PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 25, 2015

GENERAL INFORMATION ABOUT THE PROXY

STATEMENT AND ANNUAL MEETING

General

This Proxy Statement is being furnished to the shareholders of Akers Biosciences, Inc. (together with its subsidiaries, “Company”, “Akers”, “we”, “us” or “our”) in connection with the solicitation of proxies by our Board of Directors (the “Board of Directors” or the “Board”) for use at the Annual Meeting of Shareholders to be held at 11:00 A.M. EST at 50 Southth 16 Street, 57th Floor, Philadelphia, PA 19102, and at any and all adjournments or postponements thereof (the “Annual Meeting”) for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Accompanying this Proxy Statement is a proxy/voting instruction form (the “Proxy”) for the Annual Meeting, which you may use to indicate your vote as to the proposals described in this Proxy Statement. It is contemplated that this Proxy Statement and the accompanying form of Proxy will be first mailed to the Company’s shareholders on or about June 10, 2015.

The Company will solicit shareholders by mail through its regular employees and will request banks and brokers and other custodians, nominees and fiduciaries, to solicit their customers who have stock of the Company registered in the names of such persons and will reimburse them for reasonable, out-of-pocket costs. In addition, the Company may use the service of its officers and directors to solicit proxies, personally or by telephone, without additional compensation.

Voting Securities

Only shareholders of record as of the close of business on June 4, 2015 (the “Record Date”) will be entitled to vote at the Annual Meeting and any adjournment or postponement thereof. As of the Record Date, there were approximately 5,144,837 shares of common stock of the Company, issued and outstanding and entitled to vote representing approximately 650 holders of record. Shareholders may vote in person or by proxy. Each holder of shares of common stock is entitled to one vote for each share of stock held on the proposals presented in this Proxy Statement. The Company’s bylaws provide that a majority of all the shares of stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the Annual Meeting. The enclosed Proxy reflects the number of shares that you are entitled to vote. Shares of common stock may not be voted cumulatively.

Voting of Proxies

All valid proxies received prior to the Annual Meeting will be voted. The Board of Directors recommends that you vote by proxy even if you plan to attend the Annual Meeting. To vote by proxy, you must fill out the enclosed Proxy, sign and date it, and return it in the enclosed postage-paid envelope. Voting by proxy will not limit your right to vote at the Annual Meeting if you attend the Annual Meeting and vote in person. However, if your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy executed in your favor, from the holder of record to be able to vote at the Annual Meeting.

Revocability of Proxies

All Proxies which are properly completed, signed and returned prior to the Annual Meeting, and which have not been revoked, will be voted in favor of the proposals described in this Proxy Statement unless otherwise directed. A shareholder may revoke his or her Proxy at any time before it is voted either by filing with the Secretary of the Company, at its principal executive offices located at 201 Grove Road, Thorofare, New Jersey 08086, a written notice of revocation or a duly-executed Proxy bearing a later date or by attending the Annual Meeting and voting in person.

Voting Procedures and Vote Required

The presence, in person or by proxy, of at least a majority of the issued and outstanding shares of common stock entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business. Shares represented by proxies which contain an abstention, as well as “broker non-vote” shares (described below) are counted as present for purposes of determining the presence or absence of a quorum for the Annual Meeting.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting as specified in such proxies.

Vote Required for Election of Directors (Proposal No. 1). Our Certificate of Incorporation, as amended, does not authorize cumulative voting. New Jersey law provides that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the four (4) candidates receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee’s achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee’s achievement of a plurality.

Vote Required for Ratification of Auditors (Proposal No. 2). New Jersey Law and Our Bylaws provide that, on all matters (other than the election of directors and except to the extent otherwise required by our Certificate of Incorporation, as amended or applicable New Jersey law), the affirmative vote of a majority of the shares present, in person or by proxy, and voting on the matter, will be required for approval. Accordingly, the affirmative vote of a majority of the shares present at the Annual Meeting, in person or by proxy, and voting on the matter, will be required to ratify the Board’s selection of MorisonCogen LLP as our independent auditors for the fiscal year ending December 31, 2015.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. Brokers that have not received voting instructions from their clients cannot vote on their clients’ behalf on “non-routine” proposals. Broker non-votes are not counted for the purposes of obtaining a quorum for the Annual Meeting, and, in tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote. The vote on Proposal 1 is considered “non-routine” and the vote on Proposal 2 is considered “routine”. Abstentions are counted as “shares present” at the Annual Meeting for purposes of determining the presence of a quorum but are not counted in the calculation of the vote.

