Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement.

The Company previously disclosed in a report on Form 8-K filed with the SEC on May 20, 2011 that it had entered into a Pre-negotiation Agreement with KFC Corporation (“KFC”) for the purpose of finalizing plans to raise capital to fund a remodeling schedule for certain of the Company’s KFC restaurants. The original deadline for completion of the process was August 31, 2011 and, as disclosed in a Form 8-K filed on September 1, 2011, that deadline was extended to September 30, 2011 in order to continue the process. Negotiations have yielded an understanding on the timing of required image enhancements but because the formal remodel agreement could not be completed by the September 30, 2011 deadline the Company entered into an agreement with KFC, as disclosed in a Form 8-K filed on September 30, 2011, to further extend the deadline to October 31, 2011. Because the preparation of the formal remodel agreement is still in progress, on October 27, 2011 the Company entered into an agreement with KFC to extend further the deadline for completion to November 30, 2011.

Also, on October 28, 2011, the Company entered into an agreement with one of its primary lenders to extend its forbearance period for deferral of principal payments on its debt from October 31, 2011 to December 30, 2011. The agreement provides for the payment of certain fees by the Company and anticipates that its debt will be paid off through a refinancing with another lender before the end of the forbearance period.

While management continues to believe that its remodel agreement and recapitalization plans will be completed successfully, there can be no assurance that the Company will be able to finalize an agreement with KFC regarding image enhancements, that the Company will complete the financial restructuring, or that the restructuring will create the ability for the Company to complete a satisfactory number of image enhancements.
