PROPOSAL NUMBER TWO

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee annually considers and selects the Company's independent registered public accountants. On March 22, 2011, the Audit Committee selected McGladrey & Pullen, LLP to act as the Company's independent

registered public accountants for the fiscal year ending December 31, 2011.

The persons named in the enclosed proxy will vote to ratify the selection of McGladrey & Pullen, LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2011 unless otherwise directed by the stockholders. Stockholder ratification of McGladrey & Pullen, LLP as the Company's independent registered public accountants is not required by the Company's bylaws or otherwise. However, the Company is submitting the selection of McGladrey & Pullen, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection of McGladrey & Pullen, LLP as the Company's independent registered public accountants, the Audit Committee will reconsider the selection of such independent registered public accountants. Even if the selection is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered public accountant at any time during the year if it determines that such a change would be in the best interest of the Company and its stockholders.

The Board of Directors recommends a vote "FOR" the ratification of the selection of McGladrey & Pullen, LLP as the

Company's independent registered public accountants for the fiscal year ending December 31, 2011.

CORPORATE GOVERNANCE MATTERS

The Board of Directors

The Board of Directors of the Company held five meetings during 2010. Each director then serving attended 75% or more of the aggregate of: (1) the total number of Board meetings; and (2) the total number of meetings of the committee(s) of which he is a member, if any. The Company does not have a written policy on board attendance at annual meetings of stockholders; however it does schedule a board meeting immediately after the annual meeting (or special meeting in lieu thereof) for which members attending receive compensation. In 2010, all Board Members were present during the Special Meeting held in Lieu of the 2010 Annual Meeting of Stockholders. The table below describes the Board's committees.

Committee Name	Members	Number of Meetings in 2010	Principal Functions
Audit Committee	U. Henseler D. Lipinski R. Redmond	8	<ul style="list-style-type: none"> – Oversee the Company's auditing, accounting and financial reporting processes. – Appoint, compensate, evaluate and, where appropriate, replace independent accountants. – Oversee the Company's compliance with tax, legal and regulatory requirements.
Compensation Committee	U. Henseler M. Magliochetti G. Mayer R. Redmond	5	<ul style="list-style-type: none"> – Oversee and evaluate the Company's compensation programs and compensation of its executives. – Annually determine Chief Executive Officer's base salary and payments under the annual incentive bonus program and long-term deferred compensation plan. – Recommend or approve other executive officers' compensation, including annual performance objectives. – Recommend to the full Board of Directors compensation of Directors.

Director Independence

The Board of Directors has determined that Drs. Henseler and Magliochetti and Messrs. Lipinski, Mayer and Redmond are “independent,” as independence is defined in the listing standards for the Nasdaq Stock Market. Accordingly, five of the seven directors are independent.

Board Leadership Structure

Mr. Roger Little has been the Company's Chairman of the Board, Chief Executive Officer and President since founding the Company in 1969. The Company believes that having one person, particularly Mr. Little with his wealth of industry and executive management experience, his extensive knowledge of the history and operations of the

Company and his own history of innovation and strategic thinking, serve as both Chief Executive Officer and Chairman is the best leadership structure for the Company because it demonstrates to our employees, suppliers, customers and stockholders that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing the Company's operations. This unity of leadership promotes strategy development and execution, timely decision-making and effective management of company resources. The Company believes that it has been well served by this structure.

As described above, five of our seven directors are independent. In addition, all of the directors on each of the Audit Committee and Compensation Committee are independent directors and each of these committees is led by a committee chair. The committee chairs set the agendas for their committees and report to the full Board on their work. Furthermore, nominees for director are recommended for the Board's selection by a majority of the independent directors. We do not have a lead director, but, as required by Nasdaq, our independent directors meet in executive session without management present as frequently as they deem appropriate, typically at the time of each regular Board meeting. All of our independent directors are highly accomplished and experienced business people in their respective fields, who have demonstrated leadership in significant enterprises and are

familiar with board processes. The Company's independent directors bring experience, oversight and expertise from outside the company and industry, while the Company's Chairman and Chief Executive Officer and Mr. Mark Little bring company-specific experience and expertise.

