PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
To Be Held April 4, 2013

General

The enclosed proxy is solicited on behalf of the Board of Directors (the "Board" or "Board of Directors") of National Holdings Corporation, a Delaware corporation ("we," "us," "our," "National" and the "Company"), for use at the Annual Meeting of Stockholders to be held on April 4, 2013 (the "Annual Meeting"), and any adjournment or postponement thereof. The Annual Meeting will be held at 10:00 A.M. (local time) at the Company's offices, located at 120 Broadway, 27th Floor, New York, New York 10271. This proxy statement, the enclosed proxy card, the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2012 and the Company's Annual Report on Form 10-K/A for the fiscal year ended September 30, 2012, are being mailed on or about March 11, 2013, to stockholders entitled to notice of and to vote at the Annual Meeting.

Record Date

The close of business on February 26, 2013 has been fixed as the record date (the "Record Date") for determining the stockholders of record entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 88,416,988 shares of our common stock, \$0.02 par value per share (the "Common Stock").

Quorum

In order for the Company to conduct the Annual Meeting, a majority of the outstanding shares of Common Stock eligible to vote must be represented in person or by proxy at the Annual Meeting. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum. A "broker non-vote" occurs when a brokerage firm returns a signed proxy card but does not vote shares on a particular proposal because the proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares.

Voting Shares

Each share of Common Stock entitles the holder thereof to one vote upon any proposal submitted for a vote at the Annual Meeting.

Election of Directors. With regard to the election of directors (Proposal No. 1), votes may be cast for or votes may be withheld from each nominee. In order to elect directors, a majority of the votes is not required; instead, the nominees will be elected by a plurality of the votes cast, which means that the nominees receiving the most votes will be elected. Therefore, votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may not be specified with respect to the election of directors and, under applicable Delaware law, broker non-votes will not be counted and will have no effect on the outcome of the election of directors.

Advisory Votes on Executive Compensation. The results of the advisory vote on the Company's executive compensation (Proposal No. 2) and the advisory vote on the frequency of holding future advisory votes on executive

compensation (Proposal No. 3) will not be binding on the Company or the Board of Directors. The Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation and the frequency of future advisory votes on executive compensation.

Voting of Proxies

Shares of Common Stock represented by properly executed proxies, duly returned and not revoked, will be voted in accordance with the instructions contained therein. Except as discussed below with regard to shares held in "street name" by a bank or broker, if no instruction is indicated on the proxy, the shares of Common Stock represented thereby will be voted: (i) "FOR" the election of the Class III Directors for a term ending in 2016; (ii) "FOR" the approval of the non-binding advisory resolution relating to the Company's executive compensation; (iii) in favor of an every "3 YEAR" frequency for the non-binding stockholder vote on executive compensation; and (iv) at the discretion of the person or persons voting the proxy, with respect to any other matter that may properly be brought before the Annual Meeting. The execution of a proxy will in no way affect a stockholder's right to attend the Annual Meeting and vote in person. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

The proposals to elect directors, to conduct the advisory votes on executive compensation and on the frequency of holding future advisory votes on executive compensation, are "non-discretionary" matters, which means that brokerage firms may not use their discretion to vote on such matters without express voting instructions from their customers.

Revocation of Proxies

You may revoke or change your proxy at any time before the Annual Meeting by filing with the Secretary of the Company, at 1200 North Federal Highway, Suite 400, Boca Raton, FL 33432, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person.

If any stockholder is unable to attend the Annual Meeting, such stockholder may vote by proxy. If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. Votes cast in person or by proxy at the Annual Meeting will be tabulated by the Inspector of Elections appointed for the meeting and will determine whether or not a quorum is present. The holders of a majority of the shares of stock entitled to vote at the meeting, present in person or represented by proxy shall constitute a quorum for the transaction of business.

Voting Results

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be published in a Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") within four business days of the Annual Meeting.

