The Notes are convertible into shares of the Company’s common stock at a conversion price equal to the lesser of (i) \$0.002, or (ii) fifty percent (50%) of the lowest Sale Price (as defined) of the common stock for the twenty (20) trading days preceding the conversion date, subject to adjustment (as described in the Notes).

The Notes were issued with a thirty percent (30%) original issue discount and have a maturity date of October 2, 2019 and bear interest at a rate equal to 8% per annum (which interest rate is increased to 18% per annum upon the occurrence of an Event of Default (as defined in the Notes). The Beneficial Ownership Limitation may be adjusted upon not less than 61 days' prior notice to the Company, provided that such Beneficial Ownership Limitation in no event shall exceed 9.99%.

The Securities Purchase Agreement further provides that the Company agrees to enter into a registration rights agreement with and for the benefit of the Purchasers on terms satisfactory to the Purchasers in their sole and absolute discretion.
