PROCEDURAL INFORMATION

The enclosed proxy is solicited by the board of directors of Barfresh Food Group, Inc., a Delaware corporation, for use at the 2018 Annual Meeting of Stockholders (the “Annual Meeting”) of Barfresh Food Group, Inc. and all postponements, continuations or adjournments thereof. These proxy materials and the enclosed Annual Report on Form 10-K (“Annual Report”) for fiscal year ended December 31, 2017 (“2017 Fiscal Year”) are being mailed to our stockholders on or about August 9, 2018. In this Proxy Statement, we use the terms the “Company,” “Barfresh” “we”, “our”, and “us” to refer to Barfresh Food Group, Inc. and its wholly owned subsidiaries.

Where and when is the Annual Meeting? Our Annual Meeting will be held at 10 a.m. Pacific Standard Time, on Thursday September 13, 2018 at our principal executive office, 8383 Wilshire Blvd., Suite 750, Beverly Hills, California 90211.

Why did I receive these materials? You received this Proxy Statement because you held shares of our common stock on July 18, 2018, the record date fixed by our board of directors, and you are entitled to vote at the Annual Meeting. This Proxy Statement and a copy of our Annual Report will be mailed on or about August 9, 2018. Although the Proxy Statement and Annual Report are being mailed together, the Annual Report is not incorporated into, and should not be deemed part of, this Proxy Statement.

Who can attend the Annual Meeting? Only stockholders as of the record date, their authorized representatives, and invited guests will be able to attend the Annual Meeting.

Who is entitled to vote? Only holders of record of our common stock at the close of business on July 18, 2018 the record date, are entitled to vote at the Annual Meeting. Each share is entitled to vote on each matter properly brought before the meeting. As of the record date, there were 119,656,547 shares of our common stock outstanding.

Who are the proxies? The board of directors of the Company has appointed Riccardo Delle Coste, our Chairman of the board of directors and Chief Executive Officer, and Arnold Tinter, our Secretary and director, to serve as proxies at the Annual Meeting. When you fill out your proxy card and return it, or if you vote electronically, you will be giving the proxies your instruction on how to vote your shares at the Annual Meeting.

How do I vote if I am a registered stockholder? You may vote in person, electronically via the Internet, or by proxy. Proxies are solicited to give all stockholders who are entitled to vote on the matters that come before the meeting the opportunity to do so whether or not they attend the meeting in person. If you are a registered holder, you can vote your

proxy card by mail, electronically via the Internet, or in person at the Annual Meeting. *If you choose to vote by mail, mark your proxy card enclosed with this Proxy Statement, date and sign it, and mail it in the postage-paid envelope. If you wish to vote in person, you can vote the proxy card in person at the Annual Meeting. Signing and returning a proxy will not prevent you from voting in person at the meeting.*

How do I vote electronically? If you are a registered stockholder, you may vote electronically via the Internet. Please review the voting instructions on the proxy card.

How do I specify how I want my shares voted? If you are a registered stockholder, you can specify how you want your shares voted on each proposal by marking the appropriate boxes on the proxy card. Please review the voting instructions on the proxy card and read the entire text of the proposals and the positions of the board of directors in the Proxy Statement prior to marking your vote. *If your proxy card is signed and returned without specifying a vote, it will be voted according to the recommendation of the board of directors on that proposal.*

How do I vote if I am a beneficial stockholder? If you are a beneficial stockholder, you have the right to direct your broker or nominee on how to vote your shares. You should complete a voting instruction card which your broker or nominee is obligated to provide to you. If you wish to vote in person at the meeting, you must first obtain from the record holder a proxy card issued in your name.

What items will be voted upon at the Annual Meeting? The following items will be voted upon at the Annual Meeting:

1. the election of Riccardo Delle Coste, Steven Lang, Arnold Tinter, Alice Elliot, Joseph M. Cugine Alexander H. Ware, and Isabelle Ortiz-Cochet to serve a one-year term until their respective successors are duly elected and qualified or until their death, resignation, removal or disqualification.;

2. the ratification of the appointment of Eide Bailly LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2018; and

3. such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

The board of directors does not currently know of any other matters that may be brought before the meeting for a vote. However, if any other matters are properly presented for action, it is the intention of the persons named on the proxy card to vote on them according to their best judgment.

What is the board of directors' voting recommendation? For the reasons set forth in more detail later in the Proxy Statement, the board of directors unanimously recommends a vote **FOR** the election of all nominees for director proposed by our Board (Proposal 1). The board of directors has ratified the selection of Eide Bailly LLP as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2018 (Proposal 2) which selection was made by the Company's audit committee. The board of directors recommends a vote **FOR** the ratification of the auditors (Proposal 2).

