PROXY STATEMENT**

This proxy statement contains information related to the annual meeting of stockholders of Natural Health Trends Corp. (the Company) to be held on June 25, 2009, beginning at 9:00 a.m., at the Company s executive offices, 2050 Diplomat Drive, Dallas, Texas 75234, and at any postponements or adjournments thereof. This proxy statement is first being made available to stockholders on or about May 15, 2009. A Notice of Internet Availability of Proxy Materials will be distributed to stockholders on or about May 15, 2009.

ABOUT THE MEETING

What is the purpose of the meeting?

At the annual meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders included with this proxy statement.

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on April 30, 2009, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting.

What are the voting rights of the holders of the Company s common stock?

Each outstanding share of the Company s common stock will be entitled to one vote on each matter considered at the meeting. Cumulative voting in the election of directors is prohibited by the Company s certificate of incorporation.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the stock outstanding on the record date will constitute a quorum, permitting the stockholders to act upon the matters outlined in the Notice of Annual Meeting of Stockholders. As of the record date, 10,728,714 shares of common stock, representing the same number of votes, were outstanding. Thus, the presence of the holders of common stock representing at least 5,364,358 shares of common stock will be required to establish a quorum.

Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

Why did I receive a Notice of Internet Availability regarding proxy materials this year instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, we have elected to provide access to our proxy materials over the Internet to our stockholders. Accordingly, a Notice of Internet Availability of Proxy Materials (Notice of Internet Availability) was or will be sent to many of our stockholders providing notice of the annual meeting and enabling stockholders to access our proxy materials on the Web site referred to in the Notice of Internet Availability or request to receive free of charge a printed set of the proxy materials, including the notice of meeting, this proxy statement, our 2008 annual report on Form 10-K and a proxy card. Instructions on how to access the proxy materials over the Internet or to request a printed copy are set out in the Notice of Internet Availability. Those stockholders that previously requested to receive our proxy materials in printed or electronic form will receive such proxy materials in lieu of the Notice of Internet Availability.

Table of Contents

How can I elect the manner in which I will receive proxy materials in the future?

All stockholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis by following the instructions in the Notice of Internet Availability or proxy materials. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet in order to help reduce printing and mailing costs and any environmental impact.

How do I vote?

- By Mail: If you request to receive proxy materials in printed form by mail, you may complete and properly sign the accompanying form of proxy and return it to the indicated address.
- In Person: If you are a registered stockholder and attend the meeting, you may vote in person at the meeting. If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you must obtain a valid legal proxy from your broker, bank or other agent to vote in person at the meeting. You can obtain directions to the annual meeting location by calling (972) 241-4080.
- Via Internet: Log on to <http://www.proxyvote.com> and follow the on-screen instructions.
- By Telephone: Call the toll-free number provided by following the on-screen instructions at <http://www.proxyvote.com> or as set forth in the proxy materials, and then follow the telephonic instructions.
- Note: Please also refer to the specific instructions set forth in the Notice of Internet Availability or, if you requested to receive our proxy materials in printed or electronic form, in the proxy materials.

Can I change my vote or revoke my proxy?

Yes. You can change your vote or revoke your proxy. If you are a registered stockholder, you may revoke your proxy in any one of four ways.

You may send a written notice that you are revoking your proxy to the Company's Secretary at Natural Health Trends Corp., 2050 Diplomat Drive, Dallas, Texas 75234, Attention: Corporate Secretary.

You may timely grant another proxy via the Internet or by telephone.

You may submit another properly completed proxy card with a later date.

You may attend the annual meeting and vote in person. Simply attending the annual meeting will not, by itself, revoke your proxy.

Your most current proxy, whether submitted by proxy card, via the Internet, or by telephone, is the one that is counted.

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

Table of Contents

What are the Board of Directors' recommendations?

Unless you give other instructions on your returned proxy, the persons named as proxy holders on the proxy will vote in accordance with the recommendations of the Board of Directors. The Board of Directors' recommendations are set forth together with the description of each item in this proxy statement. In summary, the Board of Directors recommends a vote:

for election of the nominated slate of Directors (see Item One); and

for ratification of the appointment of Lane Gorman Trubitt, L.L.P. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2008 (see Item Two).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the meeting is required for the election of Directors. A properly executed proxy marked "Withhold Authority" with respect to the election of all Directors will not be voted with respect to the Directors, although it will be counted for purposes of determining whether there is a quorum.

