Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Item 5.02(e). Modification of Compensation Arrangements of Certain Officers.

The Company previously reported in an 8-K Current Report, dated November 28, 2014, that the Company's Chief Executive Officer had voluntarily reduced his salary by 20% for an indefinite period as a gesture of solidarity with the employees of the Company's Nelco Products, Inc. and Neltec, Inc. business units in Fullerton, California and Tempe, Arizona who were working reduced hours or four-day work weeks in response to the weak market in North America for the Company's high-end electronic materials products, and that the business unit leader of the Nelco Products and Neltec business units voluntarily reduced her salary by 20% and four other corporate officers of the Company and fourteen appointed vice presidents of the Company voluntarily reduced their salaries by 10%.

All of the salary reductions described in the prior paragraph, other than the Chief Executive Officer's salary reduction, were discontinued effective January 5, 2015, and such salaries were restored effective as of that date to the amounts that existed immediately prior to such reductions. In addition, the reduced working hours and four-day work weeks at the Company's Nelco Products, Inc. and Neltec, Inc. business units described in the prior paragraph were discontinued effective January 5, 2015, and the employees of those business units resumed working normal hours and five-day work weeks effective as of that date. As a result of the restoration, effective January 5, 2015, of the salaries and full work weeks of the Company's Nelco Products, Inc. and Neltec, Inc. employees, the Chief Executive Officer discontinued his salary reduction, effective March 2, 2015, which he had originally taken as a gesture of solidarity with those employees.