Votes at the meeting will be tabulated by one or more inspectors of election appointed by the Executive Chairman.

Stockholders will not be entitled to dissenter's rights with respect to any matter to be considered at the Annual Meeting.

Shareholders List

For a period of at least ten days prior to the Annual Meeting, a complete list of shareholders entitled to vote at the Annual Meeting will be available at the principal executive offices of the Company located at 201 Grove Road, Thorofare, NJ 08086 so that shareholders of record may inspect the list only for proper purposes.

Expenses of Solicitation

The Company will pay the cost of preparing, assembling and mailing this proxy-soliciting material, and all costs of solicitation, including certain expenses of brokers and nominees who mail proxy material to their customers or principals.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of June 5, 2015, information regarding beneficial ownership of our capital stock by:

Each person, or group of affiliated persons, known by us to beneficially own more than 5% of our common stock;

Each of our named executive officers;

Each of our directors; and

investment power of that security, including options that are currently exercisable or exercisable within sixty (60) days of June 5, 2015. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have sole voting and investment power with respect to all shares of common stock shown that they beneficially own, subject to community property laws where applicable.

Common stock subject to stock options currently exercisable or exercisable within sixty (60) days of June 5, 2015, are deemed to be outstanding for computing the percentage ownership of the person holding these options and the percentage ownership of any group of which the holder is a member but are not deemed outstanding for computing the percentage of any other person.

Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Akers Biosciences, Inc., 201 Grove Road, Thorofare, New Jersey USA 08086.

Compensation-Setting Process/Role of Our Compensation Committee

During 2014, our board of directors was responsible for overseeing our executive compensation program, establishing our executive compensation philosophy and programs, and determining specific executive compensation, including cash and equity. Unless otherwise stated, the discussion and analysis below is based on decisions by the board of directors.

During 2014, our board of directors considered one or more of the following factors when setting executive compensation, as further explained in the discussions of each compensation element below:

the experiences and individual knowledge of the members of our board of directors regarding executive compensation, as we believe this approach helps us to compete in hiring and retaining the best possible talent while at the same time maintaining a reasonable and responsible cost structure;

corporate and/or individual performance, as we believe this encourages our executive officers to focus on achieving our business objectives;

the executive's existing equity award and stock holdings; and

internal pay equity of the compensation paid to one executive officer as compared to another - that is, that the compensation paid to each executive should reflect the importance of his or her role to the company as compared to the roles of the other executive officers, while at the same time providing a certain amount of parity to promote teamwork.

Summary Compensation Table

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee (the "Audit Report") does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Audit Report by reference therein.

Role of the Audit Committee

The Audit Committee's primary responsibilities fall into three broad categories:

First, the Committee is charged with monitoring the preparation of quarterly and annual financial reports by the Company's management, including discussions with management and the Company's outside auditors about draft annual financial statements and key accounting and reporting matters;

Second, the Committee is responsible for matters concerning the relationship between the Company and its outside auditors, including recommending their appointment or removal; reviewing the scope of their audit services and related fees, as well as any other services being provided to the Company; and determining whether the outside auditors are independent (based in part on the annual letter provided to the Company pursuant to Independence Standards Board Standard No. 1); and

Third, the Committee reviews financial reporting, policies, procedures, and internal controls of the Company. The Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Committee's charter. In overseeing the preparation of the Company's financial statements, the Committee met with management and the Company's outside auditors, including meetings with the Company's outside auditors without management present, to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with both management and the outside auditors. The Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees).

With respect to the Company's outside auditors, the Committee, among other things, discussed with MorisonCogen LLP matters relating to its independence, including the disclosures made to the Committee as required by the

Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Recommendations of the Audit Committee.