Risk Oversight

While the Board of Directors is responsible for overseeing the Company's risk management, the Board has delegated many of these functions to the Audit Committee. Under its charter, the Audit Committee is responsible for discussing with management and the independent auditors the Company's major financial risk exposures, the guidelines and policies by which risk assessment and management is undertaken, and the steps management has taken to monitor and control risk exposure. In addition to the Audit Committee's work in overseeing risk management, the full Board regularly engages in discussions of the most significant risks that the Company is facing and how those risks are being managed, and the Board receives reports on risk management from senior officers of the Company and from the chair of the Audit Committee. In addition, the Chairman and Chief Executive Officer's extensive knowledge of the Company uniquely qualifies him to lead the Board in assessing risks. The Board of Directors believes that the work undertaken by the Audit Committee, together with the work of the full Board and the Chairman and Chief Executive Officer, enables the Board to effectively oversee the Company's risk management function.

The Audit Committee

The Board of Directors has determined that all members of the Audit Committee are "independent," as independence for the Audit Committee members is defined in the listing standards for the Nasdaq Stock Market. The Company's Board of Directors has determined that Dr. Udo Henseler, member of the Audit Committee, is an "audit committee financial expert" within the meaning of applicable regulations of the Securities and Exchange Commission ("SEC"), based on Dr. Henseler's business experience, as described on Page 1 of this Proxy Statement. For further information regarding the Audit Committee, see the "Audit Committee Report" beginning on Page 14 of this Proxy Statement.

The Nomination Process

The Company does not currently have a standing nominating committee or a charter for the nomination process. The Company does not have a nominating committee because it believes that obtaining opinions and advice from all directors in connection with Board nominations enhances the nomination process. Nominees for directors are recommended for the Board's selection by a majority of the independent directors. In March 2005, the Company adopted a Board resolution addressing the nominations process, which provides substantially as follows:

1. A majority of the independent directors (the "Majority") shall identify individuals believed to be qualified as candidates to serve on the Board and shall recommend that the Board select the candidates for all directorships to be filled by the Board or by the shareholders at an annual or special meeting. In identifying candidates for membership on the Board, the Majority shall take into account all factors it considers appropriate, which may include strength of character, mature judgment, relevant skills and the extent to which the candidate would fill a present need on the Board.
2. The Majority shall conduct all necessary and appropriate inquiries into the backgrounds and qualifications of possible candidates and, in that connection, shall have sole authority to retain any search firm to be used to assist it in identifying candidates to serve as directors.
3. The Majority shall review and make recommendations, as it deems appropriate, regarding the size and composition of the Board in order to ensure that the Board has the requisite expertise and that its membership consists of persons with sufficiently diverse backgrounds. The Majority is aware that one member of the Board should meet

the criteria for an “audit committee financial expert” as defined by SEC rules, and that a majority of the members of the Board must be comprised of “independent directors” as defined in the rules of the Nasdaq Stock Market. The Majority also believes it is appropriate for certain members of the Company's management to participate as members of the Board.

4. The Majority will consider candidates for director recommended by stockholders of the Company. There are no differences in the manner in which the Majority evaluates director nominees recommended by stockholders. Stockholders who wish to recommend director candidates should communicate names of such candidates, with relevant information on their qualifications, to the Secretary, at the address on the first page of this Proxy Statement. The Secretary will forward copies of such stockholder recommendations to the independent directors for their consideration.

While the Company does not have a formal diversity policy for Board membership, as noted above, the Board does seek to ensure that its membership consists of sufficiently diverse backgrounds, meaning a mix of backgrounds and experiences that

will enhance the quality of the Board's deliberations and decisions. In considering candidates for the Board, the independent directors consider, among other factors, diversity with respect to viewpoint, skills and experience.

As indicated above, the independent directors will consider candidates for director recommended by stockholders of the Company. The procedures for submitting stockholder recommendations are explained below under "Stockholder Proposals" beginning on Page 17.

The Compensation Committee

The Compensation Committee of the Board of Directors is composed of four members, all of whom satisfy the independence standards for Compensation Committee members under the rules of the Nasdaq Stock Market, and operates under a written charter. A copy of the Compensation Committee Charter is available to stockholders on the Investor Relations - Corporate Governance page of the Company's website at www.spirecorp.com. From January 1, 2010 until May 20, 2010, the Compensation Committee was composed of Mr. Mayer, chairman, Mr. Magliochetti and Mr. Redmond. To obtain a new perspective, at the Meeting of the Board of Directors held on May 20, 2010, committee members and chairmen were rotated. As of May 21, 2010, the Compensation Committee was composed of Dr. Magliochetti, chairman, Dr. Henseler, Mr. Mayer and Mr. Redmond.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Party Transactions

On November 30, 2007, the Company entered into a new Lease Agreement (the “Bedford Lease”) with SPI-Trust, a Trust of which Mr. Roger G. Little, Chairman of the Board, Chief Executive Officer and President of the Company, is the sole trustee and principal beneficiary, with respect to 144,230 square feet of space comprising the entire building in which the Company has occupied since December 1, 1985. The term of the Bedford Lease commenced on December 1, 2007 and was originally set to expire on November 30, 2012. The annual rental rate for the first year of the Bedford Lease was \$12.50 per square foot on a triple net basis, whereby the tenant is responsible for operating expenses, taxes and maintenance of the building. The annual rental rate increased on each anniversary by \$0.75 per square foot.