Ratification of Independent Registered Public Accounting Firm. For the ratification of the appointment of Lane Gorman Trubitt, L.L.P. as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009 (Item Two), the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item at the annual meeting will be required for approval. A properly executed proxy marked "Abstain" with respect to Item Two will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote for such Item.

Broker non-votes will count in determining if a quorum is present at the annual meeting. A broker non-vote occurs if a broker or other nominee attending the annual meeting in person or submitting a proxy does not have discretionary authority to vote on a particular item and has not received voting instructions with respect to that item.

What types of expenses will the Company incur?

The expense of preparing, printing and mailing proxy materials and the Notice of Internet Availability, as well as all expenses of soliciting proxies, will be borne by the Company. In addition to the use of the mails, proxies may be solicited by officers and directors and regular employees of the Company, without additional remuneration, by personal interviews, telephone, telegraph or facsimile transmission. The Company may elect to engage a proxy solicitation firm to solicit stockholders to vote or grant a proxy with respect to the proposals contained in this proxy statement. The Company will request brokers, banks, nominees, custodians, fiduciaries and other agents to forward proxy materials to the beneficial owners of shares of common stock held of record and will provide reimbursements for the cost of forwarding the material in accordance with customary charges.

Who is the Chairman of the Board of Directors?

Mr. Mason has served as Chairman of the Board of Directors since March 2006. The Chairman of the Board of Directors organizes the work of the Board of Directors and ensures that the Board of Directors has access to sufficient information to enable the Board of Directors to carry out its functions, including monitoring the Company's performance and the performance of management. In carrying out this role, the Chairman, among other things, presides over all meetings of the Board of Directors and stockholders, including executive sessions of the Board of Directors in which management directors and other members of management do not participate, establishes the annual agenda of the Board of Directors and agendas of each meeting in consultation with the President and oversees the distribution of information to directors.

Which directors are considered independent?

The Board of Directors has adopted the requirements in Nasdaq Marketplace Rule 4200(a)(15) as its standard in determining the independence of members of its Board of Directors. The Board of Directors has determined that each of the following individuals, who served as a director of the Company during all or a portion of 2008 or are otherwise nominated for election as a director, qualifies as an independent director under these standards:

Randall A. Mason
Stefan W. Zuckut
George K. Broady

Messrs. Mason, Zuckut and Broady are the only current members of the Board of Directors of the Company, and each of them serves as a member of the Company's Audit Committee and Compensation Committee. Mr. Zuckut is the Chairman of both of those committees and is currently the Chairman and only member of the Nominating Committee.

How often did the Board of Directors meet during fiscal 2008?

The Board of Directors met or acted by unanimous written consent a total of nine times during the fiscal year ended December 31, 2008, and each director attended at least seventy-five percent (75%) of these meetings and the meetings of the committees of the Board of Directors on which such director served.

Table of Contents

What is the role of the Board of Directors Audit, Compensation and Nominating Committees?

Audit Committee. Mr. Zuckut serves as Chairman of the Audit Committee, and Messrs. Mason and Broady also serve as members of the Audit Committee. The Board of Directors has determined that each of Messrs. Zuckut, Mason and Broady is independent and satisfies the other criteria set forth in the Nasdaq Marketplace Rules for service on the Audit Committee. Finally, the Board of Directors has determined that Mr. Zuckut meets the SEC criteria of an audit committee financial expert and that Mr. Mason meets the requirements of Nasdaq Marketplace Rule 4350 relating to financial oversight responsibility. In 2008, the Audit Committee met seven times.

The functions of the Audit Committee are set forth in the Audit Committee Charter as approved by the Board of Directors and as posted on our website at www.naturalhealthtrendscorp.com. In general, these responsibilities include meeting with the internal financial staff of the Company and the independent registered public accounting firm engaged by the Company to review (i) the scope and findings of the annual audit, (ii) quarterly financial statements, (iii) accounting policies and procedures and (iv) the internal controls employed by the Company.

The Audit Committee is also directly and solely responsible for the appointment, retention, compensation, oversight and termination of the Company's independent registered public accounting firm. In addition, the Audit Committee will also function as the Company's Qualified Legal Compliance Committee (the "QLCC"). The purpose of a QLCC is to receive, retain and investigate reports made directly, or otherwise made known, of evidence of material violations of any United States federal or state law, including any breach of fiduciary duty by the Company, its officers, directors, employees or agents, and if the QLCC believes appropriate, to recommend courses of action to the Company.

The Audit Committee's findings and recommendations are reported to management and the Board of Directors for appropriate action.

