As of December 31, 2015, none of the independent trustees, as such term is defined by the New York Stock Exchange (“NYSE”) Listing Standards (each an “Independent Trustee” and collectively the “Independent Trustees”), nor members of their immediate families owned securities, beneficially or of record, in the Adviser or Principal Real Estate Investors, LLC (the “Sub-Adviser”), or an affiliate or person directly or indirectly controlling, controlled by, or under common control with the Adviser or Sub-Adviser. Furthermore, over the past five years, neither the Independent Trustees nor members of their immediate families have any direct or indirect interest, the value of which exceeds \$120,000, in the Adviser or Sub-Adviser or any of their respective affiliates. In addition, for the fiscal year ended October 31, 2015, neither the Independent Trustees nor members of their immediate families have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which the Adviser or Sub-Adviser or any of their respective affiliates was a party.

Ernest J. Scalberg	\$25,000	\$25,000	1
Total	\$75,000	\$168,500	

*Represents the total compensation paid to such persons by the Fund during the fiscal year ended October 31, 2015.

Represents the total compensation paid to such Trustee by the Trustee’s Fund Complex during the fiscal year ended October 31, 2015. The Fund Complex for Mr. Rutledge consists of the Fund and 14 funds within the Financial Investors Trust. The Fund Complex for Mr. Pederson consists of the Fund and all funds within the ALPS ETF Trust. The Fund Complex for Mr. Scalberg consists of the Fund.

The Independent Trustees of the Fund receive an annual retainer of \$17,000 and an additional \$2,000 for attending each meeting of the Board of Trustees. The Independent Trustees are also reimbursed for all reasonable out-of-pocket expenses relating to attendance at meetings of the Board of Trustees.

During the fiscal year ended October 31, 2015, the Board met four times. Each Trustee then serving in such capacity attended at least 75% of the meetings of Trustees and of any Committee of which he is a member.

Leadership Structure of the Board of Trustees

The Board of Trustees, which has overall responsibility for the oversight of the Fund's investment programs and business affairs, believes that it has structured itself in a manner that allows it to effectively perform its oversight

obligations. Mr. Carter, the Chairman of the Board (“Chairman”), is not an Independent Trustee and the Trustees have not appointed a lead Independent Trustee. The Board believes that the use of an Interested Trustee as Chairman is the appropriate leadership structure for the Fund given (i) Mr. Carter’s role in the day to day operations of ALPS, (ii) the extent to which the work of the Board of Trustees is conducted through the Audit Committee and Nominating and Corporate Governance Committee (each of whose meetings is chaired by an Independent Trustee), (iii) the frequency that Independent Trustees meet with their independent legal counsel and auditors in the absence of members of the Fund’s Board of Trustees who are Interested Trustees of the Fund and management, and (iv) the overall sophistication of the Independent Trustees, both individually and collectively. The Trustees also complete an annual self-assessment during which the Trustees review their overall structure and consider where and how its structure remains appropriate in light of the Fund's current circumstances. The Chairman's role is to preside at all meetings of the Board of Trustees and in between meetings of the Board of Trustees to generally act as the liaison between the Board of Trustees and the Fund's officers, attorneys and various other service providers, including but not limited to ALPS and other such third parties servicing the Fund. The Board of Trustees believes that having an interested person serve as Chairman of the Board of Trustees enables Mr. Carter to more effectively carry out these liaison activities. The Board of Trustees also believes that it benefits during its meetings from having a person intimately familiar with the operation of the Fund to set the agenda for meetings of the Board of Trustees to ensure that important matters are brought to the attention of and considered by the Board of Trustees.

The Fund has three standing committees, each of which enhances the leadership structure of the Board: the Audit Committee; the Nominating and Corporate Governance Committee; and the Qualified Legal Compliance Committee. The Audit Committee, Nominating and Corporate Governance Committee, and the Qualified Legal Compliance Committee are each chaired by, and composed of, members who are Independent Trustees.

Oversight of Risk Management

The Fund is confronted with a multitude of risks, such as investment risk, counter party risk, valuation risk, political risk, risk of operational failures, business continuity risk, regulatory risk, legal risk and other risks not listed here. The Board of Trustees recognizes that not all risk that may affect the Fund can be known, eliminated or even mitigated. In addition, there are some risks that may not be cost effective or an efficient use of the Fund's limited resources to moderate. As a result of these realities, the Board of Trustees, through its oversight and leadership, has and will continue to deem it necessary for shareholders of the Fund to bear certain and undeniable risks, such as investment risk, in order for the Fund to operate in accordance with its prospectus, statement of additional information and other related documents.