How can I provide my comments to the Company? We urge you to let us know your comments about the Company or to bring a particular matter to our attention by writing directly to us at Barfresh Food Group, Inc., 8383 Wilshire Blvd., Suite 750, Beverly Hills, California 90211, attention: Arnold Tinter, Secretary.

How many votes are needed to have the proposals pass? The affirmative vote of the majority of the votes present and entitled to vote at the Annual Meeting is required to elect the directors and ratify the selection of the auditors.

How are the votes counted? You will have one vote for each share of our common stock that you owned on the record date. If the proxy card is properly executed and returned prior to the Annual Meeting, the shares of common stock it represents will be voted as you instruct on the proxy card. If a proxy card is unmarked, or if you indicate no vote, the shares of common stock it represents will be voted FOR Proposal No. 1, the election of directors recommended by the board of directors, and FOR Proposal No. 2 the ratification of the auditors for this year.

No Cumulative Voting. Holders of common stock shall not be entitled to cumulate their votes for the election of directors or any other matters.

Abstentions. Abstentions will be treated as present and entitled to vote for purposes of determining the presence of a quorum. Abstentions will not constitute a vote FOR or AGAINST any matter, and thus will be disregarded in the calculation of shares voting or votes cast on any matter submitted to the stockholders for a vote.

Broker Non-Votes. A broker non-vote occurs when shares held by a broker are not voted with respect to a particular proposal because the broker does not have discretionary authority to vote on the matter and has not received voting instructions from its clients. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will only have discretion to vote your shares on “routine” matters. Where a proposal is not “routine”, a broker who has received no instructions from its clients does not have discretion to vote its clients’ uninstructed shares on that proposal. At our Annual Meeting, only Proposal 4 (ratifying the appointment of our independent registered public accounting firm) is considered a routine matter. Your broker will therefore not have discretion to vote on the following “non-routine” matters absent direction from you: the election of directors.

Broker non-votes and abstentions by stockholders from voting (including brokers holding their clients’ shares of record who cause abstentions to be recorded) will be counted towards determining whether or not a quorum is present. However, because broker non-votes and abstentions are not voted FOR or AGAINST, they will have no effect on the approval of any of the proposals, except where brokers may exercise their discretion on routine matters.

Quorum. A majority of the shares of common stock outstanding on the record date, represented in person or by proxy, will constitute a quorum at the Annual Meeting. As of July 18, 2018 we had 119,656,547 shares of common stock outstanding. The number of shares required to be represented in person or by proxy at the Annual Meeting to constitute a quorum is 59,828,274.

How can I revoke my proxy? You may revoke your proxy at any time before it is voted at the meeting by taking one of the following three actions:

- (1) giving timely written notice of the revocation to our Secretary,
- (2) executing and delivering a proxy card with a later date, or
- (3) voting in person at the meeting.

How would my proxy be voted on other matters? The persons named on the proxy card will have discretionary authority to vote on business *other than* Proposal 1 (the election of directors) and Proposal 2 (ratification of the appointment of our independent registered public accounting firm) as may properly come before the Annual Meeting.

Who will pay for the costs involved in the solicitation of proxies? This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of Barfresh Food Group, Inc. Barfresh will pay all costs of preparing, assembling, printing and distributing the proxy materials. Copies of proxy materials will be furnished to brokerage houses, nominees, fiduciaries and custodians to forward to beneficial owners of common stock held in their names. Our employees, officers and directors may, for no additional compensation, solicit proxies on behalf of the board of directors through the mail, in person and by telecommunications. Upon request, we will reimburse brokerage firms and other record holders for their reasonable expenses incurred for forwarding solicitation material to beneficial owners of stock.

Do stockholders have any dissenters' right with regards to the matters proposed to be acted upon? There are no rights of appraisal or other similar rights of dissenters under the laws of the State of Delaware with respect to any of the matters proposed to be acted upon herein.

Where can I find the voting results of the Annual Meeting? The final voting results will be reported in a Current Report on Form 8-K that we expect to file with the Securities and Exchange Commission within four business days of the Annual Meeting, and that Form 8-K will be available on our website at <http://www.barfresh.com/investors/corporate/sec-filings/>. We also expect to announce preliminary results at the Annual Meeting.

How can I communicate with the board of directors? If you wish to communicate with the board of directors, you may send your communication in writing to: Barfresh Food Group, Inc., 8383 Wilshire Blvd., Suite 750, Beverly Hills, California 90211, attention: Arnold Tinter, Secretary, who will forward all material communications from stockholders to the appropriate director or directors or committee of the board of directors based on the subject matter. You must include your name and address in the written communication and indicate whether you are a stockholder of the Company.

