Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On December 8, 2015, Thermon Group Holdings, Inc. (the "Company") announced that Rodney Bingham, the Company's President and Chief Executive Officer, will retire upon the expiration of his current employment agreement effective March 31, 2016. Mr. Bingham will also step down from the Company's Board of Directors (the "Board") effective March 31, 2016. Bruce Thames, the Company's current Executive Vice President and Chief Operating Officer, will succeed Mr. Bingham in the role of President and Chief Executive Officer and be appointed as a member of the Board effective April 1, 2016.

Prior to joining the Company in April 2015, Mr. Thames, 52, previously served as Senior Vice President and Chief Operating Officer of TD Williamson in Tulsa, Oklahoma since 2012. TD Williamson manufactures and delivers a portfolio of solutions to the owners and operators of pressurized piping systems for onshore and offshore applications. He joined TD Williamson in 2005 as the Vice President, North American Business Unit and was promoted to Vice President and General Manger, Eastern Hemisphere in 2010. Mr. Thames began his career with Cooper Industries (formerly Intool), where he spent 12 years in various roles within the product engineering, production and operations groups. Mr. Thames joined GE Energy (formerly Dresser Flow Solutions) and served primarily as the Director of Dresser's Valve Division during his tenure from 2002-2005. Mr. Thames graduated from the University of Texas at Austin in 1987 with a B.S. in Mechanical Engineering.

There are no arrangements or understandings between Mr. Thames and any other person pursuant to which he was appointed as an officer of the Company. There are also no family relationships between Mr. Thames and any director or executive officer of the Company and no transactions in which Mr. Thames has an interest requiring disclosure under Item 404(a) of Regulation S-K.

A copy of the press release issued by the Company on December 8, 2015 is attached hereto as Exhibit 99.1 and incorporated by reference herein.