However, as required under the 1940 Act, the Board of Trustees has adopted on the Fund's behalf a vigorous risk program that mandates the Fund's various service providers, including ALPS, to adopt a variety of processes, procedures and controls to identify various risks, mitigate the likelihood of such adverse events from occurring and/or attempt to limit the effects of such adverse events on the Fund. The Board of Trustees fulfills its leadership role by receiving a variety of quarterly written reports prepared by the Fund's Chief Compliance Officer ("CCO") that (1) evaluate the operation, policies and policies of the Fund's service providers, (2) make known any material changes to the policies and procedures adopted by the Fund or its service providers since the CCO's last report and (3) disclose any material compliance matters that occurred since the date of the last CCO report. In addition, the Independent Trustees meet quarterly in executive sessions without the presence of any Interested Trustees, ALPS, the Sub-Adviser or any of their affiliates. This configuration permits the Independent Trustees to effectively receive the information and have private discussions necessary to perform their risk oversight role, exercise independent judgment, and allocate areas of responsibility between the full Board of Trustees, its various committees and certain officers of the Fund. Furthermore the Independent Trustees have engaged independent legal counsel and auditors to assist the Independent Trustees in performing their oversight responsibilities. As discussed above and in consideration of other factors not referenced herein, the Board of Trustees has determined its leadership role concerning risk management as one of oversight and not active management of the Fund's day-to-day risk management operations.

Audit Committee Report

The Audit Committee of the Board of Trustees ("Audit Committee") is comprised of Messrs. Pederson, Rutledge and Scalberg (Chairman and Financial Expert). The role of the Fund's Audit Committee is to assist the Board of Trustees in its oversight of (i) the quality and integrity of Fund's financial statements, reporting process and the independent registered public accounting firm (the "independent accountants") and reviews thereof, (ii) the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, (iii) the Fund's compliance with legal and regulatory requirements and (iv) the independent accountants' qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Audit Committee Charter") that was most recently reviewed, amended and approved by the Audit Committee on September 22, 2015, at which time the Audit Committee recommended changes to the Board of Trustees and the Board of Trustees approved the recommended changes. The Audit Committee Charter is available at the Fund's website, www.principalcef.com. As set forth in the Audit Committee Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board of Trustees and to the Audit Committee, as representatives of shareholders. The independent accountants for the Fund report directly to the Audit

Committee.

In performing its oversight function, at a meeting held on December 16, 2015, the Audit Committee reviewed and discussed with management of the Fund and the independent accountant, Cohen Fund Audit Services, Ltd. (“Cohen”), the audited financial statements of the Fund as of and for the fiscal year ended October 31, 2015, and discussed the audit of such financial statements with the independent accountant.

10

In addition, the Audit Committee discussed with the independent accountant the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent accountant required by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee also received from the independent accountant the written disclosures and letters required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence, and discussed the relationship between the independent accountant and the Fund and the impact that any such relationships might have on the objectivity and independence of the independent accountant.

As set forth above, and as more fully set forth in the Audit Committee Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund’s financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent verification of the facts presented to it or representation made by management or the Fund’s independent accountant. Accordingly, the Audit Committee’s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee’s considerations and discussions referred to above do not provide assurance that the audit of the Fund’s financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Fund’s independent accountant, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee recommended to the Board of Trustees that the Fund’s audited financial statements be included in the Fund’s Annual Report for the fiscal year ended October 31, 2015.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Trustees (“Nominating and Corporate Governance Committee”) is comprised of Messrs. Pederson, Rutledge (Chairman) and Scalberg. The Nominating and Corporate Governance Committee operates pursuant to the Nominating and Corporate Governance Committee

Charter. The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board of Trustees individuals believed to be qualified to become Board members in the event that a position is vacated or created. The Nominating and Corporate Governance Committee will consider Trustee candidates recommended by shareholders. In considering candidates submitted by shareholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Trustees, the qualifications of the candidate and the interests of shareholders. The Nominating and Corporate Governance Committee has not adopted a formal diversity policy, but it may consider diversity of professional experience, education and skills when evaluating potential nominees for Board membership. Shareholders wishing to recommend candidates to the Nominating and Corporate Governance Committee should submit such recommendations to the Secretary of the Fund, who will forward the recommendations to the committee for consideration. The submission must include: (i) a brief description of the business desired to be brought before the annual or special meeting and the reasons for conducting such business at the annual or special meeting, (ii) the name and address, as they appear on the Fund's books, of the shareholder proposing such business or nomination, (iii) a representation that the shareholder is a holder of record of stock of the Fund entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to present such nomination; (iv) whether the shareholder plans to deliver or solicit proxies from other shareholders; (v) the class and number of shares of the capital stock of the Fund, which are beneficially owned by the shareholder and the proposed nominee to the Board of Trustees, (vi) any material interest of the shareholder or nominee in such business; (vii) to the extent to which such shareholder (including such shareholder's principals) or the proposed nominee to the Board of Trustees has entered into any hedging transaction or other arrangement with the effect or intent of mitigating or otherwise managing profit, loss, or risk of changes in the value of the Common Shares or the daily quoted market price of the Fund held by such shareholder (including shareholder's principals) or the proposed nominee, including independently verifiable information in support of the foregoing; and (viii) such other information regarding such nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended. Each eligible shareholder or shareholder group may submit no more than one independent trustee nominee each calendar year. The Nominating and Corporate Governance Committee has not determined any minimum qualifications necessary to serve as a Trustee of the Fund. The Nominating and Corporate Governance Committee met three times during the fiscal year ended October 31, 2015.