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this proxy statement, and any additional solicitation materials furnished to the stockholders. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to be Held on April 4, 2013

We are providing proxy material access to our stockholders via the Internet. Accordingly, these can be accessed at <http://www.nhldcorp.com/investors/financial-reports/shareholders-meeting.aspx>. - on or after October 5, 2013 but no later than November 4, 2013, if the proposal is submitted for inclusion in our proxy materials for the purpose of nominating a person or persons to the Board of Directors at the 2014 annual meeting of stockholders.

Dissenters' Right of Appraisal

Under Delaware General Corporation Law § 262(b) and (c), stockholders are not entitled to dissenters' rights on any proposal referred to herein.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for stockholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold Common Stock directly. Requests in writing should be addressed to: National Holdings Corporation, 1200 North Federal Highway, Suite 400, Boca Raton, FL 33432, Attention: Secretary. Requests may also be made by calling the Secretary at (561) 981-1007.

Arrangements for Nominations to the Board

Pursuant to a Voting Agreement dated July 1, 2008, each of Mark Goldwasser, Leonard Sokolow and Christopher C. Dewey (a former director of the Company who resigned in April 2011), agreed to vote their shares of Common Stock in favor of Mark Goldwasser, Leonard Sokolow, Christopher C. Dewey, Jorge A. Ortega (a former director who resigned in March 2012), and up to three directors nominated by Mr. Goldwasser and up to one additional director nominated by Mr. Sokolow, and agreed to take all other necessary or desirable action within his control (including, without limitation, execution of written consents or resolutions in lieu of meetings), from time to time and at all times in whatever manner shall be necessary, to ensure that each is continuously nominated to serve as a director of the Company. The Voting Agreement expires on June 30, 2013.

Mr. Plimpton was elected to the Board of Directors in 2010 pursuant to the terms of a Share Purchase Agreement dated July 21, 2010. Under the terms of the agreement, the Company agreed to take all actions necessary to appoint Mr. Plimpton as a member of the Board of Directors. Corporate Governance

The Company's business affairs are conducted under the direction of the Board of Directors in accordance with the Delaware General Corporation Law and the Company's Certificate of Incorporation and Amended and Restated Bylaws. Members of the Board of Directors are informed of the Company's business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees. Certain corporate governance practices that the Company follows are summarized below.

Board Leadership Structure

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership and the right Board leadership structure may vary as circumstances warrant.

Since July 2012, Mark Klein and Robert Fagenson have each served as Executive Co-Chairman of the Board of the Company and as of January 25, 2013, Mr. Klein has also served as Chief Executive Officer. Messrs. Klein and Fagenson are involved in the Company's day-to-day operations and the strategic decision making at the Board level. Based on its most recent review of the Company's leadership structure, the Board continues to believe that this leadership structure is optimal for the Company because it provides the Company with strong and consistent leadership. The Board believes that having Messrs. Klein and Fagenson serving in these positions provides the Company with decisive and effective leadership.

In considering its leadership structure, the Board has taken a number of factors into account. A number of Board and committee processes and procedures, including regular executive sessions of non-management Directors and a regular review of the Company's and our executive officers' performance, provide substantial independent oversight of the Company's management's performance. The Board has the ability to change its structure, should that be deemed appropriate and in the best interest of the Company and its stockholders.

The Executive Co-Chairmen of the Board preside at all meetings of the stockholders and of the Board as a whole. The Executive Co-chairmen perform such other duties, and exercise such powers, as from time to time shall be prescribed by the Company's Board of Directors.

