Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On April 4, 2018, the Board of Directors (the "Board") of Douglas Emmett, Inc. (the "Company") amended the Company's bylaws to permit stockholders, as well as the Board, to amend the Company's bylaws (other than the procedures for the indemnification of directors and officers of the Company or for amendment of the bylaws). Accordingly, effective immediately, stockholders holding a majority of the outstanding shares can approve any such bylaw amendment submitted by the Board or by a group of up to twenty stockholders who have owned at least three percent of the outstanding shares for at least three years.

In adopting the ownership requirement, the Board sought to limit wasted resources and stockholder attention on proposals that advance ancillary goals with little chance of success. The Board was not responding to any specific proposal, but developed this change to the bylaws in consultation with its stockholders. The Board adopted the 3%/3 year proxy access standard to avoid proposals that cannot demonstrate even minimal support from longer term stockholders. The Board noted that (according to recent filings) 94% of the Company's outstanding stock is held by stockholders owning at least 0.15% of the outstanding stock, including 8 stockholders (representing more than 58% of outstanding stock) who each held more than 3% individually.

This summary is subject in its entirety to the full text of the Company's Bylaw Amendment which is being filed with this Current Report on Form 8-K as Exhibit 3.1 and is incorporated herein by reference.
