Item 1.01. Entry into Material Definitive Agreement.

Asset Purchase Agreement to Acquire Hearthside Food Solutions' Granola Business

On May 9, 2013, Post Acquisition Sub I, LLC, a Delaware limited liability company (the "Buyer"), a wholly-owned subsidiary of Post Holdings, Inc. ("Post" or the "Company"), entered into an Asset Purchase Agreement (the "APA") with Hearthside Food Solutions, LLC, a Delaware limited liability company (the "Seller"). Under the APA, Buyer has agreed to acquire substantially all the assets that are used by the Seller in the business of manufacturing, packaging, distributing, selling and marketing private label and branded bulk granola, ready to eat cereals and granola snacks, including assumption of Seller's leased manufacturing facility located in Eugene, Oregon (the "Acquisition"). The Acquisition includes the assumption of substantially all of the operating liabilities related to the business being acquired. Post has unconditionally guaranteed Buyer's obligations under the APA.

At closing, Post will pay the purchase price of \$158 million, subject to a working capital adjustment. The APA contains representations, warranties and indemnities customary for a transaction of this type, with additional covenants which relate to the period between signing and closing with respect to the operation of the business being acquired.

The obligations of the parties to complete the Acquisition are subject to certain limited conditions, including the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the receipt of third party consents under material agreements. The transaction is expected to close by June 2013.

The foregoing description of the APA is qualified in its entirety by reference to the complete terms and conditions of the APA, which will be filed with the Company's Quarterly Report on Form 10-Q for the third fiscal quarter of 2013.

On May 9, 2013, Post issued a press release announcing the Acquisition. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
