Advanced Emissions Solutions, Inc. (the "Company") is filing this Notification of Late Filing on Form 12b-25 with respect to its Annual Report on Form 10-K for the fiscal year ended December 31, 2015, due March 15, 2016. As previously disclosed, the Company performed a review of its accounting practices and internal controls over financial reporting and engaged Hein & Associates LLP to serve as its independent registered public accounting firm. The Company identified various material weaknesses as disclosed in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 filed with the U.S. Securities and Exchange Commission on February 29, 2016 (the "2014 10-K").

The Company's management and its finance and accounting team are working diligently to complete the Quarterly Reports on Form 10-Q for the three quarters ended March 31, June 30 and September 30, 2015 and work related to the completion and audit of the financial statements for the fiscal year ended December 31, 2015; however, given the resources and time dedicated to the accounting review and recently completed 2014 10-K, the Company is not able to timely complete the preparation of its financial statements and related disclosures to be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2015, due March 15, 2016, without unreasonable effort or

expense.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? x Yes " No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Given the delay in the preparation and audit of the Company's financial statements for the fiscal year ended December 31, 2015 discussed in Part III above, the Company is not in a position at this time to compare results of operations for the fiscal years ended December 31, 2015, 2014 and 2013, and therefore cannot provide reasonable estimates of any potential change in results of operations.
