#### Item 4. Description of Securities.

Not applicable.

#### Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's certificate of incorporation limits the liability of directors to the maximum extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of their fiduciary duties as directors, except for liability:

- for any breach of their duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; under Section 174 of the Delaware General Corporation Law relating to unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- for any transaction from which the director derived an improper personal benefit.

The limitation of liability does not apply to liabilities arising under the federal or state securities laws and does not affect the availability of equitable remedies, such as injunctive relief or rescission.

The Registrant's certificate of incorporation provides that each person who was or is a director shall be indemnified to the fullest extent permitted by Delaware law and further provides that the Registrant may, to the extent deemed appropriate by the Registrant's board of directors and as authorized under Delaware law, indemnify any officers, employees and agents of the Registrant. The Registrant's bylaws provide that each person who is, or was, an officer or employee of the Registrant, and each person who is, or was, serving at the Registrant's request as a director, officer or employee of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise, will be indemnified (including advancement of expenses, except in a matter in which the Registrant or a subsidiary of the Registrant brings an action against an employee, and then only to the extent such employee is or was an officer of the Registrant or is or was serving at the Registrant's request as a director or officer of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise) by the Registrant, if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interest of the Registrant, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. The Registrant's certificate of incorporation provides that this right to indemnification will not be exclusive of any other right which any person may otherwise have or acquire. The Registrant's certificate of incorporation also permits the Registrant to purchase and maintain insurance on behalf of any director, officer, employee or agent of the Registrant and each person who is, or was, serving at the Registrant's request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise for any liability asserted against and incurred by such person in any such capacity, whether or not the Registrant would have the power to indemnify such person against such liability under Delaware law.

The Registrant has obtained directors' and officers' liability insurance providing coverage to its directors and officers. In addition, the Registrant has entered into indemnification agreements with each of the Registrant's outside directors that requires the Registrant to indemnify and hold harmless each outside director to the fullest extent permitted or authorized by the Delaware General Corporation Law in effect on the date of the agreement or as such laws may be amended or replaced to increase the extent to which a corporation may indemnify its directors.

The separation and distribution agreement between the Registrant and First Data Corporation ("First Data") provides for indemnification by First Data of the Registrant's directors and officers and employees for certain liabilities, including liabilities under the Securities Act and the Exchange Act related to filings in connection with the spin-off of the Registrant from First Data.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits accompanying this Registration Statement are listed on the accompanying Exhibit Index.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(ii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(iii) provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment (2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