Risk Oversight

Assessing and managing risk is the responsibility of our management. The Board of Directors oversees and reviews certain aspects of the Company's risk management efforts. The Board of Directors is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board of Directors and its committees. Among other areas, the Board is directly involved in overseeing risks related to the Company's overall strategy, including product, go-to-market and sales strategy, executive officer succession, business continuity, crisis preparedness and corporate reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

- The Audit Committee has responsibility for overseeing the Company's internal financial and accounting controls, work performed by the Company's independent registered public accounting firm and the Company's internal audit function. As part of its oversight function, the Audit Committee regularly discusses with management and the Company's independent registered public accounting firm the Company's major financial and controls-related risk exposures and steps that management has taken to monitor and control such exposures. In addition, the Company, under the supervision of the Audit Committee, has established procedures available to all employees for the anonymous and confidential submission of complaints relating to any matter to encourage employees to report questionable activities directly to the Company's senior management and the Audit Committee.
- The Compensation Committee is responsible for overseeing risks related to the Company's cash and equity-based compensation programs and practices.
-

The Nominating and Corporate Governance Committee is responsible for overseeing risks related to the composition and structure of the Board of Directors and its committees and the Company's corporate governance practices. In this regard, the Nominating Committee will conduct an annual evaluation of the Board and its committees, plans for Board member succession, executive officer succession plans and reviews transactions between the Company and its officers, directors, affiliates of officers and directors or other related parties for conflicts of interest.

Code of Ethics and Business Conduct

We have adopted the National Holdings Corporation Code of Ethics and Business Conduct (the “Code of Conduct”), a code of conduct that applies to our directors, officers and employees. The Code of Conduct was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended September 30, 2003, and is publicly available on the SEC’s website at www.sec.gov. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendment or waiver in a report on Form 8-K.

Independence

We are currently not listed on any national securities exchange, but in evaluating the independence of our directors, we have applied the independence standards of The Nasdaq Stock Market and those found in the Exchange Act. Under those standards, the Board of Directors has determined that all of the members of the current Board of Directors are independent except Messrs. Goldwasser, Sokolow, Klein and Fagenson.

Meetings and Committees of the Board of Directors and Corporate Governance Matters

During the fiscal year ended September 30, 2012, the Company’s Board of Directors met or acted by unanimous written consent a total of 11 times. Each director attended or participated in 75% or more of the aggregate of the total number of meetings of the Board of Directors and committees on which he served during the time he served as a director.

Committees of the Board of Directors

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Director Qualifications. Until December 2012, the Board of Directors did not have a separate nominating committee as the Company believed that having the full Board deliberate the nomination process was in the Company’s best interest. In December 2012, the Board of Directors established a Nominating and Corporate Governance Committee, although prior to such date the Company had a Corporate Governance Committee but it did not also act as the Company’s nominating committee. In making its nominations, the Nominating and Corporate Governance Committee (and prior to establishing the Nominating and Corporate Governance Committee, the full Board of Directors) identifies candidates who meet the current challenges and needs of the Board of Directors. In determining whether it is appropriate to add or remove individuals, the Nominating and Corporate Governance Committee (and prior to establishing the Nominating and Corporate Governance Committee, the full Board of Directors) considers issues of judgment, diversity, age, skills, background and experience. In making such decisions, the Nominating and Corporate Governance Committee (and prior to establishing the Nominating and Corporate Governance Committee, the full Board of Directors) considers, among other things, an individual’s business experience, industry experience, financial background and experiences. The Nominating and Corporate Governance Committee (and prior to establishing the Nominating and Corporate Governance Committee, the full Board of Directors) also considers the independence, financial literacy and financial expertise standards required by our Board of Directors committees’ charters and applicable laws, rules and regulations, and the ability of the candidate to devote the time and attention necessary to serve as a director and a committee member.

While the Company does not have a formal diversity policy with respect to director nominations, as noted above, it considers diversity, which it defines broadly to include an appropriate combination of business acumen, educational experience, work experience and the other items noted above, as well as traditional diversity concepts such as race, as

one of a number of factors it considers to identify qualified nominees for directors.

Identifying and Evaluating Nominees for Director. In the event that vacancies are anticipated or otherwise arise, the Nominating and Corporate Governance Committee (and prior to establishing the Nominating and Corporate Governance Committee, the full Board of Directors) considers various potential candidates for director. Candidates may come to the attention of the Board through current directors, professional search firms engaged by us, stockholders or other persons. Candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee (and prior to establishing the Nominating and Corporate Governance Committee, the full Board of Directors) and may be considered at any point during the year.

