Item 3: Source and Amount of Funds or Other Consideration.

3:

The aggregate purchase price for the subject securities was \$6,000,001. A portion of the funds used to acquire the subject securities consisted of loan proceeds from Israel Discount Bank (Israel) pursuant to a commercial loan made in the ordinary course. Pursuant to the terms of its loan agreement with such lender, Ta-Top has pledged the securities disclosed hereunder as still being owned by Ta-Top to such lender. The balance of the purchase price came from Ta-Top's working capital. On February 21, 2007, the Fund exercised its warrant and acquired 500,000 T.A.T. ordinary shares. The exercise price was \$3,470,000 and the funds for the exercise price were obtained from the working capital of Ta-Top.

Item 4: Purpose of the Transaction.

4:

The Shares were acquired for investment purposes. Between April 4, 2007 and December 19, 2007, the Fund sold a net aggregate of 1,115,700 shares, including the 589,919 shares reported herein.

(a) On June 15, 2004, the Issuer entered into a Share Purchase Agreement with Ta-Top, pursuant to which Ta-Top acquired 857,143 shares of the Issuer's common stock and a 66-month warrant to purchase an aggregate of 500,000 shares of the Issuer's common stock at an exercise price of \$8.50 per share (which exercise price was adjusted to \$6.94 per share because of the Issuer's 2004-2006 dividend payments), all in consideration for \$6,000,001. As part of the transaction, the Issuer's parent company TAT Industries Ltd., certain management shareholders of the Issuer and Ta-Top entered into a shareholder's agreement (the "Agreement"), a copy of which was annexed as an exhibit to the original

-12-

filing hereof, which provided for certain standard bring along and tag along rights, as well as a right of first refusal with respect to any shares proposed to be sold by any of the parties (all of which were waived in connection with the sales disclosed hereunder). The Agreement also provided for a lock-up whereby no party may sell more than 150,000 shares prior to June 2006, and a standstill restriction, which provided that Ta-Top would not purchase (in the open market or otherwise) an amount of shares, which would increase its ownership of the Issuer to above 35%.

(b) The Agreement also provides that Ta-Top will have the right to designate three members to serve on the Issuer's Board of Directors (including Mr. Davidi). The Issuer further agreed to engage Ta-Top to provide certain management services to the Issuer in exchange for annual payments equal to 3% of the Issuer's operating profit for that year in excess of \$500,000; provided, however, that in no event would the total management fees in any given year exceed \$250,000 per annum.

(c) As part of the transaction, FIMI Opportunity and the Issuer entered into a Credit Line Agreement, which provided for a line of credit from FIMI Opportunity to the Issuer in an amount of up to \$2,000,000. Loans made pursuant to the credit line bear interest at 5% per annum and are repayable on or before December 15, 2009. The Issuer must pay an annual commitment fee equal to 0.5% of the amount of the credit line. On September 2006, the credit line agreement was cancelled.