IMPORTANT

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope so that your shares can be voted. This will not limit your rights to attend or vote at the 2018 Annual Meeting.

CORPORATE GOVERNANCE

Leadership Structure

The positions of our chairman of the board of directors and principal executive officer are served by Riccardo Delle Coste. Our board of directors has no formal policy on whether the role of the chairman of the board of directors and principal executive officer should be held by separate persons. We believe it is important to maintain flexibility to have either combined offices or a separate chairman and principal executive officer structure as circumstances dictate and to make that determination based on the strategic and operational position and direction of the Company and the character of the membership of our board of directors.

Our board of directors believes that our current management structure, in which Mr. Delle Coste serves in a combined chairman and principal executive officer role, is appropriate for us at this time. Mr. Delle Coste possesses an understanding of the operational issues, opportunities, risks and challenges facing the Company and its business on a day-to-day and long-term basis. Given Mr. Delle Coste's particular skills and knowledge, as well as our size and stage of development, we believe Mr. Delle Coste is best positioned to identify key risks and developments facing the Company to be brought to our board's attention and to lead discussion and execution of strategy. We have not designated an independent lead director and do not intend to do so at this time.

Risk Oversight

Both the full board of directors and its committees oversee the various risks faced by the Company. Management is responsible for the day-to-day management of the Company's risks and provides periodic reports to the board of directors and its committees relating to those risks and risk-mitigation efforts. Our board of directors' oversight of risk is conducted primarily through the standing committees of the board of directors, with the audit committee taking a lead role on oversight of financial risks and in interfacing with management on significant risks or exposures and assessing the steps management has taken to minimize such risks. The audit committee also is charged with, among other tasks, oversight of management on the Company's guidelines and policies to govern the process by which the Company's exposure to risk is handled. Members of the Company's management, including our principal financial officer, periodically report to the audit committee regarding risks overseen by the audit committee, including quarterly with respect to the Company's internal control over financial reporting. The compensation committee, in consultation with management, has reviewed the design and operation of the Company's compensation arrangements and evaluated the relationship between the Company's risk management policies and practices and these arrangements. As a result of this review, the compensation committee has determined that the Company's compensation policies and practices are not reasonably likely to have a material adverse effect on the Company. Our board of directors does not believe that its role in the oversight of our risks affects the board's leadership structure.

Board of Directors and Committee Meetings

During the 2017, the board of directors met four times. Six of our directors attended all of the meetings. One of our directors attended three of the four meetings. Each member of a committee of our board of directors attended all of their respective committee's meetings during the period served thereon, with the exception of Steven Lang, who was unable to attend 75% of meetings of all committees to which he belongs.

Attendance of Board Members at Annual Stockholder's Meeting

The Company does not have a policy for Board meeting or committee meeting attendance because, pursuant to our bylaws, members constituting a majority of directors constitute a quorum for meetings of the board of directors all our directors, regularly attend all meetings.

Board Structure and Committees

We currently have an audit committee, a compensation committee and a nominating and governance committee. The members of the audit committee are Arnold Tinter, Steven Lang and Riccardo Delle Coste. The audit committee is primarily responsible for reviewing the services performed by our independent auditors and evaluating our accounting policies and our system of internal controls. Steven Lang is the only independent member of the audit committee, as defined above. In the future we expect to have an audit committee comprised of all independent members. The members of the compensation committee are Arnold Tinter, Alice Elliot and Riccardo Delle Coste. The compensation committee is primarily responsible for reviewing and approving our salary and benefits policies (including stock options) and other compensation of our executive officers. The members of the nominating committee are Arnold Tinter, Alice Elliot and Steven Lang. The nominating and governance committee is primarily responsible for overseeing corporate governance and for identifying, evaluating and recommending individuals to serve as directors of the Company.

Board Determination of Independence

We use the definition of “independence” standards as defined in the NASDAQ Stock Market Rule 5605(a)(2) provides that an “independent director” is a person other than an officer or employee of the Company or any other individual having a relationship, which, in the opinion of the Company’s board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. We have determined that four of our seven directors are independent, which constitutes a majority.

Nomination of Directors

Our nominating and governance committee determines the required selection criteria and qualifications of director nominees based upon our needs at the time nominees are considered. In general, directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of our stockholders. In addition to the above considerations, the nominating and governance committee will consider criteria such as strength of character and leadership skills; general business acumen and experience; broad knowledge of the industry; number of other board seats; and willingness to commit the necessary time to ensure an active board whose members work well together and possess the collective knowledge and expertise required by the board of directors. The nominating and governance committee will consider these same criteria for candidates regardless of whether the candidate was identified by the committee, by stockholders, or any other source.