Stockholder Nominees. Candidates for director recommended by stockholders will be considered by the Nominating and Corporate Governance Committee. Such recommendations should include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications for membership on our Board of Directors, information regarding any relationships between the candidate and us within the last three years, including stockholdings in us, and a written indication by the recommended candidate of the candidate's willingness to serve, and should be sent to the Nominating Committee of the Board of Directors at the address listed on page 13 of this proxy statement.

The Nominating and Corporate Governance Committee and the Board of Directors will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above. All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee.

Audit Committee

The Audit Committee currently consists of Salvatore Giardina and Frank S. Plimpton. During the fiscal year ended September 30, 2012, the Audit Committee consisted of Leonard Sokolow, Frank Plimpton and Robert Lautz.

On January 22, 2003, the Board adopted a charter for the Audit Committee, as amended and restated on January 12, 2004 and January 27, 2009, a copy of which is available on our website, www.NHLDCorp.com. The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee has the power and authority to engage the independent public accountants, reviews the preparations for and the scope of the audit of the Company's annual financial statements, reviews drafts of the statements and monitors the functioning of the Company's accounting and internal control systems through discussions with representatives of management and the independent public accountants.

Under SEC rules, companies are required to disclose whether their audit committees have an "audit committee financial expert" as defined in Item 407(d) of Regulation S-K under the Exchange Act. The Board of Directors has determined that Mr. Giardina, and formerly Mr. Sokolow, are financial experts. The Audit Committee meets quarterly and on an as-needed basis. The Committee met four times during the year ended September 30, 2012.

The Audit Committee has submitted the following report:

On December 17, 2012, the Audit Committee met to review the results of the fiscal year 2012 audit. The Audit Committee reviewed the Company's audited financial statements as of and for the fiscal year ended September 30, 2012, with management and the Company's independent public accountants, Sherb & Co., LLP. This review included the matters required to be discussed by Statement on Auditing Standards No. 61, "Communication with Audit Committees", as issued and amended by the Auditing Standards Board of the American Institute of Certified Public Accountants. The Audit Committee discussed with Sherb & Co., LLP their independence from management and from the Company, and has received the written disclosures and the letter required by Independent Standards Board Standard No. 1, as adopted by the Public Company Accounting Oversight Board in Rule 3600T from Sherb & Co., LLP confirming their independence.

Based on the above review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements as of and for the fiscal year ended September 30, 2012, be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2012.

Respectfully,

Salvatore Giardina
Frank Plimpton
Robert Lautz

Compensation Committee

The Compensation Committee currently consists of Salvatore Giardina, Frank S. Plimpton and Peter Zurkow. During the fiscal year ended September 30, 2012, the Compensation Committee consisted of Michael Weiss and Jorge Ortega. On January 12, 2004, the Compensation Committee adopted a formal Compensation Committee Charter, as amended and restated on January 27, 2009, which contains a detailed description of the committee's duties and responsibilities, a copy of which is available on our website, www.NHLDCorp.com. The Compensation Committee meets annually and on an as-needed basis. The Committee did not meet or act by unanimous written consent during the year ended September 30, 2012.

Nominating and Corporate Governance Committee

In December 2012, the Board of Directors established a Nominating and Corporate Governance Committee. Prior to December 2012, the Company had a Corporate Governance Committee but it did not also act as the Company's nominating committee. The Nominating and Corporate Governance Committee currently consists of Mark D. Klein and Frank Plimpton. During the fiscal year ended September 30, 2012, the Corporate Governance Committee consisted of Paul Coviello, Frank Plimpton and Jorge Ortega. The Nominating and Corporate Committee does not have a charter. The Nominating and Corporate Governance Committee is responsible for finding, evaluating, considering and proposing nominees to stand for election to the Board of Directors. The Nominating and Corporate Governance Committee assists the Board, on at least an annual basis, by identifying individuals qualified to become board members, and recommending to the Board the Director nominees for the next Annual Meeting of Shareholders.