Compensation Committee. The Compensation Committee operates pursuant to a charter approved by the Board of Directors, a copy of which is posted on our website at www.naturalhealthtrendscorp.com. The members of our Compensation Committee are Randall A. Mason, Stefan Zuckut and George Broady, with Mr. Zuckut serving as Chairman of the Compensation Committee. Each of the members of the Compensation Committee qualifies as an independent director within the meaning of the Nasdaq Marketplace Rules. The Compensation Committee is charged with responsibility to oversee our compensation policies and programs, including developing compensation, providing oversight of the implementation of the policies, and specifically addressing the compensation of our executive officers and directors, including the negotiation of employment agreements with executive officers. The Compensation Committee is not authorized to delegate to another body or person any of its responsibilities, although it may seek compensation-related input from the Company's management, consultants and other third parties. The Compensation Committee acted by unanimous consent six times in 2008.

Nominating Committee. The Nominating Committee operates pursuant to a charter approved by our Board of Directors, a copy of which is posted on our website at www.naturalhealthtrendscorp.com. The sole member of the Nominating Committee is Mr. Zuckut, who is considered independent for purposes of the Nasdaq Marketplace Rules. The Nominating Committee considers and makes recommendations to the Board of Directors with respect to the size and composition of the Board of Directors and identifies potential candidates to serve as directors. The Nominating Committee identifies candidates to the Board of Directors by introduction from management, members of the Board of Directors, employees or other sources and stockholders that satisfy the Company's policy regarding stockholder recommended candidates. The Nominating Committee does not evaluate director candidates recommended by stockholders differently than director candidates recommended by other sources. The Nominating Committee acted by unanimous consent once during 2008.

Stockholders wishing to submit recommendations for the 2010 annual meeting should write to the General Counsel c/o Natural Health Trends Corp., 2050 Diplomat Drive, Dallas, Texas 75234. Any such stockholder must meet and evidence the minimum eligibility requirements specified in Exchange Act Rule 14a-8 and submit, within the same timeframe for submitting a stockholder proposal required by Rule 14a-8: (i) evidence in accordance with Rule 14a-8 of compliance with the stockholder eligibility requirements, (ii) the written consent of the candidate(s) for nomination as a director, (iii) a resume or other written statement of the qualifications of the candidate(s) for nomination as a director, and (iv) all information regarding the candidate(s) and the submitting stockholder that would be required to

be disclosed in a proxy statement filed with the SEC if the candidate(s) were nominated for election to the Board of Directors.

Table of Contents

In considering Board of Directors candidates, the Nominating Committee takes into consideration the Company's Board Candidate Guidelines (as set forth in the charter of the Nominating Committee), the Company's policy regarding stockholder recommended director candidates, as set forth above, and all other factors that they deem appropriate, including, but not limited to, the individual's character, education, experience, knowledge and skills.

To date, the Nominating Committee has not received a candidate recommendation from any stockholder (or group of stockholders) that beneficially owns more than five percent of the Company's common stock.

How are directors compensated?

Employee directors do not receive compensation for their services as directors. Information with respect to the compensation of the non-employee members of our Board of Directors is set forth below under the caption Director Compensation.

How do stockholders communicate with the Board of Directors?

Stockholders or other interested parties wishing to communicate with the Board of Directors, the independent directors as a group, or any individual director may do so in writing by sending an e-mail to the attention of Randall A. Mason, Chairman of the Board of Directors, at chairman@nhtglobal.com. Accounting controls and other financial matters will be referred to our Audit Committee chairperson. Other matters will be referred to the Board of Directors, the independent directors, or individual directors as appropriate, provided that advertisements, solicitations for periodical or other subscriptions, and similar communications generally are not forwarded. None of the three then serving members of the Board of Directors attended the Company's 2008 annual meeting of stockholders.

Does the Company have a Code of Ethics?

The Company has a Code of Business Conduct and a Code of Ethics for Senior Financial Officers (collectively, the Codes) that apply to our employees, officers (including our principal executive officer and principal financial officer) and directors. The Codes are intended to establish standards necessary to deter wrongdoing and to promote compliance with applicable governmental laws, rules and regulations and honest and ethical conduct. The Codes cover all areas of professional conduct, including conflicts of interest, fair dealing, financial reporting and disclosure, protection of Company assets and confidentiality. Employees have an obligation to promptly report any known or suspected violation of the Codes without fear of retaliation. Waiver of any provision of the Codes for executive officers and directors may only be granted by the Board of Directors or one of its committees and any such waiver or modification of the Codes relating to such individuals will be disclosed by the Company.

