Item 1.01 Entry into a Material Definitive Agreement.

On October 8, 2018, Delaware Basin Midstream, LLC (“DBM”), a wholly owned subsidiary of Western Gas Partners, LP (the “Partnership”), and Anadarko E&P Onshore LLC (“AEP”), a wholly owned subsidiary of Anadarko Petroleum Corporation, entered into a Gas Gathering Agreement (the “GGA”) for the provision of gas gathering services to AEP in the Delaware Basin in West Texas. The GGA provides for an acreage dedication from AEP for the life of the contract, and consolidates and replaces three separate agreements between subsidiaries of the Partnership and AEP. The GGA runs through December 31, 2032, and will continue from year to year thereafter unless terminated by either party. Through December 31, 2027, the gathering fee will be calculated using a cost of service methodology, and thereafter the gathering fee will be fixed with annual escalations.

The Partnership intends to submit a FOIA Confidential Treatment Request to the Securities and Exchange Commission pursuant to Rule 24b-2 under the Securities Exchange Act of 1934, as amended, requesting that it be permitted to redact certain portions of the GGA. The omitted material will be included in the request for confidential treatment. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the GGA, a redacted copy of which will be attached as an exhibit to the periodic report filed by the Partnership reflecting the reporting period during which the GGA was executed.