The Nominating and Corporate Governance Committee was created with certain duties and responsibilities, including, among other things, setting the Company's trading policy, monitoring Sarbanes-Oxley matters and resolving Board of Director conflicts. The Corporate Governance Committee meets on an as-needed basis. The Corporate Governance Committee met once during the year ended September 30, 2012.

Compensation Committee Interlocks and Insider Participation

Except as described below under Certain Relationships and Related Transactions, no member of the Company's Board of Directors or Compensation Committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of the Company's executive officers served as a member of the board of directors or compensation committee, or similar committee, of any other company whose executive officer(s) served as a member of the Company's Board of Directors or Compensation Committee.

Mark Goldwasser Employment Agreement

On July 1, 2008, concurrent with the closing of the merger of the Company and vFinance, Inc., Mark Goldwasser entered into a five-year employment agreement with us, pursuant to which Mr. Goldwasser is entitled to receive an annual base salary of \$450,000, which will increase 5% per year, and an automobile expense allowance of \$1,000 per month.

On November 23, 2009, Mr. Goldwasser's employment agreement was amended to revise the bonus payable under such agreement. As revised, for the fiscal year beginning October 1, 2009, the bonus will be payable quarterly in an amount equal to seven and one-half (7.5%) percent of the Company's annual Adjusted EBITDA (as defined below) in excess of \$1,500,000 (of which 50% will be paid as soon as practicable in cash after the end of each fiscal quarter ("Paid Portion"), and 50% will accrue until the conclusion of the fiscal year ("Accrued Portion")).

To the extent that the Adjusted EBITDA for any fiscal year is between \$1,500,000 and \$4,500,000, up to 100% of the Accrued Portion may, at the Board's discretion, be satisfied by the issuance of the Company's restricted Common Stock, at its then fair market value. To the extent that the Adjusted EBITDA for such fiscal year exceeds \$4,500,000, the Accrued Portion shall be paid in cash.

For the purpose of the bonuses, "Adjusted EBITDA" means the net income of the Company for a particular fiscal quarter before interest, taxes, depreciation and amortization, adjusted to exclude non-cash compensation expense (including the amortization of costs associated with the issuance of stock options) and write down of forgivable loans. At the conclusion of the fiscal year, the Company and the Executive 'true up' the annualized bonus, the Paid Portion and the Accrued Portion, with payment (if any) to be made as soon as practicable following the determination of such 'true up' amount. To the extent that the 'true up' calculation results in a negative amount (i.e., the Paid Portion exceeds the annualized bonus) then (i) the Company will have no right to clawback such amount from the Executive but (ii) such amount will first be deducted from the annualized bonus (if any) to be paid for future periods. All bonuses will be subject to applicable withholding taxes which will be paid by the Company and other similar deductions and any payment of Accrued Portion payable in Common Stock shall accordingly be calculated net of such withholding on the aggregate bonus amount paid.

Mr. Goldwasser continues to be eligible to such additional bonuses as the Board of Directors of the Company determines based upon the Board's assessment of his performance in the various areas, which bonuses may be paid in cash and/or Common Stock at the Board's discretion.

Mr. Goldwasser's employment agreement terminates upon the earliest to occur of: (i) his death; (ii) a termination by the Company by reason of his disability; (iii) a termination by the Company with or without Cause; (iv) a termination by him with or without Good Reason; (v) upon a Change in Control (as defined in the employment agreement); or (vi) the non-renewal of the agreement. Upon the termination due to the death or disability of Mr. Goldwasser, by the Company without Cause, by Mr. Goldwasser with Good Reason, upon a Change of Control, or upon the expiration of the employment agreement if the Company or Mr. Goldwasser refuse to extend the term of the employment agreement, Mr. Goldwasser will be entitled to: (i) any accrued but unpaid salary or bonus or unreimbursed expenses; (ii) any bonus payable for the portion of the fiscal year during which the termination occurs; (iii) 100% of Mr. Goldwasser's base salary (150% in the event of termination by the Company without Cause or by Mr. Goldwasser with Good Reason); (iv) the continuation of health benefits until the earlier of (a) 18 months after termination and (b) the date Mr. Goldwasser accepts other employment; and (v) all unvested options granted pursuant to the employment agreement will become immediately vested and be exercisable for a period of nine months.