The nominating and governance committee will consider qualified candidates for possible nomination that are submitted by our stockholders. Stockholders wishing to make such a submission may do so by sending the requisite information to the board of directors at the address indicated herein under the heading “Stockholder Proposals for 2019 Annual Meeting.” Any recommendations submitted by a stockholder should be in writing and should include whatever supporting material the stockholder considers appropriate in support of that recommendation, but must include the information prescribed by our bylaws and any other information that would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of such candidate and a signed consent of the candidate to serve as a director of Barfresh, if elected.

The nominating and governance committee conducts a process of making a preliminary assessment of each proposed nominee based upon the resume and biographical information provided, an indication of the candidate’s willingness to serve and other background information, business experience, and leadership skills, all to the extent available and deemed relevant by the nominating and governance committee. This information is evaluated against the criteria set forth above and our specific needs at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet our needs may be invited to participate in a series of interviews, which are used as a further means of evaluating potential candidates. On the basis of information learned during this process, the nominating and governance committee determines which candidate(s) to recommend to the board to submit for election at the next stockholder meeting. The nominating and governance committee uses the same process for evaluating all candidates,

regardless of the original source of the nomination.

Our goal is to seek to achieve a balance of knowledge and experience on our board. To this end, we seek nominees with the highest professional and personal ethics and values, an understanding of our business and industry, diversity of business experience and expertise, a high level of education, broad-based business acumen and the ability to think strategically. Although we use the criteria listed above as well as other criteria to evaluate potential nominees, we do not have a stated minimum criteria for nominees. The board does not use different standards to evaluate nominees depending on whether they are proposed by our directors and management or by our stockholders. To date, we have not paid any third parties to assist us in finding director nominees.

PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF EIDE BAILLY LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has reappointed Eide Bailly LLP to audit our consolidated financial statements for fiscal 2018. Eide Bailly LLP, an independent registered public accounting firm, has served as our independent auditor continuously since March 7, 2012. A representative from Eide Bailly LLP is not expected to be present at the annual meeting.

Although stockholder ratification of the appointment is not required by law, we desire to solicit such ratification as a matter of good corporate governance. If the appointment of Eide Bailly LLP is not approved by a majority of the shares cast at the annual meeting, the audit committee will consider the appointment of another independent registered public accounting firm for fiscal 2018.

Vote Required

Ratification of the independent registered public accounting firm requires the affirmative vote of a majority of the votes cast. For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and thus will have no effect on the result of the vote although they will count towards the presence of a quorum for Proposal 2. Unless a stockholder indicates otherwise, each signed proxy will be voted FOR the ratification of the selection of Eide Bailly as the Company's independent registered public accounting firm.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” RATIFICATION OF THE
APPOINTMENT OF EIDE BAILLY LLP AS OUR INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2018.**

Independent Registered Public Accounting Firm Fee Information

Aggregate fees for professional services rendered to the Company by Eide Bailly LLP for the years ended December 31, 2017 and December 31, 2016 were as follows.

	2017	2016
Audit fees	\$66,439	\$53,208
Audit related fees		
Tax fees	13,300	13,700
All other fees		
Total	\$79,739	\$66,908

As defined by the SEC, (i) “audit fees” are fees for professional services rendered by our principal accountant for the audit of our annual financial statements and review of financial statements included in our Form 10-K, or for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) “audit-related fees” are fees for assurance and related services by our principal accountant that are reasonably related to the performance of the audit or review of our financial statements and are not reported under “audit fees;” (iii) “tax fees” are fees for professional services rendered by our principal accountant for tax compliance, tax advice, and tax planning; and (iv) “all other fees” are fees for products and services provided by our principal accountant, other than the services reported under “audit fees,” “audit-related fees,” and “tax fees.”

Audit Fees. The aggregate fees billed for the years end December 31, 2017 and December 31, 2016 were for the audits of our financial statements and reviews of our interim financial statements included in our annual and quarterly reports.

Audit Related Fees. Eide Bailly LLP did not provide us with audit related services for the years ended December 31, 2017 or December 31, 2016, that are not reported under Audit Fees.

Tax Fees. The aggregate tax fees billed for the year end December 31, 2017 and December 31, 2016 were related to the preparation of corporate income tax returns.

All Other Fees. Eide Bailly LLP did not provide us with professional services related to “Other Fees” for the years ended December 31, 2017 or December 31, 2016.