On September 17, 2010, the Company entered into the First Amendment to Lease Agreement with SPI-Trust to amend the Bedford Lease. The term of the Bedford Lease was extended for an additional five (5) years to expire on November 30, 2017. The annual rental rate for the first year of the extended term (December 1, 2012 through November 30, 2013) is \$16.00 per square foot on a triple net basis, whereby the tenant is responsible for operating expenses, taxes and maintenance of the building. After the first year of the extended term of the Bedford Lease, the annual rental rate increases on each anniversary by \$0.50 per square foot. The Company has the right to further extend the term of the Bedford Lease for an additional five (5) year period. If the Company exercises its right to further extend the term of the Bedford Lease, the annual rental rate for the first year of the further extended term will be the greater of: (a) the rental rate in effect immediately preceding the commencement of the extended term; or (b) the market rate at such time, and on each anniversary of the commencement of the extended term the rental rate will increase by \$0.50 per square foot. Additionally, SPI-Trust agreed to reimburse the Company up to \$50,000 for all costs incurred by the Company in connection with any alterations or improvements to the premises, or repairs or replacements to the heating and air conditioning systems. The Company believes that the terms of the Bedford Lease, as amended, are commercially reasonable. Rent expense under the Bedford Lease was \$2.1 million for the year ended December 31, 2010.

On August 29, 2008, the Company entered into a new Lease Agreement (the “Hudson Lease”) with SPI-Trust, with respect to 90,000 square feet of space comprising the entire building in which Spire Semiconductor, LLC has occupied space since June 1, 2003. The term of the Hudson Lease commenced on September 1, 2008, and continues for seven (7) years until August 31, 2015. The Company has the right to extend the term of the Hudson Lease for an additional five (5) year period. The annual rental rate for the first year of the Hudson Lease is \$12.50 per square foot on a triple-net basis, whereby the tenant is responsible for operating expenses, taxes and maintenance of the building. The annual rental rate increases on each anniversary by \$0.75 per square foot. If the Company exercises its right to extend the term of the Hudson Lease, the annual rental rate for the first year of the extended term will be the greater of: (a) the rental rate in effect immediately preceding the commencement of the extended term; or (b) the market rate at such time, and on each anniversary of the commencement of the extended term the rental rate will increase by \$0.75 per square foot. In addition, the Company was required to deposit with SPI-Trust \$300,000 as security for

performance by the Company for its covenants and obligations under the Hudson Lease. SPI-Trust was responsible, at its sole expense, to make certain defined tenant improvements to the building. The Company believes that the terms of the Hudson Lease are commercially reasonable and reflective of market rates. The lease agreement does not provide for a transfer of ownership at any point. The Hudson Lease is classified as a related party operating lease. Rent expense under the Hudson Lease for the year ended December 31, 2010 was \$1.3 million.

Mr. Edward D. Gagnon, General Manager of the Company's subsidiary, Spire Semiconductor, LLC, is a son-in-law of Mr. Roger G. Little, Chairman of the Board, Chief Executive Officer and President of the Company. For the year ended December 31, 2010, Mr. Gagnon received salary and bonus of \$174,740.

See "Non-Qualified Deferred Compensation Plan" below.

(2) The amounts in this column reflect the aggregate grant date fair value, computed in accordance with FASB ASC Topic 718, for awards granted during the applicable year. Assumptions used in the calculation of these amounts are included in Note 8 in the notes to the Company's audited consolidated financial statements for the fiscal year ended December 31, 2010 included in the Company's Annual Report on Form 10-K filed with the SEC on March 15, 2011.

(3) Mr. Roger G. Little received no bonus under his annual incentive bonus program for the years ended December 31, 2010 and 2009.

Mr. Mark C. Little's other compensation also included \$12,174 and \$8,749 of compensation from personal use of a company vehicle in each of the years ended December 31, 2010 and 2009, respectively.

