The Group 10 Note was amended on May 11, 2017. The terms set forth below reflect all such amendments. Along with the Group 10 Note, 15,000,000 commitment shares of common stock must be issued to the holder within 15 days or an event of default will have occurred, earned in full upon purchase of the Group 10 Note. The Group 10 Note bears 12% interest per annum with a default interest rate of the lesser of 18% or the maximum rate permitted under applicable law, effective as of the issuance date of the Group 10 Note. If any event of default occurs, the outstanding principal amount of this the Group 10 Note, plus accrued but unpaid interest, liquidated damages and other amounts owing in respect thereof through the date of acceleration, shall become, at holder’s election, immediately due and payable in cash in the sum of (a) one hundred eighteen percent (118%) of the outstanding principal amount of the Group 10 Note plus one hundred percent (100%) of accrued and unpaid interest thereon and (b) all other amounts, costs, expenses and liquidated damages due in respect of the Group 10 Note. After the occurrence of any event of default, the interest rate on the Group 10 Note shall accrue at an interest rate equal the default interest rate.

Subject to the approval of holder for prepayments after one hundred eighty (180) days, the Company may prepay in cash all or any portion of the principal amount of the Group 10 Note and accrued interest thereon, with a premium, as

Additionally, if the closing price of the Company's common stock on the day immediately prior to the date of the notice of conversion is less than one-tenth of a penny (\$0.001) then the conversion price shall be twenty percent (25%) multiplied by the lowest closing price during the thirty-five (35) trading days prior to a notice of conversion is given (which represents a discount rate of twenty-five percent (25%)).

Initially, the share reserve shall be equal to three hundred fifty million (350,000,000) shares. The holder may request bi-monthly increases to reserve such amounts based on a conversion price equal to the lowest closing price during the preceding thirty-five (35) day. The Company agrees that it will take all such reasonable actions as may be necessary to assure that the conversion shares may be issued.
