Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On May 6, 2010, our Board of Trustees, upon recommendation of the Nominating/Corporate Governance Committee, adopted amendments to the Company's Amended and Restated Bylaws that provide for a majority voting standard for uncontested trustee elections.

Our Board adopted amendments to Article III Section 9 of the Bylaws to change the vote standard for the election of trustees in an uncontested election from a plurality to a majority of the votes cast. Under the adopted majority voting standard, a majority of the votes cast means that the number of shares voted "for" a trustee nominee must exceed the number of votes cast "against" that trustee nominee. In contested elections where the number of nominees exceeds the number of trustees to be elected, the vote standard will continue to be a plurality of votes cast.

In addition, our Board adopted related amendments to our Corporate Governance Guidelines to provide that if an incumbent trustee is nominated in an uncontested election and does not receive a majority vote as provided in the Bylaws, the trustee shall promptly tender his or her resignation to the Board for consideration. In such instance, the Nominating/Corporate Governance Committee will make a recommendation to the Board on whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Committee's recommendation and publicly disclose its decision within 90 days from the date of certification of the election results. The trustee whose resignation is being considered will not participate in the recommendation of the Committee or the Board's decision.

The foregoing summary of the amendments to the Bylaws is qualified in its entirety by the Company's Bylaws, as amended, filed as Exhibit 3.1 to this Form 8-K and incorporated into this Item 5.03 by reference.