Non-Qualified Deferred Compensation Plan

Effective January 1, 2002, the Company adopted the Spire Corporation Non-Qualified Deferred Compensation Plan (the "Deferred Compensation Plan") for Mr. Roger G. Little, Chairman of the Board, Chief Executive Officer and President of the Company. Under the Deferred Compensation Plan, the Company makes equal monthly contributions to the Spire Corporation Non-Qualified Deferred Compensation Trust (the "Trust") up to the annually required amount of \$250,000. The Company records these contributions as selling, general and administrative expense when made. The Trustee makes all investment decisions for the Trust on behalf of Mr. Little. The Company has not guaranteed a return on investment for Mr. Little. All earnings and losses on the Deferred Compensation Plan assets are borne by Mr. Little. All contributions and earnings are fully vested to Mr. Little when made but are subject to the Company's creditors in the event of bankruptcy. The Company makes contributions only if it has "available cash" to meet its operational needs as determined by the Compensation Committee. If the Compensation Committee determines that there is not enough "available cash" then it may defer funding for a particular plan year only until cash becomes available. As of December 31, 2010, the Company has accrued compensation expense of \$250,000 as called for by Mr. Little's employment agreement.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

The Company has an employment agreement with Roger G. Little, Chairman of the Board, Chief Executive Officer and President. For 2010, he received the following pursuant to the agreement: a base salary of \$257,500 and payment under the Deferred Compensation Plan in the amount of \$250,000. While he is also entitled to a payment under an annual incentive program of up to 50% of base salary (depending on the attainment of specified performance goals as set by the Compensation Committee), he received no bonus under this plan for 2010. For subsequent years, base salary will be no less than \$205,000; and payments under the annual incentive bonus program and the Deferred Compensation Plan will be determined annually. The agreement also provides for a Company vehicle for Mr. Little and for life insurance for which he may designate a beneficiary in the face amount of \$500,000. Further, the agreement provides for the payment of 12 months' base salary in the event he is terminated without cause or if he terminates the agreement for "good reason." The agreement also precludes Mr. Little from competing with the Company during his employment and for a period of one year thereafter, and from disclosing confidential information. The agreement also entitles Mr. Little to paid vacations in accordance with the regular policy of the Company for the executive officers.

If Mr. Little's employment is terminated by the Company without cause or by Mr. Little for "good reason" within six months prior to a change-of-control or within one year thereafter, then in lieu of payment of 12 months' base salary, the Company shall pay Mr. Little in 24 monthly installments a cash severance amount equal to three times his average annual compensation, including base salary and bonuses.

The agreement was originally executed on January 1, 2002 and had a five-year term. On each anniversary of the agreement, the agreement is automatically extended for an additional five-year term unless the parties have renegotiated the agreement or one of the parties has given the other party notice of non-renewal.

AUDIT COMMITTEE REPORT

This Audit Committee Report shall not be deemed to be "soliciting material" or to be filed with the Securities and Exchange Commission or subject to Regulation 14A or 14C under the Exchange Act, or to the liabilities of Section 18 of the Exchange Act. Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, this report shall not be incorporated by reference into any such filings.

Composition and Charter

The Audit Committee of the Board of Directors is currently composed of three directors, all of whom satisfy the independence standards for Audit Committee members under the rules of the Nasdaq Stock Market, and operates under a written charter. A copy of the Audit Committee Charter is available to stockholders on the Investor Relations - Corporate Governance page of the Company's website at www.spirecorp.com. From January 1, 2010 until May 20, 2010, the Committee was composed of Dr. Henseler, chairman, Mr. Lipinski and Mr. Mayer. To obtain a new perspective, at the Meeting of the Board of Directors held on May 20, 2010, committee members and chairmen were rotated. As of May 21, 2010, the Committee was composed of Mr. Lipinski, chairman, Dr. Henseler and Mr. Redmond.

Responsibilities

The responsibilities of the Audit Committee include engaging an accounting firm to serve as Spire's independent registered public accounting firm. Management is responsible for Spire's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of Spire's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) and for issuing an opinion thereon. The Audit Committee's responsibility is to oversee these processes and Spire's internal controls. The Audit Committee does not prepare or audit the Company's financial statements or certify their accuracy.

Review with Management and Independent Registered Public Accountants

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm. Management represented to the Audit Committee that Spire's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the audited consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the PCAOB in Rule 3200T.

Spire's independent registered public accounting firm also provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee discussed with the independent registered public accounting firm, McGladrey & Pullen, LLP, the firm's independence.

