Item 7.01 Regulation FD Disclosure

Brendan Barry, Chief Underwriting Officer of Greenlight Capital Re, Ltd. (the “Company”), was quoted in articles published in connection with the Monte Carlo Rendez-Vous conference on September 10, 2018 and September 11, 2018. The Company is furnishing this Current Report on Form 8-K to provide an update and correct certain information contained in such articles.

Pursuant to Regulation FD, the Company notes that, as of September 10, 2018, management expects to achieve an underwriting profit for the fiscal quarter ending September 30, 2018. Management’s expectation relating to such underwriting results does not take into account the Company’s investment results or any impact from weather related events or reserving actions subsequent to September 10, 2018. Further, the Company notes that, while no assurances can be made, management believes that, in light of recent and expected positive underwriting results, prior loss development issues resulting from the Company’s 2009-2011 underwriting portfolio will not materially adversely impact future underwriting results. Finally, the Company notes that Mr. Barry’s comments relating to the Company’s tax position are qualified in their entirety to the Risk Factors set forth in the Company’s Annual Report on Form 10-K for the period ended December 31, 2017.

The information in this Item 7.01 shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act except as shall be expressly set forth by specific reference to such filing.
