On December 18, 2015, Digital Power Corporation (the "Company") received notice from the New York Stock Exchange MKT LLC ("NYSE MKT") notifying the Company that it is no longer in compliance with NYSE MKT continued listing standards because its last reported stockholders' equity is below continued listing standards. Section 1003(a)(ii) of the NYSE MKT Company Guide provides that a listed company's stockholders' equity be \$4.0 million or more if it has reported losses from continuing operations and/or net losses in three of its four most recent fiscal years.

Under the applicable NYSE MKT listing rules, the Company has 30 days from the receipt of the notice to submit a plan that demonstrates how it intends to regain compliance with this continued listed standard within 18 months of the receipt of the notice. The Company intends to develop and submit to the NYSE MKT such a plan. If the NYSE MKT does not accept the business plan, the NYSE MKT will initiate delisting procedures. If the NYSE MKT accepts the business plan it will be subject to periodic reviews including quarterly monitoring for compliance with the business plan. During this period, the Company's common stock will continue to be listed on the NYSE MKT and trade as usual subject to compliance with other NYSE MKT listing requirements.

The NYSE MKT notification does not affect the Company's SEC reporting obligations.