Pursuant to the employment agreement, Mr. Goldwasser was granted non-qualified stock options to purchase 1,000,000 shares of Company's Common Stock at an exercise price of \$1.64 per share, which was equal to the average

of the 10-day closing market price of the Common Stock prior to the effective date of the employment agreement. As of September 30, 2012 all 1,000,000 shares of Mr. Goldwasser's options have vested. The options expire June 30, 2015.

Leonard Sokolow Consulting Agreement

On July 25, 2012, the Company and Leonard J. Sokolow executed a consulting agreement (the "Consulting Agreement") which replaced the previous employment agreement between the Company and Mr. Sokolow which was entered into concurrent with the closing of the merger of the Company and vfinance, Inc., and which was subsequently amended on November 23, 2009. The terms of Mr. Sokolow's employment agreement were substantially identical to the terms set forth in Mr. Goldwasser's employment agreement which is described above under "-Mark Goldwasser Employment Agreement" except that Mr. Sokolow served as our President and Vice Chairman of the Board of Directors. Under the Consulting Agreement, Mr. Sokolow will provide to the Company and its affiliates professional consulting services in the area of general corporate, financial reporting, business development, advisory, operational, strategic, public company and broker-dealer matters as needed and requested. During the term of Consulting Agreement, Mr. Sokolow will be paid \$300,000 per annum. Mr. Sokolow has agreed to remain non-executive Vice Chairman of the Company's Board of Directors.

The director who has a material interest in the Related Transaction must recuse himself from the Board of Directors vote on such matter. A majority vote of the remaining Board of Directors members is required for approval of the Related Transaction. Certain Relationships and Related Transactions

Messrs. Geller and Coviello (former directors of the Company who resigned in January 2012), Plimpton, Goldwasser, Sokolow and Levin have brokerage accounts and margin agreements with either National Securities or vFinance Investments. Mr. Levin has a margin agreement with vFinance Investments but has not maintained a margin balance.

The transactions, borrowings and interest charges in these accounts, if any, are handled in the ordinary course of business and are consistent with similar third party customer accounts.

On January 18, 2011, the Company formed a joint venture called OPN Holdings, LLC (“OPN” or the “Joint Venture”) with Opus Point Partners, LLC (“Opus”) by entering into (i) a joint venture limited liability company operating agreement (the “JV Agreement”), by and between the Company and Opus and (ii) an interim funding and services agreement by and between the Company, National Securities Corporation and OPN (the “Interim Funding Agreement,” and together with the JV Agreement, the “OPN JV Agreements”). By their terms, the OPN JV Agreements were effective as of January 14, 2011.

The Joint Venture is the holding company for an investment banking business focused on global life sciences. The Joint Venture, which includes corporate finance, advisory, capital markets and sales, will initially operate through a segregated business unit of the Company's FINRA-registered wholly-owned subsidiary National Securities Corporation ("NSC"). The Interim Funding Agreement covers this initial period and requires OPN to advance operating and payroll expenses to NSC, and will be effective until OPN has formed and registered its own broker-dealer pursuant to FINRA regulations.

Initial capital contributions to OPN included approximately \$1.0 million in cash. Profits and losses of OPN were to be allocated among the Company and Opus in proportion to their percentage interests in the Joint Venture. In April 2012, we transferred our 50% interest in OPN to OPUS and its designees.