Certain Relationships and Related Transactions What related person transactions involved directors, executive officers or significant stockholders?

On and effective as of December 1, 2008, John Cavanaugh and the Company entered into a Going Forward Agreement (the Going Forward Agreement) in which they mutually agreed to terminate the Employment Agreement dated as of December 8, 2006, between the Company and Mr. Cavanaugh, who was until then the President of the Company's subsidiary MarketVision Communications Corp. (MV Corp.). As a result of the Going Forward Agreement, the Company is no longer obligated under the Employment Agreement to make any severance payments to Mr. Cavanaugh, but shares of restricted stock previously granted to Mr. Cavanaugh continue to vest during the six-month period referenced below (and may vest earlier under some circumstances).

Table of Contents

Pursuant to the Going Forward Agreement, the Company and MarketVision Consulting Group, LLC (MV Consulting), a company controlled by Mr. Cavanaugh, have also entered into a Transition Services Agreement (the Transition Services Agreement) under which MV Consulting will provide the Company with up to 30 hours per month of consulting services by each of Mr. Cavanaugh and another former MV Corp. employee, Jason Landry, for six months. As part of the Transition Services Agreement, MV Consulting has hired the other employees of MV Corp. and will provide limited access to them as consultants to the Company and its software development and support team for six months. In return, the Company agreed to pay MV Consulting \$65,000 per month for the first three months and \$50,000 per month for the last three months, plus \$150 per hour for services in excess of the allotted hours per month. In addition, the Company agreed to pay MV Consulting a one-time \$15,000 incentive bonus, which was paid in January 2009.

In 2004, as part of a merger between the Company and MV Corp., the Company granted to MV Consulting an irrevocable, exclusive, perpetual, royalty-free, fully-paid, worldwide, transferable, sublicensable right and license to use, copy, modify, distribute, rent, lease, enhance, transfer, market, and create derivative works of the software and documentation owned by MV Corp. that was dormant unless and until an Event of Default occurred. The Going Forward Agreement acknowledges that an Event of Default occurred on January 1, 2007, under the Software License Agreement. The Company does not believe that the Event of Default, by itself, has had or will have a material adverse effect on the Company. The Company continues to own its version of the software and documentation and has the right to use its version of the software and documentation for its internal use only and not as an application service provider or service bureau, but may not rent, lease, license, transfer or distribute the software and documentation without MV Consulting's prior written consent.

Under the Going Forward Agreement and Transition Service Agreement, the Company also agreed to (a) pay to MV Consulting the amounts paid by bHIP Global, Inc. to MV Corp. for services in the months of September, October, and November 2008 under a previously disclosed Service Bureau Hosting Agreement, which payments totaled \$57,000, (b) transfer certain domain names and property rights in the name MarketVision to MV Consulting, (c) pay \$15,000 in certain legal fees incurred by Mr. Cavanaugh and MV Consulting Corp., (d) sublease certain facilities in Eden Prairie, Minnesota to MV Consulting at no cost until expiration of the lease on March 31, 2009 (lease payments are \$3,300 per month), (e) transfer certain equipment used in the Eden Prairie office to MV Consulting, and (f) reimburse certain expenses if incurred under the Transition Services Agreement. The Going Forward Agreement also contains certain mutual releases by and among the Company and MV Corp., Mr. Cavanaugh and Mr. Landry. Details for each named executive officer are set forth below.

Chris T. Sharng. Our current employment agreement with Mr. Sharng that was entered into on April 23, 2007 provides that if Mr. Sharng's employment with us is terminated voluntarily by him for "good reason" that has not been cured by us within 30 days of such notice, or is terminated by us without cause, other than in connection with a change of control, then Mr. Sharng will be entitled to the continuation of the payment of his salary, plus health and medical insurance coverage, for a period of up to one year following the termination date, or until the earlier date upon which he becomes engaged in any "competitive activity" or breaches the terms of his Non-Competition Agreement with us.

If Mr. Sharng's employment with us is terminated by us without cause during the period commencing on the date that is 30 days prior to a change of control through and including a date that is 18 months following the change of control, he is entitled to the continuation of the payment of his salary, plus health and medical insurance coverage for a period of up to two years, plus health and medical insurance coverage for the same two year period following the termination

Table of Contents

In order to be entitled to receive the severance amount in either of the above scenarios, Mr. Sharng must execute a full general release of all claims against us and our affiliates.

