; money market conditions; the attitudes and actions of the Board of Directors and management of the Issuer; the availability and nature of opportunities to dispose of the Reporting Persons' interest in the Issuer; and other plans and requirements of the Reporting Persons. Depending upon the Reporting Persons' assessments of these factors from time to time, the Reporting Persons may change its present intentions as stated above, including determining to acquire or dispose of some or all of the shares of Common Stock held by it.