Between March 2012 and July 2012, the Company issued and sold to National Securities Growth Partners LLC ("NSGP"), the primary principals of which include Messrs. Klein and Fagenson, convertible notes in the aggregate initial principal amount of \$5,000,000 (the "Notes"). The Notes were convertible into units of the Company consisting of (i) the Company's Series E preferred stock, par value \$0.01 per share, which was convertible into shares of Common Stock and (ii) a warrant exercisable for shares of Common Stock. In conjunction with the closing of the private placement, the Company entered into a Conversion and Exchange Agreement and a Warrant Exchange Agreement (the "Series E Conversion and Exchange Agreement") with NSGP pursuant to which, among other things, (i) NSGP converted all of the Notes (and all accrued and unpaid interest thereon) into shares of Series E Preferred Stock in accordance with the terms and conditions of the Notes (the "Note Conversion"); (ii) then, following the Note Conversion, NSGP converted all of its Series E Preferred Stock into 10,000,000 shares of Common Stock, and (iii) then, exchanged all of its warrants to purchase Common Stock for 6,697,140 shares of Common Stock.

On July 25, 2012, the Company and Leonard J. Sokolow executed a consulting agreement (the "Consulting Agreement"), which replaced the previous employment agreement between the Company and Mr. Sokolow which was entered into concurrent with the closing of the merger of the Company and vFinance, Inc., and which was subsequently amended on November 23, 2009. Under the Consulting Agreement, Mr. Sokolow will provide to the Company and its affiliates professional consulting services in the area of general corporate, financial reporting, business development, advisory, operational, strategic, public company and broker-dealer matters as needed and requested. During the term of Consulting Agreement Mr. Sokolow will be paid \$300,000 per annum.

On January 25, 2013, Messrs. Klein, Fagenson Goldwasser and Levin purchased 1,000,000, 166,666, 66,666 and 25,000 shares of Common Stock, respectively, in the private placement at a purchase price of \$0.30 per share.

Mr. Fagenson is also a party to an Independent Contractor Agreement, dated February 27, 2012, with the NSC, whereby in exchange for establishing and maintaining a branch office of NSC in New York, New York (the "Branch"), Mr. Fagenson is to receive 50% of any net income accrued at the Branch and his daughter, Stephanie Fagenson, is to receive an annual salary of \$72,000.

Independent Public Accountants

Effective January 1, 2013, Sherb & Co., LLP, ("Sherb"), the independent registered public accounting firm of National Holdings Corporation, combined its practice with RBSM LLP ("RBSM"). As a result of the combination and upon notice by Sherb to the Company, on January 29, 2013 Sherb was dismissed as the Company's independent registered public accounting firm and RBSM was engaged as the Company's independent registered public accounting firm.

The principal accountant's reports of Sherb on the financial statements of the Company as of and for the two years ended September 30, 2012 and 2011 did not contain any adverse opinion or disclaimer of opinion and were not

qualified or modified as to audit scope or accounting principles. The principal accountant's reports of Sherb on the financial statements of the Company for the years ended September 30, 2012 and 2011 contained an explanatory paragraph disclosing the uncertainty regarding the Company's ability to continue as a going concern.

During the two years ended September 30, 2012 and 2011 and through the date of this Current Report on Form 8-K, there were no disagreements with Sherb on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to Sherb's satisfaction would have caused it to make reference thereto in connection with its reports on the financial statements for such years. During the two years ended September 30, 2012 and through the date of this Current Report on Form 8-K, there were no reportable events of the type described in Item 304(a)(1)(v) of Regulation S-K.

During the two years ended September 30, 2012 and 2011 and through the date of this Current Report on Form 8-K, the Company did not consult with RBSM with respect to any of (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements; or (iii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or an event of the type described in Item 304(a)(1)(v) of Regulation S-K.

Audit Fees. Fees for services performed by Sherb during fiscal year 2012 relating to the audit of our consolidated annual financial statements, and the review of our consolidated quarterly financial statements included in our Forms 10-Q were approximately \$120,000. Fees for services performed by Sherb during fiscal year 2011 relating to the audit of our consolidated annual financial statements and the review of our consolidated quarterly financial statements included in our Forms 10-Q were approximately \$147,000.