A change of control is defined as: (i) When any person as defined in Section 3(a)(9) of the Securities and Exchange Act of 1934, as amended, and as used in Section 13(d) and 14(d) thereof including a group as defined in Section 13(d) of the Exchange Act, but excluding the Company or any subsidiary or any affiliate of the Company or any employee benefit plan sponsored or maintained by the Company or any subsidiary of the Company (including any trustee of such plan acting as trustee), becomes the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities; or (ii) when, during any period of 24 consecutive months, the individuals who, at the beginning of such period constituted the Board of Directors (the Incumbent Directors) cease for any reason other than death to constitute at least a majority thereof, provided, however, that a director who was not a director at the beginning of such 24-month period shall be deemed to have satisfied such 24-month requirement (and be an Incumbent Director) if such director was elected by, or on the recommendation of or with the approval of, at least two-thirds of the directors who then qualified as Incumbent Directors either actually (because they were directors at the beginning of such 24 month period) or through the operation of this provision; or (iii) the occurrence of a transaction requiring stockholder approval under applicable state law for the acquisition of the Company by an entity other than the Company or a subsidiary or an affiliated company of the Company through purchase of assets, or by merger, or otherwise; provided however, that none of the foregoing shall constitute a change of control if such transaction, event or occurrence is approved by, or consented to, by Mr. Sharng.

Mr. Sharng will be subject to a covenant not to compete for one year, and a non-solicitation covenant for two years, following his termination and thereafter as long as his severance payments continue (other than severance in connection with a change of control).

Timothy S. Davidson. Our employment agreement with Mr. Davidson that was entered into on April 23, 2007, contains the same severance, change of control, non-competition and non-solicitation provisions as those set out in our agreement with Mr. Sharng dated April 23, 2007.

Mr. Cavanaugh's employment agreement provided for the payment to him of similar benefits in the event of the termination of his employment in connection with a change of control transaction. ADDITIONAL INFORMATION

Stockholder Proposals for the 2010 Annual Meeting and Other Stockholder Communications

If any stockholder wishes to present a proposal for inclusion in the 2010 proxy materials to be solicited by the Company's Board of Directors with respect to the 2010 annual meeting of stockholders, that proposal must be presented to the Company's General Counsel prior to December 31, 2009. Stockholder communications to the Board of Directors, including any such communications relating to director nominees, may also be addressed to the Company's General Counsel at the Company's address. The Board of Directors believes that no more detailed process for these communications is appropriate, due to the variety in form, content and timing of these communications. The Company's General Counsel will forward the substance of meaningful stockholder communications, including those relating to director candidates, to the Board of Directors or the appropriate committee upon receipt.

If a stockholder is permitted to present a proposal at the 2010 annual meeting of stockholders but the proposal was not included in the 2010 proxy materials, the Company believes that its proxy holders would have the discretionary authority granted by the proxy card (as permitted under SEC rules) to vote on the proposal if the proposal was received after the date that is 45 calendar days prior to the anniversary of the availability of this proxy statement.

Annual Report

A copy of our annual report on Form 10-K for the year ended December 31, 2008 (including our consolidated financial statements as of and for the year ended December 31, 2008) is available on the Internet, as described in the Notice of Internet Availability or on your proxy card. Upon the written or oral request by any stockholder, the Company undertakes to deliver, without charge to the requesting stockholder, a copy of our annual report on Form 10-K (as well as a copy, without charge, of any requested exhibits to such annual report). Requests should be directed to the Company's General Counsel at 2050 Diplomat Drive, Dallas, Texas 75234.

HOUSEHOLDING INFORMATION

Unless the Company has received contrary instructions, the Company may send a single copy of its proxy materials (including the notice of meeting, proxy statement, annual report on Form 10-K and proxy card) or Notice of Internet Availability to any household at which two or more stockholders reside if the Company believes the stockholders are members of the same family. This process, known as householding, reduces the volume of duplicate information received at any one household and helps to reduce the Company's expenses. However, if stockholders prefer to receive multiple sets of proxy materials and/or Notices of Internet Availability at the same address this year or in future years, the stockholders should follow the instructions described below. Similarly, if an address is shared with another stockholder and together both of the stockholders would like to receive only a single set of the Company's proxy materials or Notice of Internet Availability, the stockholders should follow these instructions:

If the shares are registered in the name of the stockholder, the stockholder should contact the Company at its offices at 2050 Diplomat Drive, Dallas, Texas 75234, Attention: General Counsel, or by telephone at 972-241-4080, to inform the Company of its request. If a broker, bank or other agent holds the shares, the stockholder should contact the broker, bank or other agent directly.