Audit Committee Pre-Approval Policies and Procedures

Under the SEC's rules, an audit committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm in order to ensure that they do not impair the auditors' independence. The SEC's rules specify the types of non-audit services that an independent auditor may not provide to its audit client and establish the audit committee's responsibility for administration of the engagement of the independent registered public accounting firm. The Company has established an Audit Committee. Accordingly, audit services and non-audit services described in this Item 14 were pre-approved by an Audit Committee.

There were no hours expended on the principal accountant's engagement to audit the registrant's financial statements for the most recent fiscal year that were attributed to work performed by persons other than the principal accountant's full-time, permanent employees.

HOUSEHOLDING

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement or Notice of Internet Availability of Proxy Materials addressed to those stockholders. This practice, known as “householding”, is designed to reduce the volume of duplicate information and reduce printing and postage costs.

If you and others who share your mailing address own our common stock in street name, meaning through bank or brokerage accounts, you may have received a notice that your household will receive only one annual report and proxy statement or Notice of Internet Availability of Proxy Materials from each company whose stock is held in such accounts. Unless you responded that you did not want to participate in householding, you were deemed to have consented to it and a single copy of our proxy statement and annual report or Notice of Internet Availability of Proxy Materials has been sent to your address.

We will promptly deliver separate copies of our proxy statement and annual report at the request of any stockholder who is in a household that participates in the householding of our proxy materials. You may send your request by mail to Barfresh Food Group, Inc., 8383 Wilshire Blvd., Suite 750, Beverly Hills, California 90211, attention: Arnold Tinter, Secretary or by telephone at (310) 598-7113.

STOCKHOLDER PROPOSALS FOR 2019 ANNUAL MEETING

Stockholder proposals for inclusion in our proxy statement: If a stockholder wishes to present a proposal to be included in our proxy statement and form of proxy for the 2019 Annual Meeting of Stockholders, the proponent and the proposal must comply with the proxy proposal submission rules of the SEC and namely, Securities Exchange Act Rule 14a-8. One of the requirements is that the proposal be received by our Secretary no later than April 11, 2019, which is 120 calendar days before August 9, 2019 - the anniversary date of this Proxy Statement was released to stockholders in connection with the 2018 Annual Meeting. If the date of next year’s annual meeting is changed by more than 30 days from the anniversary date of this year’s Annual Meeting on September 13, 2019, then the deadline is a reasonable time before we begin to print and mail proxy materials. Proposals we receive after that date will not be included in the proxy statement for the 2019 Annual Meeting of Stockholders.

Other stockholder proposals: A stockholder proposal not included in our proxy statement for the 2019 Annual Meeting of Stockholders will not be eligible for presentation at the meeting unless the stockholder gives timely notice of the proposal in writing to our Secretary at our principal executive offices and otherwise complies with the provisions of our bylaws. The bylaws provide that we must have received the stockholder’s notice not more than 120

days in advance of the one-year anniversary of the date of the previous year's Annual Meeting of Stockholders. To be timely, a stockholder proposal not included in our proxy statement for the 2019 Annual Meeting of Stockholders must be received by our Secretary no later than May 16, 2019, provided, however, that if the date of the annual meeting is more than thirty (30) days before or sixty (60) days after such anniversary date, such notice will be timely only if so delivered or mailed and received no later than the later of one hundred twenty (120) days prior to the date of the meeting or ten (10) days after the first public announcement of the date of the annual meeting. Except to the extent otherwise required by law, the adjournment of a meeting of stockholders shall not commence a new time period for the giving of a stockholder's notice as describe above. The presiding officer of the meeting may refuse to acknowledge any matter not made in compliance with the foregoing procedure and provisions of our bylaws.

We urge stockholders to submit all proposals by Certified Mail - Return Receipt Requested. Stockholder proposals should be sent to 8383 Wilshire Blvd., Suite 750, Beverly Hills, California 90211, attention: Arnold Tinter, Secretary.

STOCKHOLDER ADVISORY VOTES

The current frequency of stockholder advisory vote on the compensation paid to our Named Executive Officers is every three years. The next stockholder advisory vote on the compensation paid to our Named Executive Officers and on how frequently we should seek approval from our stockholders, on an advisory basis, of the compensation paid to our Named Executive Officers will occur at the Company's 2019 annual meeting and 2022 annual meeting, respectively.

OTHER MATTERS WHICH MAY BE PRESENTED FOR ACTION AT THE MEETING

The Board does not intend to present for action at this annual meeting any matter other than those specifically set forth in the Notice of Annual Meeting. If any other matter is properly presented for action at the annual meeting, it is the intention of persons named in the proxy to vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by the proxy.