Audit-Related Fees. "Audit-related fees" include fees billed for assurance and related services that are reasonably related to the performance of the audit and not included in the "audit fees" mentioned above. There were no such fees paid in fiscal years 2012 or 2011.

Tax Fees. The fees billed in fiscal years 2012 and 2011 for tax compliance, tax advice or tax planning amounted to \$58,000 and \$56,000, respectively.

All Other Fees. There were no other fees paid.

Pre-Approval Policies. Pursuant to the rules and regulations of the SEC, before the Company's independent public accountant is engaged to render audit or non-audit services, the engagement must be approved by the Company's audit committee or entered into pursuant to the committee's pre-approval policies and procedures. The policy granting pre-approval to certain specific audit and audit-related services and specifying the procedures for pre-approving other services is set forth in the Amended and Restated Charter of the Audit Committee. No representatives of Sherb are expected to attend the Annual Meeting, so stockholders will not have any opportunity to ask Sherb questions at the meeting.

PROPOSAL 2

NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Board of Directors is submitting a "Say on Pay" proposal for stockholder consideration as required under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"). The proposal enables our stockholders to cast an advisory vote to approve the compensation of the Company's named executive officers as disclosed in the accompanying compensation tables in this Proxy Statement.

The Board of Directors believes that the Company's compensation policies and procedures are centered on a pay-for-performance culture and are strongly aligned with the long-term interests of stockholders. In particular, the Company's compensation program is designed to:

- provide compensation that will attract and retain superior talent and reward Company executives based upon Company and individual performance;
- support a performance oriented environment;
- foster commonality of interest between executives and stockholders through the use of equity-based incentives and by encouraging executive stock ownership; and

- provide an appropriate mix between short-term and long-term compensation that encourages a balanced focus on short-term profit goals and long-term value creation.

This proposal gives you as a stockholder the opportunity to endorse or not endorse our executive pay program through the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including the compensation tables and related narrative discussion, is hereby APPROVED."

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

The Board of Directors recommends a vote "FOR" approval of this resolution.

PROPOSAL NO. 3

PROPOSAL REGARDING THE FREQUENCY (ONE, TWO OR THREE YEARS) OF THE NON-BINDING STOCKHOLDER VOTE RELATING TO COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Dodd-Frank Act also requires that the Company's stockholders have an opportunity to vote on how often the Company should include a say on pay vote in its proxy materials for future annual meetings of stockholders. Under this Proposal No. 3, stockholders may vote to conduct the say on pay vote every year, every two years, or every three years, or may abstain from voting in response to the resolution set forth below.

"RESOLVED, that an advisory vote of the Company's stockholders relating to the compensation of the Company's named executive officers be held at an annual meeting of stockholders every year, every two years, or every three years, whichever frequency receives the highest number of stockholder votes in connection with the adoption of this resolution."

The Board of Directors has determined that a say on pay vote on executive compensation that occurs once every three years is the most appropriate alternative for the Company. In making this determination, the Board considered whether an advisory vote at this frequency provides our stockholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, policies and practices in the context of our long-term business results, while avoiding more emphasis on short term variations in compensation and business results. An advisory vote occurring once every three years also will permit our stockholders to observe and evaluate the impact of any changes to our executive compensation policies which have occurred since the last say on pay vote on executive compensation.

The option of every one year, two years, or three years that receives the highest number of votes cast will be the option selected by stockholders. However, because this vote is advisory only and therefore is non-binding on the Board of Directors, the Board may decide that it is in the best interests of the Company's stockholders to hold an advisory vote on executive compensation more or less frequently than the option approved by stockholders.

The Board of Directors recommends a vote for the option of once every "Three Years" as the frequency with which stockholders are provided with an advisory vote on executive compensation.