Qualified Legal Compliance Committee

The Qualified Legal Compliance Committee of the Board of Trustees (“QLCC”) is comprised of Messrs. Pederson (Chairman), Rutledge and Scalberg. The QLCC operates pursuant to the Qualified Legal Compliance Committee Charter. Each member of the QLCC must be a member of the Fund’s Board of Trustees who is not employed, directly or indirectly, by the Fund and who is not an “interested person” of the Fund as defined in section 2(a)(19) of the 1940 Act. The QLCC shall consist, at a minimum, of at least three members, including at least one member of the Fund’s Audit Committee.

Among other responsibilities, the QLCC is responsible for (i) receiving reports of certain material breaches or violations of certain U.S. laws or regulations or fiduciary duties, (ii) reporting evidence of such breaches or violations to the Fund’s Principal Executive Officer (“PEO”), (iii) determining whether an investigation of such breaches or violations is required, (iv) if the QLCC determines an investigation is required, initiating such investigation, (v) at the conclusion of such investigation, recommending that the Fund implement an appropriate response to evidence of a breach or violation, (vi) informing the PEO and the Board of Trustees of results of the investigation.

The QLCC shall meet as often as it deems necessary to perform its duties and responsibilities. The QLCC did not meet during the fiscal year ended October 31, 2015.

The Fund does not require Trustees to attend the Annual Meeting of Shareholders.

REQUIRED VOTE

The election of the listed nominee for Trustee of the Fund requires the affirmative vote of the holders of a plurality of the votes cast by the holders of Common Shares represented at the Fund’s Meeting, if a quorum is present.

Broker Non-Votes and Abstentions

The affirmative vote of a plurality of votes cast for the nominee by the holders entitled to vote for the particular nominee is necessary for the election of the nominee.

Votes will be counted as either “FOR” or “AGAINST.” For the purpose of electing nominees, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the election. Abstentions or broker non-votes, however, will be considered to be present at the Meeting for purposes of determining the existence of the Fund’s quorum.

Shareholders of the Fund will be informed of the voting results of its Meeting in the Fund’s Semi-Annual Report dated April 30, 2016.

THE FUND'S BOARD, INCLUDING THE INDEPENDENT TRUSTEES, UNANIMOUSLY RECOMMENDS THAT THE COMMON SHAREHOLDERS VOTE "FOR" THE ELECTION OF THE FUND'S NOMINEE.

Further, the Audit Committee Charter mandates that the Audit Committee pre-approve all permitted non-audit services to be provided by Cohen to the Fund's investment adviser and to entities controlling, controlled by, or under common control with the adviser and that provide ongoing services to the Fund, if the services relate directly to the operations and financial reporting of the Fund. Except, however, de minimis non-audit services may, to the extent permitted by applicable law, be approved prior to completion of the audit. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, and the rules thereunder, require the Fund's officers and Trustees, the investment adviser's officers and directors, affiliated persons of the investment adviser, and persons who beneficially own more than 10% of a registered class of the Fund's Common Shares to file reports of ownership and changes in ownership with the SEC and the NYSE and to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the reports filed, the Fund believes that during fiscal year ended October 31, 2015, all Section 16(a) filing requirements applicable to the Fund's officers, Trustees and greater than 10% beneficial owners were complied with, with the exception of the following instances. Pursuant to the Fund's By-Laws, a shareholder is required to give to a Fund notice of, and specified information with respect to, any proposals that such shareholder intends to present at the 2017 annual meeting no earlier than September 27, 2016 or approximately 150 days prior to the first anniversary of the date of the Fund's proxy statement and no later than October 27, 2016, or 120 days prior to the first anniversary of the date of the Fund's proxy statement. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, a Fund may solicit proxies in connection with the 2017 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of a Fund does not receive notice in accordance with the aforementioned date. Timely submission of a proposal does not guarantee that such proposal will be included.