Summary

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm and the Audit Committee's review of Spire's audited consolidated financial statements and the representations of management, and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in Spire's Annual Report on Form 10-K for the year ended December 31, 2010, as filed with the SEC.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with the pre-approval, and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors of Spire Corporation has selected McGladrey & Pullen, LLP ("McGladrey") to act as the Company's independent registered public accountants for the current fiscal year. In 2010, McGladrey acquired certain assets of Caturano and Company, Inc. (formerly Caturano and Company, P.C.) ("Caturano"), the Company's former independent registered public accountants. As a result on September 22, 2010, Caturano resigned as the independent registered public accounting firm for the Company and concurrent with such resignation, the Company's Audit Committee approved the engagement of McGladrey as the new independent registered public accounting firm for the Company. Caturano served as accountants for the Company since January 7, 2004. Pursuant to Proposal Two, the stockholders of the Company are being asked to ratify the selection of McGladrey to act as the Company's independent registered public accountants for the current fiscal year.

The audit reports of Caturano on the Company's consolidated financial statements for the years ending December 31, 2009 and 2008 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the two fiscal years ended December 31, 2009 and through the date of Caturano's resignation in 2010, there were no disagreements between the Company and Caturano on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Caturano would have caused them to make reference thereto in their reports on the Company's financial statements for such years.

During the two fiscal years ended December 31, 2009 and through the date of Caturano's resignation in 2010, there were no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K, except that Caturano advised the Company with respect to the material weaknesses in the Company's internal control over financial reporting previously reported in (i) the Company's Annual Reports on Form 10-K for each of the years ended December 31, 2008 and December 31, 2009 and (ii) the Company's Quarterly Reports on Form 10-Q for each of the periods ended March 31, 2008 (as amended), June 30, 2008 (as amended), September 30, 2008, March 31, 2009, June 30, 2009, September 30, 2009, March 31, 2010 and June 30, 2010. The Audit Committee discussed the subject matter of these reportable events with Caturano. The Company authorized Caturano to respond fully to the inquiries of the

successor accountant concerning the subject matter of these reportable events.

During the Company's two fiscal years ended December 31, 2009 and through the date of McGladrey's engagement in 2010, the Company did not consult with McGladrey on either (1) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that may be rendered on the Company's financial statements, and McGladrey did not provide either a written report or oral advice to the Company that McGladrey concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (2) any matter that was either the subject of a disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

As the Company's independent registered public accountants, McGladrey was engaged to conduct quarterly reviews of the Company; to conduct an audit of the consolidated financial statements of the Company for the full year 2010; and to prepare the federal and state tax returns of the Company for the year ended December 31, 2010. Representatives of McGladrey are expected to attend the Meeting in order to respond to questions from stockholders and will have the opportunity to make a statement.

PROXIES AND VOTING AT THE MEETING

Each signed and returned proxy will be voted in accordance with any instructions of the stockholder(s) executing the proxy. A proxy signed without instructions will be voted in accordance with the Board's recommendations. If a stockholder attends the Meeting and votes in person, his or her proxy will not be counted. A signed proxy may be revoked at any time before it is exercised, either in person or by giving written notice of revocation to the Secretary of the Company at the address on the first page of this Proxy Statement.

Each share of common stock is entitled to one vote on all matters submitted to the stockholders for approval. No vote may be taken unless a quorum (i.e., a majority of the common stock issued, outstanding and entitled to vote) is present at the Meeting in person or by proxy. The approval of all matters as may properly come before the meeting requires the affirmative vote of a majority in interest of the stock represented and entitled to vote at the meeting. Broker non-votes are counted for purposes of determining the presence of a quorum, but are not counted for purposes of determining the result of any vote. Abstentions are counted in determining the presence of a quorum and have the effect of a vote against a proposal.

The Board has fixed March 25, 2011, as the record date for determining the stockholders entitled to vote at the Meeting. On that date there were 8,360,133 shares of common stock issued, outstanding, and entitled to vote.

OTHER MATTERS

The Board knows of no other matters that may come before the Meeting. If any other matters should properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote in accordance with their judgment on such matters. Such discretionary authority is conferred by the proxy.

All costs of this solicitation, which is being made principally by mail, but which may be supplemented by telephone or personal contacts by the Company's directors, officers, and employees without additional compensation, will be borne by the Company. Brokers will be requested to forward proxy soliciting material to the beneficial owners of the stock held in such brokers' names, and the Company will reimburse them for their expenses incurred in complying with the Company's request.

In the Company's filings with the SEC, information is sometimes "incorporated by reference." This means that the Company is referring you to information that has previously been filed with the SEC, so the information should be considered as part of the filing you are reading. Based on SEC regulations, the Audit Committee Report specifically is not incorporated by reference into any other filings with the SEC.

The Company's policy is to encourage its Board members to attend the Annual Meeting of Stockholders, and all of the members standing for re-election attended the Special Meeting in Lieu of the 2010 Annual Meeting of Stockholders.
